CRICKET - [1 1 LEICESTERSHIRE 1] TAKE OVER AT TOP AFTER
INNINGS VICTORY . [2 2 LONDON 2] 1996-08-30 [3 3 West Indian 3
] all-rounder [4 4 Phil Simmons 4] took four for 38 on Friday
as [5 5 Leicestershire 5] beat [6 6 Somerset 6] by an innings
and 39 runs in two days to take over at the head of the
county championship . Their stay on top , though , may be
short-lived as title rivals [7 7 Essex 7] , [8 8 Derbyshire 8]
and [9 9 Surrey 9] all closed in on victory while [10 10 Kent
10] made up for lost time in their rain-affected match
against [11 11 Nottinghamshire 11] . After bowling [12 12 Som
erset 12] out for 83 on the opening morning at [13 13 Grace Ro
ad 13] , [14 14 Leicestershire 14] extended their first
innings by 94 runs before being bowled out for 296 with [15 15
England 15] discard [16 16 Andy Caddick 16] taking three for
83 . Trailing by 213 , [17 17 Somerset 17] got a solid start
to their second innings before [18 18 Simmons 18] stepped in
to bundle them out for 174 . [19 19 Essex 19] , however ,
look certain to regain their top spot after [20 20 Nasser Hus
sain 20] and [21 21 Peter Such 21] gave them a firm grip on
their match against [22 22 Yorkshire 22] at [1 1 Headingley 1]
 . [23 23 Hussain 23] , considered surplus to [24 24 England 24
] 's one-day requirements , struck 158 , his first
championship century of the season , as [25 25 Essex 25]
reached 372 and took a first innings lead of 82 . By the
close [26 26 Yorkshire 26] had turned that into a 37-run
advantage but off-spinner [27 27 Such 27] had scuttled their
hopes , taking four for 24 in 48 balls and leaving them
hanging on 119 for five and praying for rain . At the [28 28 0
val 28] , [29 29 Surrey 29] captain [30 30 Chris Lewis 30] ,
another man dumped by [31 31 England 31] , continued to
silence his critics as he followed his four for 45 on
Thursday with 80 not out on Friday in the match against [32 32
Warwickshire 32] . He was well backed by [33 33 England 33]
hopeful [34 34 Mark Butcher 34] who made 70 as [35 35 Surrey 3
5] closed on 429 for seven , a lead of 234 . [36 36 Derbyshire
36] kept up the hunt for their first championship title since
1936 by reducing [37 37 Worcestershire 37] to 133 for five in
their second innings , still 100 runs away from avoiding an
innings defeat . [2 2 Australian 2] [38 38 Tom Moody 38] took
six for 82 but [39 39 Chris Adams 39] , 123 , and Tim
O'Gorman , 109 , took [40 40 Derbyshire 40] to 471 and a
first innings lead of 233 . After the frustration of seeing
the opening day of their match badly affected by the
weather , [41 41 Kent 41] stepped up a gear to dismiss [42 42
Nottinghamshire 42] for 214 . They were held up by a gritty

84 from 3 Paul Johnson but ex-England fast bowler [43 43 Mart in McCague 43] took four for 55 . By stumps [44 44 Kent 44] had reached 108 for three .

SOCCER - [1 1 SHEARER 1] NAMED AS [2 2 ENGLAND 2] CAPTAIN . [3 3 LONDON 3] 1996-08-30 The world 's costliest footballer [4 4 Alan Shearer 4] was named as the new [5 5 England 5] captain on Friday . The 26-year-old , who joined [6 6 Newcastle 6] for 15 million pounds sterling (\$ 23.4 million) , takes over from [7 7 Tony Adams 7] , who led the side during the [8 8 European 8] championship in June , and former captain [9 9 David Platt 9] . [10 10 Adams 10] and [11 11 Platt 11] are both injured and will miss [12 12 England 12] 's opening [13 13 World Cup 13] qualifier against [14 14 Moldova 14] on Sunday . [15 15 Shearer 15] takes the captaincy on a trial basis , but new coach [16 16 Glenn Hoddle 16] said he saw no reason why the former [17 17 Blackburn 17] and [18 18 S

outhampton 18] skipper should not make the post his own . " I 'm sure there wo n't be a problem , I 'm sure [19 19 Alan 19] is the man for the job , " [20 20 Hoddle 20] said . " There were three or four people who could have done it but when I spoke to [21 21 Alan 21] he was up for it and really wanted it . " In four days it 's very difficult to come to a 100 percent conclusion about something like this ... but he knows how to conduct himself , his team mates respect him and he knows about the team situation even though he plays up front . " [22 22 Shearer 22] 's [23 23 Euro 96 23] striking partner [24 24 Teddy Sheringham 24] withdrew from the squad with an injury on Friday . He will probably be replaced by [25 25 Shearer 25] 's [26 26 Newcastle 26] team mate [27 27 Les Ferdinand 27] .

BOXING - [1 1 PANAMA 1] 'S [2 2 ROBERTO DURAN 2] FIGHTS THE SANDS OF TIME . [3 3 PANAMA CITY 3] 1996-08-30 [4 4 Panamanian 4] boxing legend Roberto " [1 Hands of Stone 1] " [2 Duran 2] climbs into the ring on Saturday in another age-defying attempt to sustain his long career . [3 Duran 3] , 45 , takes on little-known [5 5 Mexican 5] Ariel Cruz , 30 , in a super middleweight non-title bout in [6 6 Panama City 6] . The fight , [4 Duran 4] 's first on home soil for 10 years , is being billed here as the " Return of the Legend " and [5 Duran 5] still talks as if he was in his prime . " I want a fifth title . This match is to prepare me . I feel good . I 'm not retiring , " [6 Duran 6] told [7 7 Reuters 7] . But those close to the boxer acknowledge that the man who has won championships in four different weight classes -- lightweight , welterweight , junior middleweight and middleweight -- is drawing close to the end of his career . " Each time he fights , he 's on the last frontier of his career . If he loses Saturday , it could devalue his position as one of the world 's great boxers , " 1 Panamanian Boxing Association President Ramon Manzanares said . [7 Duran 7] , whose 97-12 record spans three decades , hopes a win in the 10-round bout will earn him a rematch against [8 8 Puerto Rico 8] 's Hector " Macho " Camacho . 2 Camacho took a controversial points decision against the [9 9 Panamanian 9] in [10 10 Atlantic City 10] in June in a title fight .

TENNIS - [1 1 TARANGO 1] , O'BRIEN SPRING TWIN UPSETS UNDER
 THE LIGHTS . Larry Fine [2 2 NEW YORK 2] 1996-08-30 [3 3 Andre
 Agassi 3] escaped disaster on Thursday but [1 1 Wimbledon 1]
 finalist [4 4 MaliVai Washington 4] and [5 5 Marcelo Rios 5]
 were not so fortunate on a night of upsets at the [6 6 U.S. Op
 en 6] . The 11th-seeded [2 Washington 2] fell short of
 reprising his [7 7 Wimbledon 7] miracle comeback as he lost
 to red-hot wildcard Alex O'Brien 6-3 6-4 5-7 3-6 6-3 in a two
 hour 51 minute struggle on the Stadium court . Next door on
 the grandstand , 10th seed [8 8 Rios 8] lost to another
 player with a [9 9 Wimbledon 9] connection -- bad boy [10 10 J
 eff Tarango 10] . The temperamental left-hander defeated the [3
 Chilean 3] 6-4 4-6 7-6 6-2 . The day programme went
 smoothly although sixth-seeded former champion [11 11 Agassi 1
 1] had to wriggle out of a dangerous 3-6 0-4 hole , winning
 18 of the last 19 games against [12 12 India 12] 's [13 13 Le
 ander Paes 13] . But the night belonged to the upstarts . [14
 14 Washington 14] , who climbed back from a 1-5 deficit , two
 sets down in the third set against [15 15 Todd Martin 15] in
 the [16 16 Wimbledon 16] semifinals , looked poised for
 another sensational comeback . O'Brien , a winner two weeks
 ago in [17 17 New Haven 17] for his first pro title , served
 for the match at 5-4 in the third set before [18 18 Washington
 18] came charging back . " I just kept saying to myself , '
 keep giving yourself the best chance to win , keep battling ,
 maybe something will happen , ' " said the 26-year-old
 O'Brien , ranked 65th . " I kept my composure and I was proud
 of myself for that -- usually I would have folded up the tent
 and gone home . " The hard-serving O'Brien , a former [19 19 U
 .S. 19] collegiate national champion , fired up 17 aces to
 ultimately subdue the never-say-die [20 20 Washington 20] .
 The fifth set stayed on serve until the sixth game , when [21
 21 Washington 21] , after saving one break point with a
 forehand winner down the line , netted a backhand to give
 O'Brien a 4-2 lead . The Texan blasted in two aces to hold
 serve at 5-2 and then converted his eighth match point for

victory when [22 22 Washington 22] found the net with another backhand from 40-0 . " You just kind of keep fighting and you keep trying to make him play a little bit . I think he got a little tight at a couple of moments , " said [23 23 Washington 23] . " But I think he served pretty well when he had to . " [24 24 Tarango 24] , whose [25 25 Wimbledon 25] tantrum two years ago brought him a \$ 28,000 fine and suspension from this year 's tournament at the [4 All-England Club 4] , argued calls and taunted fans in his lively two hour , 24 minute tango with [26 26 Rios 26] on the grandstand . A boisterous cheering section backed the distracted [5 Chilean 5] and booed the lanky [6 American 6] , who ate up all the attention . " I 'm an emotional player , " said the 104th-ranked [27 27 Tarango 27] . " I think I played very well tonight , very focused . " The match turned on the third-set tiebreaker , which the [7 American 7] won 7-5 much to the dismay of the spectators . " I love the crowd if they boo me every day . It fires me up , makes me play my best tennis , " [28 28 Tarango 28] said . " I played some of my best tennis in college when fraternities were throwing beer on me . If tennis was like that every day , I think everybody wold be having a lot more fun . " [29 29 Rios 29] did not appreciate [30 30 Tarango 30] 's antics . " He 's always complaining too much , " said [31 31 Rios 31] . " But I think it 's not that . I think I played really bad . It was tough to play at night . Balls were going really fast . I lost too many points that I never lose . I did n't play my tennis . " " I do n't see the ball like I see during the day . I play an [8 American 8] so that 's why I play at night . I did n't feel good on the court . " At the end of the match , [32 32 Tarango 32] blew sarcastic kisses to the crowd , then jiggled his body to a [33 33 Rios 33] rooting section in a jeering salute . " I support their enthusiasm , " [34 34 Tarango 34] said about the fans . " At the same time , they 're cheering blatantly against me . After I won I figured I could give them a little razzle-dazzle . "

GOLF - [1 1 HENKE 1] TAKES LEAD IN 1 MILWAUKEE , [2 2 WOODS 2
] MAKES PRO DEBUT . [3 3 MILWAUKEE 3] , [4 4 Wisconsin 4]
 1996-08-29 [5 5 Nolan Henke 5] fired a nine-under-par 62 to
 grab a two-shot lead after the opening round of the \$ 1.2
 million [6 6 Greater Milwaukee Open 6] Thursday as 20-year-
 old [7 7 Tiger Woods 7] shot 67 in his professional debut . 2
 Henke stood two strokes ahead of [8 8 Bob Estes 8] and three
 up on [9 9 Billy Andrade 9] , [10 10 Duffy Waldorf 10] and [11
 11 Jesper Parnevik 11] . [12 12 Woods 12] , who turned pro
 Tuesday after winning an unprecedented third successive [1 3 U

.S. Amateur Championship 1] , almost eagled the 18th hole . He settled for a birdie and a four-under opening round that left him five shots off the pace . " Yesterday was the toughest day I 've had for a long time , " [13 13 Woods 13] said . " Today , I got to play golf . " He added : " I thought I got off off to a great start . It was a perfect start . I 'm in a good position . " 4 Henke , who called his round a " pleasant surprise , " finished with six birdies on the final eight holes . " We finally got things going in the right direction , " he said . " It was my best round in a very long time . My short game has improved since I 've had to use it so often . That 's always been the worst part of my game . All in all , playing bad 's been a good experience . " 5 Henke , who came within one shot of the course record set by [14 14 Andrew Magee 14] during Wednesday 's pro-am , has three career [15 15 PGA Tour 15] victories , but none since the 1993 6 BellSouth Classic . [16 16 Estes 16] , whose only win came at the 1994 7 Texas Open and whose best finish this year was a third-place tie at the 8 Nortel Open in January , eagled the par-five fourth hole and added five birdies to grab sole possession of second place . " No bogeys on the card , " he noted . " Sometimes I take more pride in that . " [17 17 Woods 17] was among a group of 13 players at four under , including 1993 champion [18 18 Billy Mayfair 18] , who tied for second at last week 's [19 19 World Series of Golf 19] , and former [2 9 U.S. Open 2] champ [20 20 Payne Stewart 20] . Defending champion [21 21 Scott Hoch 21] shot a three-under 68 and was six strokes back . [22 22 Phil Mickels on 22] , the only four-time winner on the [23 23 PGA Tour 23] , skipped the tournament after winning the [24 24 World Series of Golf 24] last week . [25 25 Mark Brooks 25] , [26 26 Tom Lehman 26] and Mark O'Meara , who make up the rest of the top four on the money list , also took the week off .

ATHLETICS - [1 1 MITCHELL 1] DEFEATS [2 2 BAILEY 2] IN FRONT
 OF FORMER CHAMPIONS . Adrian Warner [3 3 BERLIN 3] 1996-08-30
 [4 4 American 4] [5 5 Dennis Mitchell 5] outclassed [1 1 Olym
 pic 1] 100 metres champion [6 6 Donovan Bailey 6] for the
 third time at a major post-Games meeting in front of the most
 experienced sprinting crowd in the world on Friday . Watched
 by an array of former [2 2 Olympic 2] sprint champions at the
 [7 7 Berlin 7] grand prix meeting , [8 8 Mitchell 8] made a
 brilliant start in the 100 metres and held off [9 9 Bailey 9]
 's strong finish to win in 10.08 seconds despite cool

conditions . [10 10 Bailey 10] , who set a world record of 9.84 on his way to victory in [3 3 Atlanta 3] , could not catch his [11 11 American 11] rival and had to settle for third in a tight finish . [12 12 Jamaica 12] 's 4 Michael Green was second with 10.09 with [13 13 Bailey 13] finishing in 10.13 . Last Friday [14 14 Mitchell 14] , who finished fourth at the [15 15 Atlanta Games 15] , upstaged a trio of [4 5 Olympic 4] champions including [16 16 Bailey 16] to win the 100 in [17 17 Brussels 17] . Earlier this month he also beat world champion [18 18 Bailey 18] in [19 19 Zurich 19] . [20 20 Berlin 20] , [21 21 Brussels 21] and [22 22 Zurich 22] all belong to the most lucrative series in the sport , the Golden Four . Among the crowd on Friday were [5 6 Olympic 5] 100 metres champions going back to 1948 . They had been invited to the meeting to watch a special relay to mark the 60th anniversary of [23 23 Jesse Owens 23] 's four gold medals at the 1936 7 Olympics in the same [24 24 Berlin 24] stadium . " Today the concentration was the most important thing for me , " [25 25 Mitchell 25] said . Despite the coolish conditions American Olympic champion [26 26 Gail Devers 26] looked in commanding form in the women 's 100 , clocking 10.89 to defeat [27 27 Jamaican 27] rival [28 28 Merlene Ottey 28] , who was second in 10.94 .

to [7 7 Milan 7] in 1992 for what was believed to be a world
record sum , has been loaned to [8 8 serie A 8] club [9 9 Ata

joined [13 13 Milan 13] from [14 14 Torino 14] in a \$ 12
million deal that many have speculated involved far more
money changing hands and which has subsequently been
investigated by magistrates for alleged financial
irregularities . The player suffered severe head injuries in
a near-fatal car crash the following year and has since
struggled to regain the form that made him a hero in [1 Turin

[1 1 ROMANIA 1] COMELF H1 PROFIT RISE BELOW TARGET . [2 2 BU
 CHAREST 2] 1996-08-30 [1 Romanian 1] listed state engineer
 Comelf said it almost doubled six-month output , with net
 profit rising by 33 percent to 1.069 billion lei . But the
 company complained inflation and the artificially high rate
 of the leu cut profit margins on exports , keeping profits
 well below its forecast of 1.4 billion lei . Comelf 's six-
 month output rose to 4,378 tonnes of equipment from 2,684
 tonnes in the equivalent period in 1995 , the company report
 to the [3 3 Bucharest 3] stock exchange showed . Comelf ,
 based in the central [4 4 Transylvanian 4] town of [5 5 Bistr
 ita 5] , manufactures water purification equipment ,
 machinery for the thermal power sector and other equipment .
 " In the first six months of 1996 we concentrated on
 increasing the volume of our output and exports in particular
 and improving the quality of our products , " the report
 said . From January to June Comelf exported 59 percent of its
 output , up from 37.3 percent in the same period last year .
 The company said higher than anticipated inflation and rising
 raw materials and wage costs also hit profits . Year-on-year
 inflation , initially estimated at 20 percent in December ,
 was 33.8 percent in June , higher than a revised end-year
 forecast of 30 percent . The 12 month figure quickened to
 40.3 percent in July . The leu currency has slipped only
 gradually this year , and is currently quoted at an official
 rate of 3,162 to the dollar , well below the 3,550 retail

price that exporters say is more realistic . -- Luli

[1 NYMEX 1] heating oil near session lows in pre-close . [1 1
NEW YORK 1] 1996-08-30 NYMEX refined product prices lingered
at session lows amid slim volume before the close while crude
experienced lackluster buying ahead of the [2 1 U.S. 2 Labor D
ay 2] weekend , traders said . " There was some profit-taking
early on , and it 's just sitting there , " a [2 2 Texas 2]
trader said of heating oil 's and gasoline 's losses .
September heating oil stood 1.02 cents lower at 62.65 cents a
gallon . Heat hit a session low of 62.45 shortly before the
close . September gasoline stood 0.87 cent lower at 62.85
cents a gallon . Friday 's low in September gasoline was
62.75 . Traders also said players were selling refined
products in favor of crude ahead of the front month 's Friday
expiry in the refined products . The October heating oil-to-
crude crack spread narrowed to \$ 4.22 a barrel from Thursday

's \$ 4.58 while the October gasoline-to-crude spread narrowed to \$ 3.60 from Thursday 's \$ 3.86 a barrel . October crude stood eight cents higher at \$ 22.23 barrel . Buying interest in crude did not have enough conviction to send it much higher since many players had left early to start the [3 3 Labor Day 3] holiday weekend , traders said . [1 1 U.S. 1] debt futures end lower , shaken by 1 Chicago NAPM . [2 2 CHICAGO 2] 1996-08-30 [3 3 U.S. 3] debt futures finished a shortened pre-holiday session sharply lower , as the markets were shaken by a stronger than expected rise in the August [4 4 National Association of Purchasing Management 4] (NAPM) index for the [5 5 Chicago 5] area , traders and

analysts said . The August 2 Chicago NAPM rose 8.8 points to 60.0 , its highest level since 62.6 in February 1995 and the largest monthly rise since December 1993 . Primary dealers immediately sold [6 6 Eurodollar 6] and bond futures , after the market on average was expecting the index to rise marginally to 51.9 from July 's 51.2 . Traders also said [7 7 Japanese 7] investors were unwinding long [8 8 Eurodollar 8] futures / short swaps , and that heavy put buying helped pressure 3 Eurodollars to lower levels before the close . One [9 9 U.S. 9] firm bought 35,000 September 97 mid-curve put options at a strike price of 93.25 to 93.30 in the last two sessions , while a [10 10 French 10] firm bought 4,000 September 93.30 to 93.32 put spreads . " Even before the data came out , we were seeing put buying , " one floor trader said . Meanwhile , funds were reportedly good sellers of five-year notes . Rumors circulated that the [11 11 Federal Reserve 11] was buying five-year notes , and that a renowned hedge fund manager was buying 10-year notes in the cash markets . However , December T-bonds ended below a major trendline level at 106-26/32 , as the yield in the cash bond market set its highest monthly close since April 1995 at 7.12 percent , one analyst said . December bonds blew through the July 30 low of 107-06/32 , even though conditions were slightly oversold , traders said . The December calendar spread continued to widen , also reflecting the market 's fear of rising inflation . While the market continues to price-in higher [12 12 U.S. 12] interest rates , there was little conviction to the theory that the [13 13 Federal Reserve 13] would tighten rates before the next [14 14 Federal Open Market Committee 14] meeting on September 24 . [15 15 Federal Reserve 15] governor [16 16 Lawrence Lindsey 16] , speaking on [17 17 U.S. 17] cable television network [18 18 CNBC 18] , said the [19 19 U.S. 19] economy appears on balance to be a bit strong , adding the central bank would not curb growth provided inflation remains in check . Earlier in the day , [20 20 Fed 20] chairman [21 21 Alan Greenspan 21] said at the annual [1 Jackson Hole 1] symposium that the goal of price stability is within reach for major nations . Traders said the [22 22 Fed 22] 's decision to adopt a tightening bias at the July [23 23 FOMC 23] meeting has cast more focus on every piece of [24 24 U.S. 24] economic news . " The [25 25 Fed 25] 's stance has really sensitized us to all this data , " one analyst said . " The revisions to GDP , for example , may not have attracted a lot of attention . " At the end of pit trade , December bonds were off 27/32 at 106-25/32 , 10-year notes down 21/32 at 105-17/32 , munibonds off 17/32 at 111-20/32 , December [26 26 Eurodollars 26] were down 11 bps at 93.94 , March 4 Eurodollars were off 13 bps at 93.72 and March T-bills were down 12 bps at 94.33 .

Douglas & Lomason shares rise on merger . [1 1 FARMINGTON HI
 LLS 1] , Mich . 1996-08-30 Shares of Douglas & Lomason Co
 were up 4-1/2 at 30-5/8 Friday afternoon after Thursday 's
 announcement that the vehicle seat maker had agreed to be
 acquired by [1 Magna International Inc 1] for \$ 31 a share ,
 or \$ 135 million . [2 2 Magna 2] was up 1/8 to 48-1/4 on the [3
 3 New York Stock Exchange 3] . Douglas & Lomason has 4.45
 million common shares outstanding , some of which are option
 shares to be purchased at exercise prices less than the \$ 31
 offered price . The acquisition will beef up [4 4 Markham
 4] , Ontario-based [5 5 Magna 5] 's [6 6 North American 6]

car and truck seating business , allowing it to better compete with [7 7 Johnson Controls Inc 7] and Lear Corp . Family-controlled Douglas & Lomason , which had 1995 revenue of \$ 561 million , was finding it more difficult to compete for new seating contracts from vehicle makers , said James Hoey , chief financial officer . " Unfortunately , in the auto industry these days , a \$ 500 million company is not a big company anymore , " Hoey said . " This merger makes us much more competitive . " He added that Douglas & Lomason 's top executives have been asked to stay on with [8 8 Magna 8] after the merger , though their future roles have not yet been defined . Douglas & Lomason 's profits were hurt in the past year by model changeovers , which had reduced production at some important customers , but are now recovering , analysts said . The company earned \$ 11.2 million on sales of \$ 299 million in the first six months of 1996 , up from year-earlier earnings of \$ 4.7 million on sales of \$ 285.7 million . [9 9 Ford 9] plans to cut its roster of 2,300 tier-one suppliers -- those it deals with directly -- in half over the next five years . " The deal really levels the seating field somewhat , " said John Casesa of Schroder Wertheim & Co . " It should give [10 10 Magna 10] the critical mass to be a bigger player in that market . " [11 11 Magna 11] 's traditional strength has been instrument panels , door panels and other interior components . [12 12 Magna 12] , [13 13 Johnson Controls 13] and Lear have been working to build up their capabilities to supply complete interiors to automakers , including seats , instrument panels , door panels carpeting and headliners .

[1 1 Iraqi 1] captors of [2 2 Sudanese 2] jet charged with
hijack . [3 3 LONDON 3] 1996-08-30 Seven [4 4 Iraqis 4] who
seized a [5 5 Sudanese 5] airliner with 199 people aboard and
forced it to fly to [6 6 London 6] were on Friday charged
with hijack , ending speculation that they might be offered
immediate asylum in [7 7 Britain 7] . Police said the seven
men , who freed all their hostages after the plane landed at [1 1 Stansted 1] airport on Tuesday and then appealed for
asylum , would appear in court on Saturday . The [8 8 Iraqis 8
] claimed they were " ordinary people persecuted by the
regime of [9 9 Saddam 9] ([2 2 Hussein 2]) " but [3
interior ministry 3] officials had consistently said it was
likely the seven would be charged with hijack before any plea
for asylum was considered . Under [4 3 English 4] law the
maximum sentence for hijack is life imprisonment , but there
has been widespread speculation that the seven will receive
lesser sentences and then be allowed to stay rather than
being sent back to [10 10 Iraq 10] . The hijack began on
Monday when an Amman-bound plane was taken over shortly after
it took off from [11 11 Khartoum 11] . The hijackers
threatened to blow it up during a refuelling stop in [12 12 Cy
prus 12] unless they were taken to [13 13 London 13] . After
a search of the aircraft following the hijackers '
surrender , police found only knives and fake explosives .

Late bond market prices . [1 1 LONDON 1] 1996-08-30 This is
how major world bond markets were trading in late [2 2 Europe

an 2] business on Friday . [3 3 GERMANY 3] - Bunds extended losses , flirting with session lows after falling victim to sharply higher [4 4 U.S. 4] economic data which revived fears that interest rates may soon turn higher . The September Bund future on the [1 London International Financial Futures and Options Exchange 1] (LIFFE) was trading at 97.18 , down 0.20 from Thursday 's settlement price . [5 5 BRITAIN 5] - [2 Gilts 2] struggled off the day 's lows but ended 10/32 down on the day . A sharp plunge in 1 U.S. Treasuries after a shock rise in the Chicago PMI pulled gilts lower , but traders said the market was nervous anyway ahead of August M0 data and the PMI survey due on Monday . The September long gilt future on [3 LIFFE 3] was trading at 107-2/32 , down 8/32 from Thursday 's settlement price . [6 6 FRANCE 6] - Bond and PIBOR futures ended the day higher despite much stronger than expected [7 7 U.S. 7] data . The September notional bond future on the MATIF in [8 8 Paris 8] settled at 123.14 , up 0.04 from Thursday 's settlement price . [9 9 ITALY 9] - Bond futures held to easier levels in late afternoon after the sharp drop in 2 Treasuries , but a resilient lira helped limit BTP losses . The September bond future on [4 LIFFE 4] was trading at 115.45 , down 0.13 from Thursday 's settlement price . [10 10 UNITED STATES 10] - Prices of [11 11 U.S. Treasury 11] securities were trading sharply lower near midday after a surprisingly strong Chicago Purchasing Managers ' report shook the markets ahead of the long [5 3 Labour Day 5] weekend . The September [6 Treasury 6] bond future on the [12 12 Chicago Board of Trade 12] was trading at 107-11/32 , down 26/32 from Thursday 's settlement price . The long bond was quoted to yield 7.12 percent . [13 13 JAPAN 13] - Yield for benchmark 182nd cash bond fell on buy-backs following weaker-than-expected industrial output data , which convinced traders the [14 14 BOJ 14] would not raise interest rates soon . Japanese Government Bonds futures which closed before the output data , lost much of day 's gains as [15 15 Tokyo 15] stock prices recovered from the day 's low. In after hours trading the September future on [7 LIFFE 7] was trading at 122.53 , up 0.26 from Thursday 's settlement price on the [16 16 Tokyo Stock Exchange 16] . EURO BONDS - Primary market activity was sharply lower , as players wound down ahead of Monday 's 4 U.S. [8 5 Labour Day 8] holiday and next week 's [17 17 U.S. 17] employment data . NSW Treasury launched a A\$ 100 million three-year discount bond aimed at [18 18 Japanese 18] investors . DNIB issued a 275 million [19 19 Norwegian 19] crown bond , which was pre-placed with a [9 6 European 9] institution . DNIB also set a 110 million guilder step-up bond . Next week [10 Kansai Electric Power 10] and [20 20 Kansai International Airport 20] are likely to launch 10-year dollar deals .

Boxing-Bruno quits on doctor 's advice . [1 1 LONDON 1]
 1996-08-30 Former world heavyweight champion [2 2 Frank Bruno
 2] has quit the ring on medical advice , [3 3 Britain 3] 's 1
 Sun newspaper reported on Friday . An eye specialist told the
 35-year-old [4 4 Bruno 4] that he could be blinded in one eye
 if he boxed again , the newspaper said . The [5 5 Briton 5] ,
 who lost his [1 World Boxing Council 1] ([2 WBC 2]) title
 to [6 6 Mike Tyson 6] in March , said : " I was in shock as
 soon as he told me and it still has n't really sunk in . " I
 never wanted to end like this but at the end of the day I 'm
 glad I had a good innings . " [7 7 Bruno 7] , for years one
 of [8 8 Britain 8] 's most popular sportsmen , had hoped to
 have another shot at the world title and had been in training
 until a routine eye test on Monday highlighted a problem with
 his right eye . Professor David McLeod , who examined [9 9 Br
 uno 9] , told the 2 Sun : " There is a risk he could be
 blinded in the eye if he steps into the ring again . He is in
 danger of getting a retinal detachment and there is no point
 in exposing himself to that . " [10 10 Bruno 10] lost three
 world title fights before finally landing the crown by
 beating [11 11 American 11] [12 12 Oliver McCall 12] in a
 unanimous points decision at [3 3 Wembley 3] in September
 1995 . He was only the third [13 13 Briton 13] ever to hold a
 world heavyweight title . But [14 14 Bruno 14] lost the title
 on his first defence when he fought 4 American 5 Tyson in [15
 15 Las Vegas 15] . [16 16 Bruno 16] suffered a cut eye in the
 opening round and the referee stopped the fight in the third
 as the [17 17 Briton 17] crumbled under a flurry of punches .

Ruling [1 1 Moslem 1] party ends vote boycott . [2 2 SARAJEVO 2] 1996-08-30 Bosnia 's ruling [3 3 Moslem 3] nationalist party on Friday called on its refugee voters to end a boycott of absentee balloting in national elections , citing assurances provided by a [4 4 U.S. 4] envoy , government radio said . The Bosnian government radio broadcast said [5 5 U.S. 5] Assistant Secretary of State [6 6 John Kornblum 6] had reassured [7 7 SDA 7] officials , including presumably its leader , Bosnian President [8 8 Alija Izetbegovic 8] , whom he met during a Friday visit . But the radio report did not specify what guarantees , if any , the [9 9 U.S. 9] envoy had provided . Absentee voting in the elections began on Wednesday , August 28 and runs for a week . Election day for those living inside Bosnia is September 14 . The [10 10 Party of Democratic Action 10] ([11 11 SDA 11]) had called on Wednesday for its followers abroad to boycott the absentee balloting because of voter registration irregularities , especially among [12 12 Serb 12] refugees . The Organisation for Security and Cooperation in Europe (OSCE) postponed municipal elections as a result of the irregularities but decided to proceed with voting for higher offices . The [13 13 SDA 13] , joined by two other parties , has been demanding that OSCE prohibit refugees voting from any place other than their pre-war place of residence as a means to prevent the elections from ratifying the results of ethnic cleansing .

Top [1 1 Belarus 1] politician blasts president . Larisa
 Sayenko [2 2 MINSK 2] 1996-08-30 A senior [3 3 Belarus 3]
 politician accused President [4 4 Alexander Lukashenko 4] on
 Friday of attempting to set up a dictatorship in the former [5
 5 Soviet 5] republic . The speaker of the [6 6 Belarus 6]
 parliament , Semyon Sharetsky , told [7 7 Reuters 7] that a
 draft constitution , due to be put to a national referendum
 on November 7 , would dangerously increase the powers of the
 ruler . " The world community should not be indifferent to
 the fact that President [8 8 Lukashenko 8] , who leads this [9
 9 European 9] state of 10 million people , is trying to
 establish a dictatorship with his new constitution , "
 Sharetsky said . The new constitution calls for a two-chamber
 parliament with a 110-seat majority-elected house of
 representatives and a regionally-represented senate with a
 third of its members named by the president . [10 10 Lukashen
 ko 10] 's aides shrugged off Sharetsky 's charge . " If there
 was a dictatorship they would n't have the right to say
 things like this , " Sergei Posukhov , [11 11 Lukashenko 11]
 's political adviser , told [12 12 Reuters 12] . " The people
 have asked us to establish order and that 's our main aim . "
 [13 13 Lukashenko 13] , 41 , won presidential polls in 1994
 on promises to restore order , fight corruption and repair
 the strong links with [14 14 Russia 14] that were disrupted
 by the collapse of the [15 15 Soviet Union 15] . But during
 his period in office he has battled against nationalist
 opponents , trade unions and parliament and [1 Sharetsky 1]
 said the current parliament was ready to try to impeach him .
 " This constitution , which has been prepared in secret ,
 aims to gather all power in one man 's hands , " he said . "
 We should not be fooled by his quasi-democratic rhetoric and

his methods , like this referendum . " [16 16 Lukashenko 16] signed a pact with [17 17 Moscow 17] in April to create a strong economic and political union which he believes could grow into a federation . But nationalist groups , scared by the prospect of renewed [18 18 Moscow 18] domination and [19 19 Russia 19] 's backing for [20 20 Lukashenko 20] , protested against the deal . [21 21 Lukashenko 21] responded by cracking down on the nationalist opposition and jailing nearly 200 people for taking part in demonstrations against the pact . The [22 22 United States 22] last week granted political asylum to two opposition leaders , Zenon Poznyak and Sergei Naumchik .

[1 1 Tajik 1] troops now control devastated town . Yuri
Kushko [2 2 TAVILDARA 2] , [3 3 Tajikistan 3] 1996-08-30 [4 4
Tajik 4] government troops now control of the strategically
vital town of [5 5 Tavildara 5] after driving out [6 6 Islamic
6] rebels , but sporadic gunfire still echoed in the nearby [7
7 Pamir 7] mountains on Friday . The commander-in-chief of [8
8 Tajikistan 8] 's armed forces , Major-General Nikolai
Sherbatov , took a group of journalists by helicopter to the
remote , and now devastated , town to show that his forces
held it . He said his troops took [9 9 Tavildara 9] without
casualties on August 23 , but the crack of sniper and
machinegun fire revealed the presence of opposition fighters
in the surrounding mountains . Sherbatov said the rebels were
located about three km (two miles) east of [10 10 Tavildara
10] around the village of Layron . [11 11 Tavildara 11] , 200
km (120 miles) east of the capital [12 12 Dushanbe 12] ,
was in ruins . Shells had smashed roofs and windows and empty
shell cases littered the streets . The town straddles a
strategically important road linking government and rebel-
held territory and has fallen succesively to both sides in a
bloody tug-of-war which began last February . [13 13 Tajikist
an 13] , which borders [14 14 Afghanistan 14] and [15 15 China
15] , has been split by a dragging four-year conflict after a
civil war between communists and a frail coalition of [16 16 I
slamic 16] and liberal groups . Tens of thousands of people
have been killed and many more have been displaced in the
fighting , which breached a shaky [1 United Nations-sponsored
1] ceasefire . [17 17 Tavildara 17] is now apparently
inhabited only by a few old men , women and their grubby ,
barefoot children . Fruit remained on the trees as there was
no one to pick it . " Help me , help me , " said a chorus of
women begging soldiers for food . The town 's school and a
shop doubling as a warehouse for humanitarian aid were
destroyed in the fighting . " We had to build our own earth
shelters to survive the fighting , " said Rajab Adinayev , a
bearded elderly 1 Tajik in a long white shirt . Although shy
in front of the government soldiers , several inhabitants
accused government forces of widespread looting of homes and
livestock . They also said rebel fighters had looted

medicines from the local hospital . One elderly man , who declined to give his name , said two of his sons were now refugees in [18 18 Moscow 18] and the other two had left to fight for the opposition . He also said government soldiers had raped the wife of one of his sons . " It 's not important who holds this town , we just need to stop the war , " he said .

Cofinec plunges on H1 results . Emese Bartha [1 1 BUDAPEST 1]
1996-08-30 Shares of France-registered printed packaging
company Cofinec S.A. plunged sharply on the [2 2 Budapest Sto
ck Exchange 2] ([1 1 BSE 1]) on Friday , despite a mostly
reassuring forecast by the group . Cofinec 's Global
Depository Receipts (GDRs) opened at 5,200 forints on the [2
2 BSE 2] , down 600 from Thursday 's close , following the
release of its first half results this morning . Cofinec CEO
Stephen Frater told reporters in a conference call from [3 3 V
ienna 3] on Friday before the opening of the bourse that he
expects a stronger second half , although the group will not
be able to achieve its annual profit goal . " We will not
achieve the full 37 million [4 4 French 4] franc (net)
profit forecast , " Frater said . " Obviously , we cannot
make up the unexpected decrease that has been experienced in
the first half of the year . " Frater declined to give a
forecast for the full year , ahead of a supervisory board
meeting next week . Cofinec , the first foreign company to
list on the [5 5 Budapest 5] bourse , released its
consolidated first half figures (IAS) this morning . In the
conference call , Frater said he regarded Cofinec GDRs --
which are trading below their issue price of 6,425 forints --
as a buying opportunity . " Obviously , at some point it
represents a buying opportunity , " Frater said . " I think
the reality is that we operate in emerging markets , emerging
markets tend to be more volatile . " " My message is that the
fundamental strategy of the company , its fundamental market
position has not changed . " The group , which operates in [6
6 Hungary 6] , [7 7 Poland 7] and the [8 8 Czech Republic
8] , reported an operating profit before interest of 21.8
million [9 9 French 9] francs compared to 34.1 million in the
same six months of 1995 . Net profit for the January-June
1996 period was 2.1 million [10 10 French 10] francs , down
from 10.3 million in the first six months of 1995 , with the
bulk of this decline attributable to the performance of
Petofi , one of its [11 11 Hungarian 11] units . Cofinec said
[3 Petofi 3] general manager Laszlo Sebesvari had submitted
his resignation and will be leaving [4 Petofi 4] but will
remain on Petofi 's board of directors . " Until a new
general manager of Petofi is appointed ... I will in fact
move to [12 12 Kecskemet 12] (site of [5 Petofi 5] printing
house) for the interim and will serve as acting chief
executive officer of Petofi , " Frater said . -- [13 13 Budap

Potent landmines found near [1 1 Colombian 1] presidency . [2
2 BOGOTA 2] , [3 3 Colombia 3] 1996-08-30 Eight claymore
mines fitted with powerful C-4 plastic explosives were found
stashed in a real estate office on Friday located about two
blocks from [4 4 Colombia 4] 's presidential palace , police
said . " These are powerful weapons , " a spokesman with the
Municipal Police told [5 5 Reuters 5] by telephone , adding
that police had not ruled out a possible terrorist attack on
the ornate [6 6 Casa de Narino 6] presidential palace in [7 7
Bogota 7] 's historic downtown area . " They could cause
serious damage as much as 500 meters (yards) away from
wherever they were detonated , " the spokesman added . He
said police backed by explosive experts were combing the area
in search of other possible weapons or explosive devices .
The police spokeman said plastic explosive like C-4 is not a
normal component in claymore mines . But he said the eight
mines seized by police had been " specially adapted . " The
spokesman declined further comment , except to say that two
women and a man identified as a lawyer had been arrested in
connection with the landmines .

[1 1 Cambodian 1] opposition newspaper editor pardoned . [2 2 PHNOM PENH 2] 1996-08-30 [3 3 Cambodia 3] 's King [4 4 Norodom Sihanouk 4] on Friday gave a royal pardon to an opposition newspaper editor who had alleged top-level corruption . Hen Vipheak , former editor of the Sereipheap Thmei (New Liberty) newspaper , stepped through the gates of the run-down [5 5 French 5] colonial-era T3 prison late Friday afternoon , following intervention on his behalf by King [6 6 Sihanouk 6] . The Supreme Court had on August 23 sent the opposition Khmer Nation Party steering committee member to jail after upholding rulings by the municipal and appeal courts that handed down a five million riels (\$ 2,000) fine and one year 's imprisonment . The judge overturned a decision to shut down Hen Vipheak 's newspaper . The editor was prosecuted following a May 1995 article alleging top-level corruption . [7 7 Sihanouk 7] promised an amnesty to Hen Vipheak , along with fellow [1 KNP 1] member and journalist Chan Rattana , who was released after serving a week of a year-long jail term in June . Co-Premiers [2 Prince 1 Norodom Ranariddh 2] and [8 8 Hun Sen 8] agreed earlier this week to the king 's request for an amnesty .

Far East Gold - Moribund market seen continuing . Mishi
Saran [1 1 HONG KONG 1] 1996-08-30 [1 Far East 1] gold
traders thumped foreheads in frustration at the market 's
foot-dragging this week and forecast on Friday that next week
would not be much better . The [2 2 Southeast Asian 2] gold
market was more or less a photo-fit picture of the previous
week 's position with activity slow and bullion prices
trapped in a well-worn range awaiting a seasonal upturn in
demand and prices into the fourth quarter . [3 3 Singapore 3]
premiums for [4 4 Australian 4] kilo bars were quoted
unchanged at between 25-45 cents an ounce over spot loco [5 5
London 5] prices , with [6 6 South Korean 6] and Indonesian-
origin premiums also steady at 10-20 cents an ounce . [7 7 Si
ngapore 7] dealers said they were concerned that there had
been a marked revival in offers to sell gold by [8 8 South Ko

rean 8] traders , following the distress sales of recent months after the [9 9 Seoul 9] government 's crackdown on bullion arbitrage trade . " I was shocked to see these offers coming in again , though there 's been no indication of price or volume . I dread to think what will happen to the premiums if the [10 10 Koreans 10] start selling in force , " one dealer said . Continued dishoarding of kilo-bars by [11 11 Indonesian 11] sources ahead of next year 's presidential election has also kept a lid on premiums . Gold closed down at \$ 387.00 / \$ 387.50 an ounce in [12 12 Hong Kong 12] on Friday , versus [13 13 New York 13] 's \$ 387.60 / \$ 388 finish on Thursday . Dealers said the precious metal eased on a report that the [14 14 International Monetary Fund 14] might sell some of its gold to reduce the debts of the poorest developing countries . Easier silver prices mid-week helped keep spot gold locked in a \$ 386 - \$ 389 an ounce range , dealers said , but they remained optimistic that the usual seasonal pick-up in jewellery fabrication demand would see gold at \$ 395 by end-October . " I still think we 'll see gold at \$ 395 by the end of October , in a retracement of the \$ 418 - \$ 380 move we saw at the start of the year , " one said . Silver , basis the September contract on [15 15 New York 15] 's Comex market , was expected to find support at between \$ 5.12 - \$ 5.15 an ounce and meet resistance from \$ 5.25 - \$ 5.30 , they added . September silver closed up \$ 0.004 in [16 16 New York 16] on Thursday at \$ 5.255 an ounce .

Green flags and banners praise the " great revolution " and promise defiance against [2 2 United Nations 2] sanctions imposed for [3 3 Libya 3] 's refusal to hand over for trial two suspects wanted in connection with the 1988 bombing of a [4 4 Pan Am 4] flight over [5 5 Lockerbie 5] , [6 6 Scotland 6] . " We have chosen the challenge because it is our only option , " proclaimed one banner on the road to [5 Tripoli 5] airport which serves only internal flights because of the sanctions . Huge stadium lights are directed at the city 's [6 Green Square 6] where makeshift stages await Sunday 's festivities . Three [7 7 African 7] leaders -- from [8 8 Niger 8] , Guinea and [9 9 Ghana 9] -- are expected to attend the celebrations marking September 1 , 1969 when a group of young army officers , led by a 27-year-old [10 10 Gaddafi 10] , deposed King [11 11 Mohammed Idris 11] . " The revolution has brought us great achievements ... We are comfortable the revolution has taken care of us , improved our lives and given us capabilities , " Samer Ammar Soliman , 42 , told [12 12 Reuters 12] as he came out of Friday prayers . But some [7 Libyans 7] have begun to show their discontent in the country 's east , which has become a hotbed of militant violence . Tripoli-based diplomats and exiled opponents said [13 13 Gaddafi 13] 's airforce blasted in July rebel strongholds in the mountainous Jebel al-Akhdar region . Travellers arriving in [14 14 Egypt 14] say militants and police officers clash regularly in [15 15 Benghazi 15] . At least 20 people were killed in the capital in early July after bodyguards loyal to [16 16 Gaddafi 16] 's sons fired at spectators of a football match who were chanting subversive slogans . [17 17 Gaddafi 17] has dismissed any unrest as the work of foreigners , and last year deported thousands of [18 18 Sudanese 18] and [19 19 Egyptian 19] workers .

Twilight zone for [1 1 Wall Street 1] as political race heats up . Pierre Belec [1 1 NEW YORK 1] 1996-08-30 For [2 2 Wall Street 2] , this is the season to be cautious as the presidential contest puts the stock market in the twilight zone . President [2 2 Clinton 2] , [3 3 Bob Dole 3] and [4 4 Ross Perot 4] are hitting the road now that the partying is over , and people who have billions of dollars invested in stocks were bracing for political promises that could have an impact on their wealth . Analysts believe that the candidates will add to the market 's list of uncertainties , which already includes the question of whether the [5 5 Federal Reserve 5] will raise interest rates to cool economic growth . They say the politicians will need to promote legislation that helps the economy without scaring the socks off financial markets . " The worst thing that could happen for financial markets is that if [6 6 Clinton 6] and [7 7 Dole 7] start to trade shots in the middle of the ring with one-upmanship , " said [3 Hugh Johnson 3] , chief investment officer at First Albany Corp. " That 's when [4 3 Wall Street 4] will need to worry . " He said that the bond market would be the first to react if the " bidding " intensifies and stocks would quickly drop as interest rates rise . " I do n't think it would imply the collapse of the stock market , unless the rise in rates touches off a dynamic within the market , which would include selling by portfolio managers , redemptions by individuals of mutual funds that would , in turn , pressure the portfolio managers to sell even more stock . " This week , the market weighed [8 8 Dole 8] 's proposal to lower federal income taxes by 15 percent across the board , a package that carries a price tag of \$ 548 billion . [9 9 Clinton 9] proposes an \$ 8.4 billion re-election agenda that would spare most home-sellers from capital gains taxes and give employers tax incentives to hire people off the welfare rolls . [10 10 Clinton 10] claims [11 11 Dole 11] 's plan would increase the deficit , while the [12 12 White House 12] said some corporate taxes would be raised to offset the cost of the president 's plan . The experts said there are some unusual risks for the market from this year 's political season because the rush to promise tax cuts to win votes could upset [5 4 Wall Street 5] 's expectations

that 5 Washington will balance the budget . " The stock market will have to edit the promises and then do a probability study on those edited promises , " said John Geraghty at the consulting firm North American Equity Services . During the past four presidential elections , the candidate that has favoured tax cuts has won . [13 13 Ronald Reagan 13] 's tax cut won him a second four-year term in the [14 14 White House 14] in 1984 , while [15 15 Democrat 15] [16 16 Walter Mondale 16] , who promised higher taxes , lost . [17 17 George Bush 17] became president in 1988 on his no-new-tax campaign and [18 18 Clinton 18] won in 1992 with a promise to fatten workers ' paychecks . The trick , they said , will be for the candidates to continue to convince [6 6 Wall Street 6] that the [19 19 Treasury 19] 's 30-year bond -- the most closely-watched interest rate -- will fall to between 4 percent and 5 percent by the end of the decade . Johnson said that long-term interest rates have already been spooked by the election . The long-term bond jumped this week to 7.13 percent after starting the year at 5.95 percent . The surge of buying in stocks during the last two years has come amid an environment of low interest rates , which has boosted corporate profits . But the market stalled this summer after the [20 20 Dow Jones 20] industrial average set a record high of 5,778.00 points on May 22 . " The market does n't seem to be able to make new highs and it has been back and forth in a fairly horizontal mode which looks like a holding pattern , " said Geraghty . He said the market reflects the political uncertainty , now that [21 21 Dole 21] has sharply narrowed the gap with [22 22 Clinton 22] in the polls . Geraghty said that the one thing that could completely turn the election around are new findings in the 7 Whitewater scandal that would damage the [7 Clintons 7] . " Stocks are on a delicate edge because if something happens that looks like it could upset the presidency , it could throw the political and , to some extent the economic , process into chaos , " Geraghty said . Right now , [8 8 Wall Street 8] is pondering the candidates . " We have an election where there are so many unknown variables that most people will probably want to hold fire , and even take the chance that they will have to pay higher prices for stocks after the November election , than take the risk that a shock to the system will hurt the stock market , " Geraghty said . On Friday , the [23 23 Dow Jones 23] index closed down 31.44 points at 5,616.21 . For the week , it was down 106.53 points . The [24 24 Nasdaq 24] composite index closed 3.53 points lower Friday at 1,141.50 . For the week , it was down 1.55 points . The [9 9 Standard & Poor 9] 's index of 500 stocks was off 5.41 points at 651.99 , down 15.03 points for the week . The [25 25 American Stock Exchange 25] index was down 1.66 points at 559.68 , and was off 1.26 for the week .

Brisk economic reports rattle markets anew . Glenn

Somerville [1 1 WASHINGTON 1] 1996-08-30 Factory orders rose in July and manufacturing surged in the [2 2 Midwest 2] in August , reports said Friday , sparking worries about inflation that battered financial markets for a second straight day . The [3 3 Commerce Department 3] said orders for manufactured goods climbed 1.8 percent in July to a seasonally adjusted \$ 317.6 billion -- nearly twice the increase that had been expected . Shipments of everything from new cars to food items rose , as did order backlogs , in a sign that the strength in the industrial sector would continue in coming months . A separate report from [4 4 Chicago 4] area purchasing managers underlined the strength in manufacturing as the group 's barometer of manufacturing in the region jumped to 60 in August from 51.2 in July . A reading above 50 indicates growth in manufacturing . While production and orders rose at [5 5 Midwest 5] area businesses , the prices they paid for goods used in manufacturing remained well in check . Analysts said the reports implied the economy was not slowing down in the third quarter after a burst of growth in the spring , and that the lull in late June and July was more temporary than [6 6 Federal Reserve 6] policy-makers had wanted . " It appears that August is showing an economy again reversing course and is not moving onto a significantly slower track at this point , " said economist Lynn Reaser of Barnett Banks Inc. in [7 7 Jacksonville 7] , [1 Fla 1] . The reports fanned worries on [2 1 Wall Street 2] that the [8 8 Fed 8] , the nation 's central bank , would raise rates next month in a bid to ward off inflation , driving stock and bond prices sharply lower for a second day running . The 30-year [9 9 Treasury 9] fell almost a point , raising its yield , which moves in the opposite direction from the price , to 7.12 percent from 7.04 percent late Thursday . The [10 10 Dow Jones 10] industrial average fell 31.44 points to 5,616.21 after a 64.73-point decline Thursday . A third report from the [11 11 Commerce Department 11] , on July personal income and spending , pointed to a potential slowdown in consumer spending that some analysts said may help moderate growth in the second half . It showed spending rose only 0.2 percent last month to a seasonally adjusted annual rate of \$ 5.15 trillion after dropping a revised 0.4 percent in June . Incomes from wages , salaries and all other sources gained 0.1 percent to a rate of \$ 6.47 trillion after a 0.9 percent jump in June . July 's slight gain in incomes was the weakest in six months , since January when they were flat . Economist Joel Naroff of First Union bank in [12 12 Philadelphia 12] said consumer spending , which fuels two-thirds of the nation 's economy , may be much slower in the third quarter than in the first half , which should slow economic growth . " The [13 13 FOMC 13] ([14 14 Federal Open Market Committee 14]) has been forecasting a slowing in economic activity and moderating household demand will have a large impact on overall economic growth , "

Naroff said in a written comment . The policy-making [15 15 F0 MC 15] is to meet on Sept . 24 to plot interest-rate strategy . It already has adopted a bias toward raising rates to keep a lid on wage and price rises and help sustain the 5-1 / 2-year-old economic expansion . In an interview on the cable television network 2 CNBC Friday , [16 16 Federal Reserve 16] Governor [17 17 Lawrence Lindsey 17] said there still were " mixed signals " about the economy 's direction . " I think that , on balance , it is looking a little bit on the strong side , " 3 Lindsey said . He added that with expansion as solid as it is and with unemployment so low " the greater risks are clearly that we might see some overheating . " While July consumer spending rose only slightly , there were ample indications that consumers remained confident . The [18 18 University of Michigan 18] 's August index of consumer sentiment , made available on Friday to paying subscribers , rose to 95.3 from 94.7 in July . Reaser said strong consumer confidence coupled with relatively lean inventories were providing manufacturers with a reason to gear up production . " The economy is not going to be expanding at the 4.8 percent (annual) rate that we had in the second quarter but it is likely to keep expanding in the 3 percent range , " she said , above the 2 percent to 2-1/4 percent that the [19 19 Fed 19] considers to be non-inflationary . New orders to factories were strong for durable goods like new cars and for nondurables like paper and food products . Orders for durable goods , meant to last three years or more , rose a revised 1.7 percent in July after falling 0.2 percent in June . Orders for nondurables jumped 1.8 percent following a 1.2 percent decrease in June .

[1 1 Mexican 1] avocados not expected in [2 2 U.S 2] .
 Maggie McNeil [3 3 WASHINGTON 3] 1996-08-30 [4 4 U.S. Agriculture Department 4] officials said Friday that [5 5 Mexican 5] avocados -- which are restricted from entering the continental [6 6 United States 6] -- will not likely be entering [7 7 U.S. 7] markets any time soon , even if the controversial ban were lifted today . " The opportunity to import ([8 8 Mexican 8] avocados) probably won't become possible for another year , " said Paul Drazek , senior trade advisor to Agriculture Secretary [9 9 Dan Glickman 9] . " We could lift the ban tomorrow , but that would not mean

anything immediately , " said Drazek . " We probably would not see avacados come in until next season , next November . " The 1 Agriculture Department proposed more than a year ago to significantly ease an 82-year ban on [10 10 Mexican 10] avacados . Under the administration 's proposal , the borders to the [11 11 Mexican 11] produce would be opened into 19 Northern and [1 Northeastern 1] states from November through February . The plan has raised a storm of protest from [12 12 U.S. 12] avocado growers , who are largely concentrated in [13 13 California 13] . [14 14 California 14] growers have charged that removing the restrictions , even on a limited basis , would endanger the \$ 1 billion [15 15 U.S. 15] industry if potentially harmful [16 16 Mexican 16] insects were brought into the country along with the avacados . [17 17 Mexican 17] officials contend that there is no scientific basis for the ban , and that it is illegal under international trading rules of the [18 18 World Trade Organization 18] . Proponents of the plan discount the worries of the [19 19 U.S. 19] growers and say the plan has enough safeguards built into it to eliminate any significant threat to [20 20 American 20] producers . Under the proposal , only imports of export-quality avacados growing in approved orchards in [21 21 Michoacan 21] , [22 22 Mexico 22] , the country 's main avocado area , would be allowed . [23 23 Mexican 23] growers and distributors would have to abide by strict rules established by the [24 24 Mexican 24] and [25 25 U.S. 25] agriculture agencies . The California Avocado Commission -- which has spearheaded the opposition to lifting the ban -- said new data the group submitted to the [26 26 Agriculture Department 26] last spring shows the department underestimated the pest problem in [27 27 Mexico 27] and have urged that the agency reopen its study of the issue . The administration is still studying the new data , and officials have said that if experts think the information is significant , the agency could reopen its investigation . But [28 28 U.S. 28] avocado industry sources said that while they may have delayed the plan for a while , they ultimately do not expect the administration to change its position . " From a common-sense view , the department should reconsider this plan , but due to politics they will probably go ahead with this , " said Tom Bellamore of the [29 29 California 29] avocado group . Administration officials said they want to get the issue resolved as quickly as possible , but said there is no timetable they are working under . " It 's a very complicated issue , " said the [30 30 Agriculture Department 30] 's Drazek . " We 'll get it resolved as quickly as we can , based on the best available science . "

[1 1 U.S. 1] Cardinal [2 2 Bernardin 2] says has terminal cancer . [3 3 CHICAGO 3] 1996-08-30 [4 4 Chicago 4] Cardinal [5 5 Joseph Bernardin 5] , head of the second-largest [6 6 U.S.

6] [7 7 Roman Catholic 7] archdiocese , said on Friday his doctors had diagnosed him as having liver cancer and he had a year or less to live . [8 8 Bernardin 8] , 68 , underwent extensive surgery for pancreatic cancer in June 1995 followed by months of chemotherapy , which he said made him more aware of his own vulnerabilities and the need to minister to the sick . " On Wednesday , examinations indicated that the cancer has returned , this time in the liver . I am told that it is terminal and that my life expectancy is one year or less , " a composed [9 9 Bernardin 9] told a news conference . In 14 years as [10 10 Chicago 10] 's archbishop , he built a prayerful , saintly image and was deeply involved in world church issues and publicly committed to rooting out abuses by clergy . " I have been assured that I still have some quality time left , " he said , saying he would undergo a new form of chemotherapy but his doctors have told him there was only a slim chance of a cure and the liver cancer was inoperable . " It 's not going to be easy to say goodbye to everybody . Death does have some sad dimensions to it but I am a man of faith , " he said . " Death is a natural phenomenon . " He said he would " serve until the end " as cardinal . Pancreatic cancer is among the most deadly forms of the disease , although [11 11 Bernardin 11] 's case was caught early . Surgeons removed a cancerous kidney , parts of his pancreas and stomach , small intestine , bile duct and surrounding tissues . He made a rapid recovery and resumed most of his duties , but then developed a deteriorating condition in his spine that caused him great pain and shortened his height by several inches . He was scheduled to undergo back surgery next month , but that was cancelled when the cancer was discovered in his liver in order to avoid delaying the start of chemotherapy . The spare , soft-spoken son of an [12 12 Italian 12] stonecutter took over the [13 13 Chicago 13] archdiocese , the nation 's second-largest after [14 14 Los Angeles 14] , with 2.3 million parishioners , in 1982 . Ironically , [15 15 Bernardin 15] , who developed a progressive , much-praised programme to deal with pedophilia involving priests , became the highest-ranking church official ever accused of sexual improprieties when a former seminary student leveled charges in 1993 that he had been sexually abused by [16 16 Bernardin 16] during the 1970s . [17 17 Bernardin 17] steadfastly denied the charges and the former student later recanted his tale of abuse . [18 18 Bernardin 18] prayed with him before he died from [19 19 AIDS 19] last year . [20 20 Bernardin 20] , who became archbishop of [21 21 Cincinnati 21] in 1972 , played an increasingly prominent role in the [22 22 U.S. 22] church as a moderate voice of compromise among liberals and conservatives in the ranks of the bishops . This month , he announced that he would oversee a series of conferences to find " common ground " among [1 American 1] Catholics . Previously , he was instrumental in drafting church policy on war , peace and

nuclear arms , and for seven years he headed the bishops ' anti-abortion policy committee , espousing a policy describing human life as a " seamless garment . "

Boatmen 's deal could spark more mergers . Brad Dorfman [1 1 CHICAGO 1] 1996-08-30 The \$ 9.5 billion proposed acquisition of Boatmen 's Bancshares Inc. by [2 2 NationsBank Corp. 2] could spark a flurry of other mergers involving [3 3 Missouri 3] banks , which until last year were protected from outside buyers by state regulations . " [4 4 NationsBank 4] just strolled into the [5 5 Midwest 5] and bagged the biggest banking trophy in the landscape , " said Michael Ancell , banking industry analyst at Edward D. Jones & Co . " Whoever wants a big market position in the [6 6 Midwest 6] has to come in and grab Mercantile or Commerce . " St. Louis-based Mercantile Bancorp Inc. , a bank holding company with \$ 18.04 billion in assets , was seen by many analysts as the most attractive [7 7 Missouri 7] franchise in size after [1 Boatmen 1] 's . [8 8 Kansas City 8] , Mo.-based 1 Commerce Bancshares Inc. , with \$ 9.32 billion in assets , also could help a regional bank establish a strong presence in the lower [9 9 Midwest 9] , analysts added . " It focuses more attention on Mercantile , Commerce and [2 Roosevelt 2] , " said James Weber , analyst at 2 A.G. Edwards & Sons . Roosevelt Financial Group Inc is a \$ 9.33 billion asset-St . Louis based thrift . " Now ... the most coveted bank out there is Mercantile , " Weber said . Mercantile and Commerce did not return phone calls seeking comment . Among those seen as having an interest in buying in [10 10 Missouri 10] are Minneapolis-based First Bank System Inc. and [3 Norwest Corp. 3] , Ohio-based KeyCorp and Banc One Corp. , and First Chicago NBD Corp. in [11 11 Illinois 11] . Representatives of [4 First Bank 4] , [12 12 Norwest 12] , [13 13 Banc One 13] and [14 14 First Chicago 14] said the banks do not comment on rumors of possible mergers or acquisitions . [15 15 KeyCorp 15] , contacted by phone , would not comment . With a presence in nine states and \$ 41 billion in assets , Boatmen 's was the prize in [16 16 Missouri 16] , where barriers to outside acquirers were brought down last year by a federal banking statute . " [5 Boatmen 5] 's was the plum of [17 17 Missouri 17] and was the plum of the central [18 18 Midwest 18] , " Weber said . Talk that the [19 19 Missouri 19] banks were seeking inflated prices from buyers was seen as a reason a deal has not occurred sooner . But [20 20 NationsBank 20] 's bid , representing a premium of 40 percent for Boatmen 's stock , was large enough to get the deal done . " I think Boatmen 's was shopping itself , and everybody knew if you wanted to be the winning buyer here , you had to make the bid nobody would beat , " Ancell said . But some analysts cautioned that other targets should not expect as large a premium . They also questioned whether [21 21 NationsBank 21] can recoup shareholder value with such a large bid for [6 Boatmen 6] 's . " I think initially some stocks will trade up

on sympathy , but the wild premium [22 22 NationsBank 22] put on this deal here , I do n't see a lot of other deals being done at this premium , " said Michael Durante , analyst at McDonald & Co .

 prize by [8 8 Libya 8] . " I 'm not going to speculate about

 Davies also noted : " We 've talked about the passport

The [22 22 Treasury Department 22] said [23 23 Libya 23] was on the [24 24 U.S. 24] list of states that sponsor international terrorism and noted that Tripoli has refused to hand over two [25 25 Libyan 25] suspects in the 1988 bombing of [1 2 Pan Am 1] flight 103 over [26 26 Lockerbie 26] , [27 27 Scotland 27] . [1 1 Titanic 1] recovery mission is scrapped . [2 2 NEW YORK
2] 1996-08-30 Equipment problems and mechanical failure
forced a recovery expedition to give up efforts to retrieve a
giant slab of the [3 3 RMS Titanic 3] from the ocean floor ,
a spokeswoman said on Friday . A 20-ton piece of the [4 4 Tit
anic 4] 's steel hull , which had been attached by cables to
a recovery ship off the coast of [1 1 Newfoundland 1] , [5 5 C
anada 5] , fell back to the bottom of the sea , said Erin
Purcell of 2 Boston-based Reagan Communications that
represents two of the ships used in the expedition . The
piece of hull , lifted from the ocean floor by means of
several diesel-filled bags , had been stuck about 200 feet
(about 70 metres) below the water 's surface before it
fell , she said . It fell as recovery crews were trying to
haul the piece into more shallow water and several of the
bags burst and cables snapped , she said . The steel-hulled [6
6 Titanic 6] , thought to be unsinkable , struck an iceberg
on April 14 , 1912 , and sank , killing 1,523 of the 2,200
passengers and crew on board . The wreck was located in
1985 . Passengers who had paid \$ 1,500 and up to accompany
the recovery expedition on two cruise ships had returned back
to port on Thursday , Purcell said .

[1 1 France 1] expels [2 2 African 2] , [3 3 Air France 3]
unions protest . [4 4 PARIS 4] 1996-08-30 [5 5 France 5] on
Friday expelled another [6 6 African 6] man seized in a
police raid on a [7 7 Paris 7] church as about 100 [8 8 Air Fr
ance 8] workers denounced " charters of shame " used to fly
illegal immigrants home . A Guinean man , detained in a round-
up in the Saint-Bernard church a week ago , was deported on a
scheduled [9 9 Air France 9] flight to [10 10 Conakry 10]
after his appeals failed , a spokesman for [11 11 Air France 1
1] 's pro-Socialist [12 12 CFDT 12] union said . He was
apparently the eighth [13 13 African 13] deported from among
210 people evicted from the church after a 50-day occupation
aimed at securing residence permits , unions said . Most of
the others have been released after a brief stay in
detention . About 100 people from the [14 14 CFDT 14] and the
Communist-led [15 15 CGT 15] unions marched outside [16 16 Air
France 16] headquarters at [1 1 Charles de Gaulle 1] airport
north of [17 17 Paris 17] against the use of civilian jets
and staff in deporting illegal immigrants . " We must obtain
a formal commitment from ([18 18 Air France 18] chairman) [1
9 19 Christian Blanc 19] that no plane , no personnel be used
to transform our air companies into charters of shame , " [20
20 CFDT 20] spokesman Francois Cabrera said . He said
civilians should not be police accomplices . Twenty-three out
of 25 charters flying illegal immigrants home since Prime
Minister [21 21 Alain Juppe 21] 's government took office in
May 1995 have been civilian jets . The other two were
military jets . Separately , Juppe confirmed the conservative
government was preparing to submit a draft bill to parliament
to tighten laws on illegal workers as part of a crackdown on
immigration . " Legislation is insufficient in several
areas , notably in those concerning illegal work , " Juppe
told reporters .

[1 1 Syria 1] slams [2 2 Israel 2] on settlements . [3 3 DAM ASCUS 3] 1996-08-30 [4 4 Syria 4] on Friday condemned [5 5 Israel 5] 's settlement policy and said Prime Minister [6 6 Benjamin Netanyahu 6] was preparing for war with [1 Arabs 1] . " Practices of the [7 7 Israeli 7] government , especially its settlement activities , came to confirm that dealing with this government inflicts the biggest harm on the [2 Arab 2] cause , " state-run Damascus Radio said in a commentary . " When this government insists on stabbing the peace process and tearing it apart , this means that it is preparing for war , " the radio said . [8 8 Palestinian 8] President [9 9 Yasser Arafat 9] described this week the decision to expand settlements in the West Bank as a declaration of war . [10 10 Palestinians 10] in the [3 West Bank 3] and [4 1 Gaza 4] observed a strike on Thursday to protest against the [11 11 Israeli 11] move . The radio urged [5 Arabs 5] to unify their ranks to thwart the policies of the right-wing [12 12 Israeli 12] government . " [13 13 Israel 13] could not confront a united [6 Arab 6] stand or usurp their rights because the [7 Arab 7] rights could be regained when they achieve unity and

solidarity , " [8 2 Damascus 8] radio said . It welcomed the international criticism of [14 14 Israel 14] 's settlement policies but called for practical steps to force the [15 15 Israeli 15] government to abandon this policy . " It is important to translate the criticism into pressuring action to prevent [16 16 Israel 16] from undermining the big international efforts aimed at making the peace process achieve success , " the radio said . [17 17 Syria 17] and [9 Arabs 9] have been dismayed by [18 18 Netanyahu 18] 's refusal to trade the occupied [10 Arab 10] lands for peace , his support for the expansion of settlements and his insistence on [19 19 Jerusalem 19] as a unified capital for [20 20 Israel 20] . [21 21 Syria 21] has held sporadic peace talks with [22 22 Israel 22] since 1991 without achieving a breakthrough .

[1 1 Israel 1] blocks [2 2 Palestinian 2] pilgrims ' progress . Sami Aboudi AL-RAM , West Bank 1996-08-30 Kamil Jamil did n't have a prayer . An [3 3 Israeli 3] roadblock stopped the 38-year-old [4 4 Palestinian 4] from answering [5 5 Yasser Arafat 5] 's call to worship at [6 6 Jerusalem 6] 's 1 al-Aqsa mosque on Friday . " Go home . There are no prayers today , " an [7 7 Israeli 7] soldier yelled at Jamil in [8 8 Hebrew 8] . [9 9 Palestinian 9] President [10 10 Arafat 10] , attacking [11 11 Israel 11] 's decision to expand [12 12 Jewish 12] settlements and its policy on [13 13 Jerusalem 13] , went before the [1 2 Palestinian 1] legislature on Wednesday to urge the two million [2 Arabs 2] in the West Bank and [3 3 Gaza 3] to go to the holy city . Pilgrims stood little chance

of making progress . [14 14 Palestinians 14] have been banned by [15 15 Israel 15] from travelling from the West Bank to [16 16 Jerusalem 16] since suicide bombings by [17 17 Moslem 17] militants killed 59 people in the [18 18 Jewish 18] state in February and March . And [19 19 Israeli 19] checkpoints have circled [20 20 Jerusalem 20] since 1993 , a concrete and constant reminder of [21 21 Israel 21] 's hold on a city it considers its eternal capital . The PLO wants Arab East Jerusalem as the capital of a future [4 4 Palestinian 4] state . Only a few [22 22 Palestinians 22] trickled to the roadblocks . They were immediately turned back . " I am heeding [23 23 Abu Ammar 23] 's ([24 24 Arafat 24] 's) call to pray at 5 al-Aqsa and I came . It is our duty towards 6 al-Aqsa to come and pray , " Jamil said . A tourist from [25 25 Jordan 25] was also told by [26 26 Israeli 26] soldiers at the [27 27 al-Ram 27] checkpoint that he could not enter [28 28 Jerusalem 28] . " We have a peace treaty with them and we let them go wherever they want when they come to [29 29 Jordan 29] , " said the tourist , Khaled Hijazi , 37 . " I feel terrible . I am entitled to see [30 30 Jerusalem 30] , " he said . Some [31 31 Palestinians 31] took to back roads , only to run into waiting [32 32 Israeli 32] security forces . " The [33 33 Israelis 33] have no right to prevent us from going to pray . What kind of peace is this that prevents us from reaching our holy places ? " asked Mustafa Hoshiyeh , a 27-year-old West Bank labourer turned around by a police patrol on a back road . " [34 34 Abu Ammar 34] ([35 35 Arafat 35]) is right . We have signed a peace treaty with the [36 36 Israelis 36] but on the ground , we see that nothing has changed , " said 20-year-old Ali Ahmed from [5 Qalandia 5] refugee camp .

Consumer spending , incomes edge up in July . Glenn Somerville [1 1 WASHINGTON 1] 1996-08-30 Consumer spending barely edged up in July , the [2 2 Commerce Department 2] said Friday , as income growth slowed abruptly to the weakest pace in six months . Spending rose 0.2 percent to a seasonally adjusted annual rate of \$ 5.15 trillion after dropping a revised 0.4 percent in June . Incomes from wages , salaries and all other sources gained 0.1 percent to a rate of \$ 6.47 trillion after a 0.9 percent jump in June . Department officials said July 's slight gain in incomes was the weakest for any month since January , when they were flat . Wages and salaries came under pressure in July as a shorter average workweek and lower hourly earnings cut into paychecks . The department said wages and salaries decreased by \$ 6.9 billion in July after climbing \$ 45 billion in June . " In July , average weekly hours and average hourly earnings declined , more than offsetting the effect of an increase in employment , " 1 Commerce said . But more money went into savings accounts , as savings held at 5.3 cents out of each dollar earned in both June and July . That was the highest savings rate since October last year , when 5.5 cents out of each dollar earned was being saved . The generally lackluster report on spending and incomes in July had been expected . At the same time , the department said in a separate report that new orders received by [3 3 U.S. 3] factories climbed strongly in July , with widespread gains across most major categories . Orders increased 1.8 percent to a seasonally adjusted \$ 317.6 billion , significantly stronger than the 1 percent rise forecast by [4 4 Wall Street 4] economists . That followed a revised 0.7 percent decline in June orders . Commerce said previously that spending at retail stores was up only 0.1 percent in July , partly because of softer sales of new cars and light trucks . In addition , the Labour Department 's July employment report had foreshadowed the muted income growth . It showed average hourly earnings fell in July by 0.2 percent to \$ 11.00 and the average workweek shortened to 34.3 hours from 34.7 in June . Gains in personal income , which includes wages and salaries as well as income from sources such as dividends , interest and businesses , are essential for funding consumer purchases , which fuel two-thirds of national economic activity . Spending on all types of durable goods , which includes cars , fell to an annual rate of \$ 626.3 billion in July from \$ 633.6 billion in June . But spending on nondurable products increased moderately to a rate of \$ 1.55 trillion from \$ 1.54 trillion in June , while spending for services was up to \$ 2.97 trillion in July from \$ 2.96 trillion . Payrolls of manufacturing companies rose in July by \$ 2.3 billion to an annual rate of \$ 678 billion .

 STOCKS SINK AS BOND RATES JUMP ON STRONG DATA [1 Blue-chip 1]
 stocks sank to their biggest loss since mid-July Thursday as
 fresh signs of a surprisingly strong economy boosted long-
 term bond interest rates above 7 percent . The dollar rose
 slightly against the [5 5 German 5] mark , but edged lower
 against the [6 6 Japanese 6] yen . The [7 7 Dow Jones 7]
 industrial average ended down 64.73 points at 5,647.65 , its
 largest drop since July 15 , when it closed with a loss of
 161 points . In the broader market , declining issues beat
 advances 1,627 to 743 on moderate volume of 321 million
 shares on the [8 8 New York Stock Exchange 8] . In the bond
 market , the 30-year [9 9 Treasury 9] bond fell 23/32 of a
 point , or \$ 7.1875 on a \$ 1,000 bond , raising its yield to
 7.04 percent -- the highest since July 31 -- from 6.98
 percent at Wednesday 's close . " Seven percent creates
 psychological problems and a legitimate competitor for money
 from equities , " said Ralph Bloch , chief technical analyst

at [10 10 Raymond James 10] . " We could carry another 100 points lower in the [11 11 Dow 11] , " he said . " I 'm telling clients things are dicey going into next Friday (Sept . 6) so let 's be careful . " [2 1 Wall Street 2] on Sept . 6 faces the key monthly employment report , which has been known to cause dramatic swings in stock prices . " We had two very strong economic reports , " said David Shulman , Salomon Bros . ' chief equity strategist . " There are more worries in bond land . Fears of a [12 12 Fed 12] tightening next month have resurfaced for the first time since the end of July . " The [13 13 Commerce Department 13] reported that the nation 's gross domestic product expanded at a 4.8 percent annual rate in the three months from April through June instead of the 4.2 percent estimated a month ago . In another report , sales of new homes jumped unexpectedly in July to the briskest rate in five months , driving prices up in a strong housing market . Sales shot up 7.9 percent last month to a seasonally adjusted annual rate of 783,000 units -- the strongest since February , when new homes were selling at a rate of 784,000 a year . Analysts said the stock market was also worried about the impact on President [14 14 Clinton 14] 's re-election bid of his top political strategist resigning . [15 15 Dick Morris 15] , who is credited with resurrecting [16 16 Clinton 16] 's political fortunes over the past 18 months by masterminding his turn to the political centre , quit after a supermarket tabloid reported he engaged in a yearlong affair with a prostitute , with whom he allegedly shared confidential campaign documents . Analysts said [17 17 Wall Street 17] had grown accustomed to a moderate [18 18 Republican 18] in the form of [19 19 Democrat ic 19] President [20 20 Clinton 20] . [21 21 Morris 21] ' departure raised fears that [22 22 Clinton 22] would veer more to the left in a second term . The dollar closed at 1.4772 marks , up from 1.4767 late Wednesday . The dollar slipped to 108.40 yen from 108.45 . Oil markets rose sharply on a combination of low stocks , two hurricanes and allegations of illicit trading by [23 23 Iraq 23] . September heating oil on the [24 24 New York Mercantile Exchange 24] closed 1.63 cents higher at 63.67 cents a gallon , September unleaded gasoline finished 1.39 cents up at 63.72 cents a gallon and October crude rose 44 cents to \$ 22.15 a barrel . December cotton closed 0.95 cent higher at 77.06 cents per pound on the [25 25 New York Cotton Exchange 25] despite some easing of concern about the twin hurricane threat to key [26 2 6 U.S. 26] growing areas with forecasts indicating both storms may remain offshore . Overseas , [27 27 London 27] 's [28 28 FTSE 100 28] index had earlier climbed to 3,8921.1 just below its record of 3,922.1 , before edging down through the afternoon session to finish the day at 3,885.0 , a fall of 33.7 points . In [29 29 Tokyo 29] , the key 225-share [30 30 N ikkei 30] average shed 156.65 points , or 0.76 percent , to end at 20,553.16 .

[1 1 Pirelli 1] cables look to tap [2 2 Chinese 2] growth .
David Jones [3 3 MILAN 3] 1996-08-30 [4 4 Italian 4] tyre and

cables giant [5 5 Pirelli 5] on Friday announced its long-awaited move into [6 6 China 6] with a cables joint venture set to capitalise on the rapidly-growing [7 7 Chinese 7] telecommunications market . [8 8 Pirelli 8] is linking with [1 Hong Kong-based 1] group [9 9 CITIC Pacific 9] in a venture to be called the Wuxi Tong Ling Company Ltd , which will operate in partnership with a local industrial company at its existing factory in [10 10 Wuxi 10] , [11 11 Jiangsu 11] province , [12 12 Shanghai 12] . The partners will invest around \$ 30 million in the existing copper cable plant at [13 13 Wuxi 13] to update technology and include optic fibre production , with annual turnover expected to reach \$ 60 million within the next few years . The move marks a further move by [14 14 Pirelli 14] 's cables division to expand in the fast-growing [2 Far Eastern 2] developing markets with the group already present in [15 15 Indonesia 15] , [16 16 India 16] and [17 17 Malaysia 17] . " This is really positive news for [18 18 Pirelli 18] , and I expect that it will produce one of the best half-year results in late September compared to other industrial [19 19 Italian 19] companies , " said analyst Paula Buratti at [3 Indosuez 3] . She emphasised that the move was positive because [20 20 Pirelli 20] will have management control of the [21 21 Chinese 21] venture , and it also showed another example of [22 22 Pirelli 22] exporting its technical know-how to developing markets . [23 23 Pirelli 23] shares reacted favourable even though talks had been underway for some time and news about a venture had been widely expected . The shares rose 0.2 percent to 2,555 lire by 1350 [24 24 GMT 24] in an easier [25 25 Milan 25] stock market . This will be [26 26 Pirelli 26] 's first industrial involvement in a [27 27 Chinese 27] market where demand for telecommunication networks is expected to grow to 80-100 million new lines between 1996 and 2000 , doubling demand for optical cables . [28 28 China 28] 's second largest telecoms operator Unicom already has a mandate from the central government to establish 15 million new phone lines by the year 2000 , which will necessitate new trunk line systems and local distribution networks . " The starting of this production base in [29 29 China 29] has for our group an undoubted strategic value , representing an important enhancement of our presence in [30 30 Asia 30] , " said [4 Pirelli SpA 4] chairman and chief executive officer Marco Tonchetti Provera . [31 31 Pirelli Cables 31] has global sales of over \$ 3.5 billion , and has become a large supplier of optic cables and systems to major telecoms carriers in the [32 32 U.S. 32] , [33 33 Europe 33] and the [5 Far East 5] . [34 34 CITIC Pacific 34] is a major [6 Hong Kong-listed 6] company focusing on infrastructure , trading , distribution and property , with 28 percent of its 1995 profits coming from telecoms . It has investments in several industrial joint ventures in [35 35 China 35] .

[1 1 Dutch 1] bond futures revival delayed - EOE . [2 2 AMST
ERDAM 2] 1996-08-30 A broad attempt to spur activity in [3 3 D
utch 3] bond futures has been delayed to give participants a
chance to become familiar with the trading system , the
European Options Exchange (EOE) said on Friday . Market-
making in the rarely-traded FT0 contract was expected to
begin today , but an EOE spokesman said the 10 banks and
brokers involved in the initiative needed time to get
accustomed to changes in the electronic trading system . " It
's not ready yet . We found it wise to take some time between
the commitment to start and the actual start , " EOE
spokesman Lex van Drooge told [4 4 Reuters 4] . He said no
date had been fixed yet for the start of price making in the
10-year contract , but the EOE had agreed to speak again to
the participants in one to two weeks . Investors in [5 5 Dutch
5] bonds currently use [6 6 German 6] bond futures to hedge
their portfolios because the FT0 contract is so illiquid . A
limited attempt to reinvigorate the contract two years ago
failed . -- [7 7 Amsterdam 7] newsroom +31 20 504 5000 , Fax

OSCE defends record over [1 1 Chechnya 1] peace mission . [2
 2 BONN 2] 1996-08-30 The head of an international mediating
 mission defended its record on Friday in the face of
 criticism by pro-Moscow leaders in breakway [3 3 Chechnya 3]
 and insisted it was doing its best to bring peace to the
 region . [4 4 Flavio Cotti 4] , the chairman of the
 Organisation for Security and Cooperation in Europe
 (OSCE) , told [5 5 German 5] radio the [1 Vienna-based 1]
 body viewed the conflict in [6 6 Chechnya 6] as an internal [7
 7 Russian 7] problem . " The OSCE is completely involved .
 But one must not forget that the OSCE only has limited powers
 there , " said Cotti , who is also the [8 8 Swiss 8] foreign
 minister . " Our mission in [9 9 Chechnya 9] has done all it
 can within the given limitations . " Pro-Moscow leaders in [10
 10 Chechnya 10] have criticised Tim Guldemann , the [11 11 Sw
 iss 11] diplomat who heads the OSCE 1 Chechnya mission ,
 saying he was biased toward [12 12 Zelimkhan Yandarbiyev
 12] , president of the self-declared separatist government . [1
 13 13 Russian 13] peacemaker [14 14 Alexander Lebed 14] and [1
 5 15 Chechen 15] separatist military leader [16 16 Aslan Mask
 hadov 16] started a new round of peace talks on Friday just
 outside the rebel region . [17 17 Cotti 17] said [18 18 Chech
 nya 18] must remain part of [19 19 Russia 19] , but the
 solution to the conflict would be to accord the region

maximum autonomy within [20 20 Russia 20] 's borders . " There is no doubt that [21 21 Chechnya 21] , according to OSCE principles , belongs to a state called [22 22 Russia 22] , " he said , pointing out that [23 23 Russia 23] was an OSCE member and it was not the organisation 's policy to challenge members ' sovereignty . He added that the OSCE was the only international body which has been allowed into the [24 24 Chechnya 24] to monitor the human rights situation there , but that its means were restricted by the fact that the conflict was a " internal issue " . " We have a small concept , the details of which have yet to be worked out . [25 25 Chechnya 25] must be accorded the maximum autonomy possible within the framework of [26 26 Russian 26] integrity , " said 2 Cotti .

[1 1 Dutch 1] say no reason to reopen [2 2 El Al 2] cargo
 enquiry . [3 3 THE HAGUE 3] 1996-08-30 The [4 4 Dutch 4]
 transport minister [5 5 Annemarie Jorritsma 5] told the
 country ' second chamber that there is no further need to
 investigate the 1992 crash of an [6 6 El Al 6] freighter
 which left 43 dead in an [7 7 Amsterdam 7] suburb . She said
 that a request from her ministry for the aircraft 's waybill
 documentation and further information about the contents of
 its hold had been complied with by [8 8 El Al 8] 's head

office in [9 9 Tel Aviv 9] . The [10 10 Dutch 10] transport ministry had come in for pressure from a cross-section of [11 11 Dutch 11] members of parliaments in May this year , some of whom believed the aircraft had been carrying unlisted , dangerous goods . Others said they thought the aircraft was loaded with too much airfreight . [12 12 Jorritsma 12] said the latest evidence from [13 13 El Al 13] in no way supported the allegations , and added there is no justification for a further investigation into the incident . -- Air Cargo Newsroom Tel+44 171 542 8982 Fax +44 171 542 5017

1 Armenians , [1 2 Azeris 1] hold peace talks in [1 1 Germany 1] . [2 2 BONN 2] 1996-08-30 Representatives from [3 3 Armenia 3] and [4 4 Azerbaijan 4] held talks earlier this week in [5 5 Germany 5] on bringing a lasting peace to the disputed [2 3 Nagorno-Karabakh 2] region , a diplomatic source close to the talks said on Friday . The source , who spoke on condition of anonymity , said [6 6 Azerbaijani 6] presidential adviser Vafa Gulizade and his [7 7 Armenian 7] counterpart Zhirayr Liparityan met to discuss the disputed enclave on Wednesday and had now flown home . An uneasy ceasefire has prevailed in [3 4 Nagorno-Karabakh 3] , which represents around 20 percent of 5 Azeri territory , since May 1994 after ethnic [8 8 Armenians 8] drove [4 6 Azeris 4] out of the region . The conflict , which began in 1988 , claimed over 10,000 lives . " The main subject (of the talks) was the search for a peaceful solution for [5 7 Nagorno-Karabakh 5] , " the source said . He declined to reveal any more details about the content of the talks or their exact location in [9 9 Germany 9] . [10 10 Azerbaijan 10] has said it is prepared to grant autonomy to [6 8 Nagorno-Karabakh 6] if [7 Armenian 7] forces pull out , but will not accept [11 11 Armenia 11] 's demands for the independence of the enclave . [12 12 Russia 12] 's [13 13 Interfax 13] news agency reported on Tuesday the officials had departed for negotiations in [14 14 Germany 14] , adding that face-to-face talks between the two sides first took place last December in [15 15 Amsterdam 15] . [16 16 Interfax 16] said the discussions were being held in parallel with peace talks mediated by the Organisation for Security and Cooperation in Europe (OSCE) and the broad-based [17 17 Minsk Group 17] of countries led by [18 18 Russia 18] and [19 19 Finland 19] .

Sombre mood on [1 1 Arctic 1] island after plane crash .
Rolf Soderlind [1 LONGYEAR 1] , [2 2 Norway 2] 1996-08-30 The
windblown , chilly streets of this tiny [3 3 Arctic 3] town
are all but deserted and flags are flying at half-mast
beneath a brooding , clouded sky . [2 Longyear 2] is a town
in mourning , a close-knit community that has been
shattered . Disaster struck on Thursday when a [4 4 Russian 4]
airliner bringing coal miners to work crashed as it came in
to land at the airport , killing all 141 people on board . "
It 's a sight I will never forget . I will remember it for
the rest of my life , " said Stig Onarheim . He was one of a
handful of rescuers who raced to the scene of the crash in a
helicopter on Thursday , hoping in vain to find survivors .
The plane smashed into a snow-capped mountain on the [5 5 Arc
tic 5] island of Spitzbergen on Thursday , just east of [3
Longyear 3] . " Imagine a big plane with a lot of luggage and
people on board . Think of all that mixed together , with
twisted , wrecked parts on the slope , " Onarheim , 29 , told
[6 6 Reuters 6] . Police and local officials have sealed off
the crash site , protecting it from intrusive reporters and
from the polar bears that roam freely across the icy
expanses . The dead were all [7 7 Russians 7] and [8 8 Ukrain
ians 8] , coming to work in the mining towns of [9 9 Barentsb
urg 9] and 1 Pyramiden . [4 Longyear 4] is a [10 10 Norwegian
10] settlement of just over 1,000 people , but it also feels
the loss keenly . " I have trouble finding the words to
express my grief . It 's a tragedy for everyone . We know
many of the people who live in [11 11 Barentsburg 11] , some
of them could have been on the plane , " said Johan Sletten ,
52 . Sletten , a caretaker who has lived on the island for 30
years , said the [12 12 Norwegian 12] and [13 13 Russian 13]
communities visit frequently , competing at soccer in the
summer and with snow-scooter races in the winter . Teenage
shop assistant Heidi Groenstein was blunter . " I 'm glad it
was not a [14 14 Norwegian 14] plane , " she said . " Just
think of it -- a mining village where so many workers die .
They must be having a tough time of it now . " [15 15 Barents

burg 15] , just a few hours ride by snow-scooter or 15 minutes by helicopter from [5 Longyear 5] , has asked to be left alone with its grief and told reporters to stay away . Around 100 [16 16 Russian 16] and [17 17 Ukrainian 17] miners were waiting in [6 Longyear 6] to fly home on the plane that crashed . They were given shelter in the town 's church overnight and ate a sombre breakfast before getting on a bus for the airport . Another plane had been sent from [18 18 Moscow 18] to pick them up . At this time of year , the only colour in [7 Longyear 7] comes from the brightly-painted wooden houses . Everything else is muddy , the waters of the fjord leaden . Winter is in the air . [19 19 Barentsburg 19] is an even grimmer place , a run-down testament to the hardships of the new [20 20 Russia 20] . Spitzbergen lies some 500 miles (800 km) off the northern tip of [21 21 Norway 21] and endures one of the most extreme climates on the planet . Inhabited by fewer than 3,000 people in total , it sees the sun for 24 hours a day during summer and is plunged into round-the-clock darkness in the winter months . The terrain is mountainous , the only roads are dirt tracks . [22 22 Norway 22] rules the island group under the terms of a 1920s international treaty which gave many other nations the right to establish settlements and exploit the coal that is still mined there . Only [23 23 Russia 23] has chosen to do so .

HK has infrastructure in place for post-97 - [1 1 Tsang 1] .
 [2 2 AUCKLAND 2] 1996-08-30 [3 3 Hong Kong 3] Financial
 Secretary [4 4 Donald Tsang 4] said on Friday that the
 territory had the " infrastructural hardware " to make a
 success of its future under [5 5 Chinese 5] sovereignty from
 mid-1997 . " We have the largest and most efficient port on
 the [1 South China 1] coast ; we have the best transport and
 telecommunications infrastructure in the world ; and we are
 investing in this hardware on an enormous scale , " [6 6 Tsang
 6] said in a speech to [7 7 Auckland 7] during a visit to [8 8
 New Zealand 8] . [9 9 Hong Kong 9] also had the necessary "
 constitutional infrastructure " in place , with the promise
 of autonomy in running its affairs after the handover from [10
 10 Britain 10] to [11 11 China 11] . " What this means in
 practice is that [12 12 Hong Kong 12] will go on raising its
 own taxes , issuing its own currency , setting its own

expenditure priorities and managing its own enormous financial reserves , " [13 13 Tsang 13] said . He acknowledged that many [14 14 Hong Kong 14] people had decided to seek their future elsewhere and others were sure to follow in the next nine months . " But for the great majority of us , [15 15 Hong Kong 15] is our home and [16 16 Hong Kong 16] 's future is our future . " -- [17 17 Wellington 17]

SOCCER - 1 REAL SCRAPE 1-1 DRAW IN SCRAPPY OPENING MATCH . [1
1 LA CORUNA 1] , [2 2 Spain 2] 1996-08-31 A late goal by
newly-signed defender [3 3 Roberto Carlos 3] saved the
blushes of [4 4 Real Madrid 4] coach [5 5 Fabio Capello 5]
and his multi-billion peseta line-up in the opening game of
the [6 6 Spanish 6] championship on Saturday . The [7 7 Brazi
lian 7] 's 79th-minute effort was enough to earn [8 8 Real 8]
a point from a scrappy 1-1 draw at fellow title contenders
Deportivo Coruna . [9 9 Deportivo 9] started strongly ,
taking the lead midway through the first half when former [10
10 Auxerre 10] playmaker Corentine Martins headed home a
corner after a flick-on by [11 11 Brazilian-born 11] [12 12 Sp
anish 12] international midfielder [13 13 Donato 13] . [14 14
Real 14] looked to be in deep trouble shortly after the break
when [15 15 Luis Milla 15] was sent off for committing two
bookable offences in as many minutes . But [16 16 Deportivo 16
] were unable to capitalise on their numerical advantage ,
and were themselves reduced to ten men when Armando Alvarez

was sent off 15 minutes from time . Shortly afterwards [17 17 Roberto Carlos 17] found space in the home defence and equalised for [18 18 Real 18] with a shot that was deflected past despairing [19 19 Deportivo 19] ' keeper [1 Jacques Songo'o 1] . In a frantic final five minutes there were chances at both ends , and [20 20 Donato 20] , who had earlier been booked , was sent off for protesting about the incursion of [21 21 Real 21] players at a free kick . Before the match [22 22 Deportivo 22] chairman Augusto Lendoiro said he would ignore a [23 23 FIFA 23] decision banning [24 24 Brazilian 24] midfielder [25 25 Mauro Silva 25] from playing in the match for failing to join his national side 's tour of [26 26 Europe 26] . In the event , coach [27 27 John Toshack 27] decided not to use [2 Silva 2] , who had claimed he did not join the [3 2 Brazil 3] squad because he had lost his passport .

SCHEN 1] , [2 2 Liechtenstein 2] 1996-08-31 The [1 2 Republic
of Ireland 1] 's new-look side dispelled painful memories of
their last visit to [3 3 Liechtenstein 3] by beating the
Alpine part-timers 5-0 in a [4 4 World Cup 4] qualifier on
Saturday . The [2 3 Irish 2] , under new manager [5 5 Mick Mc
Carthy 5] , took a 4-0 lead within 20 minutes through captain
[6 6 Andy Townsend 6] , 20-year-old [7 7 Norwich 7] striker
Keith O'Neill , [8 8 Sunderland 8] forward [9 9 Niall Quinn 9]
and teenager [10 10 Ian Harte 10] . [11 11 Quinn 11] added
his second and 4 Ireland 's fifth just after the hour to
complete the rout and give the 5 Irish their biggest-ever
away win . The result helped erase memories of 6 Ireland 's
visit to the [12 12 Eschen 12] stadium 14 months ago , when [1
3 13 Jack Charlton 13] 's side were held to a frustrating 0-0
draw which ultimately cost them a place in the [3 European 3]
championship finals .

CRICKET - [1 1 ESSEX 1] AND [2 2 KENT 2] MADE TO SWEAT IN
TITLE RACE . [3 3 LONDON 3] 1996-08-31 [4 4 Essex 4] and [5 5
Kent 5] both face tense finishes on Monday as they attempt to
keep pace with title hopefuls [6 6 Derbyshire 6] and [7 7 Sur
rey 7] , convincing three-day victors on Saturday , in the [8
8 English 8] county championship run-in . [9 9 Essex 9] need
another 148 with five wickets in hand to beat [10 10 Yorkshire
10] after a maiden first-class century from [11 11 Richard Ke
ttleborough 11] transformed a match which his side had seemed
certain to lose . [12 12 Kent 12] will also need to keep
their nerve against struggling [13 13 Nottinghamshire 13] who
will enter the final day 137 ahead with four wickets left in
a relatively low-scoring match at [14 14 Tunbridge Wells 14] .
[15 15 Derbyshire 15] , nine-wicket winners over [16 16 Worc
estershire 16] , and [17 17 Surrey 17] , who thrashed [18 18 W
arwickshire 18] by an innings and 164 runs , can instead take
the day off along with rivals [19 19 Leicestershire 19] , who
beat [20 20 Somerset 20] inside two days . [21 21 Warwickshire
21] captain [22 22 Tim Munton 22] is tipping [23 23 Surrey 23]
to emerge on top , impressed by the positive influence of [1 1
Australian 1] coach [24 24 Dave Gilbert 24] , but [25 25 Derb
yshire 25] 's [2 2 Australian 2] captain [26 26 Dean Jones 26]
is conceding nothing as his side chase their first title for
60 years . " We took three absolutely brilliant catches in
this match and our catching all season has been pretty
impressive . Our catching will win or lose us the
championship , " he said .

[1 1 RUGBY UNION 1] - [2 2 LYNAGH 2] SEALS VICTORY OVER [3 3 DWYER 3] AND [1 1 LEICESTER 1] . [4 4 LONDON 4] 1996-08-31
 Former [5 5 Wallaby 5] captain [6 6 Michael Lynagh 6] began his career in [7 7 English 7] club rugby in impeccable fashion on Saturday to frustrate his old coach [8 8 Bob Dwyer 8] on his league coaching debut with [2 2 Leicester 2] . [9 9 Lynagh 9] kicked five penalties and a conversion from his six attempts at goal to steer his multi-national [10 10 Saracens 10] side to a 25-23 home win and offer millionaire backer Nigel Wray an early return on his big investment in the north [11 11 London 11] club . [12 12 French 12] centre [13 13 Philippe Sella 13] also enjoyed a good game alongside [14 14 Lynagh 14] , although the home team scored only one try through [3 3 England 3] scrum-half [15 15 Kyran Bracken 15] . The new [16 16 French 16] connection at [17 17 Harlequins 17] also made a good start , [18 18 Laurent Cabannes 18] and [19 19 Laurent Bezezech 19] scoring a try apiece in their side 's 75-19 victory over [20 20 Gloucester 20] . Former [4 4 England 4] captain [21 21 Will Carling 21] , handed the kicking duties , finished with 20 points . With the first day of the league season briefly shifting the spotlight away from the discord between the clubs and the [22 22 Rugby Football Union 22] , there were also emphatic victories for champions [23 23 Bath 23]

3] , 56-13 winners over [24 24 Orrell 24] , and [5 5 Northampton 5] and narrow successes for [25 25 Wasps 25] and 6 Bristol

[1 1 RUGBY UNION 1] - [2 2 SPRINGBOKS 2] FINALLY BREAK [3 3 ALL BLACK 3] SPELL . Andy Colquhoun [4 4 JOHANNESBURG 4]
 1996-08-31 [5 5 South Africa 5] managed to avoid a fifth successive defeat in 1996 at the hands of the [6 6 All Blacks 6] with an emphatic 32-22 victory in front of an ecstatic [7 7 Ellis Park 7] crowd on Saturday . They scored three tries in recording their highest total against [8 8 New Zealand 8] , salvaging some pride in a season in which the world champions have lost five out of eight tests . It also ended a run of nine successive victories this year for [9 9 New Zealand 9] but arrived too late to prevent a 2-1 series defeat and an historic first [10 10 All Black 10] series triumph on [1 1 South African 1] soil . [11 11 Springbok 11] scrum-half [12 12 Jooost van der Westhuizen 12] was his side 's inspiration , scoring their opening try and making the third for flanker Andre Venter from a quickly taken penalty to give his side a 29-8 lead after 54 minutes . Fullback [13 13 Andre Joubert 13] scored the other , scorching in from 40 metres at the start of the second half to add to his three long-range penalties . The [14 14 All Blacks 14] salvaged some pride by scoring two tries from centre [15 15 Walter Little 15] and scrum-half [16 16 Justin Marshall 16] in the final five minutes to close a gap which at one point stood at 24 points . But they generally endured an off-day , highlighted by recalled fly-

half [17 17 Andrew Mehrtens 17] who missed five out of eight kicks at goal . Recalled fly-half [18 18 Henry Honiball 18] kicked the [19 19 Springboks 19] into a 6-0 lead after 10 minutes only to see [20 20 Andrew Mehrtens 20] launch a penalty from eight metres inside his own half to narrow the gap . [21 21 Mehrtens 21] missed three further penalties and a conversion in the first 40 minutes which could have put his side ahead , but it was the [22 22 Springboks 22] who looked the more dangerous . Their promise was realised when [2 Joubert 2] made a 40-metre break in the 25th minute and , although winger Pieter Hendriks appeared to knock on [3 Joubert 3] 's reverse pass , [23 23 Welsh 23] referee Derek Bevan allowed [4 Van der Westhuizen 4] to pick up and score under the posts . [24 24 Honiball 24] converted and [5 Joubert 5] kicked a penalty before [25 25 All Black 25] hooker [26 26 Sean Fitzpatrick 26] scored a try from close range on the stroke of half-time to narrow the lead to 16-8 and hint at a comeback . Instead [6 Joubert 6] kicked another long penalty and then raced around the outside of the defence to score the [27 27 Springboks 27] ' second try . A quick penalty from [7 Van der Westhuizen 7] five metres from the [28 28 All Black 28] line set up the third try for Venter five minutes later and when [8 Joubert 8] kicked his third penalty the [29 29 Springboks 29] held an unassailable 32-8 lead going into the last quarter . When the [30 30 All Blacks 30] did break through , it was too late . Centre [31 31 Walter Little 31] followed up [32 32 Mehrtens 32] ' kick to score under the posts and scrum-half [33 33 Justin Marshall 33] forced himself over from a ruck close to the line in injury-time to give them some consolation . [34 34 South Africa 34] - 15 - [35 35 Andre Joubert 35] , 14 - Justin Swart , 13 - [36 36 Japie Mulder 36] ([37 37 Joel Stransky 37] , 48 mins) 12 - Danie van Schalkwyk , 11 - Pieter Hendriks ; 10 - [38 38 Henry Honiball 38] , 9 - [39 39 Joost van der Westhuizen 39] ; 8 - [40 40 Gary Teichmann 40] (captain) , 7 - Andre Venter (Wayne Fyvie , 75) , 6 - Ruben Kruger , 5 - [41 41 Mark Andrews 41] ([42 42 Fritz van Heerden 42] , 39) , 4 - [43 43 Kobus Wiese 43] , 3 - [44 44 Marius Hurter 44] , 2 - [45 45 James Dalton 45] , 1 - Dawie Theron ([46 46 Garry Pagel 46] , 66) . SQUASH - HILL BRANDS WORLD CHAMPION [1 1 JANSHER 1] A
 CHEAT . [2 2 HONG KONG 2] 1996-08-31 Controversial [3 3 Austr
 alian 3] Anthony Hill called [4 4 Jansher Khan 4] a cheat
 during his acrimonious defeat by the world number one in the
 Hong Kong Open semifinals on Saturday . The match boiled over
 when Hill made to walk off court after what he claimed was a
 game-winning point in the third . When the referee called [5 5
 Jansher 5] 's return good and the decision was accepted by
 the player , Hill shrieked at the [1 Pakistani 1] : " You
 cheat . " " He was standing right there and knew the shot was
 down so I called him a cheat , " said Hill , whose squash
 career has been blighted by fines and suspensions for
 unacceptable behaviour . " He knew it was down and accepted
 what I called him because of that . " Hill won the game on
 the next point and said later that [6 6 Jansher 6] was
 generally honest on court but played by the referee 's
 decision . The Australian had upset [7 7 Jansher 7] 's rhythm

with his mixture of gamesmanship and fluent stroke-making but eventually succumbed 15-7 17-15 14-15 15-8 . " I changed my strategy against him today and had him rattled , " he added . He is not as fit as he used to be but was too good for me in the end . I shook him a bit but he will come out next time and be a better player for it -- that 's [2 Jansher 2] . " [8 8 Jansher 8] said that he was disturbed to be called a cheat . " What he did was bad for squash , bad for the crowd and bad for the sponsors . " We are trying to build up squash like tennis and players should not say things like that . " I think the 1 Professional Squash Association should look into this matter and deal with it properly . I am not calling for him to be banned but they have to take some action . " [9 9 Jansher 9] , bidding for an eighth Hong Kong Open title , plays second-seeded [10 10 Australian 10] [11 11 Rodney Eyles 11] in the final . [12 12 Eyles 12] played his best squash of the tournament to beat fourth-seeded [13 13 Peter Nicol 13] of [14 14 Scotland 14] 15-10 8-15 15-10 15-4 . [15 15 Eyles 15] , who defeated [16 16 Jansher 16] in the semifinals of the Portuguese Open in 1993 , said that he would like to win for the good of the game . " I have nothing against [17 17 Jansher 17] but it will be great if I could beat him , " said [18 18 Eyles 18] . " My biggest problem against [19 19 Jansher 19] is concentration . I want to beat him so badly that I just cannot get it together . "

GOLF - [1 1 PARNEVIK 1] TAKES ONE-SHOT LEAD AT 1 GREATER [1 M
ILWAUKEE OPEN 1] . [2 2 MILWAUKEE 2] , [3 3 Wisconsin 3]
1996-08-31 [4 4 Jesper Parnevik 4] of [5 5 Sweden 5] fired a
course record-tying eight-under-par 63 Saturday to take a one-
shot lead into the final round of the \$ 1.2 million [6 6 Grea
ter Milwaukee Open 6] . [7 7 Parnevik 7] , who is seeking his
first [8 8 PGA Tour 8] victory , moved to 19-under 194 for
the tournament . [9 9 Parnevik 9] tied the 18-hole record set
by [10 10 Loren Roberts 10] in 1994 at the 2 Brown Deer Park G
olf Course and also equalled Saturday by [11 11 Greg Kraft 11]
 . [12 12 Nolan Henke 12] , who led by two strokes entering
the third round , carded a four-under 67 and was one stroke
back at 18-under 195 . He is striving for his fourth career [1
3 13 PGA Tour 13] victory and first since the 1993 BellSouth
Classic . [14 14 Tiger Woods 14] , who made the cut in his
first tournament as a professional , shot a two-over-par 73
and was four under for the tournament . The 20-year-old [15 15
Woods 15] , who turned professional Tuesday after winning an
unprecedented third successive 3 U.S. Amateur Championship ,
struggled on the front nine , bogeying the first and seventh
holes and double-bogeying the par-four , 359-yard ninth
hole . After bogeying the 10th hole to move to four-over for
the round , he rallied for birdies on 15 and 18 . After [16 16
Parnevik 16] started off his round by parring the first hole
and bogeying the second , the [2 Swede 2] birdied six of the
next seven holes . [17 17 Parnevik 17] continued to storm
through the course , birdying three holes on the back nine ,
including two from 12 feet out on the 15th and 17th holes . "
I ca n't remember when I 've putted this well , " said [18 18
Parnevik 18] . " I was disappointed when a 12-footer did n't
go in . " My game feels very good . I 've been fading my
driver but today whenever I set up for a fade it went
straight . Whenever everyone 's making birdies , you never
want to be even par . " [19 19 Henke 19] had a bogey-free
round and birdied four holes , including a 45-footer on the
par-three 215-yard seventh hole and one from 12 feet out on
the 12th hole . " I did n't hit it very well today , " said [2
0 20 Henke 20] . " Jasper blew right by me . Once he did , I
knew I had to make birdies just to keep up . I made some
really good pars . I basically picked up where I left off

yesterday afternoon . " Right now , I ca n't put my finger on what 's wrong . " [21 21 Bob Estes 21] shot a 67 for sole possession of third place at 15-under . [22 22 Steve Stricker 22] , who tied for second at last week 's [23 23 World Series of Golf 23] , and [24 24 Stuart Appleby 24] were both five shots off the lead at 14 under . [25 25 Duffy Waldorf 25] , who also tied for second at the [26 26 World Series of Golf 26] , carded a 70 to lead a group of six golfers at 13 under , including [27 27 Kraft 27] . The top four on the [28 28 PGA Tour 28] money list all skipped the tournament .

TENNIS - [1 1 SPAIN 1] , [2 2 U.S. 2] TEAMS OPEN ON ROAD FOR
1 1997 [1 FED CUP 1] . Richard Finn [3 3 NEW YORK 3]
1996-08-31 This year 's [4 4 Fed Cup 4] finalists --
defending champion [2 2 Spain 2] and the [3 3 United States 3]
-- will hit the road to open the 1997 women 's international
team competition , based on the draw conducted Saturday at
the [5 5 U.S. Open 5] . [4 4 Spain 4] travels to [5 5 Belgium
5] , while the [6 6 U.S. 6] team heads to the [6 6 Netherlands
6] for first-round matches March 1-2 . The other two first-
round ties will pit hosts [7 7 Germany 7] against the [8 8 Cz
ech Republic 8] and visiting [9 9 France 9] against [10 10 Ja
pan 10] . The semifinals are July 19-20 , and the final
September 27- 28 . Life on the road this year did not slow
the [11 Americans 11] , who will try to avenge their 3-2
defeat in the final last year when they host [12 11 Spain 12]
on September 28-29 in [7 7 Atlantic City 7] . " Last year we
stood on the court after we had lost and we put out hands
together and made it our committment to bring back the Cup ,
" [8 8 U.S. 8] captain [9 9 Billie Jean King 9] said at the
draw . " That is our sole goal . " The [13 12 United States 13]
] edged [14 13 Austria 14] in [10 10 Salzburg 10] 3-2 in the
opening round in April , and then blanked 14 Japan 5-0 in [11
11 Nagoya 11] last month in the semifinals . The victory
against [15 15 Japan 15] marked the [12 12 Fed Cup 12] debut
of [13 13 Monica Seles 13] , who became a naturalised [14 14 U
.S. 14] citizen in 1994 . [15 15 Seles 15] easily won both
her singles matches and [16 16 King 16] is counting on the co-
world number one to lead the team again . " I told [17 17 Mon
ica 17] we need her if we want to win , " [18 18 King 18]
said . [19 19 Seles 19] 's sore left shoulder and a wrist
injury to [20 20 Fed Cup 20] veteran [21 21 Mary Joe Fernandez
21] have forced [22 22 King 22] to take a wait and see
attitude regarding her squad for the best-of-five match . [23
23 Fernandez 23] was forced to withdraw from the [24 24 U.S. 0
pen 24] . " We will wait until the last minute so we check
with everybody and their injuries , " said [25 25 King 25] .
" What we like would be [26 26 Seles 26] , (16 Olympic
champion 17 Lindsay) [27 27 Davenport 27] and [28 28 Mary Joe
Fernandez 28] . " If she can get that threesome together , [29
29 King 29] will feel good about her chances against the [16 1
8 Spain 16] 's formidable duo of [30 30 Arantxa Sanchez Vicar
io 30] and [31 31 Conchita Martinez 31] . " To be a great
coach you have to have the right horses and I got the right
horses , " said [32 32 King 32] .

 INS 2] BEAT [3 3 REDS 3] . [4 4 CINCINNATI 4] 1996-08-31
 Major league ERA leader [5 5 Kevin Brown 5] threw an eight-

 inning tie as the [7 7 Florida Marlins 7] beat the [8 8 Cinci
 nnati Reds 8] 3-1 for their seventh straight win Friday . [2
 Brown 2] (14-10) tied [9 9 Todd Stottlemire 9] of the [10 10
 Cardinals 10] for the [11 11 National League 11] lead with
 his fifth complete game and lowered his major league-leading

 won for the third time in as many starts against the [12 12 Re

ds 12] this season . " Bolesy (1 Florida manager [13 13 John Boles 13]) told me yesterday , ' You have to go nine tomorrow , ' " [4 Brown 4] said . " In the early innings , I was struggling , I was just trying to make it from pitch to pitch . I gave up a lot of hits in the early innings and I was n't thinking about the seventh , eighth or ninth . I was n't satisfied with any of my pitches and I did a better job of moving the ball around in the later innings . " " He has a devastating sinker , " observed [14 14 Reds 14] manager [15 15 Ray Knight 15] . " The guys say it moved more than everyone in the league . I remember [16 16 Nolan Ryan 16] saying in ' 91 or ' 92 that he was the best young pitcher coming around in a long time and he saw (Tom) [5 Seaver 5] and (Jerry) [6 Koosman 6] when they were starting . " In [17 17 Philadelphia 17] , [18 18 Delino DeShields 18] 's triple in the top of the 12th off [19 19 Jeff Parrett 19] (2-3) scored [20 20 Chad Curtis 20] and lifted the [21 21 Los Angeles Dodgers 21] to a 7-6 victory over the [22 22 Phillies 22] . [23 23 Los Angeles 23] won for the seventh time in eight games . [24 24 Darren Dreifort 24] (1-1) picked up the win after allowing a hit and a walk over 2 1/3 scoreless innings . [25 25 Todd Worrell 25] worked the 12th to earn his league-leading 37th save . The [26 26 Phillies 26] have dropped five of their last six overall , and nine of 11 at home . [27 27 Billy Ashley 27] belted a three-run homer for [28 28 Los Angeles 28] . In [29 29 Chicago 29] , the [30 30 Braves 30] and [31 31 Cubs 31] split a doubleheader . In the first game , [32 32 Ryne Sandberg 32] snapped an eighth-inning tie with an infield single and [33 33 Kevin Foster 33] (6-2) outdueled [34 34 Atlanta 34] 's [35 35 Tom Glavine 35] (13-8) for his third straight win , 3-2 . [7 Foster 7] , a .333 hitter , helped his own cause in the second with a two-run single . The [36 36 Braves 36] took the second game when [37 37 Chipper Jones 37] singled home the tying run in the top of the ninth and [38 38 Andruw Jones 38] took advantage of a poor throw to score the go-ahead run on a sacrifice fly for a 6-5 victory . [39 39 Cubs 39] shortstop [40 40 Jose Hernandez 40] committed three of 2 Chicago 's four errors . [41 41 Mike Mordecai 41] singled , doubled and homered for [42 42 Atlanta 42] , which has won 14 of its last 19 games and has the best record in the majors , 84-50 . The right-hander retired 14 batters in a row from the second inning through the seventh . [49 49 Mike Oquist 49] allowed one [50 50 Montreal 50] hit in the ninth . [51 51 Montreal 51] lost for the ninth time in 14 games . In [52 52 New York 52] , [53

53 Marvin Benard 53] 's two-run homer snapped a tie and [54 54 Shawn Estes 54] came one out away from his first complete game as the [55 55 San Francisco Giants 55] beat the [56 56 Mets 56] 6-4 . [57 57 Benard 57] , hitting .467 (14-for-30) against the [58 58 Mets 58] this season , hit his first pitch from [59 59 Pete Harnisch 59] (8-10) in the seventh over the right-field fence to put the [60 60 Giants 60] up 4-2 . TENNIS - [1 1 EDBERG 1] REFUSES TO GO QUIETLY . Richard Finn
 [2 2 NEW YORK 2] 1996-08-30 Refusing to go quietly in the
 night , [3 3 Stefan Edberg 3] extended his stay at his 14th
 and last [4 4 U.S. Open 4] when [5 5 Bernd Karbacher 5] ,
 trailing and hurting , quit in the fourth set of their second-
 round match Friday . The 30-year-old [6 6 Edberg 6] , a
 former two-time Open champion , had wrestled control of the
 match away from [7 7 Karbacher 7] when the [8 8 German 8] ,
 hampered by a left hamstring injury , decided he could n't
 continue under the stadium lights at the [1 National Tennis
 Centre 1] . " A win is a win . I 'll take it , " [9 9 Edberg 9
] , who has announced that this will be his last [10 10 Grand
 Slam 10] event , said of the 3-6 6-3 6-3 1-0 victory .
 Ironically , [11 11 Karbacher 11] two years ago ended [12 12 I
 van Lendl 12] 's [13 13 Grand Slam 13] career here when the
 former champion had to retire in the middle of their first-
 round match . After seeing the trainer come out early in the
 third set , [14 14 Edberg 14] was not surprised by [15 15 Kar-
 bacher 15] 's decision not to go on . " I knew he had
 problems with something , " [16 16 Edberg 16] said . " I
 really was n't surprised . " [17 17 Edberg 17] had his own
 problems early in the match as the [2 Swede 2] battled to
 acclimate himself to the nighttime conditions while [18 18 Ka-
 rbacher 18] was ripping passing shots and blasting serves
 past him . " I did n't really feel good to begin with , I had
 problems finding the timing on the ball , seeing the ball , "
 said [19 19 Edberg 19] , who upset [20 20 Wimbledon 20]
 champion and fifth-seeded [21 21 Richard Krajicek 21] in the
 first round . " This was one of these matches where I did n't
 play up to my standard . I had to fight hard . " [22 22 Edberg
 22] 's tenacity paid off in the second set . [23 23 Edberg 23]
 lost his own serve twice , but he rallied for three breaks of
 his own , the last to wrap up the set . " That 's where the
 match sort of changed , " said [24 24 Edberg 24] . " I think

once I got that second set , I felt a lot better about my game . " [25 25 Edberg 25] is starting to feel pretty good about postponing his swan song a lot longer . " It does n't look all that bad , " [26 26 Edberg 26] said of his path through the draw starting next with a match against [27 27 Kr ajicek 27] 's [28 28 Dutch 28] countryman [29 29 Paul Haarhuis 29] . However , the 1991 and 1992 champion is not ready to start making plans to be in next week 's final . " I 'm always being realistic , " said [30 30 Edberg 30] . " Like I said many times , I think it 's a very little chance , but nothing is impossible . If I play great tennis , that could take me a long way . " A lot of things can happen , like tonight . "

SOCCER - [1 1 FRANCE 1] LAUNCH 1998 1 WORLD CUP BUILD-UP
WITH 2-0 WIN . [2 2 PARIS 2] 1996-08-31 [3 3 Euro 96 3]
absentee [4 4 Nicolas Ouedec 4] and [5 5 Youri Djorkaeff 5]
scored the goals as 1998 [1 2 World Cup 1] hosts [6 6 France 6]
] beat [7 7 Mexico 7] 2-0 in a friendly international on
Saturday . The victory extended to 29 matches [8 8 France 8]
's unbeaten run under coach [9 9 Aime Jacquet 9] , their [10 1
0 Euro 96 10] semifinal elimination having come in a penalty
shoot-out , but was marred by the sending-off of [11 11 Chels
ea 11] central defender [12 12 Franck Leboeuf 12] . [13 13 Le
boeuf 13] was dismissed two minutes from time for a second
bookable offence , fouling [14 14 Mexican 14] substitute [15 1
5 Ricardo Pelaez 15] who minutes earlier had also been shown
the yellow card for pushing the [16 16 Chelsea 16] defender
in the back . Both goals came early in the second half after [1
7 17 France 17] had surprised the Mexicans with three half-
time substitutions . After a sterile first half , [18 18 Fran
ce 18] injected more sting in midfield with the introduction
of [19 19 Juventus 19] 's [20 20 Zinedine Zidane 20] . This
allowed [21 21 Djorkaeff 21] to play further up and his cross

from the right fell for [2 Ouedec 2] , who has joined [22 22 Espanyol 22] of [3 3 Barcelona 3] from [23 23 Nantes 23] since missing the [4 4 European 4] championship finals through injury , to score after a mistake by midfielder [24 24 Joaquin del Olmo 24] . Within four minutes [5 Ouedec 5] was returning the compliment for [25 25 Djorkaeff 25] , playing a one-two with the [26 26 Internazionale Milan 26] forward down the middle to set him up for a cross shot past diving goalkeeper Osvaldo Sanchez . [6 Jacquet 6] , beginning the 22-month countdown to [7 5 France 7] 's hosting of the [8 6 World Cup 8] finals , said : " We have an identity (as a team) which we are going to work on . " Teams : [27 27 France 27] - 1 - [28 28 Bernard Lama 28] ; 2 - [29 29 Lilian Thuram 29] (14 - [30 30 Sabri Lamouchi 30] 87th) , 5 - [31 31 Laurent Blanc 31] , 8 - [32 32 Marcel Desailly 32] (12 - [33 33 Franck Leboeuf 33] 46th) , 3 - [34 34 Bixente Lizarazu 34] ; 4 - [35 35 Christian Karembeu 35] , 7 - [36 36 Didier Deschamps 36] , 10 - [37 37 Youri Djorkaeff 37] , 6 - [38 38 Reynald Pedros 38] (13 - [39 39 Robert Pires 39] 46th) ; 9 - [40 40 Nicolas Ouedec 40] (17 - [41 41 Florian Maurice 41] 64th) , 11 - [42 42 Patrice Loko 42] (15 - [43 43 Zinedine Zidane 43] 46th) [44 44 Mexico 44] - 1 - Osvaldo Sanchez (12 - Alfonso Rios 78th) ; 13 - [45 45 Pavel Pardo 45] , 2 - [46 46 Claudio Suarez 46] , 5 - [47 47 Duilio Davino 47] (Becerril 46th) , 4 - [48 48 German Villa 48] (16 - 7 Gomez 86th) ; 14 - [49 49 Joaquin del Olmo 49] , 6 - Raul Rodrigo Lara (11 - [50 50 Cuauhtemoc Blanco 50] 65th) , 8 - [51 51 Alberto Garcia Aspe 51] , 7 - [9 8 Ramon Ramirez 9] (15 - [52 52 Jesus Arellano 52] 71st) ; 18 - [53 53 Enrique Alfaro 53] (17 - [54 54 Francisco Palencia 54] 78th) , 10 - [10 9 Luis Garcia 10] (19 - [55 55 Ricardo Pelaez 55] 69th) .

SOCCER - [1 1 BELGIUM 1] SCRAPE PAST 1 TURKEY DESPITE CROWD TROUBLE . Bert Lauwers [2 2 BRUSSELS 2] 1996-08-31 [1 2 Belgium 1] kicked off their 3 1998 [2 World Cup 2] campaign with a hard-fought 2-1 victory over 10-man 4 Turkey in a tense match marred by Turkish crowd trouble shortly after the break . Turkish fans , upset at their team 's 2-0 first-half deficit , ripped apart dozens of plastic seats and threw them over the fence . Riot police took 10 minutes to restore order . The police were given an unexpected hand by second-half substitute [3 Serghen Yalcin 3] who rekindled Turkish hopes in the 61st with a splendid half-volley which stunned [3 3 Belgian 3] goalkeeper [4 4 Filip De Wilde 4] . But [4

Yalcin 4] , who had come on just four minutes earlier , turned from hero to villain barely two minutes after his strike when he was sent off after spitting at an opponent and arguing with [5 5 English 5] referee [6 6 David Elleray 6] . [7 7 Marc Degryse 7] had opened the scoring for [8 8 Belgium 8] after 13 minutes , whacking a low 10-metre drive into the net after an incisive pass by defender [9 9 Dirk Medved 9] from the edge of the penalty area . [5 Brazilian-born 5] [10 10 Luis Oliveira 10] then gleefully slipped the ball past goalkeeper [6 Rustu Recber 6] from the right of the area to make it 2-0 seven minutes before the interval , 5 Turkey 's best first-half effort proving to be a vicious 30-metre shot by [11 11 Ogun Temizkanoglu 11] which [7 De Wilde 7] tipped over . The visitors , seeking to restore some pride after failing to score a single goal in [12 12 Euro 96 12] in June , repeatedly ripped through the left side of the home defence but [8 De Wilde 8] was able to block several sharply-angled efforts . With only the group seven winners qualifying automatically for the 1998 finals in [13 13 France 13] , [14 14 Belgium 14] could not afford a slip-up at home and they frantically chased a decisive third goal . But they were almost upset 12 minutes from time when [9 De Wilde 9] fumbled a hard [15 15 Arif Erdem 15] shot and [16 16 Orhan Cikirikci 16] almost pounced on the loose ball . [17 17 Belgium 17] 's best second-half effort came three minutes later when [18 18 Degryse 18] put the ball over the bar from close range with [10 Recber 10] beaten . Teams : [19 19 Belgium 19] - 1 - [20 20 Filip De Wilde 20] , 2 - [21 21 Bertrand Crasson 21] , 3 - [22 22 Dirk Medved 22] , 4 - [23 23 Pascal Renier 23] , 16 - [24 24 Geoffrey Claeys 24] , 6 - [25 25 Gunther Schepens 25] (15 - [26 26 Nico Van Kerckhoven 26] , 81st) , 10 - [27 27 Enzo Scifo 27] , 7 - [28 28 Gert Verheyen 28] (14 - [29 29 Frederic Peiremans 29] , 62nd) , 9 - [30 30 Marc Degryse 30] , 8 - [31 31 Luc Nilis 31] , 11- [32 32 Luis Oliveira 32] (18 - [33 33 Gilles De Bilde 33] , 88th) . 6 Turkey - 1 - [11 Rustu Recber 11] , 4 - [34 34 Hakan Unsal 34] (14 - [12 Sergen Yalcin 12] , 57th) , 2 - [35 35 Recep Cetin 35] , 3 - [36 36 Ogun Temizkanoglu 36] , 5 - [37 37 Alpay Ozalan 37] , 7- [38 38 Abdullah Ercan 38] , 6 - [39 39 Tolunay Kafkas 39] , 10 - [40 40 Oguz Cetin 40] (13 - [41 41 Arif Erdem 41] , 57th) , 11 - [42 42 Tayfun Korkut 42] , 9 - [43 43 Hakan Sukur 43] , 8 - [44 44 Saffet Sancakli 44] (17- [45 45 Orhan Cikirikci 45] , 76th) . [46 46 Belgian 46] coach [47 47 Wilfried Van Moer 47] said he had not expected 7 Turkey to be so strong and fast . " We started panicking a bit after the 8 Turkish goal ... we suffered , " said [48 48 Van Moer 48] , who succeeded [49 49 Paul Van Himst 49] as coach in April . It was [50 50 Belgium 50] 's first victory under [51 51 Van Moer 51] after two draws in friendlies against [52 52 Russia 52] and [13 9 Italy 13] .

BOXING - KNOCK-OUT SPECIALIST [1 1 MILLER 1] DEFENDS TITLE .
[2 2 DUBLIN 2] 1996-08-31 A powerful right hook followed by a
straight left gave defending champion [3 3 Nate Miller 3] a
seventh round knock-out win over fellow [4 4 American 4] [1 1
James Heath 1] in their WBA cruiserweight title bout on
Saturday . [5 5 Miller 5] , who went into the contest with a
record of 24 knock-out wins in 32 fights , took charge from
the opening bell and had his opponent on the canvas inside 90
seconds when he landed a deft left-hook to the head . [2
Heath 2] did score with two bruising lefts to [6 6 Miller 6]
's head in the third round but failed to put his opponent
under any real pressure . [7 7 Miller 7] raised the pace of
the contest at the start of the fifth round and , once he
started to get his right-left combinations working for him ,
the fight was never likely to go the distance .

Paper says [1 1 Thatcher 1] 's office consulted astrologer .
 [2 2 LONDON 2] 1996-09-01 A [3 3 British 3] newspaper said [4
 4 Margaret Thatcher 4] was so shaken by an 1 IRA attempt on
 her life when she was prime minister in 1984 that an
 astrologer was asked to warn her against future threats . [5 5
 The Sunday Telegraph 5] quoted Majorie Orr as saying she did
 a horoscope chart for [6 6 Thatcher 6] , a [1 Libran 1] ,
 after she narrowly escaped death in the [2 2 Irish 2]
 guerrilla bombing of a hotel during the [7 7 Conservative Par
 ty 7] conference more than a decade ago . Orr said [8 8 Thatc
 her 8] 's press secretary [3 Bernard Ingram 3] asked her to
 telephone if she saw any threatening indications in the
 future . " [9 9 Bernard Ingham 9] told me that if I ever
 heard anything that indicated danger I was to let him know ,
 " Orr said . Orr said she never had to telephone . She added
 that the horoscope was purely for security purposes and she
 was never consulted about political moves . [4 Ingram 4] was
 quoted as telling the newspaper he thought astrology was " a
 load of rubbish " and that he could not recall asking Orr to
 keep a watch on [10 10 Thatcher 10] 's stars . [11 11 Thatcher
 11] , dubbed the " Iron Lady " for her driven , forceful
 personality , was never known to have an interest in the
 occult and in fact has a university degree in chemistry .
 Former [12 12 U.S. 12] president [13 13 Ronald Reagan 13] 's
 wife , 3 Nancy , admitted in her biography 4 My Turn that she
 regularly consulted an astrologer to help her plan her
 husband 's schedule .

[1 1 Scottish Labour Party 1] narrowly backs referendum . [2 2 STIRLING 2] , [3 3 Scotland 3] 1996-08-31 [4 4 British Labour Party 4] leader [5 5 Tony Blair 5] won a narrow victory on Saturday when the party 's [6 6 Scottish 6] executive voted 21-18 in favour of his plans for a referendum on a separate parliament for [7 7 Scotland 7] . [8 8 Blair 8] once pledged to set up a [9 9 Scottish 9] parliament if the [10 10 Labour 10] won the next general election , which must be held by May 1997 . But many activists were dismayed when he abruptly decided earlier this year to hold a two-question referendum on the issue , asking Scots if they wanted a separate parliament and if it should have tax-raising powers . Many party members argued that a general election win would demonstrate popular support for a separate parliament and others said a single question referendum would suffice . Prime Minister [11 11 John Major 11] says the 300-year-old union of the [12 12 Scottish 12] and [13 13 English 13] parliaments will be a main plank in his [14 14 Conservative Party 14] 's election platform . Seven [1 1 Iraqis 1] charged with hijack . [2 2 LONDON 2]
1996-08-31 Seven [3 3 Iraqi 3] men appeared in court on
Saturday charged with air piracy following the hijacking to [4
4 Britain 4] of a [5 5 Sudanese 5] airliner with 199 people
aboard . The seven , including a carpenter and a businessmen
and whose ages ranged from 25 to 38 years old , were ordered
to be held in jail until another hearing next week . No pleas
were entered at the preliminary hearing . They were accused
of taking over Flight 150 which was flying from [6 6 Khartoum
6] , [7 7 Sudan 7] , to [8 8 Amman 8] , [9 9 Jordan 9] . All
the hostages were freed on Tuesday after the plane landed at [
10 10 Stansted 10] airport , north of [11 11 London 11] . The
men have claimed political asylum in [12 12 Britain 12]
saying they were persecuted while in [13 13 Iraq 13] . Their
court appearance means they will face trial and possible
imprisonment in [14 14 Britain 14] before their applications
for asylum are considered . Under [1 1 English 1] law the
maximum sentence for hijack is life imprisonment but there
has been widespread speculation that the seven will receive
lesser sentences . After a search of the aircraft following
the hijack , police found only knives and fake explosives .

S. African Afrikaners still seek own territory . [1 1 CAPE TO
WN 1] 1996-08-31 [2 2 South African 2] right-wing [1
Afrikaners 1] on Saturday revived their campaign for a form
of self-rule , identifying a sparsely-populated area in [3 3 N
orthern Cape 3] province as the best place for a home of
their own . [4 4 Constand Viljoen 4] , leader of the [5 5 Fre
edom Front 5] party , told a news conference in [6 6 Pretoria
6] self-determination for [7 7 Afrikaners 7] could begin at
local government level . " Certain powers can be delegated
from the provincial level , towards the sub-regions , " he
said . " We think that the [8 8 Afrikaner 8] model within
this new , multi- ethnic society of [9 9 South Africa 9] will
have to develop experimentally with world thinking in this
regard . " [10 10 Viljoen 10] broke with other right-wing
whites in 1994 by taking part in the country 's first all-
race elections in April of that year , saying the only way to
attain self-determination was by cooperating with President [1
1 11 Nelson Mandela 11] 's majority [12 12 African National Co
ngress 12] . Some right-wingers demanded sovereignty in their
own territory in the run-up to the elections , saying the
alternative was war . Their threats came to nothing . [13 13 V
iljoen 13] has hailed clauses in [14 14 South Africa 14] 's
new constitution as making possible a form of self-rule for
the [15 15 Afrikaners 15] , descendants of the country 's [16
16 Dutch 16] , [17 17 German 17] and [18 18 French 18]
settlers . According to state television , [19 19 Viljoen 19]

told the news conference the self-rule model should be introduced in parts of the [20 20 Northern Cape 20] provinces where a majority of people -- whites and mixed-race [2 Coloureds 2] -- speak [21 21 Afrikaans 21] .

[1 1 Rwandan 1] refugee group calls for calm over census . [2
 2 NAIROBI 2] 1996-08-31 A [3 3 Rwandan 3] refugee lobby group

called on Saturday for calm in refugee camps in eastern [4 4 Zaire 4] during a census from Sunday to be conducted by aid workers . The Rally for the Return of Refugees and Democracy in Rwanda ([5 5 RDR 5]) urged the [6 6 U.N. 6] High Commissioner for Refugees to avoid any " policing approach " and to calm refugees by explaining the aims of the operation . " The [7 7 RDR 7] appeals to all refugees to prepare themselves calmly for the demands of the census agents because it will be in their ultimate interest , " the group said in a statement . It said refugees feared census takers would use indelible ink to mark them so they could be detected by [8 8 Rwandan 8] government troops and mistreated if they were forced back into [9 9 Rwanda 9] . [10 10 U.N. 10] officials said more than 1,000 aid workers will take part in the census from Sunday until Tuesday of the estimated 727,000 refugees in camps around the eastern [11 11 Zairean 11] border town of [12 12 Goma 12] . Only about 100 refugees a week are returning voluntarily to [13 13 Rwanda 13] in contrast to the 600 babies born in the camps weekly . 1 Zaire an Prime Minister [14 14 Kengo wa Dondo 14] said at the end of a visit to [15 15 Rwanda 15] last week that the [16 16 Zairean 16] and [17 17 Rwandan 17] governments agreed on an " organised , massive and unconditional repatriation " of the 1.1 million [18 18 Rwandan 18] refugees in [19 19 Zaire 19] . He said the repatriation would be carried out swiftly and would be enormous , starting with the closure of refugee camps . [20 20 RDR 20] said it feared forced expulsions would start in days . [21 21 Zairean 21] troops expelled 15,000 refugees in August last year . Many of the 1.1 million [22 22 Rwandan 22] [23 23 Hutu 23] refugees in [24 24 Zaire 24] and nearly 600,000 in [25 25 Tanzania 25] refuse to go home , saying they fear reprisals for the 1994 genocide in [26 26 Rwanda 26] of up to a million people by Hutus .

[1 Chechens 1] exuberant but cautious on peace deal .
 Liutauras Stremaitis [1 1 URUS-MARTAN 1] , [2 2 Russia 2]
 1996-08-31 Crowds of pro-independence [2 Chechens 2] greeted
 a newly-signed peace deal by singing , dancing and firing
 guns in the air on Saturday , but the celebrations held a
 trace of uncertainty . More than a thousand women , children
 and men gathered in a field to the north of the town of [3
 Urus-Martan 3] on Saturday to wait for a column of rebels to
 withdraw from the capital [3 3 Grozny 3] about 25 km (12
 miles) away . The men fired weapons into the air as groups
 of women danced . Adults in the crowd carried posters of
 former [4 Chechen 4] leader [4 4 Dzhokhar Dudayev 4] -- who
 declared independence in 1991 -- and children , carrying
 photographs of him , called " Troops out ! " . [5 5 Russian 5]
 military officials have expressed fears that the rebels and
 their supporters will see the deal signed by [6 6 Russian 6]
 peace envoy [7 7 Alexander Lebed 7] in the early hours of
 Saturday as a military victory for the separatists . It
 involves the withdrawal of [8 8 Russian 8] troops sent to [9 9
 Chechnya 9] in December 1994 to crush the separatists and a
 postponement of the issue at the heart of the conflict -- the
 status of the mainly-Moslem [10 10 North Caucasus 10]
 region . But the people in the crowd on Saturday , who had
 turned out in support of the rebels , did not seem sure that
 the war was over . " We hope for the best , that it really
 has ended so we can live in peace . It 's our only dream , "
 said a 30-year-old woman , Mubatik Dagayeva . Aiza Dudayeva ,
 with her 10-year-old son beside her , shared the guarded
 optimism . " We really want the war to end , we hope and
 believe that our sons and brothers will win , " said 1 Dudaye
 va , adding that she was from [11 11 Urus-Martan 11] . [12 12
 Urus-Martan 12] is a traditionally anti-separatist pocket in [
 13 13 Chechnya 13] and Moscow-backed leader [14 14 Doku Zavga
 yev 14] , who has been sidelined in the peace deal , has
 warned that it and places like it could become centres of
 civil war if [15 15 Russian 15] troops leave . But on
 Saturday the people gathered just outside the town seemed to

be united in favour of the separatists . Two columns of rebels appeared in jeeps and cars , firing their guns in the air , as the crowd rushed towards them . Mouldi Mamatuyev , in his late 20 's , dressed in black and carrying a machine gun , was welcomed by his mother and sister . " Two sons have come back , " said his mother Nurbika Mamatuyeva . " It 's the end . We believe in [16 16 God 16] . " Mamatuyev joked that his sister Lisa was a rebel too , and she responded by grabbing hold of his gun and shouting the [17 17 Chechen 17] war cry " [5 Allahu Akhbar 5] " ([18 18 God 18] is Greatest) and " Freedom for [19 19 Chechnya 19] ! " . The fighter , sitting next to a man dressed in green and carrying a grenade-launcher , said that the strict [20 20 Islamic 20] law adopted by the rebels during the conflict was now needed to impose peace . " The war has ended if everything works out , if there is law there will be power . Only [6 Sheriat 6] ([21 21 Islamic 21] law) can end the war . "

[1 1 Polish 1] group to bid for Ruch newsstand chain -
 paper . [2 2 WARSAW 2] 1996-08-31 A [3 3 Polish 3] consortium
 including the Bank Rozwoju Exportu SA (BRE) plans to rival [4 4 France 4]
 's [1 1 Hachette 1] in bidding for [5 5 Polish 5]
] state-owned press distribution chain Ruch SA , [6 6 Zycie Wa
 rszawy 6] daily said on Saturday . [7 7 Zycie Warszawy 7]
 said its own publisher , mineral water firm Multico , and a
 group headed by [8 8 Polish 8] businessman [9 9 Zygmunt Solorz
 9] were forming a consortium which would offer about \$ 120
 million , with finance provided by BRE . The consortium
 wanted 40 percent of Ruch 's shares , the state would get 20
 percent of Ruch and 40 percent would be offered on the [10 10
 Warsaw 10] stock exchange . " This division would guarantee a
 dispersal of capital , preventing anyone from taking total

control over Ruch and dictating market conditions , " the paper quoted one of the initiators of the move as saying , without giving a name . A consortium of press distributor [2 2 Hachette 2] and [11 11 Polish 11] publishers group UWP are seeking more than 50 percent of Ruch and [12 12 French 12] President [13 13 Jacques Chirac 13] is likely to support its case when he visits [14 14 Poland 14] in September , the daily said . News-stand chain Ruch , which controls about 65 percent of [15 15 Poland 15] 's press distribution market , had a net profit of 16.2 million zlotys on sales of 2.7 billion zlotys in 1995 . It has about 17,000 news-stands and was the country 's sole press distributor before the 1989 fall of communism . [16 16 Zycie Warszawy 16] said the new , open consortium , which also included several listed [17 17 Polish 17] firms , would on Monday inform Privatisation Minister Wieslaw Kaczmarek of its plans . It aims to invest \$ 200 million in Ruch over five years -- more than the sum Ruch says it needs to upgrade its outlets . Initially [18 18 Poland 18] offered up to 75 percent of Ruch but in March Kaczmarek cancelled the tender and offered a minority stake with an option to increase the equity . Two consortia -- UWP-Hachette and a consortium of a [19 19 Polish 19] SPC group and [20 20 Swiss 20] firms -- placed initial bids . But after the change of tender conditions [21 21 Swiss 21] investors pulled out and SPC decided to bid jointly with UWP-Hachette . Kaczmarek said in May he was unhappy that only one investor ended up bidding for Ruch , in which the government was initially offering up to 35 percent of shares with an option to extend the holding after investment promises are fulfilled . -- 3 Anthony Barker +48 22 653 9700

[1 1 China 1] said to fear dissidents more than criminals .
 MANILA 1996-08-31 The detention of veteran dissident Wang
 Donghai showed [2 2 China 2] 's determination to crush any
 vestige of dissent during the current profound transitions in
 the nation 's leadership , a human rights activist said on
 Saturday . [3 3 Xiao Qiang 3] , executive director of the [1 1
 New York-based 1] group [2 Human Rights in China 2] , said
 Wang 's arrest on Friday appeared to be part of the national
 " Strike Hard " campaign that has imprisoned thousands and
 sent hundreds to their death . Although supposedly aimed at
 criminals , dozens of human rights activists have been
 detained in the campaign , which is meant to strengthen the 2
 Communist Party 's grip on power as senior leader [4 4 Deng Xi
 aoping 4] nears death , [5 5 Xiao 5] said in an interview . "
 [6 6 China 6] is going through this power transition period .
 The authorities are apparently extremely afraid of any
 political and social discontent , " said [7 7 Xiao 7] , in [3
 Manila 3] to attend an [8 8 Amnesty International 8]
 conference on human rights in [9 9 China 9] . He said one of
 Wang 's apparent offences was to write a public letter in May

suggesting that a free press and an independent judicial system were vital if the government really meant to stamp out rampant corruption . [10 10 Xiao 10] said crushing legitimate dissent was only making the problem worse and one day [11 11 China 11] would pay a high price . " Those issues are not going to go away by repression . You only make things more hidden but potentially more explosive , " he said . Wang was arrested in the east [12 12 China 12] city of [13 13 Hangzhou 13] by security officers who told the dissident 's family he would be sent to a study class -- a euphemism for coercive ideological reform . Wang , 45 , was sentenced last month to one year 's " re-education by labour " but was released because of ill-health . [14 14 Xiao 14] said conditions in the labour camp were so brutal they drove another activist sentenced with Wang to attempt suicide . Police beat Wang and his colleague , Chen Longde , and encouraged other camp inmates to attack them as well , [15 15 Xiao 15] said .

[1 1 Burma 1] 's [2 2 Suu Kyi 2] says military rulers abuse
 law . Deborah Charles [3 3 RANGOON 3] 1996-08-31 [4 4 Burma 4]
 's democracy leader [5 5 Aung San Suu Kyi 5] hit out at the

government on Saturday for recent arrests and jailing of activists , saying the military abused the law to try to crush the democracy movement . " The main purpose of this press conference is to make it known to the world that the authorities are misusing the law all the time in order to try to crush the democracy movement , " [6 6 Suu Kyi 6] told reporters at her [7 7 Rangoon 7] home . [8 8 Suu Kyi 8] said at least 61 democracy supporters had been arrested since May , and about 30 of them had been sentenced , most to long prison terms . In May the government launched a sweeping crackdown on the democracy movement , detaining over 260 members of [9 9 Suu Kyi 9] 's [10 10 National League for Democracy 10] ([11 11 NLD 11]) ahead of a party congress . Most were released but several dozen remain in custody . The [12 12 Burmese 12] government last week confirmed the recent sentencing of nine democracy activists who were arrested in the May crackdown , including [13 13 Suu Kyi 13] 's assistant Win Htein . The military government , which in May said it had detained the politicians to prevent anarchy , said the activists were charged with attempting to destroy the peace and stability of the state . But [14 14 Suu Kyi 14] disagreed with the methods , saying officials often arrested [15 15 NLD 15] supporters in the middle of the night , then did not give them the opportunity to defend themselves in trials . " When our people are tried , they are tried in a very secretive way . Their families are not told , " she said . [16 16 Suu Kyi 16] , who spearheads a campaign for sanctions on [17 17 Burma 17] 's government , was under house arrest for six years without being tried before being released in July 1995 . Several other leading members of the [18 18 NLD 18] have served prison terms . The [19 19 NLD 19] party won a landslide victory in a 1990 election but the [1 State Law and Order Restoration Council 1] ([2 SLORC 2]) , which assumed power in 1988 after crushing pro-democracy demonstrations , never recognised the poll . " This lack of rule of law is an indication that the authorities are not interested in fair play , " she said . " They are using a travesty of the law to try and crush our movements and to sentence our people to long terms in prison without proper trial . " [20 20 Suu Kyi 20] said once the activists were sentenced , they suffered inhuman conditions and lack of rights in prison . " Almost all of the prisoners start suffering from various health problems after a couple of years in jail , " she said . " Some of our people have been in prison for five to six years . " Most political prisoners are held in [21 21 Rangoon 21] 's [22 22 Insein Prison 22] . Some who have been released have recounted torture methods like sleep and food deprivation and physical abuse . " If there are any more instances of death in custody it will be further proof that a prison sentence for political prisoners is sometimes almost the same as a death sentence , " [23 23 Suu Kyi 23] said . Hla Than , an elected member of parliament for the [24 24 NLD

24] , died in early August after being at [25 25 Insein 25] for six years . His death came five weeks after James Leander (Leo) Nichols , a close friend of [26 26 Suu Kyi 26] and [27 27 Danish 27] honorary consul , died while serving a prison term at [28 28 Insein 28] . [29 29 Suu Kyi 29] said the government had increased its repression tactics on the democracy movement because it feared the growing popularity of the movement . But she said she and the [30 30 NLD 30] would not stop their efforts to bring democracy to [31 31 Burma 31] even if it meant more arrests of party members or even herself . " We will carry on . Nobody is free from arrest in [32 32 Burma 32] . "

[1 1 Chinese 1] police hold veteran dissident . [2 2 BEIJING
2] 1996-08-31 [3 3 Chinese 3] police have detained veteran
dissident Wang Donghai , the [1 1 New York-based 1] pressure
group [2 Human Rights in China 2] said on Saturday . Police
in [4 4 Hangzhou 4] , capital of the eastern province of [5 5
Zhejiang 5] , told Wang 's family that Wang would be sent to
a study class , a euphemism for coercive ideological reform ,
the group said . Police gave no reason for detaining Wang on
Friday and would not let his family meet him or say where he
was being held , the group said . Police also would not say
why Wang was being sent to a study class -- a holdover from
the chaotic 1966-76 [3 Cultural Revolution 3] -- or say when
he would be released , the group said . Wang 's family and [6
6 Hangzhou 6] police could not be reached for immediate
comment . The group demanded Wang 's release and said his
detention was a dangerous signal [7 7 China 7] was returning
to its [4 Cultural Revolution 4] days . Last month , Wang ,
45 , a veteran dissident of the 1979 2 Democracy Wall
movement , was ordered to serve one year of " re-education
through labour " , but released because of poor health . Re-
education through labour is an administrative punishment with
a maximum of three years that can be imposed by police
without recourse to prosecutors or the courts . Wang was
jailed for two years for organising street protests after the
military crushed pro-democracy demonstrations by students at [8
8 Beijing 8] 's [9 9 Tiananmen Square 9] on June 4 , 1989 ,
with heavy loss of life . [10 10 Chinese 10] authorities
appeared to be using administrative punishment more
frequently to take dissidents out of circulation without
having to go through a more complicated judicial process to
impose criminal sentences , [5 Western 5] diplomats have
said .

over an incident in which two [17 17 Lebanese 17] residents
were injured by [18 18 Hizbollah 18] fire in the Sikhin
village ... on August 29 , " an [19 19 Israeli 19] army
spokeswoman said on Saturday . The monitoring committee was
set up to deal with violations of an April 25 ceasefire
understanding that ended 17 days of fighting between [20 20 Is
rael 20] and the guerrillas . The understandings forbid
firing from or at civilian targest but do not rule out
guerrilla attacks on [21 21 Israeli 21] troops and their
local militia allies in south [22 22 Lebanon 22] . Around
1,000 [23 23 Israeli 23] troops patrol a 15 km (nine-mile)
south [24 24 Lebanon 24] occupation zone which the [25 25 Jew
ish 25] state carved out in 1985 to prevent attacks on its
northern bordder . [26 26 Hizbollah 26] ([27 27 Party of God
27]) gunmen have waged a guerrilla war to oust [28 28 Israel
28] from the area .

Automakers , [1 1 U.S. 1] agency plan air bag safety ads . [2
 2 DETROIT 2] 1996-08-31 Automakers , suppliers , insurers and

the federal government 's auto safety agency Saturday launched a \$ 10 million safety awareness campaign aimed at reducing the number of children killed accidentally by air bags in cars and trucks . Officials said they will work with law enforcement agencies , pediatricians and media to warn parents about the dangers that air bags pose to children and adults not wearing seatbelts . Since 1993 , 24 children have been killed by the explosive force of automotive air bags , which inflate at speeds up to 200 miles per hour . The first portion of the campaign involves pickup trucks equipped with billboards that were driving along some of the nation 's busiest interstate highways during the [3 3 Labor Day 3] weekend , including 1 Interstate 95 on the [1 East Coast 1] , 2 Interstates 80 and 90 in the [4 4 Midwest 4] and 3 Interstate 5 in [5 5 California 5] . The boards read : " Air Bag Safety : Everyone Buckled , Kids in Back . " Janet Dewey , executive director of the industry-funded National Automobile Occupant Protection Campaign , said most of the injuries to children occurred because they were not wearing seatbelts . A child 's chances of being killed in a car accident , whether the vehicle was equipped with an air bag or not , is reduced by 29 percent when they are in the rear seat , she said . The auto industry was about three to six years away from introducing " smart " air bags with the ability to detect the size and position of an occupant and adjust inflation pressures accordingly . Current air bags were designed to halt the forward momentum of an average-sized , unbelted adult male , not a small child . Automakers petitioned the [2 National Highway Traffic Safety Administration 2] to allow them to introduce air bags that inflate less aggressively to help reduce unwanted injuries . " Even if changes are made to airbags today , we 'd still have 20 million vehicles on the road with current technology , " Dewey said . " The public has n't been getting the message . "

[1 1 U.S. 1] warplanes , ships in [2 2 Gulf 2] await [3 3 Cl
 inton 3] order . Jim Adams [4 4 WASHINGTON 4] 1996-08-31 More
 than 300 [5 5 U.S. 5] warplanes and 20 ships were available
 on Saturday in case President [6 6 Bill Clinton 6] ordered
 the use of [7 7 U.S. 7] force against [8 8 Iraqi 8] military
 action in northern [9 9 Iraq 9] , [10 10 U.S. 10] defense
 officials said . They said 200 fighter planes , including 79
 on the aircraft carrier [1 1 Carl Vinson 1] , were already in
 the [11 11 Gulf 11] ; the aircraft carrier 2 Enterprise was
 in the eastern [12 12 Mediterranean 12] with 79 more , and an
 air expeditionary force with up to 40 more was ready to fly
 from the [13 13 United States 13] if ordered . " Yesterday
 the president ordered the [14 14 Department of Defense 14] to
 take prudent planning steps to have forces ready to deploy to
 the region should he direct us to do so , " [15 15 Pentagon 15]
] spokesman Doug Kennett said . " We have taken those prudent
 planning steps . " [16 16 Clinton 16] said on Saturday he had
 ordered [17 17 U.S. 17] forces in the [18 18 Gulf 18] to go
 on high alert and was reinforcing them in response to [19 19 I

 at this time , and I want to emphasize that , highly
 premature to speculate on any response we might have . " The [24 24 U.S. 24]
 defense officials said military flights to
 enforce no-fly zones in both northern and southern [25 25 Iraq 25]
 doubled over the weekend . [26 26 Clinton 26] said [27 27

 , which has been held since 1994 by [29 29 Kurdish 29] rebels
 who [2 4 Baghdad 2] says are backed by [30 30 Iran 30] .
 There were unconfirmed reports that [31 31 Iran 31] had sent

troops into northern [32 32 Iraq 32] in response to [33 33 Ir

5 U.S. 35] air attacks on [36 36 Iraqi 36] forces , but there
are also 23,000 [37 37 U.S. 37] troops in the region ,
according to defense officials . In addition to the 158 F /
A-18 , F-14 and other fighter planes on the aircraft carriers
[3 Vinson 3] and 5 Enterprise , the [38 38 Air Force 38] air
expeditionary force of 30 to 40 F-15 and F-16 fighter planes
and fuel tankers is ready to fly from three [39 39 U.S. 39]
bases in the [40 40 United States 40] , they said . The
expeditionary force would include nearly 1,000 [41 41 Air For

The 23,000 [42 42 U.S. 42] military people already in the [43
43 Gulf 43] consist of 15,000 sailors and [44 44 Marines
44] , 6,000 [45 45 U.S. 45] servicemen based primarily in [46

[1 1 Iran 1] agents stormed [2 2 German 2] diplomat 's home -- [3 3 Bonn 3] . [4 4 BONN 4] 1996-08-31 [5 5 Iranian 5] security forces burst into the home of a [6 6 German 6] cultural attache in [7 7 Tehran 7] a month ago and seized his guests for questioning , [8 8 Bonn 8] 's foreign ministry said on Saturday . A spokesman said he could substantially confirm a report in the news weekly [9 9 Der Spiegel 9] , which said [10 10 Iranian 10] secret police burst in while attache Jens Gust was entertaining six [11 11 Iranian 11] writers and their wives . Gust was threatened with violence , then locked into a room to be interrogated on suspicion of " promoting activities hostile to the state " while his guests were taken away , the magazine said . The ministry spokesman said the [12 12 German 12] embassy immediately made a sharp protest to the [1 1 Tehran 1] government . The [13 13 Iranian 13] ambassador was also summoned to the ministry in [14 14 Bonn 14] to hear a sharp protest and " disapproval of this glaring breach of the principles of international law " , he added . [15 15 Iran 15] subsequently said it regretted the incident , which it said had been the result of a misunderstanding . All those detained appeared to have been freed , the spokesman said . Relations between the two countries are currently under strain because of the testimony in a [16 16 Berlin 16] court of former [17 17 Iranian 17] president [18 18 Abolhassan Banisadr 18] . [19 19 Banisadr 19] , an avowed opponent of the [2 2 Tehran 2] government who now lives in exile , accused top [20 20 Iranian 20] leaders of personally ordering the assassination of three exiled [21 21 Kurdish 21] leaders in a [22 22 Berlin 22] restaurant in 1992 . [23 23 Iran 23] has asked [24 24 Germany 24] to extradite [25 25 Banisadr 25] , who is due is due back in [26 26 Berlin 26] next Thursday to continue his testimony . [27 27 Banisadr 27] , who received political asylum in [28 28 France 28] after fleeing there in 1981 , told [29 29 Der Spiegel 29] he did not plan to ask for a guarantee of safe conduct . If [30 30 Germany 30] were to extradite him , he said , it would " lose face before the whole world " . [31 31 German 31] prosecutors have already accused [32 32 Iran 32] 's intelligence minister Ali Fallahiyan of ordering the killing of the [33 33 Kurdish 33] leaders . [34 34 Iran 34] , which denies the allegations , urged [35 35 German 35] authorities to disregard [36 36 Banisadr 36] 's testimony and said it could hurt relations .

 lian 6] Foreign Minister [7 7 Lamberto Dini 7] on Saturday
 met former [8 8 Tanzanian 8] president [9 9 Julius Nyerere 9]
 , the international negotiator for [10 10 Burundi 10] , the
 ministry said . [11 11 Nyerere 11] arrived in [12 12 Rome 12]
 this week on a private visit and held talks with the [13 13 U.
 S. 13] special envoy to [14 14 Burundi 14] , [15 15 Howard Wo
 lpe 15] , and the Sant ' Egidio Community , an [16 16 Italian
 16] [17 17 Roman Catholic 17] organisation which has been
 monitoring [18 18 Burundi 18] closely . " ([19 19 Nyerere 19]
) informed Minister [20 20 Dini 20] of the latest
 developments in the ([21 21 Great Lakes 21]) region , with
 particular respect to [22 22 Burundi 22] following the
 military coup d'etat on July 25 , " the ministry said in a
 statement . It gave no details of their talks . [23 23 Nyerere
 23] was due to be presented with an " Artisans for Peace "
 prize by the Lay Volunteers ' International Organisation on
 Sunday . He leaves [24 24 Rome 24] on Monday . The [25 25 U.N.
 Security Council 25] on Friday condemned the coup by retired [26 26
 Tutsi 26] major [27 27 Pierre Buyoya 27] and for the
 first time said in a resolution it intended to pressure [28 28
 Buyoya 28] into unconditional negotiations with all parties
 and factions " without exception " . [29 29 Buyoya 29] on
 Saturday dismissed its threat of an arms embargo against [30 3

0 Burundi 30] and flatly ruled out talks with [31 31 Hutu 31] rebels . Some 150,000 people -- mostly civilians -- have died in [32 32 Burundi 32] since 1993 when the country 's first democratically elected [33 33 Hutu 33] president was killed in an attempted army coup .

Controversial 1 IRA film screened at [1 1 Venice 1]

 1996-08-31 Dublin-born director [3 3 Neil Jordan 3] says he
 never lost more sleep over a film than over " [2 2 Michael Co
 llins 2] " , his controversial epic about the [3 3 IRA 3]
 which has its premiere on Saturday at the [4 4 Venice Film Fe
 stival 4] . The film , starring [5 5 Liam Neeson 5] and [6 6 J
 ulia Roberts 6] , recounts the life of [7 7 Michael Collins 7]
 , the [8 8 Irish Republican Army 8] 's Director of
 Intelligence who fought for [9 9 Irish 9] independence from
 1919 to 1921 . Although not due for release in [10 10 Britain
 10] until early next year , some politicians have already
 said they feared it would fan sectarian tensions in British-
 ruled [11 11 Northern Ireland 11] . [12 12 Jordan 12] defends
 his decision to make the film , whose screenplay he wrote
 himself after years of research , saying it was " more about
 history than any political statement " . " The film spares
 neither the [13 13 Irish 13] nor the [14 14 British 14] in
 its depiction of the savagery of the time , " [15 15 Jordan 15]

] said in a statement released by [16 16 Warner Bros 16] . " How often has independence been achieved without bloodshed ? Very rarely . " [17 17 Jordan 17] , whose 1992 film " 4 The Cr ying Game " also came under fire for what was perceived as a sympathetic portrayal of the [4 5 IRA 4] , said 6 Collins was more than just a revolutionary . " He developed techniques of guerilla warfare later copied by independence movements around the world , from [18 18 Mao Tse-Tung 18] in [19 19 Chi na 19] to [20 20 Yitzak Shamir 20] in [21 21 Israel 21] , " [5 7 Jordan 5] said . " 8 Collins would never be a proponent of contemporary terrorism as practised today . He was a soldier and a statesman and , over time , a man of peace . " Leeson , the Northern Ireland-born actor who was nominated for an [6 9 Oscar 6] for best actor for his performance in " Schindler 's List " , plays the lead role in [22 22 Jordan 22] 's film . 10 Aidan Quinn portrays [23 23 Harry Boland 23] , [24 24 Collins 24] ' best friend , and rival for the love of [25 25 Kitty Ki ernan 25] , played by [26 26 Roberts 26] . Much of the film was shot on location in [27 27 Dublin 27] with [7 11 Jordan 7] using thousands of its citizens as unpaid extras . A set , however , was used for the fighting scenes . Noting that information about 12 Collins was " as mysterious as the existence he maintained " , [28 28 Jordan 28] said he made some historical assumptions in the film . " I have made choices about certain events based on my own extensive research into his letters and reported speeches , " he said . " I wanted to make this a story as accurate as possible without killing it dramatically and I think I have . It is a very true film . " One of the assumptions is his interpretation of the murky circumstances surrounding the shooting death of 13 Collins , who had broken with his comrades when he sought a negotiated settlement with [29 29 Br itain 29] , in an ambush in 1922 . " I have never lost more sleep over the making of a film than I have over ' 14 Michael Collins ' , but I 'll never make a more important one , " [30 30 Jordan 30] said . " In the life of one person you can tell the events that formed the north and south of [8 15 Ireland 8] as they are today . "
