SOCCER - 1 JAPAN GET LUCKY WIN , 2 CHINA IN SURPRISE
DEFEAT . Nadim Ladki [1 1 AL-AIN 1] , [2 2 United Arab Emirat
es 2] 1996-12-06 3 Japan began the defence of their [1 4 Asian
Cup 1] title with a lucky 2-1 win against [3 3 Syria 3] in a
Group C championship match on Friday . But 5 China saw their
luck desert them in the second match of the group , crashing
to a surprise 2-0 defeat to newcomers [4 4 Uzbekistan 4] . [5
5 China 5] controlled most of the match and saw several
chances missed until the 78th minute when [2 6 Uzbek 2]
striker [6 6 Igor Shkvyrin 6] took advantage of a misdirected
defensive header to lob the ball over the advancing [7 7 Chin
ese 7] keeper and into an empty net . Oleg Shatskiku made
sure of the win in injury time , hitting an unstoppable left
foot shot from just outside the area . The former [8 8 Soviet
8] republic was playing in an [9 9 Asian Cup 9] finals tie
for the first time . Despite winning the 7 Asian Games title
two years ago , [10 10 Uzbekistan 10] are in the finals as
outsiders . Two goals from defensive errors in the last six
minutes allowed 8 Japan to come from behind and collect all
three points from their opening meeting against [11 11 Syria 1
1] . [12 12 Takuya Takagi 12] scored the winner in the 88th
minute , rising to head a 9 Hiroshige Yanagimoto cross
towards the [3 10 Syrian 3] goal which goalkeeper Salem Bitar
appeared to have covered but then allowed to slip into the
net . It was the second costly blunder by [13 13 Syria 13] in
four minutes . Defender [14 14 Hassan Abbas 14] rose to
intercept a long ball into the area in the 84th minute but
only managed to divert it into the top corner of Bitar 's
goal . Nader Jokhadar had given [15 15 Syria 15] the lead
with a well-struck header in the seventh minute . 11 Japan
then laid siege to the [4 12 Syrian 4] penalty area for most
of the game but rarely breached the [5 13 Syrian 5] defence .
Bitar pulled off fine saves whenever they did . 14 Japan
coach [16 16 Shu Kamo 16] said : ' ' The [6 15 Syrian 6] own
goal proved lucky for us . The [7 7 Syrians 7] scored early and
then played defensively and adopted long balls which made it
hard for us . ' ' 16 Japan , co-hosts of the 17 World Cup in
2002 and ranked 20th in the world by [17 17 FIFA 17] , are
favourites to regain their title here . Hosts [8 18 UAE 8]
play [18 18 Kuwait 18] and 19 South Korea take on [9 20 Indon
esia 9] on Saturday in Group A matches . All four teams are
level with one point each from one game .

[1 1 RUGBY UNION 1] - [1 1 CUTTITTA 1] BACK FOR [2 2 ITALY 2]
AFTER A YEAR . [2 2 ROME 2] 1996-12-06 [3 3 Italy 3] recalled
[3 3 Marcello Cuttitta 3] on Friday for their friendly
against [4 4 Scotland 4] at [5 5 Murrayfield 5] more than a
year after the 30-year-old wing announced he was retiring

following differences over selection . [4 4 Cuttitta 4] , who trainer George Coste said was certain to play on Saturday week , was named in a 21-man squad lacking only two of the team beaten 54-21 by [5 5 England 5] at [6 6 Twickenham 6] last month . Stefano Bordon is out through illness and Coste said he had dropped back row Corrado Covi , who had been recalled for the 6 England game after five years out of the national team . [6 7 Cuttitta 6] announced his retirement after the 8 1995 World Cup , where he took issue with being dropped from the [7 9 Italy 7] side that faced [8 10 England 8] in the pool stages . Coste said he had approached the player two months ago about a comeback . " He ended the 11 World Cup on the wrong note , " Coste said . " I thought it would be useful to have him back and he said he would be available . I think now is the right time for him to return . " Squad : Javier Pertile , [7 7 Paolo Vaccari 7] , [8 8 Marcello Cuttitta 8] , [9 9 Ivan Francescato 9] , Leandro Manteri , [10 10 Diego Dominguez 10] , [11 11 Francesco Mazzariol 11] , [12 12 Alessandro Troncon 12] , [9 Orazio Arancio 9] , Andrea Sgorlon , [10 Massimo Giovanelli 10] , [13 13 Carlo Checchinato 13] , [11 Walter Cristofaletto 11] , Franco Properzi Curti , Carlo Orlandi , [14 14 Massimo Cuttitta 14] , Giambatista Croci , Gianluca Guidi , [15 15 Nicola Mazzucato 15] , [16 16 Alessandro Moscardi 16] , [12 Andrea Castellani 12] .

SOCCER - LATE GOALS GIVE 1 JAPAN WIN OVER 2 SYRIA . [1 1 AL-AIN 1] , [2 2 United Arab Emirates 2] 1996-12-06 Two goals in the last six minutes gave holders [3 3 Japan 3] an uninspiring 2-1 [4 4 Asian Cup 4] victory over [5 5 Syria 5] on Friday . [6 6 Takuya Takagi 6] headed the winner in the 88th minute of the group C game after goalkeeper Salem Bitar spoiled a mistake-free display by allowing the ball to slip under his body . It was the second [1 3 Syrian 1] defensive blunder in four minutes . Defender [7 7 Hassan Abbas 7] rose to intercept a long ball into the area in the 84th minute but only managed to divert it into the top corner of Bitar 's goal . [8 8 Syria 8] had taken the lead from their first serious attack in the seventh minute . Nader Jokhadar headed a cross from the right by Ammar Awad into the top right corner of [9 9 Kenichi Shimokawa 9] 's goal . [10 10 Japan 10] then laid siege to the [2 4 Syrian 2] penalty area and had a goal disallowed for offside in the 16th minute . A minute later , Bitar produced a good double save , first from [11 11 Kazuyoshi Miura 11] 's header and then blocked a [12 12 Takagi 12] follow-up shot . Bitar saved well again from [13 13 Miura 13] in the 37th minute , parrying away his header from a corner . [14 14 Japan 14] started the second half brightly but Bitar denied them an equaliser when he dived to his right to save [15 15 Naoki Soma 15] 's low drive in the 53rd minute . 5 Japan : 19 - [16 16 Kenichi Shimokawa 16] , 2 - [17 17 Hiroshige Yanagimoto 17] , 3 - [18 18 Naoki Soma 18] , 4 - [19 19 Masami Ihara 19] , 5 - [20 20 Norio Omura 20] , 6 - [21 21 Motohiro Yamaguchi 21] , 8 - [22 22 Masakiyo Maezono 22] (7 - [23 23 Yasuto Honda 23] 71) , 9 - [24 24 Takuya Takagi 24] , 10 - [25 25 Hiroshi Nanami 25] , 11 - [26 26 Kazuyoshi Miura 26] , 15 - [27 27 Hiroaki Morishima 27] (14 - [28 28 Masayuki Okano 28] 75) . 1996-12-06 [1 1 Dutch 1] forward Reggie Blinker had his

was set to make his [4 4 Sheffield Wednesday 4] comeback
against [5 5 Liverpool 5] on Saturday . [6 6 Blinker 6]
missed his club 's last two games after [7 7 FIFA 7] slapped
a worldwide ban on him for appearing to sign contracts for

playing for [10 10 Feyenoord 10] . [11 11 FIFA 11] 's players
' status committee , meeting in [12 12 Barcelona 12] ,

whom the player was under contract . [16 16 Blinker 16] was
fined 75,000 [17 17 Swiss 17] francs (\$ 57,600) for failing

[1 1 RUGBY UNION 1] - [1 LITTLE 1] TO MISS [2 2 CAMPESE 2]
FAREWELL . Robert Kitson [3 3 LONDON 3] 1996-12-06 Centre [4 4
Jason Little 4] will miss [2 1 Australia 2] 's end-of-tour
fixture against the [5 5 Barbarians 5] at [6 6 Twickenham 6]
on Saturday . [3 Little 3] has opted not to risk aggravating
the knee injury which ruled him out of a large chunk of the
tour and is replaced by fellow 2 Queenslander [7 7 Daniel Her
bert 7] . [8 8 Owen Finegan 8] has recovered from the knocks
he took in last weekend 's test against [9 9 Wales 9] and
retains his place in the back-row ahead of Daniel Manu . The [10 10 Wallabies 10] have their sights set on a 13th
successive victory to end their [11 11 European 11] tour with
a 100 percent record but also want to turn on the style and
provide [12 12 David Campese 12] with a fitting send-off in
his final match in [13 13 Australian 13] colours . The [14 14
Wallabies 14] currently have no plans to make any special
presentation to the 34-year-old winger but a full house of
75,000 spectators will still gather in the hope of witnessing
one last moment of magic . [15 15 Campese 15] will be up
against a familiar foe in the shape of [16 16 Barbarians 16]
captain [17 17 Rob Andrew 17] , the man who kicked [4 3 Austr
alia 4] to defeat with a last-ditch drop-goal in the 4 World C
up quarter-final in [18 18 Cape Town 18] . " Campo has a
massive following in this country and has had the public with
him ever since he first played here in 1984 , " said [5
Andrew 5] , also likely to be making his final [19 19 Twicken
ham 19] appearance . On tour , [6 5 Australia 6] have won all
four tests against [20 20 Italy 20] , [21 21 Scotland 21] , [22 22 Ireland 22] and [23 23 Wales 23] , and scored 414 points
at an average of almost 35 points a game . League duties
restricted the [24 24 Barbarians 24] ' selectorial options
but they still boast 13 internationals including [7 6 England
7] full-back [25 25 Tim Stimpson 25] and recalled wing [26 26
Tony Underwood 26] , plus [27 27 All Black 27] forwards [28 28

CRICKET - [1 1 LARA 1] ENDURES ANOTHER MISERABLE DAY .
Robert Galvin [2 2 MELBOURNE 2] 1996-12-06 [3 3 Australia 3]
gave [4 4 Brian Lara 4] another reason to be miserable when
they beat [5 5 West Indies 5] by five wickets in the opening [1
1 World Series 1] limited overs match on Friday . [6 6 Lara
6] , disciplined for misconduct on Wednesday , was dismissed
for five to extend a disappointing run of form on tour . [7 7
Australia 7] , who hold a 2-0 lead in the five-match test
series , overhauled [8 8 West Indies 8] ' total of 172 all
out with eight balls to spare to end a run of six successive
one-day defeats . All-rounder [9 9 Greg Blewett 9] steered
his side to a comfortable victory with an unbeaten 57 in 90
balls to the delight of the 42,442 crowd . Man-of-the match [1
0 10 Blewett 10] came to the wicket with the total on 70 for
two and hit three fours during an untroubled innings lasting
129 minutes . His crucial fifth-wicket partnership with
fellow all-rounder [11 11 Stuart Law 11] , who scored 21 ,
added 71 off 85 balls . [12 12 Lara 12] looked out of touch
during his brief stay at the crease before chipping a simple
catch to [13 13 Shane Warne 13] at mid-wicket . [14 14 West In
dies 14] tour manager [15 15 Clive Lloyd 15] has apologised
for [16 16 Lara 16] 's behaviour on Tuesday . He ([17 17 Lara
17]) had told [18 18 Australia 18] coach [19 19 Geoff Marsh 1
9] that wicketkeeper [20 20 Ian Healy 20] was unwelcome in
the visitors ' dressing room . The 2 Melbourne crowd were
clearly angered by the incident , loudly jeering the [21 21 We
st Indies 21] vice-captain as he walked to the middle . It
was left to fellow left-hander [22 22 Shivnarine Chanderpaul 2
2] to hold the innings together with a gritty 54 despite the
handicap of an injured groin . [23 23 Chanderpaul 23] was
forced to rely on a runner for most of his innings after
hurting himself as he scurried back to his crease to avoid
being run out . [24 24 Pakistan 24] , who arrive in [25 25 Au
stralia 25] later this month , are the other team competing
in the [2 3 World Series 2] tournament .

CRICKET - [1 1 LARA 1] SUFFERS MORE [1 AUSTRALIAN 1] TOUR MISERY . [2 2 MELBOURNE 2] 1996-12-06 [3 3 West Indies 3] batsman [4 4 Brian Lara 4] suffered another blow to his [2 1 Australian 2] tour , after already being disciplined for misconduct , when he was dismissed cheaply in the first limited overs match against [5 5 Australia 5] on Friday . [6 6 Lara 6] , who earned a stern rebuke from his own tour management after an angry outburst against [7 7 Australia 7] wicketkeeper [8 8 Ian Healy 8] , scored five to prolong a run of poor form with the bat . The [9 9 West Indies 9] vice-captain struggled for timing during his 36-minute stay at the crease before chipping a ball from medium pacer [10 10 Tom Moody 10] straight to [11 11 Shane Warne 11] at mid-wicket . [12 12 West Indies 12] were 53 for two in 15 overs when rain stopped play at the [13 13 Melbourne Cricket Ground 13] after captain [14 14 Courtney Walsh 14] won the toss and elected to bat . [15 15 Lara 15] 's outburst three days ago has clearly turned some of the [16 16 Australian 16] public against him . As he walked to the wicket he was greeted by loud jeers from sections of the crowd . On several occasions during his innings , the crowd joined together in a series of obscene chants against him . Tour manager [17 17 Clive Lloyd 17] on Wednesday apologised for [18 18 Lara 18] 's behaviour in confronting [19 19 Australia 19] coach [20 20 Geoff Marsh 20] in the opposition dressing room to protest against his

dismissal in the second test on Tuesday . [21 21 Lloyd 21]
did not say what form the discipline would take . [22 22 Lara
22] , who holds the record for the highest score in test and
first-class cricket , was unhappy about [23 23 Healy 23] 's
role in the incident and questioned whether the ball had
carried to the [24 24 Australia 24] keeper . [25 25 Australia
25] went on to win the match at the [26 26 Sydney Cricket Gro
und 26] by 124 runs to take a two-nil lead in the five-test
series after [27 27 Lara 27] failed in both innings . [28 28 L
ara 28] has yet to score a century since [29 29 West Indies 29
] arrived in [3 2 Australia 3] five weeks ago . Both [30 30 We
st Indies 30] and [31 31 Australia 31] team management have
played down the incident , stressing that relations between
the two sides have not been adversely affected . [32 32 Pakis
tan 32] , who arrive next week , are the third team in the
triangular [4 3 World Series 4] tournament .

 AH 2] . [3 3 ROME 3] 1996-12-06 [4 4 FIFA 4] chairman [5 5 Jo
 ao Havelange 5] said on Friday he would personally present [6
 6 AC Milan 6] [7 7 George Weah 7] with world soccer 's fair
 play award despite the striker 's attack on [8 8 Porto 8]
 captain [9 9 Jorge Costa 9] . In an interview with the [10 10
 Italian 10] newspaper [11 11 Gazzetta dello Sport 11] , he
 was quoted as saying [12 12 Weah 12] had been provoked into
 the assault which left [13 13 Costa 13] with a broken nose .
 " [14 14 FIFA 14] has named the [15 15 Liberian 15] for its
 1996 Fair Play award and it is not going to change its
 decision , " [2 Havelange 2] said . " A reaction , provoked ,
 cannot erase 10 years of loyalty everywhere and in every
 competition . " I will be happy to give him the award
 personally on January 20 in [16 16 Lisbon 16] and I 'm
 confident that [17 17 Costa 17] himself will be there beside
 me on that day to shake his hand . " [18 18 Weah 18] was
 suspended for one match by [19 19 UEFA 19] , [20 20 European 2

 investigation . The incident took place in the players '
 tunnel after a European Champions ' League match on November

] but said he reacted to racist taunts . He has offered to
 apologise if [23 23 Costa 23] acknowledges the provocation . [24
 24 Costa 24] , who needed surgery on his nose , has not
 accepted the offer and was reported to be considering suing [25

 during [27 27 Milan 27] 's 2-1 home defeat by [28 28 Rosenborg

SOCCER - [1 1 ITALIAN 1] FIRST DIVISION MATCHES THIS
WEEKEND . [2 2 ROME 2] 1996-12-06 [1 1 Italian 2 Serie A 1]
games to be played on Sunday (league positions in
parentheses , all kick- off times [3 3 GMT 3]) : [4 4 Bologna
4] (4) v [5 5 Piacenza 5] (13) 1330 Along with leaders [6
6 Vicenza 6] , fourth-placed [7 7 Bologna 7] represent the

biggest surprise of this [8 8 Italian 8] autumn . Led as usual by [9 9 Swede 9] [10 10 Kennet Andersson 10] and [11 11 Russian 11] [12 12 Igor Kolyvanov 12] in attack , [13 13 Bologna 13] can expect a tough home match against a [14 14 Piacenza 14] side still exultant after a 3-2 league win over [15 15 AC Milan 15] last Sunday . [16 16 Cagliari 16] (16) v [17 17 Reggiana 17] (18) 1530 [18 18 Cagliari 18] start favourite in this relegation scrap following draws with [19 19 Napoli 19] and [20 20 Inter 20] in last two outings but will be without suspended [21 21 Swiss 21] defender [22 22 Ramon Vega 22] . Bottom team [23 23 Reggiana 23] are also without a suspended defender , [24 24 German 24] [25 25 Dietmar Beiersdorfer 25] . [26 26 Fiorentina 26] (10) v [27 27 Perugia 27] (8) 1330 [28 28 Fiorentina 28] will be without three suspended players -- defenders [29 29 Daniele Carnasciali 29] and [30 30 Lorenzo Amoruso 30] and midfielder Emiliano Bigica -- for a difficult home match against unpredictable , attack-oriented [31 31 Perugia 31] led by in-form [32 32 Croat 32] striker Milan Rapajic and the experienced [33 33 Fausto Pizzi 33] . [34 34 Lazio 34] (12) v [35 35 AS Roma 35] (7) 1930 Poor man 's 3 Roman derby in what has been a miserable season for both [36 36 Rome 36] teams , already eliminated from the [37 37 Italian 37] and [38 38 UEFA Cups 38] . [39 39 Lazio 39] have injury doubts about striker [40 40 Pierluigi Casiraghi 40] , [41 41 Czech 41] midfielder [42 42 Pavel Nedved 42] and defender [43 43 Paolo Negro 43] , while [44 44 Roma 44] present a full strength side led by [45 45 Argentine 45] [46 46 Abel Balbo 46] , [47 47 Marco Delvecchio 47] and [48 48 Francesco Totti 48] in attack . [49 49 AC Milan 49] (9) v [50 50 Udinese 50] (11) 1330 Can [51 51 Milan 51] sink any further ? Following their midweek Champions ' League elimination by [52 52 Norwegian 52] side [53 53 Rosenborg 53] , a morale-boosting win is badly needed . [2 4 Liberian 2] striker [54 54 George Weah 54] makes a welcome return for [55 55 Milan 55] alongside [56 56 Roberto Baggio 56] , with [57 57 Montenegrin 57] [58 58 Dejan Savicevic 58] in midfield . Good news for [59 59 Milan 59] is that [60 60 Udinese 60] 's [61 61 German 61] striker [62 62 Oliver Bierhoff 62] is out through injury . [63 63 Napoli 63] (5) v [64 64 Verona 64] (17) 1330 In-form [65 65 Napoli 65] should prove too strong for second from bottom [66 66 Verona 66] despite the absence of their suspended [67 67 Argentine 67] defender [68 68 Roberto Ayala 68] . [69 69 Verona 69] 's slim chances have been further reduced by a knee injury to their experienced midfielder [70 70 Eugenio Corini 70] . [71 71 Parma 71] (14) v Atalanta (15) 1330 [72 72 Parma 72] may field new signing , 5 Croat midfielder [73 73 Mario Stanic 73] , in an attempt to lift a miserable season which has seen them go without a win since a 1-0 triumph over [74 74 Cagliari 74] eight weeks ago . [75 75 Parma 75] 's [76 76 French 76] midfielder [77 77 Daniel Bravo 77] and defender [78 78 Fabio Cannavaro 78] are suspended while [79 79 Argentine 79] [3

Nestor Sensini [3] is out through injury . [80 80 Atalanta 80] look to [81 81 Filippo Inzaghi 81] , scorer of eight goals . [82 82 Sampdoria 82] (6) v [83 83 Juventus 83] (3) 1330 All-conquering [84 84 Juventus 84] field their most recent signing , [85 85 Portuguese 85] defender [86 86 Dimas 86] , while [87 87 Alessandro Del Piero 87] and 6 Croat [88 88 Alen Boksic 88] lead the attack . The new world club champions may prove too strong for a [89 89 Sampdoria 89] side led by captain [90 90 Roberto Mancini 90] but missing injured [91 91 French 91] midfielder [92 92 Pierre Laigle 92] . [93 93 Vicenza 93] (1) v [94 94 Internazionale 94] (2) 1330 Not exactly a clash of the titans but an intriguing match nonetheless . Full strength [95 95 Vicenza 95] , led by [96 96 Uruguayan 96] [97 97 Marcelo Otero 97] , may continue their surprise run at the top against an [98 98 Inter 98] side that has been less than impressive in three successive home draws . [99 99 Inter 99] will be without suspended [100 100 French 100] defender Joceyln Angloma and injured [101 101 Chilean 101] striker [102 102 Ivan Zamorano 102] .

GUNMEN KILL FOUR IN S.AFRICA 'S **1 ZULU** PROVINCE . [1 1 **DURBAN**
 1] , [2 2 **South Africa** 2] 1996-12-06 At least four people
 have been shot dead in two suspected political attacks in [3 3
South Africa 3] 's volatile **2 Zulu** heartland , police said on
 Friday . A police spokesman said two youths believed to be
 supporters of President [4 4 **Nelson Mandela** 4] 's [5 5 **African**
National Congress 5] ([6 6 **ANC** 6]) had been killed when
 unknown gunmen opened fire at the rural settlement of [1
Izingolweni 1] on [7 7 **KwaZulu-Natal** 7] province 's south
 coast on Thursday night . The victims were 18 and 20 , he
 said , adding one other youth had been wounded in the
 shooting . In another attack , also on the province 's south
 coast on Thursday night , two men were shot dead near [8 8 **Um**
komaas 8] . " We suspect that these killings are linked to

politics , " spokesman Bala Naidoo told [9 9 Reuters 9] .
There had been no arrests . The killings came just hours
after violence monitors said they were not optimistic of a
peaceful festive season in [10 10 KwaZulu-Natal 10] and
pointed the south coast region where 18 people were massacred
last Christmas as one of potential hot spots . They said the
recent lull in political feuding could be upset as thousands
of migrant workers , some tense with grudges brewed in the
cities and keen to settle old scores , flock back to their
home villages . More than 14,000 people have lost their lives
in over a decade of political turf wars between the [11 11 ANC
11] and 3 Zulu Chief [12 12 Mangosuthu Buthelezi 12] 's [13 13
Inkatha Freedom Party 13] in the province .

1 CZECH VICE-PM SEES WIDER DEBATE AT PARTY CONGRESS . [1 1 PR
AGUE 1] 1996-12-06 Saturday 's national congress of the
ruling Czech Civic Democratic Party (ODS) will discuss
making the party more efficient and transparent , Foreign
Minister and ODS vice-chairman [2 2 Josef Zieleniec 2] , said
on Friday . " Modernisation and more professionalism of the
party 's structure , having financing of the party be more
transparent ... are absolutely fundamental , " [3 3 Zieleniec
3] , who is also vice-premier in the government , told [4 4 Re
uters 4] . He said after June general elections in which the
ruling three-party coalition lost its parliamentary
majority , the ODS executive , led by Prime Minister [5 5 Vac
lav Klaus 5] , had developed proposals on these subjects to
present at the congress on Saturday in the [6 6 Czech 6]
second city [7 7 Brno 7] . " I am convinced , that the
congress will tackle these proposals , " he said . The ODS ,
a party in which [1 Klaus 1] often tries to emulate the style
of former [8 8 British 8] Prime Minister [9 9 Margaret Thatch
er 9] , has been in control of [10 10 Czech 10] politics
since winning general elections in 1992 . [11 11 Zieleniec 11]
in the summer led calls for the party and its leadership to
listen to more diverse opinions , a thinly-veiled criticism
of [2 Klaus 2] who has spearheaded the country 's 2 post-
Communist economic reforms . The party , led by the
vigorously-confident [3 Klaus 3] , took 32 of 81 seats after
late November runoff elections to the new upper house of [12 1
2 Czech 12] parliament . But after the first round vote a
week before , the ODS had the potential to win as many 79
seats . [4 Klaus 4] and his coalition lost its majority in
parliament in June lower house elections after the left-wing
opposition consolidated , putting the centre-left [5 Social
Democrats 5] in a strong second-place position . -- Prague

[1 1 POLAND 1] GOT MONEY FROM POST-WAR [2 2 SWISS 2]
 ACCOUNTS . Marcin Grajewski [3 3 WARSAW 3] 1996-12-06 [4 4 Po
 land 4] said on Friday that [5 5 Swiss 5] bank accounts ,
 which in many cases belonged to [6 6 Polish 6] [7 7 Jews 7]
 who died in the [8 8 Holocaust 8] , were used in debt
 settlements between the two countries after the [9 9 World War
 Two 9] . Foreign Minister [10 10 Dariusz Rosati 10] ,
 unveiling first findings of a special government commission ,
 said that in 1970s the then communist [11 11 Poland 11]
 received 460,000 [12 12 Swiss 12] francs from the accounts .
 " In 1970s , [13 13 Poland 13] received from unclaimed
 accounts in [14 14 Switzerland 14] a sum of 460,000 francs .
 What was its right (to the money) ...I do not know , " [15 1
 5 Rosati 15] told a news conference . [16 16 Switzerland 16]
 stands accused by Senator Alfonse D'Amato , chairman of the
 powerful U.S. Senate Banking Committee , of agreeing to give
 money to [17 17 Poland 17] from unclaimed bank accounts of [18
 18 Polish 18] citizens , as part of an accord on compensating
 [19 19 Swiss 19] nationals whose assets had been seized in
 communist [20 20 Poland 20] . Many of these citizens were [21
 21 Jews 21] murdered during the war , when [1 1 Nazi 2 German
 1] invaders killed most of [22 22 Poland 22] 's 3.5 million [2
 3 23 Jews 23] . [24 24 Rosati 24] did not say whether the
 payment in 1970s was part of the 1949 agreement between [25 25
 Warsaw 25] and [26 26 Switzerland 26] on compensation to [27 2
 7 Swiss 27] citizens whose assets were seized by the Soviet-
 imposed communists authorities after [28 28 World War Two 28]
 . " I expect that the commission will finish gathering
 information within two to three weeks and then more details
 will be provided , " [29 29 Rosati 29] said . [30 30 Rosati 30
] confirmed that the 1949 agreement had provided for granting
 [31 31 Switzerland 31] about 53 million francs and most of

this sum was repaid with coal exports . He said , however , that [32 32 Switzerland 32] did get about 16,000 francs from the so-called " dead accounts " as part of the compensation . " About 16,000 francs were seized from accounts of four or five [33 33 Polish 33] citizens , whose data we do not precisely know . The issue is of moral and legal nature , because its financial significance is small , " [34 34 Rosati 34] said . Under pressure from international [35 35 Jewish 35] organisations , [36 36 Swiss 36] government has devised a plan to pay out millions of dollars in unclaimed bank accounts as a conciliatory gesture toward [37 37 Holocaust 37] victims . The conservative Radical Democrats ([2 3 FDP 2]) have said they would ask parliament next week to order [38 38 Swiss 38] banks to put some 40 million [39 39 Swiss 39] francs (\$ 31 million) in dormant wealth into a fund earmarked for [40 40 Jewish 40] groups and charitable organisations . But [41 41 Swiss 41] banks and the country 's [42 42 Jewish 42] community voiced doubts whether the plan would work .

INTERVIEW-ZYWIEC SEES NO BIG 97 NET RISE . Steven Silber [1 1
 WARSAW 1] 1996-12-06 [2 2 Polish 2] brewer [1 Zywiec 1] 's
 1996 profit slump may last into next year due in part to
 hefty depreciation charges , but recent high investment
 should help the firm defend its 10-percent market share , the
 firm 's chief executive said . Company President Jean van
 Boxmeer told [3 3 Reuters 3] in an interview on Friday that
 the firm , whose net profit fell 77 percent in the first 10
 months of 1996 despite a 30-percent rise in sales , might
 only post slightly better profits in 1997 before having a

chance to make a more significant turnaround . So far this year [2 Zywiec 2] , whose full name is Zaklady Piwowarskie w Zywcu SA , has netted six million zlotys on sales of 224 million zlotys . It has produced 1.5 million hectolitres . Van Boxmeer would not say how much higher 1997 profits or market share could be but said sales of leading [4 4 Polish 4] brewers should rise as the country 's young urban professionals gradually switch from vodka to beer . " The perspective on growth is such that reasonably we can think that somewhere between 65 and 80 litres per year is certainly reachable , " van Boxmeer said on [5 5 Polish 5] per-capita beer consumption , currently around 40 litres . He said the 65-80-litre level could be reached in the next ten years and make [6 6 Poland 6] , with its 40-million population , [7 7 Europe 7] 's third largest beer market after [8 8 Germany 8] and [9 9 Britain 9] . Van Boxmeer said [10 10 Poland 10] 's top five brewers , which produce about 55 percent of the country 's beer , could all raise market share as some of the numerous small brewers fall to competition from the large brewers with foreign investors . [3 Zywiec 3] is 31.8-percent owned by [4 1 Heineken 4] while [11 11 Carlsberg 11] has the same amount in [12 12 Okocim 12] . Earlier this year South African Breweries Ltd ([13 13 SAB 13]) bought strategic stakes in the unlisted Lech and [14 14 Tychy 14] brewers , which together hold more than 20 percent of the market , and [15 15 Australia 15] 's Brewpole BV has a controlling stake in [16 16 Poland 16] 's largest brewery , Elbrewery Company Ltd. (EB) . Van Boxmeer said the tough competition had prevented [5 Zywiec 5] from raising prices in line with inflation , which had added to the pressure on the firm 's margins . He said advertising costs would also increase in the fight for market share . But he said the company 's investment of more than \$ 100 million already this decade , largely in production , would help position it to compete with such competitors as brewers from the neighbouring [17 17 Czech Republic 17] . Some analysts say cheaper but high-quality [18 18 Czech 18] imports could invade [19 19 Poland 19] once tariffs for [20 20 CEFTA 20] countries are lifted in 1998 , but van Boxmeer says such a threat might be exaggerated despite the [21 21 Czech 21] beer market 's overcapacity . " I think [22 22 Polish 22] consumers in general are quite proud of their beers -- and I 'm speaking about all the brands -- and as we make good beers ... I think that this fidelity to our beers is a factor which can limit the [23 23 Czech 23] beers , " he said . Van Boxmeer said [6 Zywiec 6] had its eye on Okocim , which has said it would start producing [24 24 Carlsberg 24] beer next year , but that [7 Zywiec 7] 's potential production of [25 25 Heineken 25] was a medium-term possibility rather than a short-term one . He said his firm would be better off concentrating on its leading brand , Zywiec Full Light , which accounts for 85 percent of sales and is the country 's largest-selling

brand . " You will not win the war of the [26 26 Polish 26]
beer market with imported international brands , " van
Boxmeer said , adding that [27 27 Heineken 27] would remain
an up-market import in [28 28 Poland 28] . Van Boxmeer also
said [8 Zywiec 8] would be boosted by its recent shedding of
soft drinks which only accounted for about three percent of
the firm 's overall sales and for which 7.6 million zlotys in
provisions had already been made . -- Warsaw Newsroom +48 22

[1 1 Britain 1] sets conditions to clear [2 2 American 2]
alliance . Edna Fernandes [3 3 LONDON 3] 1996-12-06 The [4 4 B
ritish 4] government warned Friday that it would refer the
proposed trans-Atlantic alliance between [5 5 British Airways
Plc 5] and [6 6 American Airlines 6] to [7 7 Britain 7] 's 1 M
onopolies and Mergers Commission unless the carriers complied
with a number of conditions . Trade and Industry Secretary [8
8 Ian Lang 8] added that even if the conditions were met by
both airlines , final clearance would hinge on an open skies
deal between [9 9 Britain 9] and the [10 10 United States 10]
to liberalise trans-Atlantic air traffic , which would create
greater competition on the routes . [1 Lang 1] said he
supported conditions proposed by [11 11 Britain 11] 's [12 12
Office of Fair Trading 12] , which was asked to examine the
case last month . " I agree ... that without suitable
undertakings the alliance would be likely to lead to a
significant loss of actual and potential passengers , on
those routes where BA and AA currently compete and for all
passengers on the trans-Atlantic market route between the UK
and [13 13 U.S. 13] , " he said . His comments came just
minutes after the latest set of open skies talks ended in [14
14 London 14] with no deal signed . Industry sources said
there was no new date for fresh talks and blamed the deadlock
on uncertainty over whether the British Airways-American deal
would be cleared . The conditions for clearance of the
alliance were that [15 15 British Airways 15] and [16 16 Amer
ican 16] drop 168 slots at [17 17 London Heathrow 17]
airport , the busiest in [18 18 Europe 18] . [19 19 American 1
9] 's parent , [20 20 AMR Corp. 20] , said it did not view
the terms as a " deal breaker . " However , it called the
conditions " more severe " than those imposed by other
regulatory authorities on similar airline alliances . [21 21 B
ritish Airways 21] 's initial response was that "

unconditional divestiture of slots is unprecedented and if done it must be on the basis of fair market value . " It added that it would be " prepared to take reasonable steps to assist the introduction of additional competition . " The government also wants [22 22 British Airways 22] to drop a clause in its agreement with [23 23 USAir 23] that bars it from competing on trans-Atlantic routes , and said both [24 24 British Airways 24] and [25 25 American 25] should be prepared to reduce services on the [26 26 London 26] to [2 Dallas-Fort Worth 2] route in the event that a new entrant wishes to enter . It also suggested losing some slots on the London-to-Boston route . The [27 27 Office of Fair Trade 27] called for [28 28 British Airways 28] / [29 29 American 29] to allow third-party access to their joint frequent flyer programme where the applicant does not have access to an equivalent programme . [3 Lang 3] said responses should be made to the 2 Office of Fair Trading by Jan. 10 , 1997 .

Med oil products mostly lower as 1 Elf strike ends . [1 1 L0
 NDON 1] 1996-12-06 [1 Mediterranean 1] oil products were
 steady to mostly lower on Friday after 2 Elf refinery workers
 voted to end their nine-day strike . Gas oil erased Thursday
 's gains , plunging \$ 5.50 a tonne in line with the screen .
 Volume was very thin and market remained long , with premiums
 down \$ 1 at about high cif quotes +\$0.50 basis 3 Genoa . "
 The sharp moves on the screen make everyone nervous , " a
 trader said . Trades were discussed in 0.2 , 0.5 and one
 percent heating oil into [2 2 Syria 2] and [3 3 Lebanon 3]
 and there were fresh inquiries from [4 4 France 4] and [5 5 Sp
 ain 5] for low sulphur diesel . Interest remains focussed on
 a tender by [6 6 India 6] for a second purchase of high speed
 diesel for January delivery . Fuel oil lost ground sharply
 with weaker crude , but also suffered from some pricing
 pressure . High sulphur cracked fuel lost about \$ 3 to \$
 109-111 fob Med with several cargoes threatening to overhang
 the market . The chance of material heading north , talked
 earlier this week , may be in jeopardy now since [7 7 American
 7] fuel oil is expected to head transatlantic following
 outages at two coking units in the [8 8 U.S 8] . Up to
 165,000 tonnes of fuel will have to find a new home and with
 the arbitrage from the [9 9 U.S. 9] to [10 10 Europe 10] open
 [11 11 Rotterdam 11] is a prime candidate . Low sulphur
 prices were lower with cif Med pegged in the mid to low \$
 140s . Gasoline prices fell after striking 4 Elf refinery
 workers voted to go back to work , traders said . But an open
 arbitrage to the [12 12 U.S. 12] and tight [13 13 Italian 13]
 supplies after [14 14 Elf 14] scooped up Med material over
 the last week , continued to underpin prices into next week .

New meningitis scare hits [1 1 Britain 1] . [2 2 LONDON 2]
 1996-12-06 A boy has died from meningitis and a girl from the
 same school has contracted the disease in the second such
 scare to hit [3 3 Britain 3] in as many weeks , health

authorities said on Friday . The 16-year-old who attended 1 Sale Grammar School in the northern [4 4 England 4] city of [5 5 Manchester 5] died less than a day after becoming ill . The 15-year-old girl is also suffering from the disease and hospital officials described her condition as serious . " At the moment there is no evidence the two cases are linked . However , we are assuming they are as a precaution for the time being , " a spokeswoman said . The more than 1,260 students at the school are being given antibiotics as a precaution . [6 6 Wales 6] grappled with its own cluster of meningitis cases on a university campus in [7 7 Cardiff 7] . At least two people have died and hundreds have been vaccinated in an effort to contain the virus . In [8 8 Scotland 8] , eight people have died and hundreds more are fighting a widespread food-poisoning outbreak . A health authority spokeswoman said 78 people suspected of having the disease , including 64 confirmed cases , were still being treated . Three were listed in poor condition . still had a majority in the 651-seat parliament . " He ( [2 2

the MP would not feel himself obliged to vote with the
government . He said at one point during a press conference :
" I have seen my whip ( party manager ) for next week which ,

advised . " [7 7 Gorst 7] resigned over a hospital closure in
his constituency .

1 NYC Jan refunding has its 1st Euro floating rate . [1 1 NEW

YORK 1] 1996-12-06 [2 2 New York City 2] on Friday said that it planned a \$ 775 million refunding for January that will include its first floating rate issue of taxable debt for [3 3 European 3] investors . A city official , who declined to be named , explained that [1 Goldman , Sachs 1] , which this summer was demoted to the second tier of the syndicate , proposed the floating rate issue and as a result was promoted to book runner for this offering . By selling the floating rate debt , the city hopes to establish a benchmark , the city official said , adding that it needed a large deal to accomplish this objective . The city in late June sold its first issue of Euronotes , a strategy that it says saved it \$ 500,000 in interest costs , and it has been trying to build on this strategy of expanding the pool of potential investors since then . In November , [4 4 New York City 4] said it became the first [5 5 U.S. 5] municipality to offer bonds for sale in [6 6 European 6] markets by competitive bidding as it listed taxable bonds on the [7 7 London Stock Exchange 7] . The refunding planned for January also includes a \$ 475 million tax-exempt offering . No specific date in January has been selected for the debt sale , the official added . --

[1 Wall St 1] speculates about [2 Santa Fe 2] savior .
Brendan Intindola [1 1 NEW YORK 1] 1996-12-06 Homestake
Mining Co tops [2 2 Wall Street 2] 's list as the most likely
white knight buyer for Santa Fe Pacific Gold Corp if Santa Fe
rejects unsolicited suitor [3 Newmont Mining Corp 3] . Santa
Fe is so far mum on the more than \$ 2 billion stock swap
takeover proposal from [3 3 Newmont 3] , announced Thursday .
[4 1 Wall Street 4] , since the bid , has speculated that any
deal between [4 4 Newmont 4] and Santa Fe would be a " bear
hug , " or a reluctantly negotiated agreement where the buyer
is not necessarily a friendly suitor . [5 5 Newmont 5] said
the companies have had previous contact , though declined to
detail the encounters . Analysts predict [5 Santa Fe 5] will
go to the highest bidder , and that if a rival buyer is
found , [6 6 Newmont 6] may not be able to match its offer .
They said the [6 Santa Fe 6] deal , which includes desirable [7
7 Nevada 7] mining territory , would only payoff for [8 8 Ne
wmont 8] longer term . [9 9 Newmont 9] , in fact , will not
benefit from the [7 Santa Fe 7] acquisition on an earnings
basis for at least two years , which also limits its capacity
to raise its offer . Any deal , friendly or hostile , would
almost assuredly be a stock swap , which is necessary to
preserve the tax-free , pooling-of-interest accounting , they
said . Analysts and arbitrageurs immediately ruled out

Barrick Gold Corp and [8 Bre-X Minerals Ltd 8] as Santa Fe saviors because they are locked in negotiations over their splitting [10 10 Indonesia 10] 's Busang vast gold deposit . [9 Placer Dome Inc 9] too was considered unlikely because it is focusing on geographic expansion in areas that do match [10 Santa Fe 10] 's [11 11 Nevada 11] , [12 12 South America 12] and [13 13 Central Asia 13] presence , they said . A [11 Homestake 11] spokesman was not immediately available to comment on speculation that it tops the list . [12 Homestake 12] , based in [14 14 San Francisco 14] , operates gold mines in the [15 15 United States 15] , [16 16 Australia 16] , [17 17 Chile 17] and [18 18 Canada 18] . Earnings in 1995 were \$ 0.22 per share , or \$ 30.3 million , on revenues of \$ 746.3 million . Santa Fe is headquartered [19 19 Albuquerque 19] , [20 20 N.M. 20] and reported 1995 earnings of \$ 0.30 per share , or \$ 40 million , on revenues of \$ 350 million . Santa Fe has mining and exploration operations in [21 21 Nevada 21] , [22 22 California 22] , [23 23 Montana 23] , [24 24 Canada 24] , [25 25 Brazil 25] , [26 26 Australia 26] , [27 27 Chile 27] , [28 28 Kazakhstan 28] , [13 2 Mexico 13] and [29 29 Ghana 29] . [30 30 PaineWebber 30] analyst Marc Cohen said he lowered his rating on [31 31 Newmont 31] to neutral from attractive today because if [32 32 Newmont 32] merged with Santa Fe , investors would have to wait until the second half of 1998 to realize earnings accretion . " I think [14 Homestake 14] could come in as a white knight , but how much is someone willing to come in above the [33 33 Newmont 33] number . One would have to outbid by at least 15 percent , but there is going to be a ([15 Santa Fe 15]) deal with someone , " he said . " Longer term , two to three years out , (a Newmont-Santa Fe deal) is positive , it does all the right things . But in the near-term it is , at worst , neutral , " the analyst added . [34 34 Newmont 34] proposed to Santa Fe a stock-swap merger at a ratio of 0.33 [35 35 Newmont 35] shares for each [16 Santa Fe 16] shares . In Friday [36 36 New York Stock Exchange 36] trade , Newmont was off 1/2 to 46-5/8 while Santa Fe added 1/4 to 15-1/8 . " [37 37 Newmont 37] said it wants to discuss a friendly deal with [17 Santa Fe 17] , which is almost always a euphemism for ' We have more money in our pocket , ' " said an arb , referring to a possible sweetened bid from [38 38 Newmont 38] . Two other arbs called [39 39 Newmont 39] 's move a " a 32 cent bid " because there is no formal tender offer , only the proposal letter " mailed " to [18 Santa Fe 18] 's board . -- Wall Street Desk , 212-859-1734 .

Multinational commander going back to east [1 1 Zaire 1] .
Jonathan Wright [2 2 NAIROBI 2] 1996-12-06 The [3 3 Canadian 3
] general in charge of a multinational force for eastern [4 4
Zaire 4] said on Friday he was going back to [5 5 Zaire 5]
for more information about the plight of about 165,000 [6 6 Rw
andan 6] refugees adrift in the countryside . Lieutenant-
General [7 7 Maurice Baril 7] told a news conference in [8 8 N
airobi 8] his main concern was for a large group of about

```

150,000 refugees living off the land in a valley about 65 km (40 miles) west of the eastern city of [9 9 Goma 9] . If he decided it was necessary and safe for the aircrew , he would not hesitate to order airdrops of food for the refugees , even against the wishes of the government in [10 10 Kinshasa 10] and the [11 11 Zairean 11] rebels who control much of eastern [12 12 Zaire 12] , he said . " Tomorrow I 'm going into [13 13 Rwanda 13] and my intention is to go across into eastern [14 14 Zaire 14] and try to find out for the second time what the situation is on the ground , " he said . General [15 15 Baril 15] saw rebel leader [16 16 Laurent Kabila 16] in [17 17 Goma 17] last week but the rebels told him the crisis was over because most of the [18 18 Rwandan 18] refugees have already gone home . The rebels do not want the multinational force to deploy on the ground , for fear it might help the [19 19 Zairean 19] army regain control of the area . [20 20 Kinshasa 20] opposes airdrops , apparently because the food could fall into the hands of the rebels and their local supporters . [21 21 Canadian 21] Defence Minister 1 Doug Young said on Thursday that the multinational force would probably not have to make food airdrops or intervene militarily in any major way . " It does n't look as though they (airdrops) are going to be required in any significant way because the [1 NGOs 1] (non-governmental organisations) are in that area on the border between [22 22 Zaire 22] and [23 23 Rwanda 23] , " 2 Young told reporters . But General [24 24 Baril 24] said it would be premature to rule out any course of action until he had more information . " We hope that if the front moves forward or stabilises then we will have access (to the large group of refugees) with reconnaissance or humanitarian agencies . " If they ca n't move because they are too weak , then we will probably consider very seriously using air delivery means (airdrops) ...It 's complex , it 's dangerous for the air crew that fly in there and it will have to be absolutely necessary . If it is necessary , I wo n't hesitate to use it , " he said . Asked if he would disregard the objections of the [25 25 Zairean 25] government , he said : " It would have to be in the last resort . It would have to mean that tens of thousands of lives are in danger . Do you think that I would have a conscience problem doing it or not at that time ? And my mandate is also under Chapter Seven to operate in eastern [26 26 Zaire 26] . " Under Chapter Seven of the [27 27 U.N. 27] charter , the [28 28 Security Council 28] has wide powers to preserve peace and security . " I know their (the [29 29 Zairean 29] government 's) position and I know it 's very delicate and we are very sensitive to their position also , " the general added . He denied that his contacts , criticised by [30 30 Kinshasa 30] , with the [31 31 Zairean 31] rebels amounted to negotiations . " I do n't negotiate , " he said . " I coordinate with those who are holding ground and that 's a wise thing to do . When we do n't know where the front is ,

we do n't know what the risk is . " 3 Baril said that apart from the group of 150,000 , [32 32 U.S. 32] and [33 33 British 33] reconnaissance plans had tracked two much smaller groups of refugees -- one of up to 1,000 north of the town of [2 Masisi 2] and one of up to 8,000 on the road from [34 34 Bukavu 34] west to [35 35 Kindu 35] . The [36 36 Kisangani 36] office of the medical charity [37 37 Medecins sans Frontieres 37] said on Friday that more than 100,000 refugees were trekking northwest from the Goma-Bukavu area and many of them were now in the town of [3 4 Walikale 3] . The general did not mention these refugees , who are on the outer limit of the strip the planes have been checking .

Ex-minister , son killed in 1 Central Africa unrest .
Raphael Kopessoua [1 1 BANGUI 1] 1996-12-06 A former cabinet
minister in [2 2 Central African Republic 2] and his son were
abducted from their home and murdered in growing ethnic
violence in the capital [3 3 Bangui 3] , a government
minister said on Friday . With violence spiralling out of
control , [4 4 France 4] voiced backing for the elected [5 5 B
angui 5] government but said its troops based in the former
colony under defence pacts would not help it combat army
mutineers . " [6 6 France 6] cannot be involved in the
domestic political debate , " President [7 7 Jacques Chirac 7]
told a news conference at the end of a Franco-African summit
in [8 8 Burkina Faso 8] . " [9 9 French 9] troops may only
take part in maintaining order to avoid major abuses and
protect foreign communities , " he said . Public Service
Minister David Dofara , who is the head of the national [1
Red Cross 1] , told [10 10 Reuters 10] he had seen the bodies
of former interior minister Christophe Grelombe and his son ,
who was not named . Witnesses said they had been seized by
troops loyal to President [11 11 Ange-Felix Patasse 11] at
dawn on Thursday when they clashed with soldiers staging a
mutiny since November 16 . Grelombe is from the 2 Yakoma
tribe to which most of the rebel soldiers belong . The
uprising began over pay demands but has turned into a
campaign to topple [2 Patasse 2] , sparking ethnic violence
and dividing the capital . The former minister and his son
had been taken from their home close to the presidential
palace , which is guarded by loyalist soldiers backed by [12 1
2 French 12] troops based in [13 13 Bangui 13] . The bodies
were found on Thursday in an open field about two km (one
mile) further away , said Dofara and other witnesses . The
men were seized as loyalist forces and [14 14 French 14]
troops fought gunbattles with mutineers who fired rockets
into the city centre . A [3 French-owned 3] hotel was
slightly damaged . Yakomas are hounded in stronghold
districts of Patasse 's Baya people while other tribes have
fled areas in rebel hands . Roadblocks have been erected in
city districts while central [15 15 Bangui 15] , which is
patrolled by [16 16 French 16] troops with tanks , is
deserted . Shops and businesses have remained shut this
week . The Franco-African summit decided to send a mission [17
17 Bangui 17] to seek ways of containing the mutiny and a
threat of civil war . [18 18 Chirac 18] said [19 19 Burkina Fa
so 19] President [20 20 Blaise Compaore 20] would visit [21 21
Bangui 21] " in the coming hours " with the heads of state of
[22 22 Gabon 22] , [23 23 Mali 23] and [4 Chad 4] to try and
establish dialogue between authorities and rebels . The

mutiny forced [5 Patasse 5] to miss the summit . His spokesman had predicted the meeting to send an assessment mission . [6 Patasse 6] , who won [7 3 Central Africa 7] 's first multi-party elections , refuses to resign . Church-led mediation attempts hit deadlock over rebel demands for his departure . Soldiers staged mutinies in April and May , with [24 24 French 24] troops stepping in with tanks and helicopters to quell the more serious second uprising . [8 Patasse 8] offered concessions and amnesty to rebels before the May rebellion ended after rebels looted the city centre . Rebels accuse [9 Patasse 9] of tribalism and of arming his civilian supporters and hired guns from [25 25 Sudan 25] and [10 Chad 10] . Mutineers have vowed to disarm all civilians and to chase out the foreign forces known as 4 Codos . Hospital sources and witnesses said about 10 people were known to have been killed in the more than two weeks of fighting , including two rebels killed in Thursday 's clashes . An undetermined number of people are reported to have been abducted and killed outside the town by tribal vigilante groups . In Thursday 's fighting , [26 26 French 26] troops fired back as mutineers trying to break out of their strongholds rained mortar shells on the city centre .

Buza was overpowered by riot police less than one hour after he began his action . " Evaluating all the conditions of the case the court thinks the sentence should be lower than the minimum (15 years) , " [8 8 Tirana 8] judge Qazim Gjonaj added . The defendant denied the charges , saying his action was intended to urge the authorities to give him a \$ 20,000 loan . Medical experts had concluded Buza was mentally unstable but fully responsible for the act he had committed , Gjonaj said .

[1 1 Polish 1] ex-communist president to visit [1 Pope 1] . [2 2 WARSAW 2] 1996-12-06 [3 3 Poland 3] 's ex-communist President [4 4 Aleksander Kwasniewski 4] is likely to visit [2 Polish-born 2] [3 Pope John Paul 3] in early 1997 despite uneasy relations between the [4 1 Vatican 4] and 2 Warsaw , the foreign minister said on Friday . " President [5 5 Kwasniewski 5] plans to visit [6 6 Italy 6] on a invitation from President [7 7 Oscar Scalfaro 7] . A meeting with the [5 Pope 5] is also planned , " [8 8 Dariusz Rosati 8] told a news conference . [9 9 Rosati 9] said that the atmosphere of the meeting , if it takes place , would largely depend on the progress in talks on ratification of a treaty between [10 10 Warsaw 10] and the [6 3 Vatican 6] . @ The ratification of the treaty , which was signed in 1993 by the then right-centrist government , is being delayed by an ex-communist party , which won parliamentary elections in the same year and now dominates parliament . The party , the [11 11 Democratic Left Alliance 11] , says the agreement would give the [12 12 Catholic Church 12] too much influence over life in [13 13 Poland 13] and could infringe on rights of other religious groups and non-believers . The relations with the [7 4 Vatican 7] have also been soured by a recent relaxation of [14 14 Poland 14] 's anti-abortion rules , which [15 15 Kwasniewski 15] signed

into law last month .

[1 1 Russia 1] warns [1 Norilsk 1] , not expected to liquidate it . Lynnley Browning [2 2 MOSCOW 2] 1996-12-06 [3 3 Russian 3] Finance Minister Alexander Livshits warned financially-troubled [4 4 Norilsk Nickel 4] on Friday that it must pay overdue taxes , but analysts said the firm would not be liquidated or that its would assets would be frozen . " [2 Norilsk 2] really is a big debtor , both to the federal and regional budgets , " said Konstantin Chernyshev , equities analyst at [5 5 Moscow 5] brokerage Rinaco Plus and a [3 Norilsk 3] watcher . " Livshits 's words are an attempt to put pressure on the company . " The official [6 6 Itar-Tass 6] news agency quoted Livshits as telling parliamentary deputies that RAO Norilsky Nikel 0#NKE.LRU0 had to pay its tax arrears and that bankruptcy procedures applied to the metals group . " If it was an unsolicited statement and a bolt out of the blue , then it obviously means something , " said Christopher Granville , chief economist at United City Bank in [7 7 Moscow 7] . " But if it was a response to a deputy 's question that was essentially loaded , then it was the only answer he could have given . " [8 8 Russian 8] tax and cabinet authorities , under pressure from the [9 9 International Monetary Fund 9] to boost tax revenues as a condition for receiving payments of a \$ 10 billion , three-year loan to [4 1 Moscow 4] , have been striking fear into the hearts of some of [10 10 Russia 10] 's most prominent industrial firms by saying they must pay up or face liquidation . " They could freeze metal , but it 's not a long-term solution to the problem and would n't put money in the budget , " Chernyshev said . " I do n't think they would do that . " Entire social infrastructures in the icy Far North where [5 Norilsk 5] is based depend on the company , and 2 Moscow has said it has no finances to resettle hundreds of thousands of people -- an expenditure which could far outstrip [6 Norilsk 6] 's debts . [7 Norilsk 7] officials declined to comment . Analysts said the

government , while anxious about [8 Norilsk 8] 's debts , is highly unlikely to bring the nickel , copper , cobalt , platinum and platinum group metals producer to its knees or take measures that could significantly affect output . But it also wants [9 Norilsk 9] , the world 's second-largest nickel producer , to clean up its act . " The procedure of bankruptcy will be applied , " [10 Tass 10] quoted Livshits as telling [11 Duma 11] deputies about [12 Norilsk 12] . It indirectly quoted him as saying [13 Norilsk 13] should first pay salary arrears , which in the past have led to worker strikes . " It is unlikely that [14 Norilsk 14] will pay these debts in the near-term -- the company will remain a debtor in the near future , " Chernyshev said . He estimated the company 's regional debts at least one trillion roubles and said 30 percent of the giant [15 3 Krasnoyarsk 15] regional budget was fuelled by [16 Norilsk 16] money . Norilsk 's new majority shareholder , [11 11 Russian 11] commerical bank Uneximbank , has said it is reorganising metal exports through Interrosimpex in order to boost revenues . But the changes have yet to improve significantly [17 Norilsk 17] 's situation . " Uneximbank has inherited a mountain and whether or not they climb out and over it remains to be seen , " said one metals source . Norilsk said in September that it total debts , including unpaid salaries to workers , were 13 trillion roubles . The company said last month that it had worked out a tax payment schedule with authorities , after regional tax officials threatened to seize some nickel and copper assets . -- Moscow Newsroom , +7095 941 8520

[1 1 Mexico 1] stocks off lows but still hit by [2 2 Greenspan 2] . [3 3 MEXICO CITY 3] [4 4 Mexican 4] stocks closed sharply lower Friday , but had made a tentative recovery as initial panic and volatility abated . " It was [5 5 Greenspan 5] at first . Then once we saw the [6 6 Dow 6] (Jones industrial average) was not about to crash , some buyers stepped in , " said a trader , referring to [7 7 Federal Reserve 7] Chairman [8 8 Alan Greenspan 8] , whose comments that assets were " irrationally exuberant " upset financial markets worldwide . The blue-chip IPC index ended down 1.29 points , or 43.56 percent , at 3,333.05 . Volume was regular at 74.7 million shares traded . [9 9 Mexican 9] stocks were also hurt by [10 10 U.S. 10] long bond rates which had begun to rise before [11 11 Greenspan 11] 's comments and were inflated by employment data released before trade began in [12 12 Mexico 12] . Yields on [13 13 U.S. 13] 30-year 1 Treasury bonds were 6.51 percent when stock trading closed in [14 14 Mexico 14] , unchanged from Thursday . On the broad market , 107 stocks changed hands , of which losers well outnumbered winners by 75 to 13 . Traders noted the lack of blue chips or stocks traded at significant volume among the gainers . Simec , the steelmaking arm of the debt-ridden Sidek group headed the losers , off 7 centavos (1 cent) at 1.40 pesos (18 cents) . Sidek fell 4 centavos (1 cent) to 95 centavos (12 cents) . Traders also remarked that [15 15 Mex

ican 15] [16 16 ADRs 16] suffered in [17 17 New York 17] . Heavyweights [18 18 Telmex 18] and [19 19 Televisa 19] ended off 25 cents and 75 cents , respectively , at \$ 31.125 and \$ 25.875 . " Falling share prices in [20 20 New York 20] do n't hurt [21 21 Mexico 21] as long as it happens gradually , as earlier this week . It 's a sudden plunge that takes its toll , " said Carlos Ponce , research director at 2 Santander . Traders and analysts differed as to how firm the relative recovery on Friday was . " Some buyers stepped in , but the market was not very convinced . Volume was lackluster , " said one trader . " The market 's very healthy , we 're buying , " said another trader . Ponce said shares were certainly attractively priced in [22 22 Mexico 22] , but would not appreciate until foreign buyers stepped in , which they had yet to do . '

Plastic surgery gets boost in [1 1 Brazil 1] . Simona de Logu [2 2 RIO DE JANEIRO 2] 1996-12-06 Plastic surgery is booming , especially among men , as [3 3 Brazilians 3] spend much of their new-found wealth on the latest beauty treatments , said the organisers of a four-day international plastic surgery conference that opened on Friday . The number of plastic surgeries in [4 4 Brazil 4] has jumped 30 percent to an estimated 150,000 this year since an anti-inflation plan was introduced in July 1994 , Farid Hakme , the president of the Brazilian Plastic Surgery Society (SBCP) , said . The number of operations on men increased even more -- by 80 percent , from 8,000 in 1994 to 15,000 in 1995 , he said . " [5 5 Brazil 5] ranks right at the top for plastic surgery with respect to the number of surgeons , the number of patients , number of operations , number of conferences . Our statistics are the highest for everything , " Hakme said . " We believe the increase in plastic surgeries for men results from the difficulties in the job market . People need to have a more youthful look to compete in the job market , given the profound changes in [6 6 Latin America 6] 's economy . " A controlled exchange rate , trade liberalisation

and tight monetary policies have also dramatically curbed inflation , making more money available for cosmetic surgery . [7 7 Brazil 7] has been at the forefront in plastic surgery for decades and is home to one of the most famous surgeons , Ivo Pitangy . There are 6,000 plastic surgeons there , of which 4,500 have qualified to be members of the SBCP . Every year , 500 new plastic surgeons graduate in [8 8 Brazil 8] and medical students from all over the world come to study there . Hakme attributes [9 9 Brazil 9] 's fascination with plastic surgery not to excessive vanity but to the country 's mix and match of different races , which can create physical disharmonies . " What happens is the nose sometimes does n't match the mouth or the buttocks do n't match with the legs , " he said . [10 10 Brazil 10] 's most sought-after beauty treatment is liposuction in which fat is sucked away from areas of the body , with about 30,000 operations a year at a cost of \$ 3,000 to \$ 4,000 each . Stomach tucks and breast operations are also popular since the tropical climate calls for flesh-baring fashions , but unlike women elsewhere [11 11 Brazilians 11] tend to have breast reductions and buttock implants . " The women who want to reduce their breasts here would probably want to increase them in the [12 12 United States 12] , " SBCP Vice-President Oswaldo Saldanha said . " Beauty ideals and cultures are different in every country . " Plastic surgery scares like the case in which [13 13 Brazilian 13] model Claudia Liz fell into a coma after being anaesthetised for a liposuction in October are not much of a deterrent . Saldanha said operations fell 30 percent immediately after that case but the rate was back to normal now .

[3 3 SANTIAGO 3] 1996-12-05 [4 4 Chile 4] and [5 5 Mexico 5] will start negotiations next year to broaden their free trade agreement to include services and investments , 1 Finance Minister Eduardo Aninat said . [6 6 Chile 6] hopes to broaden the treaty signed in 1994 beyond reduction of tariffs on imports and exports and add provisions covering services and investment codes , said Aninat . Both areas tend to more laden with friction in free trade negotiations than tariff reduction . ' ' In January or February , we 'll have some very close contacts with [7 7 Mexico 7] to add the issue of services and advance on the issue of investments , ' ' Aninat told reporters after signing a free trade deal with [8 8 Canada 8] . ' ' We want to give the treaty between [9 9 Mexico 9] and [10 10 Chile 10] greater depth and coverage than it has now . It 's very good now , but it practically only covers

trade in goods , ' ' he said . Aninat also said he was confident the [11 11 Chilean 11] Congress would ratify the treaty with [1 Congress 1] quickly . ' ' The reactions from business and unions which I have seen have been almost unanimously positive , so I do n't see any problem , ' ' he said . -- Roger Atwood , [12 12 Santiago 12] newsroom +56-2-699-5595 x211

[1 1 Indonesia 1] 's [2 2 Belo 2] leaves for [1 1 Nobel 1]
 award ceremony . [3 3 DILI 3] , [4 4 East Timor 4] 1996-12-06
 [5 5 East Timorese 5] [6 6 Roman Catholic 6] Bishop [7 7 Carl
 os Belo 7] left [8 8 Dili 8] on Friday on his way to [9 9 Nor
 way 9] for the awards ceremony as co-recipient of the 1996 [10
 10 Nobel Peace Prize 10] . Witnesses said [11 11 Belo 11]
 left the territory for the [12 12 Indonesian 12] capital [13 1
 3 Jakarta 13] accompanied by five other people . It was not
 immediately known when he would arrive in [14 14 Oslo 14] .
 The bishop will jointly receive the [2 2 Nobel 2] award next
 Tuesday with East Timorese-born activist [15 15 Jose Ramos Ho
 rta 15] , who lives in self-exile in [16 16 Australia 16] .
 The [17 17 Indonesian 17] government has condemned the
 inclusion of [18 18 Ramos Horta 18] in the award , and
 Foreign Minister [19 19 Ali Alatas 19] said on Friday that [20
 20 Indonesia 20] would not be represented officially at the
 ceremony in the [21 21 Norwegian 21] capital . " I sincerely
 believe that this unfortunate choice in giving the honour to
 such a controversial figure as [22 22 Ramos Horta 22] ...
 will exacerbate the problem in finding a solution (to [23 23
 East Timor 23]) , " [24 24 Alatas 24] said on Friday . He
 was responding to questions at a news conference called to
 discuss next week 's ministerial meeting of the [25 25 Organi
 sation of the Islamic Conference 25] ([26 26 OIC 26]) in [27

27 Jakarta 27] . [28 28 Ramos Horta 28] has been a vocal leader of the opposition to [3 Jakarta 3] 's rule in the territory . [29 29 Belo 29] and [30 30 Ramos Horta 30] were awarded the prize for their efforts to secure a peaceful solution to the issue of [31 31 East Timor 31] , a former [32 32 Portuguese 32] colony which [33 33 Indonesia 33] invaded in 1975 and annexed the following year . The [34 34 United Nations 34] has never recognised [4 Jakarta 4] 's move . [35 35 Alatas 35] said the government 's position on the [36 36 Nobel Peace Prize 36] would have been different if it had been awarded solely to [37 37 Belo 37] . Asked if the [38 38 Indonesian 38] ambassador to [39 39 Norway 39] would have attended the ceremony if only [40 40 Belo 40] had been involved , [41 41 Alatas 41] replied : " Probably , yes , but that is a hypothetical question . " [42 42 Alatas 42] said on Tuesday that on his way back from [43 43 Oslo 43] , [44 44 Belo 44] would visit the [5 3 Vatican 5] to see the [6 Pope 6] , and would also meet [45 45 German 45] Chancellor [46 46 Helmut Kohl 46] in [47 47 Bonn 47] . [48 48 Kohl 48] had wanted to meet [49 49 Belo 49] during the chancellor 's official visit to [50 50 Indonesia 50] last month , but the bishop was too busy in [51 51 East Timor 51] to come to [52 52 Jakarta 52] .

Government disperses protest with water cannons . [1 1 RANGO
 ON 1] 1996-12-07 [2 2 Burmese 2] troops and riot police moved
 in to disperse a student street protest at a suburban road
 junction near the Ranyon ([1 Rangoon 1]) University early
 on Saturday , witnesses said . They said police and troops
 used water cannons from fire engines to subdue about 120
 university students sitting in at the centre of the junction
 at about 3 a.m. before they moved in to round them up . The
 students , who had staged an 11-hour protest at the junction
 in northern [3 3 Rangoon 3] , were taken away in three

vehicles . The witnesses said some of the students were hit with batons while they were herded onto the vehicles and it was believed they were taken to the [4 4 Insein 4] prison in suburban [5 5 Rangoon 5] . The protesting students , mostly from [6 6 Rangoon University 6] , were demanding the right to organise independent unions on campuses and the release of about 80 student leaders currently in jail . They were among 500 students who started demonstrating at the intersection on late Friday afternoon . The protest was the second major one in five days in the capital .

[1 1 Burmese 1] students march briefly out of campus .
Vithoon Amorn [2 2 RANGOON 2] 1996-12-06 About 200 [3 3 Burmese 3] students marched briefly from troubled [4 4 Yangon Institute of Technology 4] in northern [5 5 Rangoon 5] on Friday towards the [6 6 University of Yangon 6] six km (four miles) away , and returned to their campus , witnesses said . Seven truckloads of armed riot police and three fire engines were on standby at one of the junctions near the institute . There were no clashes . " They are now back in the [1 YIT 1] campus , " an institute official who declined to be identified told [7 7 Reuters 7] by telephone . One of two roads leading to the [8 8 University of Yangon 8] from

the institute had been closed by authorities . But about 300 university students were still gathered outside the gates of their campus , witnesses said . They were singing peacefully . On Monday and Tuesday , students from the institute and the university launched protests against what they said was unfair handling by police of a brawl between some of their colleagues and restaurant owners in October . On Tuesday and Wednesday , opposition leader [9 9 Aung San Suu Kyi 9] was restricted to her home by the military government to prevent her from being drawn into the protests . She was allowed to move freely on Thursday . The protest culminated at dawn on Tuesday with several hundred students being detained briefly by police in central [10 10 Rangoon 10] . The street protests were the biggest seen in the capital since the student-led pro-democracy demonstrations of September 1988 when the junta crushed the uprising . Thousands were killed or imprisoned . Earlier on Friday some of the students , who were held briefly by police during the protests earlier this week , said they were still dissatisfied with the military government . They told [11 11 Reuters 11] they were unhappy that the ruling [2 State Law and Order Restoration Council 2] ([3 SLORC 3]) had not heeded their calls for the right to organise independent unions on campus . " We still want government answers to our demands . We want police punishment to be published in newspapers , " one student said . But the students stressed their protests were non-political and they had no contact with [12 12 Suu Kyi 12] 's [13 13 National League for Democracy 13] (1 NLD) . [14 14 Suu Kyi 14] , a [4 2 Nobel 4] laureate and daughter of independence hero [5 3 Aung San 5] , and key [15 15 NLD 15] officials have also denied any link with the students . But they have said both parties had a " moral link " in that they were against police brutality and injustice . The students also demanded the government announce punishments meted out to policemen who they said had manhandled students involved in a brawl with some restaurant owners near the [16 16 Yangon 16] institute in October . The students appealed to the government not to close the institute because of their latest demonstration . The institute was shut for nearly two years after the 1988 uprising . On Friday , the road leading to [17 17 Suu Kyi 17] 's lakeside residence in central [18 18 Rangoon 18] remained closed by police .

Union leaders outraged by [1 1 WTO 1] snub to [2 2 ILO 2]

head . [3 3 SINGAPORE 3] 1996-12-06 International trade union leaders on Friday expressed outrage that the head of the [4 4 International Labour Organisation 4] (1 ILO) had been barred from speaking at next week 's [5 5 WTO 5] meeting in [6 6 Singapore 6] . 2 Bill Jordan , general secretary of the [7 7 International Confederation of Free Trade Unions 7] (3 ICFTU) , told a news conference the withdrawal of a [8 8 WTO 8] invitation to [9 9 ILO 9] director general [10 10 Michel Hansenne 10] was " outrageous behaviour on the part of an organisation that wants to command respect in the world " . [1 Jordan 1] said a small group of developing nations that oppose linking trade talks and labour conditions had pressured [11 11 World Trade Organisation 11] ([12 12 WTO 12]) officials to prevent Hansenne from taking the platform to urge such links . " It is to their shame that those who are responsible for encouraging this meeting responded (to the pressure) in silencing him , " [2 Jordan 2] said after the opening of an [13 13 ICFTU 13] conference on international labour standards and trade . The three-day trade union conference in [14 14 Singapore 14] hopes to push labour issues onto the [15 15 WTO 15] agenda . [3 Jordan 3] said the [16 16 WTO 16] 's credibility was at stake over the issue of trade and labour . The [17 17 ICFTU 17] said it wanted the [18 18 WTO 18] conference beginning on Monday to outlaw forced and child labour , end discrimination in hiring , and guarantee the right to join a union . Bill Brett , chairman of the ILO Workers Group , told [19 19 Reuters 19] before the news conference he was " not too surprised , but very disappointed " that the speaking invitation had been withdrawn . " Some governments are very determined to stop the issue (of trade and labour rights) being discussed , " he said , adding that the [20 20 Association of Southeast Asian Nations 20] ([21 21 ASEAN 21]) seemed particularly hostile to the [22 22 ILO 22] agenda . [23 23 ASEAN 23] groups [24 24 Brunei 24] , [25 25 Indonesia 25] , [26 26 Malaysia 26] , the [27 27 Philippines 27] , [28 28 Singapore 28] , [29 29 Thailand 29] and [30 30 Vietnam 30] . The [31 31 ILO 31] wants a trade and labour rights " social clause " included in the final ministerial statement issued by [32 32 WTO 32] leaders at the end of the meeting , the organization 's first ministerial-level gathering . Speaking to [33 33 ICFTU 33] delegates , Richard Eglin , director of the [34 34 WTO 34] secretariat , said the [35 35 WTO 35] was capable of making a significant contribution to governmental efforts to solve social problems . But he said the [36 36 WTO 36] 's organisational structure made it difficult to impose on its members a social clause such as that called for by the 4 ILO .

[1 1 Indian 1] rubber demand seen outstripping production . [2 2 SINGAPORE 2] 1996-12-06 [3 3 Indian 3] rubber demand is seen outpacing local production in the 1996/97 April / March season and the trend will persist way into the next century , the chairman of the Rubber Board of India said on Friday . K.J. Matthew said at the Asia Rubber Markets meeting here [4 4 Indian 4] production of natural rubber in 1996/97 will reach 547,000 tonnes against projected demand of 578,000 tonnes , a gap of 31,000 tonnes . For synthetic rubber , production reached 68,200 tonnes in 1995/96 while consumption in the same season hit 134,085 tonnes , Matthew added . " Though schemes designed to realise further increases in the production of natural rubber are being operated successfully , the demand-supply gap is expected to widen , "

he said . [5 5 Indian 5] synthetic rubber output is not expected to rise significantly in the next season but demand will rise to 145,000 tonnes . Matthew estimates that by the 2000/01 season , the gap between natural rubber output and consumption will rise to 51,000 tonnes and 319,000 tonnes in 2010/11 . Natural rubber production will go up to 695,000 tonnes in 2000/01 against consumption of 746,000 tonnes . In 2010/11 , domestic demand should rise further to 1.233 million tonnes while production will only reach about 914,000 tonnes . One way to bridge the widening gap is to put more land under cultivation which the 1 Rubber Board official estimates will reach 220,000 hectares between now and the year 2003 although Matthew said this may not be possible at this time in [6 6 India 6] . " The development objective for the rubber plantation industry will be to increase production to the best extent possibly with a view to minimising imports of natural rubber , " he said . -- Singapore Newsroom (65-8703305)

[1 1 Japan 1] 's authorities seen seeking to rein in dollar . George Nishiyama [2 2 TOKYO 2] 1996-12-06 Comments by [3 3 Japan 3] 's tight-lipped central bank chief and an influential top bureaucrat are further signs that the nation 's authorities want to keep the dollar at current levels , market sources said on Friday . In a rare expression of a view on currencies by the [4 4 Bank of Japan 4] ([5 5 BOJ 5]) governor , [1 Yasuo Matsushita 1] was quoted in [6 6 Japan 6] 's leading economic daily on Friday as saying that he sees no further , immediate fall in the yen . This followed a widely watched television appearance late on Thursday by Eisuke Sakakibara , a high-ranking 1 Finance Ministry official , who denied he had said he wants to guide the dollar lower to between 108 and 110 yen . But many in the market thought Sakakibara 's real intentions lay elsewhere , and took more notice of his comments about the [7 7 U.S. 7] government 's stance on the dollar , dealers said . " I think his views on ([8 8 U.S. Treasury 8] Secretary 2 Robert) [9 9 Rubin 9] 's comments were indeed what he himself thinks about the dollar , " said Hank Note , chief dealer at [10 10 Sumitomo Bank 10] . Asked about [11 11 Rubin 11] 's comment that a strong dollar was in [12 12 U.S. 12] interests , Sakakibara said the remark does not necessarily mean the [13 13 United States 13] supports a stronger dollar . " It 's a strong dollar , not stronger . In that sense , the comments are not pointing to a certain direction , " he said . " It shows that Sakakibara is not for a stronger dollar either , " said [14 14 Sumitomo 14] 's Note . Takao Sakoh , first vice president at [15 15 Union Bank of Switzerland 15] in [16 16 Tokyo 16] , said : " Maybe a dollar at 104.50 yen is not acceptable (to Sakakibara) , but it may be okay at the current level , at the lower end of 112 yen . " Market participants have kept a close eye on Sakakibara , chief of the ministry 's International Finance Bureau , as a comment he made in November after the dollar hit this year 's high of 114.92 yen pushed the currency down sharply . He had said then that the market 's view on [17 17 Japan 17] 's economy was too pessimistic and that he believed it was stronger than the market thought . Dealers have come to refer to 115 yen as the " Sakakibara ceiling " for the dollar following the remark . Adding to the comments by " Mr Yen " , as Sakakibara is known for his prominence in the currency market , was [18 18 BOJ 18] governor [2 Matsushita 2] 's remark . " The recent level of the yen exchange rate has been stable , and it does not appear to be moving towards a further depreciation of the yen immediately , so import prices are likely to stabilise at current levels , " Matsushita said in an interview with the [1

9 19 Nihon Keizai Shimbun 19] . " The fact that he touched on the issue of inflation triggered by import prices shows that the [20 20 BOJ 20] does not want a further depreciation of the yen , past 115 yen , " said Yasuhito Kawashima , chief forex manager at Toyo Trust & Banking Co . Some said the central bank may have been concerned a weaker yen would lead to unfounded pessimism about [21 21 Japan 21] 's economy . " There was concern that foreign investors may sell [22 22 Japane 22] stocks if the dollar goes above 115 yen . The [23 23 BOJ 23] does not want the yen 's weakness to lead to pessimism over the economy , " said Taisuke Tanaka , market strategist with [24 24 Credit Suisse 24] in [25 25 Tokyo 25] . Senior [26 26 BOJ 26] officials have separately said financial markets ' views on the economy have been too negative . " I realise there are negative views in the markets about the impact of the consumption tax hike and drop in public spending , but the markets appear to be exaggerating the magnitude of the negative impact , " a senior [27 27 BOJ 27] official told [28 28 Reuters 28] on Friday . The consumption tax is due to raised in April from three to five percent .

[1 1 Lebanon 1] sentences pro-Israeli warlord to death .
Haitham Haddadin [2 2 BEIRUT 2] 1996-12-06 A [3 3 Lebanese 3]
military court on Friday sentenced to death in absentia the
commander of [4 4 Israel 4] 's surrogate militia in south [5 5
Lebanon 5] on treason charges . The court convicted General [6
6 Antoine Lahd 6] , head of the [7 7 South Lebanon Army 7] (1
SLA) , of collaborating with [8 8 Israel 8] with which [9 9 L
ebanon 9] is officially at war . [1 Lahd 1] , a 69-year-old
former [10 10 Lebanese 10] army major-general , heads the
3,000-strong 2 SLA militia which helps [11 11 Israel 11] hold
a border zone in south [12 12 Lebanon 12] to ward off cross-
frontier guerrilla raids on northern [13 13 Israel 13] . [2
Lahd 2] said a few days after the trial began on February 16
that [14 14 Lebanese 14] authorities must drop the charges or
risk blocking any peace deal with the [15 15 Jewish 15]
state . He said [16 16 Israel 16] was capable of pressuring [1
7 17 Lebanon 17] 's Syrian-backed government to stop the
legal pursuit . The charges against [3 Lahd 3] were : forming
a hostile army , carrying weapons on [18 18 Israel 18] 's
side , helping [19 19 Israel 19] strip off a part of [20 20 Le
banese 20] territory by violence , forming an armed gang ,
killing or trying to kill [21 21 Lebanese 21] civilians by
artillery shelling and kidnapping [22 22 Lebanese 22]
citizens for long periods . Shortly before [4 Lahd 4] 's
trial began , a [23 23 Beirut 23] military prosecutor charged
another 89 former [24 24 Lebanese 24] army soldiers with
collaborating with [25 25 Israel 25] . No date has been set
for the trial of the men , all members of the 3 SLA living in
the Israeli-held zone in south [26 26 Lebanon 26] . [27 27 Is
rael 27] and [5 Lahd 5] have repeatedly demanded safety
guarantees for the 4 SLA -- a mixed Christian-Shi'ite 5 Moslem
force -- which the [28 28 Jewish 28] states regards as loyal
allies . [29 29 Israel 29] has said the [30 30 Lebanese 30]
army must incorporate the 6 SLA fighters into its ranks as an
army brigade as a condition for peace . But [31 31 Lebanese 31]
political analysts have said that would be out of the
question and [32 32 Lebanese 32] authorities pre-empted the
issue by taking legal action against [6 Lahd 6] . Former [33 3
3 Israeli 33] Prime Minister [34 34 Shimon Peres 34] ,
calling [7 Lahd 7] " a great [35 35 Lebanese 35] patriot " ,

said earlier this year [36 36 Lebanon 36] had insulted the 7 S
LA commander by ordering his arrest on the treason charges . [37 37 Peres 37] , who was ousted in May by rightwing [38 38 Is
raeli 38] leader [39 39 Benjamin Netanyahu 39] , said there
could not be real negotiations with [40 40 Lebanon 40] "
unless it will stop the maltreatment of the 8 SLA and its
commanders . " The [41 41 Beirut 41] military court also
sentenced to life in jail in absentia Etian Saqr , former
head of the pro-Israeli [42 42 Guardians of the Cedars 42] ,
a small rightwing 9 Christian civil war militia . 10 Saqr ,
whose trial was concurrent with [8 Lahd 8] 's , was convicted
of " contacting the [43 43 Israeli 43] enemy , passing
information to [44 44 Israel 44] and undertaking hostile acts
against [45 45 Lebanon 45] " .

14 years later , Florida man dies for killing . [1 1 TALLAHA
SSEE 1] , Fla. 1996-12-06 Fourteen years after he bludgeoned
and shot a man whose trailer home he robbed in 1982 , John
Mills Jr . , 41 , was put to death in Florida 's electric
chair Friday . As Glenn Lawhon , a rural Florida minister who
is the victim 's father , looked on , Mills was pronounced
dead at 7:13 a.m. EST (1213 [2 2 GMT 2]) for the murder of
Lester Lawhon . Speaking in [3 3 Arabic 3] , Mills made a
final statement before an anonymous citizen flipped the

switch that sent 2000 volts of electricity through his body , said Department of Corrections spokesman Eugene Morris , who was present at the execution . " I bear witness that there is no [4 4 God 4] but [5 5 Allah 5] and I bear witness that the prophet [6 6 Mohammed 6] is the messenger of [7 7 God 7] , " he quoted Mills as saying . Prison officials said they had no record of Mills ' official conversion , but they said that , on May 14 , 1991 , he had asked that a new name , Yuhanna Abdullah Muhammed , be added to his prison file , which is usually an indication of a conversion to [8 8 Islam 8] . [1 Mills 1] is the 38th person to die in [2 Florida 2] 's electric chair since the [9 9 U.S. Supreme Court 9] reversed itself in 1976 and legalised the death penalty . Prison officials said Mills made no special request for a last meal and did not eat the steak , fried potatoes and orange juice offered him . He spent Thursday with family members and his spiritual adviser , Morris said . [3 Mills 3] was scheduled to die Wednesday but had his sentence temporarily postponed by the [10 10 Florida Supreme Court 10] . On Thursday , the 11th Circuit 1 U.S. Court of Appeals in [11 11 Atlanta 11] denied his appeal in federal court . In March 1982 , Mills and accomplice Michael Frederick knocked on the door of Lester Lawhon 's trailer in an attempt to rob it , police said . Lester Lawhon was taken to a nearby airstrip where he was bludgeoned with a tire iron . [4 Mills 4] then fired two shots that killed Lawhon as the victim tried to run away . Frederick is serving a 347-year sentence .

Man stole pigs , tipped strippers , gets 10 years . [1 1 APP
LETON 1] , Wis . 1996-12-06 A farmhand used the proceeds from
stolen pigs to lavish tips on dancers at strip clubs and
offered one \$ 3,000 to pay for breast implant surgery ,
authorities said Friday . In sentencing Darrel Voeks , 38 ,
to a 10-year prison term on Thursday , Outagamie County
Circuit Court Judge Dennis Luebke said he was " a thief by
habit . " " You are self-indulgent . You are narcissitic , "
Luebke said at the sentencing , adding Voeks should pay
restitution of more than \$ 100,000 to the farming family who
had hired him . Voeks , who was already on probation for
prior pig thefts , pleaded that he was trying to pay bills
for his ex-wife and children . But the court heard that
receipts showed much of the money went to dancers at strip
clubs where he was known as a big tipper . One stripper said
Voeks offered to give her \$ 3,000 for breast implant surgery .

last year , one in January and one after he won re-election
in November , although he had various other limited sessions
with the press . [5 5 White House 5] spokesman [6 6 Mike McCu
rry 6] said [7 7 Clinton 7] " plans to have regular news
conferences " during his second term . But when asked how
frequent these would be , he was evasive , saying , "
periodic , occasional . " " He enjoys the give and take "
with reporters , the spokesman added .

Half of dog bites provoked , says [1 1 American 1] vet . [2 2
CHICAGO 2] 1996-12-06 As many as 1 million dog bites are
recorded in the [3 3 United States 3] every year and half of
them are provoked by humans , a veterinarian told fellow
animal doctors on Friday . The [1 Humane Society of the 1 Uni
ted States 1] estimates that between 500,000 and one million
bites are delivered by dogs each year , more than half of
which are suffered by children . " Most bites can be
prevented by teaching children how to respect a dog , "
Michael Cornwell of the Glencoe Animal Hospital in [4 4 Colum
bus 4] , [5 5 Ohio 5] , told the annual meeting of the [6 6 Am
erican Veterinary Medical Association 6] . " Let 's not let
our kids jump on them or crawl on them . Dogs and children do
n't have to have an interaction . Let 's respect their
territories , " he said . Cornwell said 50 percent of
reported bites were provoked by a person and 60 percent were
suffered by children . He also estimated that only 25 percent
of bites were reported because medical attention was not
needed . Don Rieck , president of the National Animal Control
Association , said aggressiveness in dogs was related more to
gender than breed and a male dog that had not been neutered
was three times more likely to bite than an unspayed female .
The five breeds credited with the most incidents were chow
chows , [2 Rottweilers 2] , [3 2 German 3] shepherds , cocker
spaniels and [4 3 Dalmatians 4] . " The trends in dog bites
by particular breeds have more to do with fad pets owned by
individuals who need to have something unique . Speaking
strictly of dogs , 15 years ago the macho fad pet was a [7 7 D
oberman 7] . Today , [5 Rottweilers 5] are on the way up , "
Rieck said . If approached by a stray dog , children should

be taught to stand still with fists folded underneath the neck , elbows in , and gaze forward until the dog goes away .

Four [1 1 Africans 1] said to vie for top [2 2 U.N. 2]
post . Evelyn Leopold [3 3 UNITED NATIONS 3] 1996-12-06 Four [4
4 African 4] states are ready to nominate candidates for
the post of [5 5 U.N. 5] secretary-general on Friday now that
[6 6 Boutros Boutros-Ghali 6] has temporarily put aside his
bid for re-election . The nominees , according to diplomats ,
are : [7 7 Kofi Annan 7] of [8 8 Ghana 8] , the [9 9 U.N. 9]
undersecretary-general for peacekeeping ; [10 10 Ahmedou Ould
Abdallah 10] of [11 11 Mauritania 11] , the former [12 12 U.N.
12] special envoy for [13 13 Burundi 13] ; [14 14 Amara Essy 14]
of the [15 15 Ivory Coast 15] , its foreign minister and
the U.N. General Assembly president in 1994-95 ; and [16 16 Ha
mid Algabid 16] of [17 17 Niger 17] , the secretary-general
of the [18 18 Organisation of the Islamic Conference 18] .
Representatives of the [19 19 U.N. 19] missions of [20 20 Gha
na 20] , the [21 21 Ivory Coast 21] , [22 22 Mauritania 22]
and [23 23 Niger 23] have scheduled a meeting with [24 24 Sec
urity Council 24] president Paolo Fulci of [25 25 Italy 25]
to hand in the nominations in writing , the envoys said . It
was not known if other candidates would step forward .

Diplomats said General [26 26 Joseph Garba 26] of [27 27 Nigeria 27] , a U.N. General Assembly president in 1989-90 , was putting forth his own candidacy without being nominated by his country . [28 28 Boutros-Ghali 28] on Wednesday opened the door for other [29 29 Africans 29] to contest his job by saying he was suspending temporarily his candidacy but was not withdrawing completely from the race . His supporters said this meant he remained a candidate in case the race reached an impasse . The [30 30 United States 30] on Nov. 19 vetoed his bid for re-election while the other 14 [31 31 Security Council 31] members supported him . The move by the [32 32 African 32] states means that the council could begin voting on candidates next week , a procedure that could either result in a decision or turn into a bitter fight with vetoes against each nominee . The [33 33 Security Council 33] has to vote on a new secretary-general and then seek the endorsement of the 185-members General Assembly before December 31 when [34 34 Boutros-Ghali 34] 's term expires .

 told a radio show shortly after AN leader [7 7 Gianfranco Fini

 of [3 Giuseppe Tatarella 3] , AN 's leader in the Chamber of

Deputies (lower house) , and had overcome their differences . [4 2 Mussolini 4] , 33 , resigned from the parliamentary party group for what she said were strictly political reasons . The fiery politician , who is also a niece of screen star [10 10 Sophia Loren 10] , had accused AN leaders of stifling internal party debate . [5 3 Mussolini 5] , who sits in the Chamber , told [11 11 La Stampa 11] newspaper last month after quitting AN 's parliamentary party that she was considering joining the neo-fascist [6 Social Movement 6] (MS-Fiamma) formed by some of the [7 Duce 7] 's [12 12 World War Two 12] followers .

EU , [1 1 Poland 1] agree on oil import tariffs . [2 2 BRUSS
ELS 2] 1996-12-06 The [3 3 European Union 3] and [4 4 Poland 4
] have resolved disagreements over a new [5 5 Polish 5] oil
import regime , the [6 6 European Commission 6] said on
Friday . The EU had objected to increases in [7 7 Polish 7]
tariffs on imports of gasoline and gasoil products introduced
on January 1 , 1996 , saying they contravened levels
envisaged in the so-called [1 1 Europe Agreement 1] between
the EU and [8 8 Poland 8] . The increases were aimed at

protecting the [9 9 Polish 9] market while helping to modernise the local oil industry . " The EU and [10 10 Poland 10] have now reached a final settlement regarding issues related to the [11 11 Polish 11] import regime in the oils sector , " the [12 12 Commission 12] said in a statement . Under the agreement , [13 13 Poland 13] will abolish all oil import tariffs by 2001 , remove all oil price controls and end quantitative restrictions on imports by January 1 , 1997 . The agreement includes the early privatisation and modernisation of [14 14 Polish 14] oil refineries , which will be obliged to offer equal treatment to all buyers . The EU and [15 15 Poland 15] will monitor the settlement at six-monthly meetings .

2 NEW DELHI 2] 1996-12-06 [1 2 Hindu 1] nationalists forced
adjournment of [3 3 India 3] 's lower house of parliament on
Friday , in protest against a proposal to observe a minute 's
silence over the destruction of a mosque by a [2 Hindu 2] mob
in 1992 . Members of the [3 3 Hindu 3] nationalist [4 4 Bhara
tiya Janata Party 4] ([5 5 BJP 5]) shouted pro-Hindu

slogans in the house after a communist deputy made the proposal in remembrance of the [4 Babri 4] mosque , which was razed on December 6 , 1992 . The house was first adjourned for two hours . When it reconvened , [6 6 BJP 6] deputies resumed the slogan-shouting , and deputy speaker [7 7 Suraj Bhan 7] suspended work until Monday . The destruction of the 16th-century mosque in the northern [8 8 Indian 8] town of [9 9 Ayodhya 9] triggered nationwide Hindu-Moslem violence in which more than 3,000 people were killed . [10 10 Indian 10] officials blame revenge-minded [11 11 Moslem 11] underworld gangs in [12 12 Bombay 12] for a string of bombings in the city three months later that killed 260 people . The [13 13 BJP 13] backs a hardline 4 Hindu campaign to build a temple at the site of the mosque , which Hindus believe was the birthplace of the [5 Lord 5 Rama 5] . The campaign catapulted [14 14 BJP 14] from the political fringe to become [15 15 India 15] 's main opposition party in 1991 .

[1 1 Italy 1] tops week of meagre bond returns - Salomon . [2
2 LONDON 2] 1996-12-06 High-flying [3 3 Italy 3] topped the
league in a week of meagre returns on government bonds , [4 4
Salomon Brothers 4] said on Friday . In local currency
terms , [5 5 Italian 5] BTPs offered returns of 0.85 percent
in the week ended on Thursday , with fellow high-yielder [6 6
Sweden 6] close behind on 0.80 percent . The weekly
government bond index rose 0.07 percent in local currency
terms . [7 7 France 7] managed third place with 0.68 percent
in the 16-nation world government bond index . [8 8 Canada 8]
's were the worst performing bonds . They lost 2.21 percent ,
depressed by a wave of new [9 9 Canadian 9] supply . Returns
on Treasuries were also in negative territory at minus 0.24
percent , the poorest result after [10 10 Canada 10] and [11 1
1 British 11] gilts which lost 0.28 percent . [12 12 Australia
12] was the only dollar-bloc country in the table to eke out
a positive return , albeit a paltry 0.02 percent . 1 German
Bunds were not much better , offering returns of 0.05
percent , while [13 13 Japanese 13] government bonds managed
a 0.38 percent gain . [14 14 Spanish 14] bonds , which had
been top performers in [15 15 Salomon Brothers 15] ' league
table for November as a whole , turned in a more subdued
weekly performance with a return of only 0.27 percent . In [16
16 U.S. 16] dollar terms , [17 17 Japan 17] was the only
country to give positive returns at 1.35 percent . [18 18 Fra
nce 18] lost 0.37 percent , followed by [19 19 Italy 19] on
minus 0.59 percent . The biggest losers in dollar terms were [
20 20 British 20] gilts , which shed 3.41 percent , [21 21 Ca
nada 21] with minus 3.03 percent and [22 22 Australia 22] at
minus 1.54 percent . Salomon 's bond index is calculated
using all government bonds with over one year to maturity ,
weighted for market capitalisation . Only bonds freely
available to institutional investors and with a certain
minimum amount outstanding are included . Returns take
account of price moves and accrued interest . -- Stephen

PL0 says [1 1 Arafat 1] , [2 2 Netanyahu 2] could meet
 Saturday . [3 3 JERUSALEM 3] 1996-12-06 PL0 negotiators said
 on Friday [1 1 Palestinian 1] President [4 4 Yasser Arafat 4]
 , [5 5 Israeli 5] Prime Minister [6 6 Benjamin Netanyahu 6]
 and [7 7 Egyptian 7] President [8 8 Hosni Mubarak 8] might
 all meet on Saturday to try to clinch a deal on [9 9 Israel 9]
 's handover of [10 10 Hebron 10] to the PL0 . " It is very
 possible that [11 11 Arafat 11] and [12 12 Netanyahu 12] will
 meet in [13 13 Cairo 13] on Saturday . There is work on
 arranging such a meeting hosted by President [14 14 Mubarak 14]
 , " one PL0 official , who requested anonymity , told [15 15
 Reuters 15] . [16 16 Israeli 16] officials said no meeting
 had yet been set . [17 17 Arafat 17] 's adviser Nabil Abu
 Rdainah said : " President [18 18 Arafat 18] is ready to meet
 Prime Minister [19 19 Netanyahu 19] but no time or date has

been set for such a meeting yet . " President [20 20 Arafat 20] 's position is clear that such a meeting should come after successful negotiations so that the meeting would have positive results . Especially since the [21 21 Hebron 21] issue has not been agreed yet and the crucial disputed issues have not been resolved . " But Rdainah said [22 22 Arafat 22] would go to [23 23 Cairo 23] on Saturday for talks with [24 24 Mubarak 24] . Both [25 25 Arafat 25] and [26 26 Netanyahu 26] have expressed willingness to meet . They last met in [27 27 Washington 27] after clashes in September that killed 60 [2 2 Palestinian 2] and 15 [28 28 Israelis 28] . The violence was spurred by [29 29 Israel 29] 's opening an entrance to a tunnel near [30 30 Moslem 30] sites in [31 31 Jerusalem 31] . The Palestine Liberation Organisation (PLO) negotiators said the last two weeks of talks with [32 32 Israel 32] on implementing the long-delayed handover of most of [33 33 Hebron 33] to PLO rule had been " meaningless " , necessitating an Arafat-Netanyahu meeting . [34 34 Mubarak 34] 's adviser [3 Osama el-Baz 3] said on Thursday there were efforts to arrange a meeting between the [35 35 Israeli 35] and [4 3 Palestinian 4] leaders . [36 36 Palestinian Authority 36] Secretary General Ahmed Abdel-Rahman said on Thursday he understood it could be held in [37 37 Cairo 37] either on Friday or Sunday . [5 Abdel-Rahman 5] had said on Thursday he did not think Saturday would be the date because it is the [38 38 Jewish 38] sabbath . But the [39 39 Jewish 39] sabbath ends at sundown , so a night meeting would not interfere with the religious observance .

Turkey hindered by own landmines on [1 1 Syrian 1] border . [2 2 ANKARA 2] 1996-12-06 Turkey 's efforts to prevent [3 3 Kurdish 3] rebels and smugglers infiltrating from [4 4 Syria 4] are being badly hindered because the military does not have a map of its own minefields on the border , a commission of parliamentarians said . " It is not known exactly where the mines have been sown because a minefield chart cannot be found , " the commission said in a report on border protection . The report , to be debated in parliament in coming weeks , was seen by [5 5 Reuters 5] on Friday . " Officials say the minefields present an obstacle to the security forces , " it said . It said [6 6 Kurdistan Workers Party 6] ([7 7 PKK 7]) guerrillas sometimes know the layout of mined areas along the border better than the security forces . " Terrorists and smugglers have dug up the mines ,

defused them and opened up wide paths in some areas . They can come in and out easily as the minefields are not an obstacle , " it said . An armed forces spokesman was not available for comment . Turkey says [8 8 Syria 8] sponsors the [9 9 PKK 9] , fighting for [10 10 Kurdish 10] self-rule in southeast Turkey . [11 11 Damascus 11] denies aiding the rebels . The [12 12 PKK 12] also crosses into Turkey from bases in the mountains of northern [13 13 Iraq 13] . More than 21,000 people have died in the 12-year-old conflict .

[1 1 U.S. 1] blasts release of convicted bomber . [2 2 WASHI NGTON 2] 1996-12-05 The [3 3 United_States 3] Thursday blasted the release from a [4 4 Greek 4] prison of a [5 5 Pal estinian 5] guerrilla convicted of bombing an airliner and killing a teenager in 1982 , saying the move " does not make

sense . " " All of us who have been victimised by terrorists ... need to stand together against terrorists . We can't let terrorists out of jail when they are a danger to civilians all around the world , " [6 6 State Department 6] spokesman [7 7 Nicholas Burns 7] said . ' Mohammed Rashid " is a terrorist who deserves to be behind bars . It is inexplicable to us why he would have been allowed to leave [8 8 Greece 8] before serving his just sentence ... This is an incomprehensible move . It does not make sense , " [9 9 Burns 9] told a news briefing . He spoke after Rashid left [10 10 Greece 10] Thursday on being freed from prison early for good behaviour after serving 8-1/2 years . The [11 11 Clinton 11] administration 's strong views on this subject have been conveyed to the [12 12 Greek 12] government , [13 13 Burns 13] said . Mahammad Rashid was whisked from [1 Korydallos 1] maximum security prison just outside [14 14 Athens 14] to the airport where he boarded a regular [15 15 Olympic Airways 15] flight to [16 16 Cairo 16] where he would transit to [17 17 Tunis 17] and the former Palestine Liberation Organisation headquarters . Rashid , 46 , was sentenced to 18 years in prison by a [18 18 Greek 18] court in 1992 after being convicted of premeditated murder in the mid-air bombing of a [19 19 Pan American 19] airliner in 1982 . His sentence had been reduced to 15 years in 1993 . A parole court ruled recently that Rashid could be freed after serving 8-1/2 years , with time in pre-trial detention counted towards his term , but said he must be expelled immediately from [20 20 Greece 20] . The [21 21 United States 21] accuses Rashid of belonging to the May 15 [22 22 Palestinian 22] guerrilla group and being an accomplished student of master [23 23 Palestinian 23] bombmaker [2 Abu Ibrahim 2] . Three [24 24 FBI 24] agents who testified against Rashid during the trial , held at [3 Korydallos 3] prison , said they had ample evidence against Rashid for a bomb planted on a [25 25 Pan American 25] plane in [26 26 Brazil 26] in 1982 and a mid-air bomb blast on a [27 27 TWA 27] airliner approaching [28 28 Athens 28] in 1986 which killed four [29 29 U.S. 29] citizens .

School football player banned for slashing opponents . [1 1 A
 LBUQUERQUE 1] , [2 2 N.M. 2] 1996-12-05 A [3 3 New Mexico 3]
 high school football player who used razor-sharp helmet
 buckles to slash opponents and a referee was expelled from
 high school banned Thursday from competition for one year .
 Mike Cito , 17 , was expelled from St Pius X High School in [4
 4 Albuquerque 4] after an October game in which he used the
 sharpened chin strap buckles to injure two opposing players
 and the referee . One of the players need 10 stitches to a
 cut on his forearm . Officials said the 1 New Mexico Activiti
 es Association decided to bar [1 Cito 1] from any inter-
 scholastic competition until next October , regardless of the
 school he attends . [2 Cito 2] 's father , Stephen Cito , had
 admitted filing the metal buckles to a fine edge , saying he
 did it to get even with the referee and with players who had
 roughed up his son in a previous game .

Cyberspace squabbles overshadow copyright talks . Elif Kaban
 [1 1 GENEVA 1] 1996-12-06 In a gloomy [2 2 Geneva 2]
 conference centre built before the dawn of the [3 3 Internet 3
] , groups of staid officials made a first stab on Friday at
 rewriting copyright laws for the digital age . But critics at
 the first government-level meeting to revise copyright laws
 in 25 years said the officials and legislators might as well
 be trying to police the ether . After four days of diplomatic
 wrangling over procedures , some 600 delegates from nations
 small and large got down to the nitty-gritty of setting the
 digital agenda for the first time . Cyberspace squabbles
 overshadowed the debate on a stack of proposals covering
 literary and artistic works , the rights of performers and
 producers of music and producers of databases . " If it goes
 on like this , we wo n't have enough time to finish all the
 discussions , " a frustrated [1 Western 1] delegate said . "
 They announced they will start evening sessions next week . "
 Attempts by copyright-based industries to ensure they get a
 cut from online works led to a storm of protests by [4 4 Inte

rnet 4] companies and critics who say the pacts would curb public access to online information from soccer results to stock prices . " It 's not illegal to make photocopies of newspaper articles . It 's fair use . We can read sports statistics or stock prices . But with the treaty , this kind of fact will be owned and subject to licensing , " said James Love , a consumer lobbyist heading the Washington-based Consumer Project on Technology . " None of the treaties are ready to move . These people do n't understand what they 're doing . " At stake are billions of dollars and the future of the electronic information industry -- the coming medium for the distribution of music , films , literature , software and commerce . Supporters of the three pacts say they are only an extension of existing intellectual property rights , covered by the century-old [2 Berne Convention 2] . But an array of opponents from the network industry to consumer , scientific and academic groups say the pacts will give sweeping powers to entertainment and copyright-based industries . A quick survey at the conference centre found few officials who had actually surfed the [5 5 Internet 5] . [6 6 Mongolia 6] 's state copyright official , Gundegma Jargalshaihan , said apologetically that he had just arrived from [7 7 Ulan Bator 7] and was not aware of the details of the digital agenda . " We do n't have money for [8 8 Internet 8] in [9 9 Mongolia 9] , " he added . Alexander Bavykin , deputy legal chief at [10 10 Russia 10] 's foreign ministry , said 1 Moscow had yet to formulate a policy on copyright in cybersppace . He too had never browsed the Net . " I 've never tried it and why should I ? There are lots of other things in this life I have n't tried either , " he said . A visit to the computer centre offering [11 11 Internet 11] services found a lone [12 12 European 12] official clicking away on his mouse . " [13 13 Internet 13] is a potential cash cow for copyright-based industries and we need roadmaps on the information superhighway , " said Marc Pearl , vice-president of the 2 Information Technology Association of America , a trade association of [14 14 U.S. 14] network companies opposing the treaties . " But there are a lot of dinosaurs here . People here do n't understand [15 15 Internet 15] technology . Because they do n't understand technology , they fear the unknown . " Before the [16 16 Internet 16] , those whose business was to protect copyrights knew where they stood . Their enemies were tangible if elusive , such as the people who pirated music cassettes . But the [17 17 Internet 17] , a global computer network where anything from music to software can be duplicated and distributed at the click of a computer mouse , has ripped up the rulebooks . Network operators said the draft laws would hold them responsible for copyright infringements in the system and expose them to multi-billion-dollar liabilities . " There are 500 million messages transmitted through the [18 18 Internet 18] everyday , " said Tim Casey of the 3 U.S.-based [19 19 MCI Communications Corpo

ration 19] . " How can we control them all ? "

[1 1 Italian 1] President urges separatists to turn back . [1
 MANTUA 1] , [2 2 Italy 2] 1996-12-06 [3 3 Italian 3]
 President [4 4 Oscar Luigi Scalfaro 4] visited the symbolic
 heartland of the separatist [5 5 Northern League 5] on Friday
 and appealed to its supporters to drop their campaign for a
 breakaway state . Addressing a convention on [6 6 Italian 6]
 unity in [2 Mantua 2] , where the party has set up its own "
 parliament of the north " , [7 7 Scalfaro 7] made a direct
 appeal to what he called " my friends from the 1 League " to
 work instead for federal reform . " It is an invitation , a
 commitment , a promise . Let 's march together , " [8 8 Scalf
 aro 8] , a northerner himself , said . " Help [9 9 Italy 9]

to teach , to propose a capacity for strong local autonomy , for the federalism which can give new vigour to our blood . But turn back from the line you are taking now , " he said . [10 10 Scalfaro 10] was in [3 2 Mantua 3] to attend a ceremony commemorating the executions there by [4 3 Austrian 4] rulers in 1852 and 1853 of a group of [11 11 Italians 11] who had campaigned for national unity . He was jeered and whistled at by a small group of 4 League supporters when he arrived for a visit marked by heavy security . Witnesses said the protesters were outnumbered by other [12 12 Italians 12] who waved tricolour flags in the national red , white and green or shouted " Viva 5 Italia " . The 6 League won more than eight percent of votes at the last general election in April on a federalist platform but its leader [13 13 Umberto Bossi 1 3] later switched to a separatist agenda . A three-day " independence " march along the [5 Po River 5] in September , culminating in a declaration in [14 14 Venice 14] of a self-styled " Republic of Padania " , flopped badly .

said on Thursday [7 7 British 7] finance minister [8 8 Kenneth

over the issue of a single [1 1 European 1] currency . Member

of Parliament [9 9 Tony Marlow 9] said the resignation of the chancellor of the exchequer was the only way to make the [2 Conservatives 2] electable in a general election which must take place by May next year . " We have a divided and split 2 Cabinet . This cannot endure , " 3 Marlow told 4 BBC television 's [10 10 Newsnight 10] programme on Thursday . " It is not sustainable . [11 11 Kenneth Clarke 11] has to go . If he does n't resign , the prime minister has got to fire him . " [12 12 Marlow 12] 's comment come on the heels of speculation that [13 13 Clarke 13] had threatened to resign if the government changed its " wait and see " policy on a single currency and declared it would not sign up for the currency in the next Parliament . [14 14 Clarke 14] denied on Thursday he had threatened to resign and said his position on the single currency was in tune with that of Prime Minister [15 15 John Major 15] . [16 16 Major 16] told parliament on Thursday he would keep his options open on single-currency membership . His statement was interpreted as a significant victory for [17 17 Clarke 17] and fellow pro-European [18 18 Michael Heseltine 18] , deputy prime minister . Pro-European 5 Conservative MP [19 19 Edwina Currie 19] told the [20 20 BBC 20] that if [21 21 Clarke 21] resigned , other ministers would go with him .

Court ejects head of [1 1 Australian 1] child-sex inquiry . [2 2 CANBERRA 2] 1996-12-06 The [3 3 Australian 3] opposition on Friday demanded a high-powered investigation into paedophilia in the [4 4 Australian 4] diplomatic service after the federal court forced the head of the existing inquiry to stand aside . The court said inquiry head Chris Hunt might be biased , since he privately told a newspaper he had turned up no major evidence of paedophile activity , even though he still had months ' of investigation before him . " Today we are left with a ruinous wreck beyond salvage and a continuing pall of doubt and suspicion hanging over our diplomatic service , " opposition foreign affairs spokesman [5 5 Laurie Brereton 5] said . But the government responded by pressing ahead with the original inquiry , established in May , appointing a new head to lead it . Critics say that if there were many paedophiles in senior posts in the Foreign Affairs Department then a secret inquiry would be open to internal influence and would become a public service whitewash . Accordingly , they demand an open investigation . A spokesman for 1 Foreign Affairs Minister [6 6 Alexander Downer 6] said the appointment of a new inquiry head , administrative law expert Pamela O'Neil , showed the government 's commitment to pursue the matter . A report is due in May next year . One [7 7 Australian 7] diplomat has been prosecuted this year for having sex with a [8 8 Cambodian 8] boy under 16 but was acquitted . Police have investigated others . A newspaper reported allegations in April that diplomats had directed [9 9 Australian 9] government aid to certain foreign orphanages to secure sex with children .

[1 1 Australian 1] hitman killed wrong victim . [2 2 SYDNEY 2
] 1996-12-06 An [3 3 Australian 3] hitman who went to the
 wrong house and killed the wrong man was sentenced to 20
 years jail on Friday . Paul Crofts , 33 , and an accomplice
 were contracted to shoot a man , identified only as Tony , in
 the leg to punish him for his misconduct with a female friend
 of the contractor , the [4 4 New South Wales Supreme Court 4]
 was told . But in February 1993 Leszic Betcher , was shot and
 killed after answering a knock at the door of his [5 5 Sydney
 5] home . " The inference from all the material is that the
 marauders had come to the wrong house , " Judge Michael Grove
 said . In sentencing Crofts , who pleaded guilty , Grove took
 into account his " mildly retarded " intellectual state ,
 which placed him in the lowest two percent of the
 population . Grove said Betcher was " not only the victim of
 a horrendous crime , but his death was brought about in
 circumstances of an equally ghastly error on the part of the
 prisoner and his accomplices " . The unnamed accomplice was
 earlier sentenced to 20 years in prison .

[1 1 Burmese 1] students march out of campus again . [2 2 RA
 NGOON 2] 1996-12-06 A group of [3 3 Burmese 3] students on
 Friday marched out of the [4 4 Yangon Institute of Technology
 4] ([1 YIT 1]) in the northern outskirts of [5 5 Rangoon 5]
 and moved toward the [6 6 University of Yangon 6] about six
 km (four miles) away , witnesses said . The witnesses could
 not give exact numbers of those taking part in the march or
 any other details immediately . On Monday and Tuesday ,
 students from the [2 YIT 2] and the university launched
 street protests against what they called unfair handling by
 police of a brawl between some of their colleagues and
 restaurant owners in October . The protests culminated at
 dawn on Tuesday with several hundred of the student
 protesters being detained briefly by police near the central [7
 7 Shwe Dagon 7] pagoda in [8 8 Rangoon 8] . They were later
 released . On Friday , some students told [9 9 Reuters 9]
 that they were still dissatisfied with the ruling [3 State
 Law and Order Restoration Council 3] 's ([4 SLORC 4])
 handling of their demands . They said they wanted to organise
 independent unions on university campuses and demanded that
 details of the punishment of policemen who allegedly
 manhandled some students at the October brawl be published in
 newspapers .

EPA says economic assessment unchanged by GDP data . [1 1 T0
KY0 1] 1996-12-06 [2 2 Japan 2] 's [1 Economic Planning
Agency 1] has not changed its view that the economy is
gradually recovering , despite relatively weak gross domestic
product figures released on Tuesday , EPA Vice Minister
Shimpei Nukaya told reporters on Friday . He said the GDP
growth was weak but that this reflected the economy between

July and September and did not take into account more recent data . When asked about the outlook for the fiscal year beginning in April , Nukaya said the economy may slow down in the early part of the fiscal year due to a planned consumption tax hike , but that would be only temporary . The consumption tax will be raised to five percent from three percent from April 1 .

[1 1 Bre-X 1] , [2 2 Barrick 2] said to continue [1 Busang 1]
talks . K.T. Arasu [2 JAKARTA 2] 1996-12-06 [3 3 Canada 3] 's
[3 Bre-X Minerals Ltd 3] and Barrick Gold Corp are to
continue negotiations to hammer out a partnership agreement
to develop the spectacular Busang gold find in [4 4 Indonesia
4] , sources close to the talks said on Friday . " The
negotiations will be held both in [5 5 Toronto 5] and in [6 6
Jakarta 6] , " one source , speaking on condition of
anonymity , told [7 7 Reuters 7] . Another source said most
of the key negotiators from both [8 8 Bre-X 8] and [9 9 Barri
ck 9] had returned to [10 10 Toronto 10] , but declined to
say if there had been any progress in their negotiations .
Both sources said [11 11 Bre-X 11] and [12 12 Barrick 12] did
not hold talks on Thursday with Mines and Energy Ministry
Secretary-General Umar Said , who is coordinating the
negotiations over the Busang find in [13 13 East Kalimantan 13
] . The first source also said [14 14 Bre-X 14] had until

December 21 to submit to the Indonesian Mines and Energy Ministry a feasibility study on the central region of the Busang property , estimated to contain 2.6 million ounces of gold . The richest parts of the property to the north and south of the central region have been estimated by [15 15 Bre-X 15] to contain 57 million ounces of gold . " [16 16 Bre-X 16] is expected to complete the feasibility report by December 16 and submit it to the government before the December 21 deadline , " the source said . He said [17 17 Bre-X 17] would then formally seek the permission of the [18 18 Indonesian 18] government to begin construction to develop Busang 's central region , which might take up to two years . The source declined to say if there had been any progress in the talks between [19 19 Bre-X 19] and [20 20 Barrick 20] . " This is a huge project ... we are not selling furniture , and [21 21 Bre-X 21] has 13,000 shareholders to answer to , " the source said . " While there has been some agreement in principle on some issues , there are still others such as procedures and mechanisms that needed to be sorted out , " he added . The source said no new deadline had been set by the Mines and Energy Ministry for [22 22 Bre-X 22] and [23 23 Barrick 23] to strike a deal . The Ministry had given the companies until December 4 to complete a partnership deal , and advised [24 24 Bre-X 24] to take a 25 percent stake and [25 25 Barrick 25] 75 percent to develop the property . " As far as I am aware , there 's been no new deadline , " the source said . The Ministry 's Umar said on Thursday that both [26 26 Bre-X 26] and [27 27 Barrick 27] had responded positively to a government letter recommending a 25-75 split in the [4 Busang 4] gold property . The government also wants 10 percent of the property . Umar said the government had yet to receive a formal reply from the companies . He had said earlier that if the two companies failed to reach a partnership agreement , the government would explore other ways to expedite development of the Busang find . [28 28 Bre-X 28] has a partnership deal with PT Panutan Duta of the Panutan Group run by President [29 29 Suharto 29] 's eldest son , Sigit Harjojudanto , under which Panutan would receive \$ 40 million over 40 months plus a 10 percent stake Busang 's richest parts . [30 30 Barrick 30] has teamed up with a construction company in the Citra Group of [31 31 Suharto 31] 's eldest daughter , Siti Hardianti Rukmana , in what [32 32 Barrick 32] had said was a partnership " to prepare us for a potential mining development project " .

FEATURE - [1 1 Singapore 1] sees prestige in hosting [2 2 WTO 2] . Ramthan Hussain [3 3 SINGAPORE 3] 1996-12-06 [4 4 Singapore 4] 's winning campaign to host the [5 5 World Trade Organisation 5] ([6 6 WTO 6]) 's first ministerial meeting reflected its ambition to play a key role in shaping global free trade , the lifeblood of its economy , analysts said . " As one of the world 's most externally oriented economies , [7 7 Singapore 7] has a disproportionately large stake in the [8 8 WTO 8] , " said Desmond Supple , economist at research house I.D.E.A . " [9 9 Singapore 9] stands to benefit more than most from continued global trade liberalisation as trade is the engine of its growth , accounting for nearly three times its gross domestic product . " The city-state met [10 10 U.S. 10] opposition two years ago in its bid to host the meeting , expected to gather 4,000 officials from 160 countries from December 9 to 13 . In a stand some analysts linked to controversy over [11 11 Singapore 11] 's caning of an [12 12 American 12] teenager for vandalism , then-U.S. Trade Representative [13 13 Mickey Kantor 13] had said the meeting ought to be held where the [14 14 WTO 14] was going to be headquartered . That would have meant [15 15 Geneva 15] . But [16 16 Singapore 16] had the support of other [17 17 WTO 17] members . Derek da Cunha , senior fellow at the [18 18 Institute of Policy Studies 18] (ISEAS) , said [19 19 Singapore 19] 's hosting of the conference " carries a great deal of symbolism for the city-state , underscoring its commitment to free trade and its trading links across the globe . " There is the international prestige [20 20 Singapore 20] would enjoy , but " more importantly there is a genuine national interest in fostering better global free trade and an open market " , said Tan Kong Yam , head of Business Policy at the [21 21 National University of Singapore 21] . At the ministerial meeting , trade ministers will review the work of the [22 22 WTO 22] and the implementation of the [1 1 Uruguay Round 1] free trade commitments under its predecessor the General Agreement on Tariffs and Trade ([2 2 GATT 2]) . In June , the [23 23 WTO 23] hailed [24 24 Singapore 24] for its open market policies but the [25 25 European Union 25] and other trading powers called on [26 26 Singapore 26] to speed up the opening of its services sector . Supple said the struggle that [27 27 Singapore 27] had to wage in vying to host the meeting would be repeated during the talks . " There is tension at every step of the way , " since a battle line between the West and developing countries has been drawn over the issue of linking trade liberalisation with labour rights , he said . Supple said hosting the meeting carried prestige for [28 28 Singapore 28] , " however , this is quite intangible as the prestige factor may not necessarily lead to any additional investment and trade flows to this region . "

From a commercial point of view , the meeting would be good for [29 29 Singapore 29] 's tourism industry , Tan said . A large part of [30 30 Singapore 30] 's workforce would be mobilised to ensure the meeting would run without a glitch but the average [3 Singaporean 3] " would probably not be too concerned about some of the issues , " Tan said . " But the more educated public will realise that these kind of things are important for [31 31 Singapore 31] as a small economy . " Supple said any political gains the [32 32 Singapore 32] government would get from the [33 33 WTO 33] meeting -- ahead of a general election due by April 1997 -- would depend on how successful it was in pushing its economic agenda . " If there are any movements toward freer trade , then [34 34 Singapore 34] 's economy and the electorate would gain , " he said . " But I do n't think it would be wise to play up the political aspect of this . I think political issues will take secondary importance to all these economic issues that will be displayed . "

ALPINE SKIING-OFFICIALS HOPE TO SALVAGE WORLD CUP WEEKEND . [1 1 WHISTLER 1] , [2 2 British Columbia 2] 1996-12-06 1 World Cup ski officials hope to be able to get in at least one men 's downhill training run on Saturday in an effort to salvage the weekend racing programme . For the third consecutive day , Friday 's scheduled training runs were cancelled due to heavy wet snow and fog on [1 2 Whistler Mountain 1] , leaving the scheduled 3 World Cup events in jeopardy . Rules call for at least one training run to be completed before a 4 World Cup downhill race can be staged . Organisers hope to get that run in on Saturday morning , conditions permitting , and stage the race later in the day or on Sunday . " There was no possibility today to make a training run , " said Bernd Zobel , the [2 Canadian 2] men 's national coach , citing too much new snow and poor visibility . If organisers are forced to run the downhill on Sunday , the super-giant slalom originally scheduled for Sunday would likely be abandoned .

 will consider offers to play club rugby in [1 1 England 1]
 but looks more likely to spend the next year chasing business
 opportunities in [5 5 Australia 5] . The 34-year-old winger
 played his final game in a [6 6 Wallaby 6] jersey on Saturday
 but is currently a target for clubs eager to match [7 7 London
 7] side [8 8 Saracens 8] who have already snapped up [9 9 Fra
 ncois Pienaar 9] , [10 10 Michael Lynagh 10] and [11 11 Phili

ppe Sella 11] . " If the opportunity is there I 'd obviously think about it but the thing that holds me back is business , " said [12 12 Campese 12] . " I 'd like to come over but there are a lot of things happening at home . I 've also got a contract to play for [2 2 New South Wales 2] in the Super 12 next year . " Former [13 13 Wallaby 13] captain [14 14 Nick Farr-Jones 14] believes [15 15 Campese 15] may yet be tempted to [3 3 England 3] . " I 'm sure there are a few people in [4 4 England 4] who 'd be delighted to have [16 16 David Campese 16] in their club 's jersey , " he said .

SOCCER - [1 1 SOUTH KOREA 1] MOVE CLOSE TO QUARTER-FINAL
 BERTH . [1 1 ABU DHABI 1] 1996-12-07 [2 2 South Korea 2] made
 virtually certain of an [3 3 Asian Cup 3] quarter-final spot
 with a 4-2 win over [4 4 Indonesia 4] in a Group A match on
 Saturday . After going four up in the first 55 minutes [5 5 So
 uth Korea 5] allowed [6 6 Indonesia 6] , newcomers to [7 7 As
 ian Cup 7] finals , back into the match , conceding two goals
 from rare counter attacks . [2 Kim Do Hoon 2] opened the
 scoring for [8 8 South Korea 8] in only the fifth minute ,
 turning unmarked on the penalty spot to fire a shot into the
 top corner . It looked like turning into a rout as [9 9 Hwang
 Sun Hong 9] rapidly added two more in the seventh and 15th
 minutes but although the 2 Koreans continued to dominate they
 failed to add to the score before the interval . But they
 started the second half where they had left off and it was
 not long before they went four up , [3 Ko Jeong Woon 3]
 heading in from a free kick in the 55th minute . The 3 Koreans
 then appeared to relax , allowing the Indonesians to get back
 into the match . Ronny Wabia scored for [10 10 Indonesia 10]

three minutes later direct from a a corner kick that [4 4 Korean 4] goalkeeper [5 Kim Byung 5] reached with one hand but failed to keep out . With 65 minutes gone [6 5 Indonesia 6] 's Widodo Putra , who scored a spectacular goal against [11 11 Kuwait 11] on Wednesday , was again on target , breaking through the [7 6 Korean 7] defence to beat the keeper with a low shot . [12 12 Indonesian 12] keeper [13 13 Hendro Kartiko 13] produced a string of fine saves to prevent the 7 Koreans increasing their lead . Teams : [14 14 Indonesia 14] : 20 - [15 15 Hendro Kartiko 15] ; 2 - [16 16 Agung Setyabudi 16] ; 3 - Suwandi Siswoyo ; 4 - Yeyen Tumera ; 5 - Aples Tecuari ; 6 - Sudirman ; 7 - Widodo Gahyo Purta ; 8 - Ronny Wabia ; 11 - [17 17 Bima Sakti 17] ; 12 - Chris Yarangga (15 - Francis Wewengken 36) ; 16 - Marzuki Badriawan .  couver Canucks 5] star right wing [6 6 Pavel Bure 6] was
 suspended for one game by the [7 7 National Hockey League 7]
 and fined \$ 1,000 Friday for his hit on [8 8 Buffalo Sabres 8]
 defenceman [9 9 Garry Galley 9] on Wednesday . [10 10 Bure 10]
 received a double-minor penalty for high-sticking with 2:22
 left in the first period of Wednesday 's 7-6 overtime win by 1
 Vancouver after colliding with [11 11 Galley 11] in 2 Buffalo
 zone . [12 12 Galley 12] suffered a concussion and did not
 return to the game . " Mr 3 Bure left his feet to deliver a
 forearm blow to Mr 4 Galley as he was about to be checked
 legally by his opponent , " said [13 13 NHL 13] discipline
 chief [14 14 Brian Burke 14] in handing out the suspension .
 " Although it is clear from the videotape that Mr 5 Bure 's
 actions were a reaction to the impending hit and there was no
 intent to injure his opponent , there can be no excuse for
 this type of conduct , " [1 Burke 1] said . [15 15 Bure 15] ,
 who is struggling with only nine goals and 12 assists in 26
 games , will miss Saturday 's home game against 6 Ottawa .
