SOCCER - PLAYERS LEAVE MATCH EARLY TO CATCH PLANE . Brian Homewood [1 1 RIO DE JANEIRO 1] 1996-08-26 Two key players left a [2 2 Brazilian 2] championship match early on Sunday because they had to catch a plane to [3 3 Russia 3] to play with the national team . [4 4 Sao Paulo 4] midfielder Andre and [5 5 Santos 5] defender [6 6 Narciso 6] were both substituted during their teams ' game , taken to [7 7 Sao Paulo 7] airport and flown to [8 8 Rio de Janeiro 8] in a

private jet chartered by the [9 9 Brazilian Football Confederation 9] ([10 10 CBF 10]) . At [11 11 Rio 11] , they joined up with the national team squad for the journey to [12 12 Moscow 12] , where [13 13 Brazil 13] will face [14 14 Russia 14] in a friendly international on Wednesday . The problem arose because the Sao Paulo-Santos clash was selected as the day 's televised live match , forcing it to be put back three hours from the usual kickoff time . [15 15 Santos 15] suffered more from their loss as [16 16 Narciso 16] 's replacement 1 Jean gave away a penalty from which [17 17 Sao Paulo 17] scored the decisive goal in a 2-1 win . [18 18 Sao Paulo 18] lead the first stage of the championship on goal difference from surprise package [19 19 Juventude 19] , who beat [20 20 Internacional 20] 2-1 . [21 21 Corinthians 21] , who played in a tournament in [22 22 Spain 22] last week , also faced a plane marathon as they attempted to keep up with a hectic fixture list . They were due to leave [23 23 Spain 23] Monday night , arrive in [24 24 Sao Paulo 24] on Tuesday morning , catch another plane to the southern city of [25 25 Curitiba 25] one hour later and then play away to [26 26 Atletico Paranaense 26] in the [27 27 Brazilian 27] championship the same evening . [28 28 Botafogo 28] striker [29 29 Tullio 29] , who was overlooked by Zagalo for the tour which also features a game away to the [30 30 Netherlands 30] on Sunday , scored his third goal in three games as the defending champions beat [31 31 Bahia 31] 2-1 away . [32 32 Tullio 32] , who has been top-scorer in the competition for the last two seasons , has been struggling against injury for most of this year .

TENNIS - QUENCH YOUR THIRST - IF YOU CAN AFFORD IT AT [1 1 U.
S. OPEN 1] . Bill Berkrot [2 2 NEW YORK 2] 1996-08-26 A
message on television monitors all around the National Tennis
Centre reads : " Due to hot weather please seek shade and

drink plenty of fluids " -- sound advice until you check out the price of fluids . Perhaps the advisory was cut off before concluding : " ...and bring plenty of money . " A small bottle of a garishly-coloured sports drink at the sun-drenched [3 3 U.S. Open 3] is going for \$ 3.75 , while a litre of basic , life-sustaining water will set you back \$ 4.00 -- for water ? " At the 1 Olympics water was only a dollar , and that was the [4 4 Olympics 4] , " said one incredulous fan , noting that the [5 5 Atlanta Games 5] had been notorious for price gouging . [6 6 U.S. Open 6] officials managed to insult most of the male tennis players last week with their controversial handling of the seeding and draw . When the tournament began on Monday it was the fans ' turn to be offended . " That baked lasagna better be good for \$ 8.50 , " said [7 7 New Yorker 7] Rebecca Weinstein , a [8 8 U.S. Open 8] regular who was eating a sandwich she had brought from home . A trio of hungry fans at the food court who had already forked over the lasagna money pronounced it good , but Carol Perry chimed in , " The water is ridiculous , they want four dollars for the water , you might as well get a glass of wine . " Indeed , a nice glass of chardonnay or white zinfandel was going for \$ 4.75 , while an imported beer was just a bit more than the water at \$ 4.50 . What 's the message here ? " Maybe they want us to be alcoholics , " Perry joked before lifting her glass of wine . Fans will be shelling out \$ 12.50 for a hamburger and a large french fries . And that little snack is guaranteed to make you thirsty . Make that \$ 16.50 . Even a sandwich as pedestrian as a ham and swiss cheese is going for a whopping \$ 8.00 . Of course , it is served on a tuscan roll . It must be the cost of flying those rolls over from [9 9 Tuscany 9] every day that drives up the price of the sandwich .

TENNIS - [1 1 HUBER 1] AND [2 2 MALEEEVA 2] FALL , UP-AND-COMERS ADVANCE AT OPEN . Larry Fine [3 3 NEW YORK 3] 1996-08-26 [4 4 Martina Hingis 4] led a youthful charge and [5 5 Australian Open 5] finalist [6 6 Anke Huber 6] and [7 7 Magdalena Maleeva 7] were fallen seeds on Monday in a hot , sunny opening to the [8 8 U.S. Open 8] tennis championships . The 15-year-old [9 9 Hingis 9] , seeded 16th , was honoured to play the first match of the season 's last [10 10 Grand Slam 10] on Stadium Court but happy to hurry off with a straight-sets victory over the 112th-ranked [11 11 Angeles Montolio 11] of [12 12 Spain 12] . " It was very hot and I didn't want to stay long on the court , " said a cheery [13 13 Hingis 13] , who had no worries in racing to a 6-1 6-0 victory against the overmatched [14 14 Spaniard 14] . Hoping for a longer engagement on the cement at 1 Flushing Meadows were the sixth-seeded [15 15 Huber 15] of [16 16 Germany 16] and 12th seed [17 17 Maleeva 17] of [18 18 Bulgaria 18] . [19 19 Huber 19] , who lost to [20 20 Monica Seles 20] in the [21 21 Australian Open 21] final , fell victim to an unfortunate draw

in bowing to dangerous floater [22 22 Amanda Coetzer 22] of [2 3 23 South Africa 23] . [24 24 Coetzer 24] , ranked 17th , avenged her defeat to [25 25 Huber 25] in the [26 26 Australian Open 26] semifinals by winning 6-1 2-6 6-2 . " I looked at it as not a first round match , just a great challenge for me , " said [27 27 Coetzer 27] , 24 . " I was really concentrating on keeping my own momentum and my own rhythm . " She is tough to play in that way because she plays very up and down . She played one great game and than a few errors . The challenge was just for me to keep playing my own game . " [28 28 Huber 28] , who reached the final a week ago at [29 29 Manhattan Beach 29] , could only mourn her luck of the draw . " I was n't happy when I saw the draw . She was the first non- seeded player , " said the 21-year-old [30 30 German 30] . " It 's always tough to play somebody like that in the first round in a [31 31 Grand Slam 31] . " I think I did n't play that bad today . It was maybe my best first round match in a [32 32 Grand Slam 32] I ever played . " Monday brought the best out in [33 33 U.S. Open 33] rookie [34 34 Aleksandra Olsza 34] of [35 35 Poland 35] , ranked 110th . The 18-year-old [36 36 Olsza 36] , last year 's [37 37 Wimbledon 37] junior champion , celebrated her debut in the main draw of the Open by removing [38 38 Maleeva 38] 6-4 6-2 . The curtain-raising victories by [39 39 Hingis 39] and [40 40 Olsza 40] provided a ringing endorsement for the newest wave of women 's players coming up from the junior ranks . The [41 41 Swiss 41] teenager , a twice [42 42 French Open 42] junior champion and a [43 43 Wimbledon 43] juniors winner , had already proven her main stage mettle by reaching the quarters at this year 's [44 44 Australian Open 44] . " I hope I can get into the last 16 , " said [45 45 Hingis 45] , seeded to face third seed [46 46 Arantxa Sanchez Vicario 46] in the fourth round . [47 47 Hingis 47] has been working hard on conditioning and has lost eight pounds (3.5 kilos) in advance of the championships . " There will be tough matches but I hope I can get there , " she said . " Then we 'll see if [48 48 Arantxa 48] will be there , too . " The fast-moving [49 49 Olsza 49] , 18 , was cool in her opening match . " I was n't scared when I heard that I was playing [50 50 Maleeva 50] , " said [51 51 Olsza 51] . " I know that if I want to play professional tennis I have to do my best to try to beat her and I ca n't be scared . " [52 52 Olsza 52] is undaunted by the level of competition in the pros . " In terms of tennis , I think the junior players are really good now . In a few years , it could change a lot among the top players . " Two big-serving women 's players made quick work of [53 53 Japanese 53] opponents . [54 54 Brenda Schultz-McCarthy 54] of the [55 55 Netherlands 55] , the 13th seed , was a 6-1 6-4 winner over [56 56 Japan 56] 's Nana Miyaga , while [57 57 Czech 57] veteran [58 58 Helena Sukova 58] prevailed over Yone Kamio 6-2 6-3 . [59 59 Austrian 59] [60 60 Barbara Paulus 60] , seeded 14th , also reached the second round with a 6-2 6-1 victory over Yi

Jing-Qian of [61 61 China 61] .

TENNIS - [1 1 STICH 1] GLAD HE STAYED AFTER OPEN VICTORY .
Richard Finn [2 2 NEW YORK 2] 1996-08-26 [3 3 Michael Stich 3]
nearly pulled out of the [4 4 U.S. Open 4] in protest over
the men 's seeding fiasco but the former [5 5 Wimbledon 5]
champion was glad he stayed after sweating out a four-set win
on Monday over qualifier [6 6 Tommy Haas 6] . " I still feel
it 's embarrassing what happened and I was about to pull out
yesterday and say , ' That 's it , ' " said [7 7 Stich 7] ,
one of a host of men who cried foul over seeding procedures
that forced an unprecedented remaking of the men 's draw last
week . " But there are so many reasons to play , especially
spectators and the kids who come out here and want to enjoy
watching tennis , that I decided to stay . " In a break from
tradition , the Open did not seed in strict accordance with [8
8 ATP 8] rankings , instead taking into account other factors
that raised objections of favouritism toward [9 9 U.S. 9]
players . One prominent player that did not stay for the Open
was [10 10 French Open 10] champion Yvgeny Kafelnikov , who
after being dropped three spots from his [11 11 ATP 11]
ranking to a seventh seeding , withdrew and returned home to [
12 12 Russia 12] . [13 13 Kafelnikov 13] had pulled out of
last week 's tournament with a rib injury . At a news
conference attended by approximately 50 players on Sunday , [1
4 14 U.S. 14] [15 15 Davis Cup 15] player [16 16 Todd Martin 1
6] expressed the players ' outrage at the seedings . " The
way the [17 17 U.S. Open 17] has seeded here , tampering with
the ranking system , has tarnished the image and reputation

of this [18 18 U.S. Open 18] in the players ' mind , and we think that is damaging to our sport , " [19 19 Martin 19] said . [20 20 Stich 20] said he felt the players ought to have organised an active protest . " I feel that we made it a little easy for the [21 21 USTA 21] . They did n't really get hurt as much as I think they should have , " said [22 22 Stich 22] . " I feel that we should have maybe just cancelled out the Monday , not show up today and start the tournament tomorrow . " But once the 27-year-old [23 23 Stich 23] got on the court , he focused his energies on trying to win the year 's last [24 24 Grand Slam 24] . He took a positive first step with his 6-3 1-6 6-1 7-5 win over compatriot [25 25 Haas 25] on a sun-baked Grandstand court . Others advancing early on Monday included 11th-seeded [26 26 American 26] [27 27 Malivai Washington 27] , the [28 28 Wimbledon 28] runner-up , [29 29 Sweden 29] 's [30 30 Magnus Gustafsson 30] , and two-time former [31 31 French Open 31] champion [32 32 Sergi Bruguera 32] of [33 33 Spain 33] , who will be [34 34 Stich 34] 's next opponent . The suspicion , however , lingers in [35 35 Stich 35] 's mind that [36 36 U.S. Open 36] officials did tamper with the seeding process in order to benefit homegrown players . " I get the feeling that everything is done here for the [37 37 American 37] players and they forget about all the other players , " said [38 38 Stich 38] , who lost the 1994 Open final to [39 39 Andre Agassi 39] . It was [40 40 Agassi 40] who was at the centre of the controversy that engulfed the tournament since the original draw was completed on Wednesday . The flamboyant [41 41 American 41] star was bumped up two spots from his [42 42 ATP 42] ranking of eight to a seeding of six . " He ([43 43 Agassi 43]) should be seeded the way he is playing tennis right now , " said [44 44 Stich 44] about the unfairness of moving up [45 45 Agassi 45] , who made early exits from the [46 46 French Open 46] and [47 47 Wimbledon 47] . [48 48 Stich 48] , not seeded here for the first time since 1990 , might have benefitted from some fiddling with the seedings himself after [49 49 Kafelnikov 49] withdrew . Ranked 18th in the world , [50 50 Stich 50] might have been slipped into that spot ahead of [51 51 Spain 51] 's [52 52 Felix Mantilla 52] , who is 16th but had never been played in the Open and had been left out of the seedings originally . But [53 53 Stich 53] did n't want to play that game . " I think he deserves to be seeded as everybody else who is in the top 16 deserves to be seeded , " [54 54 Stich 54] said .

OSCE delays decision on refugee voting . [1 1 Kurt Schork 1] [2 2 SARAJEVO 2] 1996-08-26 Bosnia 's election organisers will decide on Tuesday whether or not to postpone municipal elections scheduled as part of nationwide balloting , an OSCE spokeswoman said on Monday . Officials from the Organisation for Security and Cooperation in Europe (OSCE) are considering the postponement following allegations of serious irregularities in the registration of [3 3 Serb 3] refugees . International observers say the alleged irregularities could affect the outcome of voting for municipal assemblies . " Tomorrow ... the Provisional Election Commission will consider the possible postponement of municipal elections only ... the other elections will be held on September 14 , " OSCE spokeswoman Agota Kuperman told reporters in [4 4 Sarajevo 4] . " I think that it would be very difficult to select which municipal elections would have to be cancelled . I think probably if the decision (to cancell) were to be taken it would probably be all municipal elections . . . " Kuperman added that options other than postponement were also on the table , but she refused to specify what they were . The 1 Dayton peace agreement gave the OSCE a mandate to organise Bosnian elections . The Provisional Election Commission is OSCE 's top rule-making body for the poll . More than 600,000 refugees have registered to vote in 55 countries around the world , representing about 20 per cent of Bosnia 's total electorate . They are due to begin voting on Wednesday , August 28 , just one day after the PEC is supposed to make its decision . Balloting inside Bosnia is scheduled for September 14 , when citizens are slated to elect municipal and cantonal assemblies , separate Moslem-Croat and [5 5 Serb 5] parliaments , a national [6 6 House of Representatives 6] and a three-man Presidency . A [7 7 Sarajevo 7] daily newspaper , Dnevi Avaz , which is close to Bosnia 's [8 8 Moslem 8] nationalist [9 9 SDA 9] party , on Monday said the OSCE would postpone the municipal-level elections until the Spring of 1997 because of the refugee registration problems . [10 10 SDA 10] has a representative on the

Provisional Election Commission . " I do n't know what the source of the Dnevi Avaz report is , but it is consistent with what I have heard from western diplomats and from inside the OSCE , " said an OSCE staff member in [11 11 Sarajevo 11] who asked not to be named . " The word is that Frowick has decided to postpone municipal elections but that he will wait for one more session of the PEC on Tuesday to take everyone 's temperature on the issue . " Ambassador Robert Frowick , an [1 2 American 1] , heads the OSCE mission in Bosnia . OSCE and independent monitors allege that [12 12 Serb 12] authorities have systematically discouraged refugees from registering to cast a ballot in the places they lived before the war . Instead , the refugees were said to have been directed by their authorities to vote from strategic towns which had [13 13 Moslem 13] majorities before the 43-month [14 14 Bosnian 14] war , but which are now underpopulated as a result of " ethnic cleansing " . Diplomats explain the purpose of this electoral engineering is to secure [15 15 Serb 15] control over pivotal towns inside the 49 per cent of Bosnia known as the [16 16 Serb 16] republic , consolidating through the ballot box what was initially taken in war . The top [17 17 U.N. 17] refugee official in the [18 18 Balkans 18] highlighted the voter registration problem on Monday . " Results of the registration for September elections herald a dismal future for multi-ethnicity in Bosnia-Herzegovina , " warned [19 19 Soren Jessen-Petersen 19] , Special Envoy for the [20 20 U.N. 20] High Commissioner for Refugees in Former Yugoslavia . " In the run-up to elections , nationalistic political leaders are playing the ethnic / sectarian card , drumming up support within their constituencies by playing on bitter memories or fear . "

After truce , [1 1 Lebed 1] faces tougher [2 2 Chechen 2] problem . Alastair Macdonald [3 3 MOSCOW 3] 1996-08-26 [4 4 Alexander Lebed 4] may finally get to discuss his [5 5 Chechen 5] peace proposals with [6 6 Boris Yeltsin 6] on Tuesday after a lost weekend in the region when he was forced to abandon plans to sign a new political treaty with the separatist rebels . It could be a sobering experience for the [7 7 Kremlin in 7] security chief who , just two months after being appointed by the president and two heady weeks after taking charge of the [8 8 Chechen 8] crisis , had promised to wrap up the 20-month war by the weekend . Despite a mood of compromise in the region after some of the worst fighting of

the war , [9 9 Lebed 9] may be just finding out that concluding a long-term settlement , somewhere between rebel demands for independence and [10 10 Moscow 10] 's insistence that [11 11 Chechnya 11] remain part of [12 12 Russia 12] , will be no easy matter . A chain-smoking former paratroop general with a sharp line in deadpan putdowns and a soldier 's knack for making life sound simple , [13 13 Lebed 13] managed to arrange an ambitious ceasefire in the region last week , days after the [14 14 Russian 14] army threatened to bomb its way back into the rebel-held [15 15 Chechen 15] capital [16 16 Grozny 16] . He returned at the weekend , pledging to conclude a political settlement that would make this truce work where all others have failed . But then he apparently thought better of it . Saying he needed to tidy up legal loose ends on the deal -- and also cover his back against unnamed pro-war schemers in [17 17 Moscow 17] -- he flew back to the capital empty-handed on Sunday . He met [18 1 8 Russian 18] Prime Minister [19 19 Viktor Chernomyrdin 19] on Monday and , according to the press service of [20 20 Lebed 20] 's [21 21 Security Council 21] , could meet [22 22 Yeltsin 22] on Tuesday . It was not clear if the start of [23 23 Yelt sin 23] 's holiday , announced later , would affect plans to talk . 1 Moscow 's as yet undisclosed proposals on [24 24 Chechnya 24] 's political future have , meanwhile , been sent back to do the rounds of various government departments . It is not known what caused the delay in the peace plan . Speculation mounted last week that [25 25 Lebed 25] was operating out on a limb in [26 26 Chechnya 26] as [27 27 Yelt sin 27] , hardly seen since his reelection last month , kept out of sight and then gave an interview criticising his envoy just as he clinched a truce . But [28 28 Chernomyrdin 28] took pains at the weekend to insist [29 29 Lebed 29] was playing for a united team and that the proposals he took to rebel chief-of-staff [30 30 Aslan Maskhadov 30] had been agreed by [31 31 Yeltsin 31] . If that were the case , it was unclear why [32 32 Lebed 32] suddenly found it necessary to have the deal verified in [33 33 Moscow 33] . [34 34 Lebed 34] himself said he was concerned that powerful interests in [35 3 5 Moscow 35] , who have profited from the war and want it to go on , would seize on any inadequacy in the deal to remove him . [36 36 Maskhadov 36] warned that [37 37 Lebed 37] risked the same fate as a former [38 38 Russian 38] army commander in the region who sought a compromise and was blown up last year by -- so the [39 39 Chechens 39] say -- [40 40 Russian 40] forces . [41 41 Maskhadov 41] may also have made new demands on [42 42 Lebed 42] , forcing him to check back with the [43 43 Kremlin 43] on what he could offer . A rebel spokesman said the two military men had come close to agreement on a face-saving formula acceptable to both sides and involving a referendum on independence at some future date . [44 44 Chernomyrdin 44] said voters should decide [45 4 5 Chechnya 45] 's future but stressed there was no question

of the government letting the region quit the [46 46 Russian Federation 46] -- something [47 47 Moscow 47] fears could encourage separatist tendencies in other ethnic regions , particularly in the strategic [48 48 North Caucasus 48] . [49 49 Lebed 49] may be be finding that closing that political gap between the two sides is more difficult than just ending a war .

Yugo Zastava workers ' protest enters 2nd week . [1 1 BELGRA
DE 1] 1996-08-26 Thousands of workers of [2 2 Serbia 2] 's [3
3 Zastava 3] arms factory entered the second week of protests
on Monday over unpaid wages and the lack of a programme to
revive the plant 's production . " We are stubborn , have
strength and time to persist until our demands are met , "
said the factory 's trade union secretary Dragutin
Stanojlovic . " We are united and we are waiting for the
government to decide what to do with us . " Trade unions
demanded payment of June and July wages and last year 's
holiday pay , and called on government to develop a revival
programme for the plant . The former [4 4 Yugoslav 4]
national army consumed 90 percent of [5 5 Zastava 5] 's pre-
war output , but like the rest of [6 6 Yugoslavia 6] 's
economy , the new army of [7 7 Serbia 7] and [8 8 Montenegro 8]
] is crippled by lack of funds . In [9 9 Kragujevac 9] where
the plant is based , 9,000 to 10,000 people gathered in the
central square to express their bitterness at what
Stanojlovic called government indifference . The ruling [10 10
Socialist Party 10] last week accused [11 11 Serbia 11] 's
opposition of stirring up social unrest and using workers '
already difficult social position for their own interests . "
Late wages , no work and (the lack of a) production
programme are the main reasons for their protests , " a
senior member of the local [12 12 Socialist Party 12] branch
told [13 13 Reuters 13] . " But there is a significant
influence of opposition parties that are collecting points
ahead of coming elections . " Federal [14 14 Yugoslav 14]
elections are due on November 3 . The party official said the
union 's figure on the number of protesters was exaggerated .
" There were about 1,400 to 1,600 people at the protest today
-- much less than last week . " But there were more observers
and passers by , " he said . -- Gordana Kukic , Belgrade

[1 1 Croatian 1] lending rate falls to 8.0 vs 9.1 pct . [2 2 ZAGREB 2] 1996-08-26 The [3 3 Croatian 3] lending rate fell to 8.0 percent on Monday from last Friday 's 9.1 percent after thin demand for kuna forced bank lenders to trim their rates further . Interbank call money was down to 8.0 from 10.0 percent . Insurers ' five-10 and 10-15 day loans were made at a steady 8.0 percent after last week 's drop from an earlier 15 percent . Total Zagreb Money Market settlements shrank to 17.4 million kuna , of which dealers put new borrowing at a meagre 5.5 million . Supply stood at a high 180 million kuna . Overnight trade at the weekend left a surplus of 1.2 billion kuna on the supply side after 40 million were settled . [4 4 Croatia 4] 's central bank again stayed out of the foreign exchange market . It calculated the kuna midrates for Tuesday 's trade stronger at 5.2420 against the dollar and slightly weaker at 3.5486 against the [5 5 German 5] mark . -- Kolumbina Bencevic , Zagreb Newsroom , 385-1-4557075

SVCD Bulgaria air traffic controllers to strike September 3 . [1 1 SOFIA 1] 1996-08-26 [2 2 Bulgarian 2] air traffic controllers will go on strike on September 3 demanding higher pay , the chief of the [3 3 Bulgarian 3] association of air traffic controllers (Bulatka) said on Monday . Stefan Raichev told a news conference the strike by more than half of the 1,380 traffic controllers and technicians would paralyse traffic which has increased by 10 percent since last year . More than 1,500 planes per day fly over [4 4 Bulgaria 4] , in a strategic location between [5 5 Europe 5] and the [6 6 Middle 6] and the Far East , Raichev said . The director general of the air traffic service Valentin Valkov said last Friday that a controllers ' strike would be illegal . Valkov said he could not curb the summer charter flights of national carrier [7 7 Balkan Airlines 7] , which carries thousands of foreign tourists to the [8 8 Bulgarian 8] [9 9 Black Sea 9] resorts . But Raichev said it would be " discrimination " against the other airlines if only Balkan planes were guided in . " Under the law before launching the strike we have to sign an agreement with our employer for a minimal transport servicing of emergency flights , " Raichev said . Raichev said a lock-out with military air controllers was impossible as they did not speak [10 10 English 10] . The controllers are demanding the monthly wage be increased to \$ 1,000 per month from the current \$ 230 , as well as the resignation of the air traffic service 's management . They also demand the financial separation of the 350 air controllers from the technical staff . -- Liliana Semerdjieva , Sofia Newsroom , 359-2-84561

Unknown group kidnaps [1 1 Dutch 1] couple in [2 2 Costa Rica 2] . [3 3 SAN JOSE 3] , [4 4 Costa Rica 4] 1996-08-26

Kidnappers have seized a [5 5 Dutch 5] couple who manage a farm in northern [6 6 Costa Rica 6] and have demanded a \$ 1.5 million ransom , authorities said on Monday . Officials said Humberto Hueite Zyrecha and his wife Jetty Kors , both 50 , were kidnapped late on Saturday or early Sunday . Col . Misael Valerio , head of border police at the Security Ministry , told reporters surveillance of the northern border with [7 7 Nicaragua 7] has been stepped up to keep the kidnappers from fleeing [8 8 Costa Rica 8] . Preliminary reports said the couple were kidnapped on the " Altamira " farm , owned by [9 9 Dutchman 9] Richard Wisinga , at Aguas Zarcas de San Carlos near the Costa Rica-Nicaragua border . Unconfirmed news reports said a vehicle belonging to them was found abandoned at Santa Maria de Pocosol , about 12 miles (20 km) north of the site of the abduction . The reports said authorities found a statement , supposedly from the kidnappers , in the vehicle , addressed to Wisinga and demanding a \$ 1.5 million ransom . Wisinga was believed to be travelling in [10 10 Europe 10] , they said . A [11 11 Swiss 1 1] tourist guide and a [12 12 German 12] tourist were kidnapped in the same area on New Year 's Day by a group of former [13 13 Nicaraguan 13] guerrillas . Regula Susana Siegfried , 50 , and Nicola Fleuchaus , 25 , were released after 71 days after a \$ 200,000 ransom was paid . In a bizarre twist , Fleuchaus and the leader of the kidnappers , Julio Cesar Vega Rojas , developed a sentimental attachment during her captivity , according to photographs printed in [14 14 Costa Rican 14] newspapers and court documents including a love letter written by Vega .

Interacciones ups [1 1 Mexico 1] GDP forecast , lowers peso . [2 2 MEXICO CITY 2] 1996-08-26 Interacciones brokerage on Monday raised its forecasts for 1996 gross domestic product growth to 4.3 percent from 3.8 percent , but it kept its 1997 projection unchanged at 4.5 percent , a statement said . Economist Alonso Cervera said the revisions were chiefly fueled by stronger than expected growth of 7.2 percent in the second quarter and he forecast an annual GDP rise of 6.1 percent in the third quarter and 4.9 percent in Q4 . The firm also revised down its year-end peso forecast to 7.85-8.15 per dollar from 8.20-8.50 . It forecast an end 1997 peso in the range of 9.20-9.40 . Interacciones kept its 1996 and 1997 inflation forecast unchanged at 26 percent and 20 percent , expecting the government 's 1997 inflation target to be around 15 percent . It bumped up its average interest rate projection in 1997 to 25.8 percent from 23 percent . Fiscal policy was expected to be loosened a bit in the second half of this year , boosting growth without running into a deficit . " Next year , the fiscal policy will have less margin of freedom because the government will have to face commitments that it has taken on under different support schemes for the banks , debtors and firms , " the brokerage said . -- Henry Tricks , [3 3 Mexico City 3] newsroom +525 728-9560

It was the second consecutive session that saw the peso , which ended at 1,041 Friday , close lower . " The (dollar 's) rise was due to demand from importers who have a lot of wire transfers accumulated , " one dealer said . Contributing to the peso 's weakness , another dealer said banks who might have sold greenbacks in Monday 's trading appeared to shy away from the market . This , according to the trader , was typical of month-end position-squaring -- and the fact that a stronger [4 4 U.S. 4] currency helps limit some foreign exchange losses . Dealers reported 355 trades for a total of \$ 142 million and said the peso hit an intra-day high of 1,037 before heading lower into the close . -- Juan Guillermo Londono , [5 5 Bogota 5] newsroom , 571 610 7944

" We did n't see anything from [6 6 Singapore 6] operators
either . It 's a pretty quiet day , " one foreign bank dealer
said . Spot rupiah was quoted at 2,342.0 / 42.5 at 0915 [7 7 G

the morning due to relatively ample rupiah liquidity but recovered later . Tomorrow and today rupiah closed at 2,342.00 / 42.45 and 2,341.5 / 42.0 , respectively . Another dealer said operators were reluctant to unload rupiah despite ample conditions due to the month-end factor . " There are two factors which determine the market at present . The liquidity at month-end and the next court hearing scheduled for Thursday , " the dealer said . [8 8 Megawati Sukarnoputri 8] , deposed leader of the [9 9 Indonesian Democratic Party 9] ([10 10 PDI 10]) has sued the government for ousting her as [11 11 PDI 11] leader . [13 13 Megawati 13] 's lawyers said they were still discussing a possible out of court settlement but they was not optimistic an agreement could be reached . The dealer said this issue remained a factor but its importance to the market seemed to diminish . He said liquidity would be the main concern for the next few days . Overnight swap was at 0.45 / 0.48 and tom / next at 0.50 / 0.55 . One-month swap was at 18.0 / 18.5 , two at 34.0 / 35.0 , three at 52.75 / 53.50 and six at 106.5 / 107.0 points . [1 1 Kurds 1] clash again in [2 2 Iraq 2] , dozens reported dead . [3 3 ANKARA 3] 1996-08-26 Heavy fighting broke out between two rival [4 4 Kurdish 4] factions in northern [5 5 Iraq 5] at midnight Sunday and at least 29 people were killed , one of the groups said on Monday . The [6 6 Kurdistan Democratic Party 6] ([7 7 KDP 7]) said the [8 8 Patriotic Union of Kurdistan 8] ([9 9 PUK 9]) had broken the U.S.-brokered ceasefire agreed between the two parties last week . The factions reached a ceasefire on Friday after a week of fierce fighting which had put an end to a truce agreed a year earlier . " The [10 10 PUK 10] leadership who pledged to end fighting and cooperate with the latest [11 11 U.S. 11] initiative started a major military offensive against [12 12 KDP 12] positions , " the [13 13 KDP 13] said in a statement . It said heavy fighting started at midnight in the region dividing the two warring factions , with the [14 14 PUK 14] aiming to break through to [15 15 KDP 15] 's headquarters in Salahuddin . The [16 16 KDP 16] said 29 [17 17 PUK 17] fighters were killed in the attack . It did not provide details of [18 18 KDP 18] casualties and a [19 19 PUK 19]

spokesman was not immediately available for comment . The statement said the [20 20 PUK 20] resumed its attack on Monday morning on [21 21 KDP 21] positions near [22 22 Rawand ouz 22] and indiscriminately shelled the town of Dayana , killing a priest and injuring some civilians . The fighting has threatened a U.S.-led peace plan to unite the mountainous [1 1 Kurdish 1] region in northern [23 23 Iraq 23] against President [24 24 Saddam Hussein 24] . A U.S.-led air force has protected [2 Iraqi Kurds 2] against attack from [25 25 Ba ghdad 25] since shortly after the [26 26 Gulf War 26] in 1991 .

[1 1 Egypt 1] to press [2 2 Britain 2] over [3 3 Islamist 3] conference . [4 4 CAIRO 4] 1996-08-26 [5 5 Egypt 5] will tell [6 6 Britain 6] it is concerned about a meeting of Islamists to be held in [7 7 London 7] soon , Foreign Minister [8 8 Amr Moussa 8] said on Monday . " There is a question mark over this issue . We , and many other countries , do n't understand this ([9 9 Britain 9] 's) position , " [10 10 Mo ussa 10] told reporters . " [11 11 Egypt 11] will contact the [12 12 British 12] government to find out the truth of the matter and to discuss the possible consequences of such an unfortunate step , " he added . [13 13 Egyptian 13] government newspapers have criticised [14 14 Britain 14] for allowing Islamists , whom they brand as " terrorists " , to hold their conference , saying the meeting will be a chance for dangerous [15 15 Moslem 15] militants to plot against their countries of origin . It is not clear when the conference will be held . About 1,000 people have been killed in [16 16 Egypt 16] since [17 17 Islamic 17] militants took up arms in 1992 in an attempt to overthrow the government and set up a strict [18 18 Islamic 18] state . [19 19 Cairo 19]

says several [20 20 Egyptian 20] militants on the run from death sentences or convictions for violent attacks at home have taken shelter in [21 21 Britain 21] .

AL-MUNTAR , West Bank 1996-08-26 [2 2 Israeli 2] security forces ransacked a [3 3 Bedouin 3] encampment in the West Bank on Monday to expel them from an area which [4 4 Palestinians 4] say had been earmarked for [5 5 Jewish 5] settlement expansion , residents said . They said soldiers stole a gold necklace and about \$ 2,000 in [6 6 Israeli 6] currency from an elderly woman and her daughter-in-law while rummaging through their luggage before destroying family shacks and animal barns . " They rammed our shacks with jeeps and destroyed the shack over my baby , " said 25-year-old Amina Muhammad . " He was saved only by a miracle . " A spokesman for [7 7 Israel 7] 's civil administration in the West Bank said the [8 8 Bedouins 8] were moved because they were encamped on an [9 9 Israeli 9] army firing zone . The spokesman Peter Lerner said he knew nothing about soldiers having stolen anything from the [10 10 Palestinians 10] . ORT LAUDERDALE 1] , Fla. 1996-08-26 A 12-year-old Florida boy hanged himself in his backyard just hours before he was due to start at a new school on Monday , police said . Samuel Graham , who told his family earlier that he was nervous about starting at a new school because he feared teasing about his weight problem , had been due to spend his first day at Parkway Middle School Monday , police said . The boy was last seen alive Sunday night when he joined his two younger brothers and father in a bedtime prayer . Two younger brothers found him hanging from a tree early Monday morning . His father cut him down and tried to revive him but paramedics pronounced him dead when they arrived . The Broward County Sheriff 's Office found a step stool and a flashlight under the tree where the boy was hanged . They said there was no sign of foul play and that investigators believed the death was a suicide .

cash hog prices Tuesday were seen steady following strong

said . Top prices in Iowa / southern [4 4 Minnesota 4] Tuesday were expected to range from mostly \$ 59.50 to \$ 60.00 , steady following a \$ 0.50 - \$ 1.50 jump Monday . [5 5 Illinois 5] tops were seen matching Monday 's at \$ 59.00 with tops in [6 6 Indiana 6] at \$ 57.50 . However , [7 7 USDA 7] reported tops of \$ 58.00 in [8 8 Illinois 8] and in Iowa / southern [9 9 Minnesota 9] , \$ 60.00 on some hogs Monday . Attempts to move prices higher again Tuesday could be offset by expected increased hog marketings this week , sources said . Producers were expected to ship as many hogs as they can ahead of the [10 10 Labor Day 10] holiday weekend , they said . Demand for hogs is expected to be light by the end of the week , as the industry prepares for [11 11 Labor Day 11] , Monday , September 1 when most [12 12 U.S. 12] packers will be closed . -- Bob Janis 312-983-7347--

[1 1 Gore 1] presents new image of lead attack dog . Michael Posner [2 2 CHICAGO 2] 1996-08-26 No more mild-mannered and meek [3 3 Al Gore 3] , the vice president and likely heir apparent to President [4 4 Bill Clinton 4] , emerged on Monday as the new [5 5 Democratic 5] attack dog leading a front-line assault on [6 6 Bob Dole 6] and House Speaker [7 7 Newt Gingrich 7] . While [8 8 Clinton 8] takes a train trip to the [9 9 Democratic Convention 9] that will renominate him on Wednesday for a second term , [10 10 Gore 10] is the bright star in the convention city now . Crowds anxiously wait for his appearances , thrusting out hands for him to grip as they scream " 12 more years " -- a wishful hope to eight years of [11 11 Gore 11] after a [12 12 Clinton 12] re-election . Over a 15-hour span from Sunday evening to Monday morning , so many people jammed [13 13 Gore 13] events that the fire marshal stopped members of [14 14 Congress 14] , reporters and others from entering a pro-Israel rally and a meeting of the [15 15 New York 15] delegation . In his appearances , the often stiff and wooden [16 16 Gore 16] seemed transformed into a new energetic , gesturing " pol " as he ripped into [17 17 Republican 17] presidential nominee [18 18 Dole 18] and [19 19 Gingrich 19] , who has emerged as the favorite right-wing foil of [20 20 Democrats 20] . [21 21 Gore 21] told a roaring labor rally of about 1,000 union workers that [22 22 Dole 22] and [23 23 Gingrich 23] were the virtual personification of evil , without even mentioning that former Housing Secretary [24 24 Jack Kemp 24] is [25 25 Dole 25] 's running mate . " With equal measures of ignorance and audacity this two-headed monster of [26 26 Dole 26] and [27 27 Gingrich 27] has been launching an all out assault on decades of progress of behalf of working men and women , " [28 28 Gore

28] said to whoops of " 12 more years . " " They want to drive you out of politics and they ca n't , " he added . " They want to silence your voices in elections . " At a downtown hotel Monday , the 48-year-old [29 29 Gore 29] gave [30 30 Wisconsin 30] delegates a taste again of the new [31 31 Gore 31] . " I want you to ask this question . What would [32 32 Wisconsin 32] face if the same extremist coalition , the Gingrich / Dole Congress , also controlled the executive branch ? " [33 33 Gore 33] said . Noting the next presidential term will probably see two or three [34 34 Supreme Court 34] justice nominations , he warned , " Their extremist agenda would come out of the Gingrich Congress , into and through the Dole White House , down through the [35 35 Supreme Court 35] . " He painted a scene of horrors he saw if [36 36 Republicans 36] controlled the [37 37 White House 37] and the [38 38 Congress 38] they hold now . " Our personal and religious liberties would be at risk . [39 39 Medicare 39] would be at risk of withering on the vine . Medicaid would be at risk of being taken away from poor children . Education would be at risk . The environment would be at risk from the polluters that control that coalition , " he said . His new style mixed an assault on [40 40 Republicans 40] with what he sees as " productive opportunity , a vision for the future that lifts up working families , that builds [41 41 Wisconsin 41] stronger , that builds [42 42 America 42] stronger . With your help we can re-elect [43 43 Bill Clinton 43] . " [44 44 Dole 44] 's tax cut plans were called " *deja-voodoo* economics It 's a warmed-over plan that failed and drove our economy into a ditch . We got burned once and we wo n't let that happen to our nation again . " [45 45 Gore 45] ridiculed [46 46 Dole 46] 's defense of the tobacco industry , praised [47 47 Clinton 47] for " courage " in advancing regulations of it . To the delegates of [48 48 Wisconsin 48] , a leading dairy state , [49 49 Gore 49] had the right audience in poking fun at [50 50 Dole 50] 's comparison to addiction to tobacco to those who ca n't tolerate milk . " Some people say milk is bad for you , " [51 51 Gore 51] said as [52 52 Wisconsin 52] delegates held aloft a plastic inflated cow . He praised [53 53 Clinton 53] for vetoing the [54 54 Republican 54] [55 55 Congress 55] ' attempt to repeal parts of the Clean Air Act , and criticized [56 56 Republicans 56] for " slashing money to combat drugs in schools . " " The choice has never been starker , the stakes today have never been higher , " [57 57 Gore 57] said . " We 're not going to let them get away with that . "

Actor [1 1 Reeve 1] highlights [2 2 Democrats 2] ' first night . [3 3 CHICAGO 3] 1996-08-26 The highlights of the first day of the [4 4 Democratic 4] convention on Monday were expected to feature a mix of party leaders and people who have overcome adversity . Among the latter were gun control advocate [5 5 Sarah Brady 5] and actor [6 6 Christopher Reeve 6] and the politicians included 1 Rep . [7 7 Richard Gephardt 7] and Sen . [8 8 Thomas Daschle 8] . Here are thumbnail profiles of the convention 's key Monday speakers . [9 9 Sarah Brady 9] -- The nation 's toughest gun control law is named after [10 10 Ronald Reagan 10] 's press secretary [11 11 James Brady 11] but it was his wife who was the major force behind its passage . As head of Handgun Control Inc. , [12 12 Sarah Brady 12] , 54 , campaigned nonstop for tough gun control in the years following the shooting of her husband and then

President [13 13 Reagan 13] in 1981 . Her reward was the passage in 1993 of the " Brady Bill " which requires a mandatory five-day waiting period for purchase of handguns and also mandates background checks for would-be gun purchasers . [14 14 Reagan 14] recovered fully from his wounds but [15 15 Brady 15] , who was close to death after being shot by [16 16 John Hinckley Jr 16] . , suffered serious brain damage . [17 17 Sarah 17] was [18 18 Brady 18] 's second wife and they have a son , James Scott Brady Jr . Before the assassination attempt , she had worked for [19 19 Republican 19] congressmen and for the [20 20 Republican Party 20] . [21 21 Christopher Reeve 21] -- [22 22 Reeve 22] was best known for playing the comic book hero 2 Superman in four movies but his greatest heroics came in real life . [23 23 Reeve 23] , an accomplished rider who owned several horses , suffered multiple injuries including two shattered neck vertebrae when he was thrown from his horse at an equestrian event in [24 24 Culpepper 24] , [25 25 Virginia 25] , on May 27 , 1995 . Almost entirely paralyzed , [26 26 Reeve 26] underwent extensive surgery to fuse the vertebrae to the base of the skull and prevent any further damage to his spine . That allowed him to be moved to a semi-upright position . Over time he regained the power of speech , so much so that he was asked to address the opening night of the [27 27 Democratic National Convention 27] . [28 28 Reeve 28] , 43 , was classically trained as an actor but became the prototypical handsome leading man . He performed in summer stock and soap operas before being plucked as an almost unknown to play the lead in " 3 Superman " and three sequels . [29 29 Richard Gephardt 29] -- [30 30 Gephardt 30] , House [31 31 Democratic 31] leader , is a politician with a " [32 32 Mr Clean 32] " reputation who sought the presidency eight years ago and is widely believed to still have ambitions for the job . [33 33 Gephardt 33] , 55 , the son of a milkman from a working class district of [34 34 St. Louis 34] , is a consummate congressional insider , sufficiently skilled in compromise and the ways of the legislature to manage the often-unruly House [35 35 Democrats 35] . A former lawyer , he was in the front line of President [36 36 Bill Clinton 36] 's battle with the [37 37 Republican-led 37] [38 38 Congress 38] over the budget but has opposed the president 's decision to sign the Republican-written welfare reform bill . He advocated tough action against foreign countries to cut [39 39 U.S. 39] trade deficits but sometimes been out of step with the party 's liberal wing . He was an opponent of abortion until 1986 and voted for President [40 40 Ronald Reagan 40] 's big tax cut bill . [41 41 Gephardt 41] , a red-haired square-jawed man , is a less than fiery orator . His 1988 bid for the [42 42 Democratic 42] nomination only took off after he recreated himself as a firebreathing reformer of the establishment , standing up for blue collar workers and farmers . [43 43 Tom Daschle 43] -- [44 44 Daschle 44] , 48 , was largely unknown

outside [45 45 Washington 45] and his state of [46 46 South Dakota 46] when he surprisingly beat more prominent rivals to become Senate [47 47 Democratic 47] leader after the party lost its majority to the [48 48 Republicans 48] in 1994 . A mild-mannered and youthful man who rose rapidly after entering the Senate in 1987 , he presented himself as a [49 49 Midwest 49] moderate , as a [50 50 Democratic 50] winner in a [51 51 Republican 51] state able to unite Senate factions . Concern that he might be steamrollered by the vastly more experienced [52 52 Republican 52] leader [53 53 Bob Dole 53] was dispelled when he showed a tough edge , outmaneuvering [54 54 Dole 54] in a wrangle over scrapping a gas tax and raising the federal minimum wage . In his early Senate years he was seen as a " prairie populist " , working on legislation protecting farmers ' prices and also on compensating veterans sickened by [55 55 Agent Orange 55] defoliant spraying in the [56 56 Vietnam War 56] . [57 57 Daschle 57] was a key player in President [58 58 Bill Clinton 58] 's failed attempt at sweeping healthcare changes but when he became minority leader he declared he would be no water-carrier for the [59 59 White House 59] . He has made clear he opposed [60 60 Clinton 60] 's signing of the Republican-initiated welfare reform bill . He has spent his adult life in politics , coming to [61 61 Congress 61] as an aide in 1972 after three years in the [62 62 Air Force 62] and then being elected to the House of Representatives himself in 1978 .

NWE oil products mixed , holiday dulls trade . [1 1 LONDON 1] 1996-08-26 NWE oil products were mixed on Monday but markets were becalmed because of a public holiday in the [2 2 United Kingdom 2] , traders said . An explosion at [3 3 Repsol 3] 's [4 4 Puertollano 4] refinery , which killed four workers , had not affected output of oil products , an official said . " The plant is functioning as usual , " Jose Manuel Prieto , director of personnel , told [5 5 Spanish 5] state television . Gasoline prices were notionally unchanged from Friday despite sagging NYMEX numbers , with the arbitrage

window to the [6 6 U.S. 6] considered closed for the moment . Eurograde barges were offered at \$ 207 fob ARA for Amsterdam-Rotterdam barrels , and at \$ 206 for full ARA material . " There is no market at the moment , " one [7 7 Rotterdam 7] trader said . " Maybe sentiment is a little bit weaker but prices have not changed . " Outright gas oil prices were notionally softer as the NYMEX heating oil contract headed lower , and following news that the Indian Oil Corp ([8 8 IOC 8]) had issued a tender to buy only 120,000 tonnes of high speed diesel for October . [9 9 Asian 9] traders had earlier expected an [10 10 IOC 10] tender for around 400,000 tonnes . ARA gas oil barges were quiet although one trader said he had seen offers at \$ 1 a tonne over September IPE for prompt barrels , while [11 11 Antwerp 11] material was available for 0-50 cents over September . The [12 12 IOC 12] tender had " a bearish impact , but not a great impact , " one [13 13 German 13] player said . Fuel oil markets were also listless . Offers were around a dollar a tonne higher at \$ 102 fob ARA but bids were scarce . -- Nicholas Shaxson , [14 14 London 14] newsroom +44 171 542 8167

[1 1 Dutch 1] closing share market report . [2 2 AMSTERDAM 2]
1996-08-26 [3 3 Dutch 3] shares drifted to a lower close on Monday , dragged down by weakness in the domestic bond market and turnover depressed by the UK bank holiday and lack of any significant [4 4 U.S. 4] economic data . The [5 5 AEX 5] index of leading shares closed 4.54 points easier at 556.19 , the day 's low . The [6 6 Dutch 6] market had been on the defensive all day but a softer start to [7 7 Wall Street 7] did little to boost sentiment in late trade , dealers said . " It was always going to be a tough day with participation so low . But the only thing really worrying the market was the bonds , and that dragged us lower , " one dealer said . Stocks were down across the board , with Dutch PTT topping the volume list and closing down 1.90 guilders at 58.70 . The post and telecoms firm posted an 8.5 percent rise in first half earnings on Friday , just below analysts ' expectations . [8 8 IHC Caland 8] reported first half results well under forecasts on Monday and the shares suffered as a result . They were trading unchanged just before the release of figures but closed 2.40 guilders down at 80.70 after it reported net profits of 34.9 million guilders against 36.6 million last year and estimates ranging from 37.5 to 47.2 million . IHC also forecast post tax earnings rising 21 percent for the full year . Banking group [9 9 ING 9] traded ex-dividend today and finished 0.60 guilders weaker at 52.90 as a result . But [10 10 Nutricia 10] shrugged off its ex-div tag to soar a further 4.10 guilders to 214.40 continuing its explosive rally sparked by the 51 percent jump in first half net profits last week , which set the market alight on Friday , sending the shares up 18.40 at 210.00 by the close . Engineering concern Stork started the day well as the shares attracted some follow-through interest to the announcement late on Friday that its Fokker Aviation unit had won a major order . But the rally was short-lived and Stork ended just 0.20 up at 51.00 guilders . -- Amsterdam Newsroom +31 20 504 5000

[1 1 Tapie 1] to quit [2 2 French 2] assembly seat as film
opens . [3 3 PARIS 3] 1996-08-26 Former businessman and
soccer boss [4 4 Bernard Tapie 4] said that he would give up
his seat in the National Assembly by Wednesday , the day a
film by [5 5 Claude Lelouch 5] in which he stars opens in [6
6 France 6] . " I will no longer be deputy by the time the
film opens , " he said in a broadcast interview . " Just
about , " he told [7 7 Europe 1 7] radio when asked whether
he had sent his letter of resignation to Assembly speaker [8 8
Philippe Seguin 8] . A Seguin spokeswoman confirmed that no
letter or call had yet been received . [9 9 Tapie 9] , 53 ,

was resigning just ahead of expected government action to eject him from the Assembly following a finding by the **1 Supreme Court** that he was bankrupt and thus ineligible for public office for a five-year period . [10 10 Tapie 10] , the target of a blizzard of legal actions over his now-destroyed business empire and the [11 11 Marseille 11] soccer team he once ran , has a starring role in Lelouche 's " Homme , femmes : mode d'emploi " (Men , women : instructions for use) . He plays a power-hungry lawyer in the movie described as " a tender and cruel comedy " by Lelouche , who is making his 35th film . " I have paid too dearly for mixing two careers , " [12 12 Tapie 12] said . " In [13 13 France 13] , you cannot be a film artist and a national politician at the same time . That is why I will no longer be deputy by the time the film opens . " Justice Minister [14 14 Jacques Toubon 14] began last month the formal process of ejecting [15 15 Tapie 15] from the [16 16 French 16] parliament as well as stripping him of his seat in the [17 17 European 17] parliament . The [18 18 French 18] procedure was expected to be completed before October 2 , when the National Assembly is to reconvene after a summer break , but the [19 19 European 19] procedure was expected to take longer . [20 20 Tapie 20] 's lawyer has said he intends to appeal to the [21 21 European Court of Human Rights 21] in an effort to prevent or delay the loss of his [22 22 European 22] seat . But such an appeal , even if the court were to accept the case , which it is not obliged to do , would not suspend enforcement of the [23 23 French 23] judgement against him . [24 24 Tapie 24] faces a probable spell in prison after he loses his parliamentary immunity , since two appeal courts have confirmed jail sentences of eight and six months against him for tax fraud and rigging a soccer match . He is appealing in both cases to the **2 Supreme Court** .

The unlisted bank earlier announced a 1996 interim net profit of 853 million guilders , up 21.5 percent on the 702 million guilders reported in the first half of 1995 . He said second-half profit growth would depend on customer demand for loans , which was already easing , and the performance of financial markets , which were strong in the first half and boosted securities , trading and underwriting income . " We expect reasonable growth in the second half . Maybe it will be in single-digits , " [5 5 Wijffels 5] told [6 6 Reuters 6] . He said growth in customer demand in the first half was 50 percent above normal but it was hard to maintain this pace . [7 7 Rabobank 7] 's net profit was 1.43 billion guilders in 1995 . The bank earlier warned that profit growth would slow in the second half , citing the increasing momentum in profit growth in the comparative period of 1995 and increased investment . [1 1 Thai 1] PM proposes Sept 18 for no-confidence debate . [2 2 BANGKOK 2] 1996-08-26 [3 3 Thai 3] Prime Minister [4 4 Banharn Silpa-archa 4] on Monday proposed September 18 as the date for parliamentary debate on an opposition no-confidence motion accusing him of incompetence . The president of parliament had earlier said September 11 could be set for the debate . The opposition motion against Banharn accuses him of being incompetent , lacking ethical leadership and alleges his administration is corrupt . His critics allege he may be attempting to delay the debate . Banharn has denied the accusations and said he is ready to clear himself in parliament . " In my opinion September 18 would be a convenient date for the government to answer questions . This has nothing to do with the accusation that I am trying to escape the debate , " Banharn told reporters after meeting coalition partners . Banharn 's 13-month-old , six-party coalition government controls 209 seats in the 391-seat lower house of parliament . Political infighting within Banharn 's [5 5 Chart Thai 5] party has raised doubts whether he can hold his supporters together and defeat the opposition motion , political analysts said . " We are still waiting to fix a date . September 18 is regarded as tentative because we still have not received the order to fix it on the agenda , " said an official at parliament 's agenda section . The last no-confidence debate against Banharn 's coalition in May was won by the government .

FOCUS - Eurobourses end mixed but [1 1 London 1] recovers . Leonard Santorelli [2 2 LONDON 2] 1996-08-27 [3 3 European 3] bourses closed mixed on Tuesday with [4 4 London 4] clawing back most of the day 's losses despite an unsteady start on [5 5 wall Street 5] , hit by inflation worries . The dollar weakened during the day with many dealers sidelined because of uncertainty over [6 6 Tokyo 6] 's monetary direction ahead of the important [7 7 Japanese 7] Tankan economic survey out on Wednesday . But it recovered at the close of trade . Stocks in [8 8 London 8] started the week badly after a three-day weekend , slipping 0.3 percent , but bargain-hunters later moved in and the [9 9 FTSE 9] index recovered most of the lost ground to end only just in negative ground . Tuesday 's patchy showing in [10 10 London 10] followed a string of records last week , culminating in Friday 's trading high of 3,911 , fuelled by a wave of [11 11 European 11] interest rate cuts . The [12 12 London 12] bourse drew little help from the unsettled morning on [13 13 Wall Street 13] , which slipped in and out of positive ground after a stronger-than-expected August consumer confidence report refuelled inflation fears , pulling U.S. Treasuries back from their early peaks . Shortly after the report appeared showing the confidence index rising to 109.4 in August from a revised 107.0 in July , [14 14 Wall Street 14] relinquished virtually all its morning gains . " Treasuries remain very sensitive to any indication of a strong economy and we 're still in that summer doldrum period of light trading , " said Alan Ackerman , market strategist at Fahnestock & Co . " Consequently , stocks and bonds are both subject to rapid swings . " 1 Frankfurt was the one bright spot in [15 15 Euro pe 15] . Floor trading ended up 0.25 percent and the computerised IBIS index climbed nearly 0.4 percent , given a push by the performance of chemical shares . " The market is trading 100 percent on fundamentals at the moment as interest rate fantasy disappears -- it 's all company news , " said one trader . [16 16 French 16] shares ended slightly down

amid growing unease about a difficult autumn for the government which also weighed on the franc , dealers said . Bond prices were weaker and the franc was quoted at 3.4210 per mark for the first time since August 13 as worries about the government 's autumn budget and a weak [17 17 U.S. 17] currency lifted the mark and squeezed [18 18 French 18] investments . The dollar , which dropped sharply on Monday because of jitters over the [19 19 Japanese 19] Tankan survey , weakened further in quiet trading but regained losses to end the day close to Monday 's levels . " Besides the Tankan , there 's nothing really until the [20 20 U.S. 20] jobs numbers next week , " said a UK bank corporate dealer . " There is still the summer malaise hanging over the market . " Foreign exchange markets regard the Tankan report as an important indication of the country 's future monetary policy direction . If it points to weakness in the economy , the report will help the dollar regain some lost ground as speculation of a near-term rise in [21 21 Japanese 21] interest rates will evaporate . The [22 22 Japanese 22] discount rate is currently at a record low of 0.5 percent . The dollar was also pressured by the mark 's strength against [23 23 European 23] currencies amid renewed concerns over [24 24 Europe 24] 's economic and monetary union (EMU) timetable . CURRENCIES The dollar was at 1.4788 marks and 107.74 yen at the close of [25 25 European 25] trading compared with 1.4789 marks and 107.55 yen on Monday . STOCK MARKETS The Financial Times-Stock Exchange index of 100 leading [26 26 British 26] shares ended 1.8 points lower at 3,905.7 . In [27 27 Paris 27] , the CAC-40 share index finished down 2.43 at 2,017.99 . The 30-share [28 28 DAX 28] index in [29 29 Frankfurt 29] closed up 6.48 at 2,558.84 . PRECIOUS METALS Gold closed at \$ 388.55 an ounce , compared with Monday 's close of \$ 388.75 on international markets . Silver ended up one cent \$ 5.24 .

More hostages freed from hijacked [1 1 Sudanese 1] plane . [2 2 STANSTED 2] , [3 3 England 3] 1996-08-27 Armed hijackers believed to be [4 4 Iraqis 4] released between 60 and 70 people on Tuesday from a [5 5 Sudan Airways 5] plane carrying 199 passengers and crew that landed in [6 6 London 6] after being diverted on a flight from [7 7 Khartoum 7] to [8 8 Amman 8] , authorities said . A spokesman for [9 9 Stansted 9] airport said that the unidentified hijackers were demanding to see a [10 10 British-based 10] member of the Iraqi Community Association , called Mr Sadiki , and that police were trying to trace him . Police spokeswoman Kim White said police had already contacted Sadiki and were trying to arrange to bring him to [11 11 Stansted 11] , 30 miles (48 km) north-east of [12 12 London 12] , to talk to the hijackers . The airport spokesman said the six hijackers , who police said were armed with grenades and possibly other explosives , were believed to be [13 13 Iraqi 13] nationals . The hijackers started to release people for the Airbus plane in batches of 10 , starting with women and children , in what police described as a " controlled release " . Police said most of the passengers were [14 14 Sudanese 14] but that there were also an unknown number of [15 15 Iraqis 15] , Jordanians , [16 16 Palestinians 16] , [17 17 Syrians 17] and [18 18 Saudis 18] . Later they said the number of passengers

released from the plane had reached 80 .

FEATURE - " Eco terrorists " target UK builders . Edna Fernandes [1 1 LONDON 1] 1996-08-27 Ecological warfare has broken out across the [2 2 British 2] construction industry , striking some of the biggest corporates as activists give up peaceful protests and seek to hit builders where it hurts -- their profit margins . Described by one [3 3 British 3] company as " eco-terrorism " , it is seen as the new business risk of the 1990s . Famous names like Tarmac Plc , Costain Group Plc and [4 4 ARC 4] , a unit of conglomerate [5 5 Hanson Plc 5] , have all been targeted . Activist groups are no longer seen by [6 6 British 6] firms as a harmless , badly organised ragbag of students and hippies . " You only have to see them in action at protests , " said David Harding , spokesman at [7 7 ARC 7] , [8 8 Hanson 8] 's aggregates company . " They walk around with mobile phones and camera

equipment , they communicate and gather support for demos via the [9 9 Internet 9] -- we 're talking about a highly sophisticated organisation . " One road protestor under the codename Steady Eddie told construction journal " [10 10 Building 10] " earlier this year , " If it comes down to full-scale economic warfare , we will aim to drive them out of business . " As well as financial threats , companies also emphasise the " terror " tactics used . [11 11 Costain 11] 's contract to build the controversial [12 12 Newbury 12] bypass , which runs through a conservation area , has led to violent protests delaying building , bomb threats , staff intimidation and picketing of chief executive Alan Lovell 's home . A [13 13 Costain 13] spokesman told [14 14 Reuters 14] : " We 've had all sorts of protests at the head office and the chief executive 's house . But it 's when it gets to the (employee) families -- that it goes across the line . " Tactics used by some underground groups including the cryptic Berkshire Wood Elves , which distribute leaflets with instructions on home-made explosives , are now the subject of a police investigation . Other larger activist groups include Earth First , [15 15 The Land is Ours 15] , Alarm UK and Road Alert . The groups have targeted specific projects like the [1 6 16 Newbury 16] bypass and the M3 motorway through [17 17 Twyford Down 17] in the southern county of [18 18 Hampshire 18] . But they are also campaigning on broader issue such as stopping the government road building programme and out-of-town superstores which they say create more traffic , pollution and damage local communities . The government has slashed its road-building spending . Although protests may have contributed to the decision it has been seen primarily as economic rather than ecological . Graham Watts , chief executive of the [19 19 Construction Industry Council 19] , said : " I do n't think many firms involved in tendering for sensitive projects realise the impact environmental activity has on the cost of running a project . " But they are more alert than they were 3-4 years ago . There 's no doubt it 's a big issue now . " He says the damage comes in two forms : " Tangible -- in the form of extra costs , additional security , threats to staff and the more intangible damage caused by negative publicity . " Watts said the cost of protesting can be heavy once the company is locked into a contract . " I do often hear on the industry circuit of tales where the company tenders at low margins and the demonstrations which follow means they are running the project at a loss . " [20 20 ARC 20] says it 's not just contractors in the front line but also suppliers like itself . Its own quarries came under attack after it emerged that it may be a supplier for the [21 21 Newbury 21] bypass . " It was called the " First Battle of the Newbury bypass ' , " said [22 22 ARC 22] 's Harding . " We had 300 Earth First protestors invade and occupy our site . Hundreds of thousands of pounds (dollars) of damage was done in one day . Plus

there was the knock-on cost of lost production and extra security in future . " Simon Brown , analyst at investement bank [23 23 UBS 23] , said this new phenomenon has led to a change in the way the industry evaluates project risk . " When talking to [24 24 Tarmac 24] about the M3 link (through [25 25 Twyford Down 25]) they made it fairly clear that their risk assessment methods have been changed and now involve a very clear environmental risk analysis . " Harding says others have done the same . " As a result of eco-terrorism we are looking at controversial jobs more closely to see if the profit margins are wide enough to cover things like extra security . " For an industry already suffering from razor-thin margins , overcapacity and stagnant demand , eco-terrorism is the latest bizarre twist in the construction sector 's tale of woe .

only to [5 5 Rio 5] , ended peacefully on Monday with an
estimated 800,000 revellers singing and dancing the day away
in high spirits . Police said they made 30 arrests and there
were two stabbings . But there was no repeat of the ugly
scenes that used to scar the street festival , and police
praised the crowds over the two days of festivities as good-
natured . Around 400 police were wounded in riots in 1976
when the carnival , now in its 31st year , acquired its
darker reputation from which it is now only slowly
recovering . Shopkeepers still board up their windows and
many residents leave town for the weekend , but for four or
five years there has been no disorder and relatively little
crime .

GOLF - PLAYERS DIVIDED ON CART REQUEST FOR OLAZABAL . [1 1 NO RTHAMPTON 1] , [2 2 England 2] 1996-08-27 [3 3 Seve Ballesteros 3] and [4 4 Colin Montgomerie 4] are divided on whether [5 5 Jose Maria Olazabal 5] should be allowed to return to the [6 6 European PGA Tour 6] using a motorised cart to transport him around the course . The [7 7 Spaniard 7] has not played for nearly a year because of rheumatoid arthritis in both his feet , and organisers of a pairs event to be staged in [8 8 Bordeaux 8] , [9 9 France 9] from October 17 to 20 have been asked to provide him with a buggy . " If the (Tour 's tournament) committee decides to change the rule I would not be against it , " said [10 10 Ballesteros 10] , Olazabal 's compatriot and [11 11 Ryder Cup 11] captain . But committee member [12 12 Montgomerie 12] said it could set an unhelpful precedent . " I know Olly 's situation is very unfortunate , but I do n't think we can start giving dispensations , " he said . " You 've got to have a rule for everybody and I do n't think it 's feasible . " The use of carts is generally prohibited in the professional game , and if Olazabal is allowed to use one in [13 13 Bordeaux 13] , he might then request one for the qualifying tournaments for next year 's [1 4 14 Ryder Cup 14] .

TENNIS - [1 1 EDBERG 1] EXTENDS GRAND SLAM RUN , TOPPLES [2 2 WIMBLEDON 2] CHAMP . Larry Fine [3 3 NEW YORK 3] 1996-08-27 [4 4 Stefan Edberg 4] produced some of his vintage best on Tuesday to extend his grand run at the [5 5 Grand Slams 5] by toppling [6 6 Wimbledon 6] champion [7 7 Richard Krajicek 7] in straight sets at the [8 8 U.S. Open 8] . [9 9 Edberg 9] , competing in the 54th consecutive and final [10 10 Grand Slam 10] event of his illustrious career , turned back the clock at Stadium Court with a flowing 6-3 6-3 6-3 serve-and-volley victory over the fifth-seeded [11 11 Dutchman 11] . " It 's a

win that I can be proud of , " said the 30-year-old [12 12 Swede 12] , winner of two [13 13 U.S. 13] Opens and six [14 14 Grand Slam 14] titles in all . " It 's never easy to beat the [15 15 Wimbledon 15] champion . " [16 16 Edberg 16] , who has said he will retire at season 's end , made it look easy under gray skies at the [17 17 National Tennis Centre 17] . The unseeded [18 18 Swede 18] struck quickly , breaking [19 19 Krajicek 19] in the first game and never let loose his grip on the one hour 44 minute match as he served and volleyed with the grace that made him one of the dominant players of his time . " There 's not doubt about it , [20 20 Richard 20] was definitely off his game and I took advantage , " said [21 21 Edberg 21] . " I still have my days where I feel great out there . " Also reaching the second round were top-seeded defending champion [22 22 Pete Sampras 22] , a 6-2 6-2 6-1 winner over last minute replacement [23 23 Jimy Szymanski 23] of [24 24 Venezuela 24] , called on after [25 25 Adrian Voinea 25] of [26 26 Romania 26] withdrew because of a sprained ankle . Third seed [27 27 Thomas Muster 27] of [28 28 Austria 28] also charged into the second round with a 6-1 7-6 (7-2) 6-2 romp over [29 29 Javier Frana 29] of [30 30 Argentina 30] . [31 31 Marcelo Rios 31] of [32 32 Chile 32] , the 10th seed , also advanced . [33 33 Rios 33] claimed a 4-6 6-1 6-4 6-2 victory over [34 34 Romania 34] 's [35 35 Andrei Pavel 35] . On the women 's side , second seed [36 36 Monica Seles 36] got off to a strong start by beating fellow-American Anne Miller 6-0 6-1 and was joined in the second round by [37 37 Spain 37] 's [38 38 Arantxa Sanchez Vicario 38] (seeded third) , 1 Olympic champion [39 39 Lindsay Davenport 39] (8) and [40 40 Karina Habsudova 40] of [41 41 Slovakia 41] (17) . The women 's draw lost another seed when [42 42 Austrian 42] [43 43 Judith Wiesner 43] overcame [44 44 Iva Majoli 44] of [45 45 Croatia 45] 2-6 6-3 6-1 . The fifth- seeded [46 46 Majoli 46] joined [47 47 Anke Huber 47] (5) and [48 48 Magdalena Maleeva 48] (12) on the sidelines .

TENNIS - [1 1 CHANG 1] , [2 2 WASHINGTON 2] ADVANCE , TWO WOMEN 'S SEEDS FALL . Larry Fine [3 3 NEW YORK 3] 1996-08-26 [4 4 Michael Chang 4] is playing in his 10th [5 5 U.S. Open 5] and enjoying his highest seeding ever , but the 24-year-old [6 6 American 6] had to overcome a case of the jitters Monday before winning his first-round match on opening day . [7 7 Chang 7] , seeded second behind defending champion [8 8 Pete Sampras 8] , took two hours 40 minutes to defeat 186th-ranked [9 9 Jaime Oncins 9] of [10 10 Brazil 10] 3-6 6-1 6-0 7-6 , 8-6 in the tiebreaker . " I was pretty tight the whole match , " conceded [11 11 Chang 11] , one of the hottest players on tour this summer with a 16-2 record on hardcourts that included two titles and a runner-up finish . " Everyone has moments when they get tight . Hopefully , this will have been my nerves for the whole tournament . " Joining [12 12 Chang 12] into the second round was [13 13 Wimbledon 13] runner-up [14

14 MaliVai Washington 14] , the 11th seed , who also needed four sets to get past talented [15 15 Moroccan 15] [16 16 Karim Alami 16] 6-4 2-6 7-6 (7-5) 6-1 . [17 17 Washington 17] 's win was not comfortable , either . The 27-year-old [18 18 American 18] hurried off the Stadium Court for treatment of an upset stomach after his two and a half hour struggle against [19 19 Alami 19] . " Towards the end of my match my stomach felt like week-old sushi , " said [20 20 Washington 20] . " Maybe it was a combination of the heat and something I ate . " [21 21 Chang 21] and [22 22 Washington 22] were the only men 's seeds in action on a day that saw two seeded women 's players fall . [23 23 Australian Open 23] runner-up [24 24 Anke Huber 24] of [25 25 Germany 25] , the sixth seed , was undone by an unlucky draw that put her against 17th ranked [26 26 South African 26] [27 27 Amanda Coetzer 27] in her opening match . [28 28 Coetzer 28] claimed revenge for the semifinal defeat she suffered to [29 29 Huber 29] in [30 30 Melbourne 30] by taking a 6-1 2-6 6-2 victory . Last year 's [31 31 Wimledon 31] junior champion , [32 32 Aleksandra Olsza 32] of [33 33 Poland 33] , removed another seed from the draw by eliminating number 12 [34 34 Magdalena Maleeva 34] of [35 35 Bulgaria 35] 6-4 6-2 . Other men 's winners included a pair of former [36 36 Grand Slam 36] tournament champions whose victories set up a showdown in the second round . [37 37 Germany 37] 's [38 38 Michael Stich 38] , the 1991 [39 39 Wimbledon 39] champion , and two-time [40 40 French Open 40] winner [41 41 Sergi Bruguera 41] of [42 42 Spain 42] will face each other next after beating [43 43 German 43] [44 44 Tommy Haas 44] 6-3 1-6 6-1 7-5 , and [45 45 Belgian 45] Kris Goossens 6-2 6-0 7-6 (7-1) , respectively . Alex O'Brien , who scored his first professional title eight days ago in [46 46 New Haven 46] , advanced to the second round with a 6-4 1-6 6-4 6-3 win over [47 47 Ecuador 47] 's [48 48 Nicolas Lapentti 48] . [49 49 Wimbledon 49] bad boy [50 50 Jeff Tarango 50] caught a break Monday when he advanced after the retirement of [51 51 German 51] [52 52 Alex Radulescu 52] due to heat exhaustion . [53 53 Tarango 53] was leading 6-7 (5-7) 6-4 6-1 3-1 . [54 54 Chang 54] blamed breezy conditions for some of the erratic play in his match with [55 55 Oncins 55] , who had beaten him in the round of 32 at the 1992 [56 56 Barcelona 56] [57 57 Olympics 57] . [58 58 Chang 58] committed an untidy 53 unforced errors , though he made seven fewer than the [59 59 Brazilian 59] , who also walloped a woeful 24 double faults . The most deflating double fault came when [60 60 Oncins 60] was serving to force a fifth set , leading 6-4 in the tiebreaker . The set point came after confusion at the net on the point previous , which was awarded to [61 61 Oncins 61] after the two exchanged shots at close quarters at the net . First [62 62 Chang 62] approached the umpire , then [63 63 Oncins 63] , then [64 64 Chang 64] again before play finally resumed . " Those little seconds were like an hour to me , " said [65 65 Oncins 65] , who promptly fired two serves barely

contained by the baseline as he frittered away his best chance . [66 66 Chang 66] ran off the next three points to close out the match but for [67 67 Oncins 67] , the contest was a personal victory . The 26-year-old [68 68 Brazilian 68] had risen into the top 30 in 1992 . The next year a close friend was struck by a stray bullet while riding home in a car from a soccer game in [69 69 Sao Paulo 69] . He died slumped against [70 70 Oncins 70] , who subsequently lost interest in tennis . " Two months ago I started talking about quitting , " said [71 71 Oncins 71] , who decided to give it one last try and made it through the Open qualifying tournament last weekend . " I believe in my game again , " he said . At the end of the day , a spate of withdrawals from the tournament were announced . Eighth seed [72 72 Jim Courier 72] withdrew because of a bruised right knee , and 1988 Open champion [73 73 Mats Wilander 73] bowed out due to a groin pull , organisers said . Women 's ninth seed [74 74 Mary Joe Fernandez 74] pulled out because of tendinitis in her right wrist .

SOCCER - [1 1 MARSEILLE 1] HOLD [2 2 AUXERRE 2] TO GOALLESS DRAW . [3 3 PARIS 3] 1996-08-27 Former [4 4 European 4] champions [5 5 Marseille 5] held [6 6 French 6] champions [7 7 Auxerre 7] to a goalless draw in a lacklustre league match on Tuesday . The bill looked promising but both sides , struggling to find their form early in the season , were disappointing . [8 8 Auxerre 8] , who start their [9 9 Europe an Cup 9] campaign next week against [10 10 Ajax Amsterdam 10] , dominated the match but were unable to score . Unbeaten in four matches , they still trail leaders [11 11 Lens 11] by one point . [12 12 Lens 12] , who have won all their three league matches so far , host [13 13 Montpellier 13] on Wednesday night . Despite another dismal performance , especially in defence , [14 14 Marseille 14] restored some pride by keeping the reigning champions at bay after losing 2-1 at home to [15 15 Metz 15] last Saturday . After two seasons in the second division and after taking on half a dozen new recruits this season , some of whom do not speak a word of [16 16 French 16] , [17 17 Marseille 17] are not playing with any fluidity . But [18 18 German 18] international goalkeeper [19 19 Andreas Koepke 19] again proved a sound investment when under pressure from the [20 20 Auxerre 20] strikers , saving his team with a number of fine parries . [21 21 Marseille 21] now lie seventh in the league on five points .

SOCCER - [1 1 NEUCHATEL 1] TO APPEAL AGAINST [2 2 CYPRIEN 2]
'S NINE-MONTH BAN . [3 3 GENEVA 3] 1996-08-27 [4 4 Swiss 4]
league leaders [5 5 Neuchatel Xamax 5] said on Tuesday they
would appeal against a nine-month ban imposed on [6 6 French 6]
] international defender [7 7 Jean-Pierre Cyprien 7] for his
part in a post-match brawl . [8 8 Cyprien 8] , also fined
10,000 [9 9 Swiss 9] francs (\$ 8,400) , traded punches with
[10 10 St Gallen 10] 's [11 11 Brazilian 11] player Claudio
Moura after a match on Saturday . When officials and coaching
staff tried to intervene , [12 12 Cyprien 12] launched a
flying kick at Moura , but only succeeded in kneeing [13 13 St

Gallen 13] coach Roger Hegi in the stomach . Moura , who appeared to have elbowed [14 14 Cyprien 14] in the final minutes of the 3-0 win by [15 15 Neuchatel 15] , was suspended for seven matches and fined 1,000 francs (\$ 840) by the [16 16 Swiss 16] league disciplinary committee . Club president Gilbert Facchinetti said he was astonished the committee had arrived at its decision so quickly and vowed the club would appeal . [17 17 Neuchatel 17] coach [18 18 Gilbert Gress 18] described the incident as " shocking " , but said Moura was also to blame . " Moura physically and verbally provoked [19 19 Cyprien 19] during the match . The referee could not have seen it or he would have punished him , " [20 20 Gress 20] said . " During the scuffle , Moura threw the first punch . Tomorrow , if someone punches me , I would not know how to react . " [21 21 Cyprien 21] , who won his one [22 22 French 22] cap against [23 23 Italy 23] in February 1994 , cannot play in [24 24 Switzerland 24] or elsewhere until May next year .

COFINEC SLIPS ON [1 1 BUDAPEST 1] BOURSE BUT FUTURE STRONG . Emese Bartha [2 2 BUDAPEST 2] 1996-08-27 Expectations that Cofinec S.A. , the [3 3 Hungarian 3] bourse 's first foreign listing , will report a disappointing first half have depressed the stock below its issue price , but analysts expect a rebound in the long term . " The first half of the year is unlikely to be as strong as expected so the company will probably be unable to reach its annual plan in 1996 , " said Gabor Sitanyi , a London-based analyst for ING Barings . The French-registered packaging materials company , which floated its shares in [4 4 Hungary 4] in July , for most of the past two weeks hovered below the 6,425 forints / Global Depository Receipts price of its initial offering , which was oversubscribed . The company , which asked for a two-week delay from the usual August 15 deadline for reporting first-half results , closed on Tuesday at 5,800 forints , down 300 . " Cofinec 's first-half figures will be ... between one-third of two-fifths of its annual plan , " said Tamas Erdei , a [5 5 Budapest-based 5] analyst for ABN-AMRO Hoare Govett . Analysts blame , at least partly , [6 6 Hungary 6] 's macroeconomic environment for the weaker figures for Cofinec which , operating in [7 7 Hungary 7] , [8 8 Poland 8] and the [9 9 Czech Republic 9] , now generates about 55 to 60 percent of its annual sales from [10 10 Hungary 10] . [11 11 Hungary 1 1] 's Gross Domestic Product fell one percentage point in the first quarter while real wages plunged 7.2 percentage points in the first half of 1996 . Both will have their impact on Cofinec 's figures , the analysts said . Despite the current difficulties , however , analysts were convinced that Cofinec 's outlook was strong . " The eastern [12 12 European 12] market offers good chances , " said Erdei . " Just like many other companies on the bourse , Cofinec has big growth opportunities . " " At the same time , it 's an advantage for Cofinec that it has a foreign management which perhaps understands the market better , " Erdei added . " Cofinec is a very good story in the long-term as the per capita packaging consumption is still so low in east [13 13 Europe 13] that a very strong increase can be expected (long-term) , " Sitanyi said , saying that several recent moves by Cofinec boosted its position . Among them , he noted that Cofinec had acquired the outstanding stake in its [14 14 Czech 14] folding company Krpaco a.s. , increasing its ownership to 100 percent , so in the second half the whole of Krpaco 's

figures will be consolidated . The company also repaid some \$ 21 million of debt , well above the originally planned \$ 8 million to \$ 9 million . In addition , its [15 15 Polish 15] operation began with some six weeks of delay due to cold winter weather and the test run was also longer than planned . -- [16 16 Budapest 16] newsroom (36 1) 266 2410

[1 1 McGrath 1] left out of [2 2 Ireland 2] [3 3 World Cup 3] squad . [4 4 DUBLIN 4] 1996-08-27 [5 5 Ireland 5] 's most experienced player , defender [6 6 Paul McGrath 6] , was left out of the national squad for the first time in 11 years on Tuesday when new manager [7 7 Mick McCarthy 7] named his side to face [8 8 Liechtenstein 8] in a World Cup qualifier . The 36-year-old [9 9 Aston Villa 9] player won the last of his [10 10 Irish 10] record of 82 international caps against the [11 1 1 Czech Republic 11] in [12 12 Prague 12] in April . " Paul accepted the situation . He has n't played any first-team games for [13 13 Villa 13] this season and he 's not the type of player I would have brought on as a substitute , " [14 14 M cCarthy 14] said . " But he surprised me in training over the last two days because of his involvement . He 's certainly is still very much part of my plans for the future . " At 24 , 25 or 26 you could get away with it , not having played first-team games . But at 36 it would be asking too much of [1 Paul 1] , " he said . Also omitted from the 20-man squad which will travel to [15 15 Vaduz 15] for Saturday 's group eight match are central defenders [16 16 Alan Kernaghan 16] and [17 17 Liam Daish 17] . [18 18 Leeds United 18] defender [19 19 Ga ry Kelly 19] is unable to travel because of a knee injury picked up in Monday 's 1-0 victory over [20 20 Wimbledon 20] at [21 21 Elland Road 21] . Since taking over from [22 22 Jack Charlton 22] in February , [23 23 McCarthy 23] has played

largely experimental sides and seen them lose five times , draw twice and win just once . Squad : [24 24 Alan Kelly 24] , [25 25 Shay Given 25] , [26 26 Denis Irwin 26] , [27 27 Phil Babb 27] , Jeff Kenna , [28 28 Curtis Fleming 28] , [29 29 Gary Breen 29] , [30 30 Ian Harte 30] , [31 31 Kenny Cunningham 31] , [32 32 Steve Staunton 32] , [33 33 Andy Townsend 33] , [34 34 Ray Houghton 34] , [35 35 Gareth Farrelly 35] , [36 36 Alan McLoughlin 36] , [37 37 Jason McAteer 37] , [38 38 Alan Moore 38] , Keith O'Neill , [39 39 Tony Cascarino 39] , [40 40 Niall Quinn 40] , [41 41 David Kelly 41] . -- Dublin Newsroom +6613377

[1 1 Sudanese 1] rebels say missionaries should be freed . Peter Smerdon [2 2 NAIROBI 2] 1996-08-27 The main rebel group in south [3 3 Sudan 3] said on Tuesday it was trying to arrange the release of six [4 4 Roman Catholic 4] missionaries , including three [5 5 Australian 5] nuns , held for nearly two weeks . George Garang , [6 6 Nairobi 6] spokesman for the Sudan People 's Liberation Army (SPLA) , said it was urgently trying to contact SPLA commander Nuour Marial at Mapourdit in the south to free the six . " The movement is making arrangements for them to be set free . This is a decision of the leadership , " Garang said . " Commander Nuour Marial is a soldier so he must accept the leadership 's decision . But communications at this time of year are very difficult because of rains and a lack of power , " he added . The Catholic Information Office in [7 7 N airobi 7] said on Monday that four of the six had been charged by the SPLA with spying , spreading [8 8 Islam 8] and hindering recruitment into the rebel group . " These charges are the interpretation of the church , " Garang said on Tuesday . " We have no idea why they are being held . We are still trying to establish contact with the local commander . " Asked whether this meant the commander was out of control , Garang said the rebel movement was working on the problem . He said he believed all six were being held in the mission compound at Mapourdit and were reported to be in good health . The Catholic Information office in [9 9 Nairobi 9] said on Monday that [10 10 Australian 10] Sisters Moira Lynch , 73 , and Mary Batchelor , 68 , [11 11 American 11] Father Michael Barton , 48 , and [12 12 Sudanese 12] Father Raphael Riel , 48 , were held in a prison in south [13 13 Sud an 13] by the SPLA . It said [14 14 Australian 14] Sister Maureen Carey , 52 , and [15 15 Italian 15] Brother Raniero Iacomella , 28 , were held inside the compound . The church in [16 16 Australia 16] said on Monday Lynch , Batchelor , Barton and Riel were held in a prison until the weekend , when they were moved to join the other captives at the compound . The Catholic Information Office said the SPLA in the [17 17 Kenyan 17] capital had attributed the detentions of the six to a local commander and had promised they would be freed by August 23 . But the church learned in a recent meeting with the local commander that no instructions to release the prisoners were received and they would be held until investigations were completed . It said last Friday

they were visited by Monsignor Caesar Mazzolari , apostolic administrator of the diocese of [18 18 Rumbek 18] in southern [19 19 Sudan 19] , and an SPLA administrator and appeared in good condition . " On August 17 the mission was surrounded (by the SPLA) and sealed off . The evening of the same day the missionaries were put in prison or isolation . Later the mission was looted , " it added . An [20 20 Australian 20] foreign ministry official said the charges against them were " fairly bizarre " and a matter for concern . He said [21 21 A ustralian 21] diplomats in [22 22 Nairobi 22] were working with the [23 23 Roman Catholic 23] church in southern [24 24 S udan 24] and with [25 25 U.S. 25] and [26 26 Italian 26] diplomats in the region to help free the missionaries . The SPLA has fought [27 27 Khartoum 27] 's government forces in the south since 1983 for greater autonomy or independence of the mainly 1 Christian and animist region from the [28 28 Mos lem 28] , Arabised north .

OSCE postpones Bosnian municipal elections . [1 1 SARAJEVO 1]

1996-08-27 The [2 2 U.S. 2] diplomat in charge of elections in Bosnia announced on Tuesday that voting for municipal assemblies would be postponed because of irregularities by the [3 3 Serbs 3] in registering voters . Ambassador Robert Frowick , representing the Organisation for Security and Cooperation in Europe (OSCE) , told reporters that municipal polls due on September 14 with other Bosnian elections would be put off . " I have made a chairman 's decision that it is not feasible to hold municipal elections on September 14 , " said Frowick . He said no exact date had been set but it was possible the local elections would take place in the spring of 1997 . According to OSCE officials , [4 4 Serb 4] authorities have pressed their refugees to register to vote in towns now under [5 5 Serb 5] control , but which used to have [6 6 Moslem 6] majorities . Human rights workers say authorities in [7 7 Serbia 7] and [8 8 Bosnian Serb 8] territory have conducted a well-organised campaign to coerce refugees into registering only on [9 9 Serb 9] territory and failed to inform them of their rights under the 1 Dayton peace agreement . Diplomats say the effect of the electoral engineering would be to establish political control over districts they conquered and ethnically cleansed in war . The response of the Bosnian Serbs to the OSCE 's announcement was not immediately clear . But [10 10 Bosnian Serb 10] leaders have hinted they would boycott the poll if the municipal elections were postponed , or go ahead with their own . The [1 11 Bosnian Serb 11] cabinet , in a letter to the OSCE , said on Monday that any delay of local elections would be " a direct and flagrant violation fo the 2 Dayton agreement " . The [12 12 Serbs 12] , who administer half of Bosnia in a [13 13 Serb 13] republic , said they had met all conditions for holding the September elections . Diplomats fear that the crisis could cast doubt over the entire election process , which already appears set to confirm Bosnia 's ethnic partition rather than its reintegration as the 3 Dayton peace agreement had planned .

New talks in [1 1 Chechnya 1] as [2 2 Lebed 2] waits for [3 3 Yeltsin 3] . Dmitry Kuznets [4 4 NOVYE ATAGI 4] , [5 5 Russia 5] 1996-08-27 [6 6 Russian 6] and rebel military commanders finally met in [7 7 Chechnya 7] on Tuesday for delayed talks aimed at finalising a ceasefire arranged last week by President [8 8 Boris Yeltsin 8] 's envoy [9 9 Alexander Lebed 9] . The [10 10 Russian 10] army commander in the region , General Vyacheslav Tikhomirov , arrived at the rebel-held village of [11 11 Novye Atagi 11] , some 20 km (12 miles) south of the [12 12 Chechen 12] capital [13 13 Grozny 13] for discussions with rebel chief-of-staff [14 14 Aslan Maskhadov 1 4] . But [15 15 Lebed 15] himself , the [16 16 Kremlin 16] security chief , is still waiting back in [17 17 Moscow 17] to meet [18 18 Yeltsin 18] over his plans for a lasting political settlement in [19 19 Chechnya 19] . [20 20 Itar-Tass 20] news agency quoted the [21 21 Kremlin 21] press service as saying [22 22 Yeltsin 22] , who left for a state holiday home near [23 23 Moscow 23] on Monday , would hold no working meetings on Tuesday . [24 24 Lebed 24] interrupted talks with [25 25 Chechnya 25] 's separatists on a political deal on Sunday , saying he had to consult with [26 26 Yeltsin 26] . After a meeting failed to materialise on Monday , [27 27 Lebed 27] 's spokesman said he might meet the president on Tuesday . But [28 28 Yeltsin 28] 's spokesman rebuffed the suggestion , saying the president had left [29 29 Moscow 29] for a holiday near the capital . The [30 30 Russians 30] postponed the talks after a [31 31 Chechen 31] band disarmed a column of [32 32 interior ministry 32] troops on Sunday . The [33 33 Chechens 33] said a renegade group seized the weapons and said on Monday they had all been returned . The [3 4 34 Russian 34] command insisted that not all the weapons were the same as those taken . [35 35 Tass 35] said the weapons and the practical implementation of the ceasefire signed by [36 36 Lebed 36] and [37 37 Maskhadov 37] last Thursday would be on the agenda of today 's talks . Neither spoke to reporters before the meeting , which started around 10.45 a.m. (0645 [38 38 GMT 38]) . Also in [39 39 Novye Atagi 39] on Tuesday morning , was Tim Guldmann , the [40 40 Swiss 40] diplomat who heads the [41 41 Chechnya 41] mission of the Organisation for Security and Cooperation in Europe (OSCE) . Guldmann , who helped broker an earlier truce in

May , was not taking part in the Tikhomirov-Maskhadov talks . [42 42 Lebed 42] 's peace mission this month has stopped some of the worst fighting of the 20-month-old conflict . However , tension on the ground indicates that it could falter if the momentum for a settlement is not maintained . Three [43 43 Russian 43] servicemen were wounded in a total of six shooting incidents overnight , [44 44 Itar-Tass 44] news agency quoted the [45 45 Russian 45] military as saying on Tuesday morning . RIA news agency quoted an army source accusing rebel fighters of failing to turn up for joint Russian-Chechen police patrols in some districts of the capital [46 46 Grozny 46] on Tuesday . But the separatist command told [47 47 Interfax 47] news agency the patrols , part of the truce brokered by [48 48 Lebed 48] last week , would begin on Tuesday after delays for " technical reasons " . [49 49 Yeltsin 49] 's spokesman said he might meet officials during his break , but indicated [50 50 Lebed 50] was low on the list by saying [51 51 Yeltsin 51] would need time to study the proposals before talking to him . [52 52 Russian 52] news agencies also quoted the [53 53 Kremlin 53] spokesman as saying that [54 54 Lebed 54] 's representatives had not sought a meeting , hinting at an attempt by the president to put his popular and outspoken protege in his place with a lesson on protocol . [55 55 Yeltsin 55] , 65 , has kept a low profile since he was reelected in July , prompting new speculation that the two heart attacks he suffered last year and a rumoured drinking problem could be taking their toll , weakening his grip on affairs of state . Aides have dismissed such speculation , insisting that he simply needs a rest after his energetic election campaign . Some analysts say the [56 56 Kremlin 56] leader , whose order sending troops and tanks into [57 57 Chechnya 57] in 1994 started [58 58 Russia 58] 's ill-fated military campaign , could merely be reluctant to put his name to a peace process which might fall apart . But [59 59 Lebed 59] , who has no real power without his boss and has hinted at dark forces in [60 60 Moscow 60] working against him , appears to think a deal will not stick without strong backing from [61 61 Yeltsin 61] . His proposals have not been spelled out but are expected to involve a compromise between the separatists ' demand for independence and [62 62 Moscow 62] 's insistence that [63 63 Chechnya 63] remain part of the [64 64 Russian Federation 64] .

Nationalists want [1 1 Iliescu 1] ousted for [2 2 Hungary 2] pact . [3 3 BUCHAREST 3] 1996-08-27 Junior Nationalist members of [4 4 Romania 4] 's ruling coalition called on Tuesday for the impeachment of President [5 5 Ion Iliescu 5] for backing a friendship treaty with neighbouring [6 6 Hungary 6] . [7 7 Iliescu 7] 's [8 8 Party of Social Democracy 8] , the senior coalition partner , immediately dismissed the National Unity Party ([9 9 PUNR 9]) demand as crude electioneering . " It is a desperate move by the [10 10 PUNR 10] , which is losing its only reason for existing ahead of the electoral campaign , " said [11 11 PDSR 11] executive president [12 12 Adrian Nastase 12] . " This treaty is both necessary and good , " [13 13 Nastase 13] said , adding that the [14 14 PUNR 14] 's stance was threatening its position in the government . The treaty agreed unexpectedly two weeks ago will end years of disputes over the status of [15 15 Romania 15] 's large ethnic [16 16 Hungarian 16] minority . It will also boost both countries ' chances of admission to [17 17 NATO 17] and the [18 18 European Union 18] . " If they (the [19

[19 PUNR 19]) are so vexed , they could leave the government ... We might also help them to do it , if they go on like this , " he said . The [20 20 PUNR 20] holds four key ministries -- justice , transport , agriculture and communications . [21 21 PUNR 21] leader [22 22 Gheorghe Funar 22] said in a statement [23 23 Iliescu 23] , in power since the fall of communism in 1989 , should be impeached for treason for compromising on the issue of ethnic [24 24 Hungarian 24] minority rights in the treaty due to be signed next month . [25 25 Funar 25] 's call came on the eve of the official launch of [26 26 Iliescu 26] 's campaign for a new term at November 3 polls . His appeal to the opposition to back his attempt to oust [27 27 Iliescu 27] was unlikely to succeed , analysts said . [28 28 Iliescu 28] has invited political leaders to a meeting on Thursday to discuss the final form of the pact which both [29 29 Romanian 29] and [30 30 Hungarian 30] nationalists oppose for different reasons . Presidential officials were not available to comment on the call for [31 31 Iliescu 31] 's impeachment .

[1 1 Estonian 1] MPS see little hope of electing president .

Belinda Goldsmith [2 2 TALLINN 2] 1996-08-27 [3 3 Estonia 3] 's parliament failed for a second time to elect a president on Tuesday , dealing a blow to incumbent [4 4 Lennart Meri 4] and pushing the country towards stalemate in its choice of a new head of state . Neither [5 5 Meri 5] , who oversaw [6 6 Estonia 6] 's first steps into statehood after the collapse of the [7 7 Soviet Union 7] , nor his arch-rival , former communist [8 8 Arnold Ruutel 8] , have secured the 68 votes necessary from the 101-member parliament . [9 9 Meri 9] garnered 49 votes and [10 10 Meri 10] 34 in Tuesday 's ballot for the five-year presidency of [11 11 Estonia 11] . A third and final vote was due to be held when parliament reconvened on Tuesday but legislators were not expecting a clear result . If there is no result the decision will be ceded to an electoral college . " The votes are a strong message to [12 12 Meri 12] that he is not favoured by some politicians any more , " [13 13 Reform Party 13] head Heiki Kranich told [14 1 4 Reuters 14] . Under a constitution agreed in 1992 , a year after independence , the president has no executive powers . His only political role is to smooth the functioning of government in periods of crisis . But [15 15 Meri 15] , 67 , has been accused in parliament of taking too much power and not always consulting parliamentarians before making decisions . His relations with a leftist-led government have sometimes been tense . His support in the first round of voting on Monday was much lower than expected , scoring only 45 votes , which political analysts put down as a vote of no confidence in his performance . This support only inched up to 49 in the second vote . Support for [16 16 Ruutel 16] , 68 , remained constant at 34 votes . If the third vote fails to give either [17 17 Meri 17] or [18 18 Ruutel 18] 68 votes , the parliamentary speaker will convene an electoral college of 101 MPs and 273 local government representatives to hold a new poll that could include new nominations . This would be the first time that the former [19 19 Soviet 19] republic has had to call together an electoral college . In its first presidential election in 1992 [20 20 Meri 20] won the necessary votes in in a parliamentary election against [21 21 Ruutel 21] . Parliamentary organisers said the exact timetable remained unclear but it would probably take about a month to organise an electoral college which could also hold several rounds of voting before a clear winner emerges .

Neither [5 5 Meri 5] nor his rival [6 6 Arnold Ruutel 6] could garner the 68 votes needed from the 101 members of parliament to become president . In the third vote [7 7 Meri 7] won 52 and [8 8 Ruutel 8] won 32 votes . The final decision will now be made by a larger assembly . [9 9 Meri 9] won 49 in a second vote earlier on Tuesday and 45 in the first on Monday . [10 10 Ruutel 10] won 34 votes in the first two secret ballots . Enn Markwart , chairman of the National Election Commission said 96 members of parliament cast votes , with one ballot paper invalid and 11 abstentions . 2 TALLINN 2] 1996-08-27 [3 3 Estonia 3] 's parliament again
failed to elect a new state president on Tuesday when neither
of two candidates secured a majority in second-round voting .
Incumbent president [4 4 Lennart Meri 4] won 49 votes
compared to 34 won by his rival , deputy Parliamentary
Speaker [5 5 Arnold Ruutel 5] . But [6 6 Meri 6] 's support
was not enough for the 68 needed for election and a third
secret ballot will take place later in the day ( 1300 [7 7 GMT
```

7]) , parliamentary officials said . To win a clear mandate for the five-year presidential term , a candidate must secure 68 votes from the 101-member parliament . Enn Markwart , Chairman of the National Election Commission , said 96 members of parliament voted in the second round , with 12 abstentions and one ballot paper invalid . On Monday , in the first round of voting , [8 8 Meri 8] secured 45 votes and [9 9 Ruutel 9] 34 . [10 10 Meri 10] 's popularity has suffered in recent years , with politicians criticising him for taking too much power and acting without consulting parliament . If a third round of voting fails to give either candidate 68 votes , the parliamentary speaker has to convene an electoral college of all 101 MPs and 273 local government representatives for a new vote that could take up to a month .

[1 1 Slovak 1] women visited [2 2 Dutroux 2] , police say . Peter Laca [3 3 BRATISLAVA 3] 1996-08-27 [4 4 Marc Dutroux 4] , the chief accused in [5 5 Belgium 5] 's sensational child murder and sex abuse case , visited [6 6 Slovakia 6] a number of times and about 10 young [7 7 Slovak 7] women went to [8 8 Belgium 8] at his invitation , police said on Tuesday . But they have difficulty remembering what happened there , perhaps because of drugs , and are unsure whether they were filmed for pornography , Rudolf Gajdos , head of the [9 9 Slo vak 9] office of Interpol , told [10 10 Reuters 10] . Although Gajdos spoke of " girls " his deputy , Eva Boudova , said the case involved about 10 young women in their early 20s . " The police interrogated several [11 11 Slovak 11] girls who said that they had been invited by [12 12 Mark Dutr oux 12] to visit [13 13 Belgium 13] , " Gajdos said . " The girls said they went to [14 14 Belgium 14] voluntarily and the police suspect that they were used to act in pornographic films . " " The police suspect (the girls) were under the influence of drugs as some girls admitted they took unspecified pills . " " We have suspicions of a rape , but the police still have to find the victim , " Gajdos added . [1 5 15 Dutroux 15] 's last visit to [16 16 Slovakia 16] was reported to have been as recent as July . [17 17 Slovak 17] police are also cooperating with [18 18 Belgium 18] in the search for An Marchal and Eefje Lambrecks , who went missing last August . [19 19 Dutroux 19] , 39 , who was charged last week with the abduction and illegal imprisonment of two other girls aged 14 and 12 , is one of several suspects in the Marchal and Lambrecks case . Last Saturday he led police to the bodies of two other girls , aged eight , who died of starvation this year after their abduction in June , 1995 . The [20 20 Czech 20] office of Interpol said on Friday it would neither confirm nor deny that [21 21 Dutroux 21] had been in the [22 22 Czech Republic 22] , [23 23 Slovakia 23] 's western neighbour and former federation partner . [24 24 Be lgian 24] police said an officer had visited [25 25 Bratislava 25] to talk with [26 26 Slovak 26] detectives about An and Eefje and other disappearances , and he planned to go also to [27 27 Prague 27] .

Hurte Sierd Zylstra and his wife , Jetsi Hendrika Coers , both 50 , were abducted from the teak plantation they managed late Saturday or early Sunday by at least two men demanding \$ 1.5 million ransom , authorities said . [8 8 Costa Rican 8] officials on Monday had given different names for the couple . " We 're looking at a criminal act that has no political aspect as far as what we can tell , " Schutte added . A note with the ransom demand was left in the couple 's car , which was used in the kidnapping , Schutte told a news conference on Monday . He said the note , believed to have been hand-written in [13 13 Spanish 13] and signed by the victims , was addressed to Ebe Huizinga , another [14 14 Dutch 14] citizen who owns the tree plantation . " Depending on you , we will either live or die , " it said . The farm is in the border region where a [16 16 German 1 6] tourist and a [17 17 Swiss 17] tour guide were kidnapped last New Year 's Eve by a heavily armed band led by a former [18 18 Nicaraguan 18] guerrilla . [1 1 Venezuela 1] unions harden towards [2 2 CVG 2] privatization . [3 3 CARACAS 3] 1996-08-27 A swell of protest is growing within [4 4 Venezuela 4] 's trade unions at the proposed year-end privatization of the state-owned holding company [5 5 Corporacion Venezolana de Guayana 5] ([6 6 CVG 6]) , [7 7 CVG 7] union leaders said Tuesday . " We oppose the way the government is proceeding with the sale , " Ramon Machuca , [8 8 Sidor 8] trade union Secretary General and member of union-based opposition party [9 9 Radical Cause 9] , told reporters . " We do n't believe the government will make its timetable , " he added . [10 10 Sidor 10] is the [11 11 CVG 11] 's steel-producing arm , slated for a December sale worth an estimated \$ 1.5 billion . The [12 12 CVG 12] 's aluminum companies Venalum and Alucasa are also scheduled to be sold early 1997 . Arguing that [13 13 CVG 13] 's privatization would result in some 13,000 layoffs , compared to the government 's estimated 1,500 , [14 14 CVG 14] 's union leaders told reporters they would strike and stage protests if their concerns were not addressed . " We oppose any privatization that hurts workers ' welfare and does not take into account its social impact , " they said . The opposition party [15 15 Radical Cause 15] controls all of the unionized workers at the [16 16 CVG 16] heavy industry complex and has systematically opposed all government legislation in congress . -- Omar Lugo , [17 17 Caracas 17] newsroom , 582 834405

covered them in " lovebites " while they were passed out in a
drunken stupor , a local newspaper reported on Tuesday . The
dreaded " chupabolos " -- " drunksucker " -- preys on men who
have passed out in the streets of [5 5 Matagalpa 5] , 80
miles (130 kms) north of [6 6 Managua 6] , placing hickey-
like " lovebites " on various parts of their bodies , [7 7 El
Nuevo Diario 7] reported . Enraged drunks and street people
in this town known for its machismo have organised a so-far
unsuccessful search for the culprit who finds victims in the
dark streets surrounding a local market . The total number of
victims was still unknown . The first of the victims were two
vagrants who slept in an abandoned car in front of a local
bank , the newspaper said . In spite of the collective fear
gripping [8 8 Matagalpa 8] 's drinkers , local women
expressed little sympathy . " Its just desserts for all the '
bolos ' (drunkards) who sleep in the streets of our
beautiful town , " said a woman who worked in the local
market .

[1 1 Brazil 1] likely to turn Banespa federal bank - paper .
[2 2 SAO PAULO 2] 1996-08-27 [3 3 Brazil 3] is likely to turn
[4 4 Sao Paulo 4] state bank Banespa into a federal bank in a
prior step to privatization , according to unnamed government
sources , [5 5 0 Globo 5] daily said . The newspaper said the
[6 6 Central Bank 6] special administration of Banespa ends
in December 30 and after that the bank has to be liquidated
or turned into a federal bank since there are no conditions
to return Banespa to [7 7 Sao Paulo 7] state government . A [8
8 Central Bank 8] spokesman said he could not confirm or deny
the report . Banespa has been under central bank special
temporary administration since December 1994 . The central
bank management could be lifted if [9 9 Sao Paulo 9] state
decided to take part in the recent federal government 's plan
to restructure state banks . Under the plan , the federal
government would provide 100 percent of the financing needed
to restructure debt of state banks being privatized ,
liquidated or turned into development banks . It also offers
to refinance up to 50 percent of the debt held by state banks
whose governments decide to keep control of their banks .
Although the plan was designed under terms proposed by [10 10
Sao Paulo 10] state governor [11 11 Mario Covas 11] , he has
showed no interest in taking part in the plan because [12 12 S
ao Paulo 12] 's debt with Banespa has increased sharply , [13
13 0 Globo 13] said . [14 14 Sao Paulo 14] state 's debt is
now estimated at 19 billion reais . [15 15 0 Globo 15] also
said another delicate case to be solved involves private bank
Bamerindus . The newspaper said Bamerindus has sent to the [16
16 Central Bank 16] a proposal for restructuring combined
with a request for a 90-day credit line , paying four percent
a year plus the Basic Interest Rate of the [17 17 Central Bank
17] (TBC) . [18 18 0 Globo 18] also said the loan would
give Bamerindus time to sell assets . Bamerindus , [19 19 Bra

`zil 19] 's fourth-largest private bank , has been facing liquidity troubles . Bamerindus declined to comment on negotiations being held with the [20 20 Central Bank 20] . -- Fatima Cristina , [21 21 São Paulo 21] newsroom , 55-11-2324411`

Former [1 1 Argentine 1] benevolent dictator [2 2 Alejandro_Lanusse 2] dies . [3 3 BUENOS_AIRES 3] 1996-08-26 [4 4 Alejandro_Lanusse 4] , the former dictator who ruled [5 5 Argentina 5] for two years , died at age 78 on Monday . [6 6 Lanusse 6]

died after being brought to a hospital a week ago following a fall at home that resulted in a blood clot in the brain . He was operated on earlier in the week but failed to recover from surgery . The former dictator , who ruled from 1971 to 1973 , was best known for allowing [7 7 Juan Domingo Peron 7] , [8 8 Argentina 8] 's famed populist leader , to return to [9 9 Argentina 9] after 17 years of forced exile . [10 10 Lanusse 10] took over the leadership of the country after five years of dictatorship . But unlike his two predecessors , Juan Carlos Onganía and [11 11 Marcelo Levingston 11] , who ruled [12 12 Argentina 12] with an iron hand , [13 13 Lanusse 13] steered the country toward democracy . That resulted in general elections in March 1973 when the [14 14 Peronists 14] led by Hector Campora and [15 15 Vicente Solano Lima 15] returned to power . [16 16 Lanusse 16] was a candidate in the election but failed to defeat his old adversaries and never returned to public office . He was imprisoned for four years in 1951 for taking part in a coup attempt to overthrow [17 17 Peron 17] led by General Benjamin Menendez . [18 18 Lanusse 18] 's rule saw the gradual rise of left-wing activism which culminated in another period of brutal [19 19 Argentine 19] dictatorship from 1976 to 1983 , during which the military launched its " dirty war " that resulted in 10,000 missing people . In his autobiography published in 1990 , [20 20 Lanusse 20] described himself as a military man with " democratic ideas . " He was born in [21 21 Buenos Aires 21] in 1918 and married Ileana Bell with whom he had nine children . He entered the Military College in 1935 .

New [1 1 U.N. 1] relief coordinator arrives in [2 2 Iraq
2] . Leon Barkho [3 3 BAGHDAD 3] 1996-08-27 A new [4 4 U.N. 4]
relief coordinator has arrived in [5 5 Baghdad 5] to take up
the task of organising humanitarian goods distribution and to
face [6 6 Iraq 6] 's continuing opposition over the number of
international monitors to be involved . [7 7 U.N. 7] and
diplomatic sources said on Tuesday that Secretary-General [8

8 Boutros Boutros-Ghali 8] had appointed [9 9 Italian 9] Gualtiero Fulcheri and sent him to [10 10 Iraq 10] last week to replace [11 11 Moroccan 11] Mohamed Zejjari . One diplomat said [12 12 Iraq 12] and [13 13 U.N. 13] were still in disagreement on how many international observers would be required to ascertain the equitable distribution of humanitarian supplies that will be procured under [14 14 Baghdad 14] 's oil deal with U.N . " The [15 15 United Nations 15] would like to employ hundreds of foreign monitors . [16 16 Baghdad 16] says it can only accept a few dozens , " said the diplomat . [17 17 Baghdad 17] holds that the Iraq-U.N. memorandum of understanding on partial oil sales signed last June does not specify how many foreign observers should be stationed in [18 18 Iraq 18] . " Observation of food supplies and their distribution are still a major issue and seems the two sides have not yet filled the gap separating them , " said another diplomat . [19 19 Iraq 19] 's partial oil sales pact with [20 20 U.N. 20] , allowing crude exports worth \$ 2 billion every six months , gives [21 21 U.N. 21] the right to supervise the purchase and distribution of food supplies in the country . The deal is a humanitarian exception to the [22 22 U.N. 22] sanctions imposed on [23 23 Iraq 23] for invading [24 24 Kuwait 24] in 1990 which include a ban on its oil exports . Fulcheri declined comment on the differences between the [25 25 U.N. 25] and [26 26 Iraq 26] , saying only : " There are several different things which still need to be done . " Fulcheri started his [27 27 U.N. 27] career in 1960 and has long experience in [28 28 U.N. 28] emergency relief in [29 29 Congo 29] , [30 30 Angola 30] , [31 31 Sudan 31] and [32 32 Somalia 32] .

who opposed abortion had always felt left out in their own party . " But this year is different . For the first time , the [7 7 Democratic Party 7] has included in our platform a conscience clause , " he said . The clause recognizes and welcomes [8 8 Democrats 8] with divergent views on abortion and states they have a full part to play at all levels of the party . " The [9 9 Democratic Party 9] is indeed the party of true inclusiveness , " [10 10 Hall 10] said . At its convention four years ago , organizers prevented then [11 11 Pennsylvania 11] Gov . [12 12 Robert Casey 12] , a vehement opponent of abortion , from speaking . [13 13 Republicans 13] have used their decision as an example of [14 14 Democrat 14] intolerance ever since . [15 15 Casey 15] told a news conference in [16 16 Chicago 16] on Tuesday he had asked to speak again this year but was turned down . [17 17 Democratic 17] leaders said there was not room on the program for every retired governor to speak . " I believe the [18 18 Democratic 18] party ought to be pro-woman , pro-child and pro-life , " [19 19 Casey 19] said . " I asked for the opportunity to deliver this message from the podium of the Democrat National Convention . For the second time in four years , my request fell on deaf ears , " he said . The [20 20 Republican Party 20] , whose platform calls for making all abortions illegal , faced a similar dilemma this year when [21 21 Massachusetts 21] Gov . [22 22 William Weld 22] asked to deliver a speech defending abortion rights and was turned down . [23 23 Bob Dole 23] , the [24 24 Republican 24] presidential nominee , tried and failed to insert a tolerance clause in his party 's platform recognizing the validity of those within the party who supported abortion rights . [25 25 Democrats 25] also heard Tuesday two passionate speeches defending abortion rights . [26 26 Kate Michelman 26] , president of the [27 27 National Abortion Rights Action League 27] , described how she had an abortion at a time when the procedure was illegal after her husband abandoned her with three young children . " I 'm here to speak up for choice and to speak for truth . The message from the [28 28 Republican Party 28] is one of disdain . Their answer to choice is control and punishment . Our answer is trust , compassion and respect , " she said . [29 29 Georgia 29] [30 30 Rep 30] . [31 31 Cynthia McKinney 31] said : " You make your moral decisions . I 'll make mine and let 's leave (Republican House Speaker) [32 32 Newt Gingrich 32] out of it . "

[1 1 U.S. 1] bulk millfeeds - Immediate supply tight . [2 2 C
HICAGO 2] 1996-08-27 Millfeed supplies for prompt shipment remained tight and prices continued to move higher , millfeed dealers said . High-priced corn and increased demand for livestock feed continued to support millfeed prices in nearly all sectors . Flour mills sold much of their production through September leaving little available for prompt shipment . [3 3 Portland 3] sources said feed mixer demand was keeping pace with millfeed production and driving prices higher . [4 4 Portland 4] sources said with corn priced there at \$ 200 per ton and barley at \$ 140 , the millfeeds at \$ 125 represent a good value . In the southeast [5 5 U.S. 5] , dealers said feed mixers continued to be steady buyers with demand increasing for October to March positions . The closely-watched [6 6 Kansas City 6] rail market was steady at \$ 115 per ton bid and \$ 118 offered . -- [7 7 Chicago 7]

[1 1 Puerto Rico 1] girl has surgery for hairy face . [2 2 PH
ILADELPHIA 2] 1996-08-27 A two-year old [3 3 Puerto Rican 3]
girl began surgical treatment on Tuesday for a rare condition
that has left half of her face covered with a hairy , dark-
brown patch of skin . The girl , Abyss DeJesus , suffers from
a " hairy nevus " on the right side of her face , a condition
that has only been reported a few times in medical journals ,
the St. Christopher Children 's Hospital said . In addition
to social ostracism , the condition also carries a high risk
of cancer . It will be corrected by gradually expanding
healthy skin with a surgical balloon , then transplanting
that skin to the afflicted side of her face . " She is doing
well , " hospital spokeswoman Carol Norris said . " The
surgery is under way . " Norris said Tuesday 's surgery
involved placing five balloons in DeJesus 's forehead ,
shoulders and the back of her neck and partially filling them
with a saline solution . More saline solution will be
inserted in 16 weekly treatments . The girl , who was
accompanied to [4 4 Philadelphia 4] by her parents , will
need more surgery later to correct the condition on her
chest , back and legs , the hospital said .

Happy Birthday to our Dearest Mother , " read a placard at the Shishu Bhavan children 's home in central [12 1 2 Calcutta 12] run by [13 13 Mother Teresa 13] 's [14 14 Missionaries of Charity 14] . On Monday , both houses of [15 15 India 15] 's parliament wished the nation 's adopted sister a happy birthday and speedy recovery from her illness . Prayers continued in [16 16 Calcutta 16] , one of the world 's poorest cities , where [17 17 Mother Teresa 17] 's [18 18 Missionaries of Charity 18] runs several homes for the poor and destitute . Street children , some of them born to prostitutes , held prayers on the street . " All of us know about her . She is like a goddess , " said Raju , 8 , who has a mother but no father . [19 19 The Statesman 19] newspaper quoted 40-year-old Mangala Das , paralysed from her waist down and a resident of the Prem Dan (Gift of Love) home for the destitute , as saying she and her friends had been praying incessantly for [20 20 Mother Teresa 20] 's recovery . Tarak Das , 70 , was picked up from a [21 21 Calcutta 21] footpath a week ago by passers-by who took pity on him and brought him to Nirmal Hriday (Immaculate Home) . " I do not know who she is . I have never seen her , but I can only bless her for what she has done for people like me , " Das told [22 22 The Statesman 22] . [23 23 Mother Teresa 23] 's condition improved on Sunday as her fever abated , and on Monday she was able to scribble notes to doctors and nuns . Thousands in [24 24 Calcutta 24] , where she founded her [25 2 5 Missionaries of Charity 25] religious order in 1949 , prayed for her recovery . Ministers of the communist government of [26 26 West Bengal 26] state and people of different religions joined [27 27 Catholics 27] to pray for [28 28 Mother Teresa 28] 's recovery at Mother House . " We joined the prayer to express our solidarity with her work for the cause of the poor and downtrodden , " said Nanda Gopal Bhattacharya , a communist minister in [29 29 West Bengal 29] .

[1 1 Islamists 1] can meet in [2 2 London 2] , minister . [3 3 ISLAMABAD 3] 1996-08-27 [4 4 British 4] Foreign Secretary [5 5 Malcolm Rifkind 5] said on Tuesday that his government would only take action against a planned conference of [6 6 Islamist 6] groups in [7 7 London 7] if [8 8 British 8] law was broken . " People who wish to hold conferences of course do n't need to seek permission from the government in [9 9 Britain 9] , " [10 10 Rifkind 10] , in [11 11 Pakistan 11] for a visit , told [12 12 Reuters 12] . " As long as they obey our laws then that is not something the government would normally interfere with . " The [13 13 Islamist 13] conference , due to be held in [14 14 London 14] on September 8 , has caused concern in countries such as [15 15 Algeria 15] and [16 16 Egypt 16] , which are fighting armed [17 17 Islamic 17] militants . [18 18 British 18] [19 19 Jewish 19] groups have also protested because they say members of [20 20 Algeria 20] 's [21 21 Islamic Salvation Front 21] ([22 22 FIS 22]) and the [23 23 Palestinian 23] [24 24 Islamic 24] group [25 25 Hamas 25] are on the guest list . [26 26 Rifkind 26] said it was for the home secretary (interior minister) to act by denying visas to participants if he felt there was reason to believe that they might break the law . " Our policy has to be fundamentally based on respect for the rule of law and insistence that it be observed , " he said . [27 27 Rifkind 27] was in [28 28 Pakistan 28] at the start of an [29 29 Asian 29] tour that will also take him to [30 30 India 30] , [31 31 Sri Lanka 31] , [32 32 Japan 32] and [33 33 Mongolia 33] .

peace plan . Sayed Salahuddin [3 3 KABUL 3] 1996-08-27 [4 4 Af
ghan 4] government military chief [5 5 Ahmad Shah Masood 5]
briefed visiting [6 6 U.S. 6] Congressman [7 7 Dana Rohrabach
er 7] on Tuesday on a peace plan for his wartorn country . A

spokesman for Masood said he had told the [8 8 California 8] [9 9 Republican 9] at a meeting in northern [10 10 Kabul 10] that President [11 11 Burhanuddin Rabbani 11] 's government favoured talks with all [12 12 Afghan 12] factions to set up an interim government . The factions should agree to appoint a transitional leader , draft a new constitution , collect heavy weapons , create a national army and hold free elections in which the transitional leader would be barred from standing , he added . [13 13 Rohrabacher 13] flew into [14 14 Bagram 14] military airbase north of [15 15 Kabul 15] in a [16 16 Red Cross 16] plane on Tuesday after meeting northern opposition militia leader General [17 17 Abdul Rashid Dostum 17] . Masood 's spokesman Amrollah (one name) said [18 18 Rohrabacher 18] had recently visited [19 19 Italy 19] , [20 20 Saudi Arabia 20] and [21 21 Pakistan 21] as part of a mission to promote peace in [22 22 Afghanistan 22] . " We are certainly serious more than before to find a solution to the [23 23 Afghan 23] problem and support every [24 24 U.N. 24] plan , " Amrollah quoted [25 25 Rohrabacher 25] as saying . However , a spokesman for Prime Minister [26 26 Gulbuddin Hekmatyar 26] , a long-time rival of Masood , expressed concern at signs of renewed [27 27 U.S. 27] interest in [28 28 Afghanistan 28] . " [29 29 America 29] wants to block the establishment of a strong [30 30 Islamic 30] government in [31 31 Afghanistan 31] and the [32 32 U.S. 32] intends to neutralise the [33 33 Afghan 33] peace process initiated by the [34 34 Afghans 34] themselves , " said the spokesman , Hamid Ibrahimi . " A great game has been started in [35 35 Afghanistan 35] as [36 36 America 36] feels that [37 37 Tehran 37] and 1 Moscow have got stronger in the [38 38 Afghan 38] picture -- something 2 Washington wants to change , " he said . [39 39 Rohrabacher 39] was expected to visit neutral faction leaders in the eastern city of [40 40 Jalalabad 40] and meet leaders of the rebel Islamic Taliban militia in the southern city of [41 41 Kandahar 41] . [1 1 Barrick 1] gets 93 pct of Arequipa . [2 2 TORONTO 2]
1996-08-27 Barrick Gold Corp said on Tuesday its takeover
offer for Arequipa Resources Ltd was successful , with 93
percent of the 36.3 million shares not already owned tendered
under the bid , which expired overnight . " We are pleased
that Arequipa shareholders ahave chosen so overwhelmingly to
accept this offer . We now have the opportunity to realize
the potential of Arequipa 's excellent assets , " [3 3 Barrick
3] chairman and chief executive [4 4 Peter Munk 4] said in a
statement . The C\$ 30-a-share deal means [5 5 Barrick 5] will
own Arequipa 's attractive Pierina gold deposit in [6 6 Peru 6
] . [7 7 Barrick 7] said details involving the allocation
between [8 8 Barrick 8] shares and cash will be available

shortly . [9 9 Barrick 9] 's offer of C\$ 30 a share or part cash , part share offer was [10 10 Barrick 10] 's second attempt to swallow the small [11 11 Vancouver-based 11] gold prospector . [12 12 Toronto-based 12] [13 13 Barrick 13] , the world 's third largest gold producer , sweetened its July 11 bid to C\$ 30 a share from C\$ 27 on August 16 after a fresh batch of drill results from the Pierina deposit . Experts have speculated the deposit has potential reserves of up to 12 million ounces . More drilling results are expected soon . The [14 14 Barrick 14] bid took observers by surprise , since Arequipa 's exploration was still in its early stages . Arequipa shareholders had the option to choose C\$ 30 cash or 0.79 [15 15 Barrick 15] shares plus 50 cents for each Arequipa share . Shares were to be pro-rated if more than 14.4 million were requested . -- Reuters Toronto Bureau 416 941-8100

Mohamed Abu Liwaya , said Information Ministry censors had told him to send all the copies of the August edition back to [6 6 Cyprus 6] at his own expense . He told [7 7 Reuters 7] the reason was his own front-page editorial , entitled " A Chronic Mental Illness " in which he attacks compliant [8 8 Arab 8] leaders for serving [9 9 U.S. 9] and [10 10 Israeli 10] interests . " The [11 11 Arabs 11] demand that our [12 12 Arab 12] leaders undergo a compulsory examination by a team of psychiatrists to see how sound their mental capacities are , " the editorial said . " Because our leaders have started to behave with extreme hostility towards the interests of their peoples to court the goodwill of the [13 13 Americans 13] and the [14 14 Zionists 14] , " he added . The censorship office denied they had confiscated the newspapers but declined to say when they could go on sale .

Wife of gun victim [1 1 Brady 1] praises [2 2 Clinton 2] . [3

3 CHICAGO 3] 1996-08-26 [4 4 Sarah Brady 4] , whose [5 5 Repu blican 5] husband was severely disabled in an assassination attempt on President [6 6 Ronald Reagan 6] , took centre stage at the Democratic National convention on Monday night to praise President [7 7 Bill Clinton 7] 's gun control efforts . With her husband 1 James sitting in a wheelchair to the side of the podium , Mrs. [8 8 Brady 8] called the handgun control bill that a [9 9 Democratic 9] [10 10 Congress 10] passed and [11 11 Clinton 11] signed in 1994 a major step in controlling firearm violence in the [12 12 United States 12] . But she said more had to be done . The Bradys walked on to the stage , he on her arm and with the aid of a cane , to a rousing reception from the convention . Their teenaged son sat in a VIP box with first lady [13 13 Hillary Rodham Clinton 13] and watched as his father returned to his wheelchair . " Jim , we must have made a wrong turn . This is n't [14 14 San Diego 14] (site of the [15 15 Republican 15] convention) , " Mrs. Brady joked to her husband , who was serving as [16 16 Reagan 16] 's press secretary when he was shot . " Sarah , I told you this is the [17 17 Democratic 17] convention , " he responded to his wife , who before the shooting had worked for two [18 18 Republican 18] congressmen and the [19 19 Repu blican 19] national party . " Since the Brady Law went into effect on February 28 , 1994 (it) has stopped more than 100,000 convicted felons and other prohibited purchasers from buying a handgun . Today , and every day , the Brady Law is stopping an estimated 85 felons from buying a handgun , " Mrs. [20 20 Brady 20] said . She added , " But we need to do more . We should , as President [21 21 Clinton 21] proposed today , stop people convicted of domestic violence from buying a handgun . Jim and I join with you tonight in saluting the great job that President [22 22 Clinton 22] has done in fighting crime and gun violence . " " He 's a hunter and a sportsman , but he understands the difference between a [23 23 Remington 23] rifle and an [24 24 AK47 24] . And he knows that you do n't go hunting with an [25 25 Uzi 25] . Mr. President you deserve our thanks . " [26 26 Jim Brady 26] then gave a big thumbs to the audience . [27 27 Brady 27] was shot in the head in 1981 by gunman [28 28 John Hinckley 28] , who tried to kill [29 29 Reagan 29] in a deranged bid to impress [30 30 Jodie Foster 30] , an actress he never met but with whom he was obsessed . The [31 31 Brady 31] bill , calling for a waiting period before someone could buy a gun so a background check could be made , was first introduced in [32 32 Congress 32] in 1987 but it took seven years to pass because of opposition from the [33 33 National Rifle Associa tion 33] gun lobby .

Hijacked [1 1 Sudan 1] plane lands at a [2 2 London 2] airport . [3 3 STANSTED 3] , [4 4 England 4] 1996-08-27 A hijacked [5 5 Sudan Airways 5] plane carrying 199 passengers and crew landed at [6 6 Stansted 6] airport just outside [7 7 London 7] early on Tuesday morning after flying from [8 8 Cyprus 8] , eyewitnesses said . The Airbus 310 Flight 150 , which was hijacked on Monday evening on its way from [9 9 Khartoum 9] to the [10 10 Jordanian 10] capital [11 11 Amman 11] , landed at 4.30 a.m. (0330 [12 12 GMT 12]) after a flight of more than four hours . At least one of the unidentified hijackers was apparently armed with grenades and TNT and threatened to blow the plane up in [13 13 Cyprus 13] unless it was refuelled so they could fly to [14 14 Britain 14] to claim political asylum . " They will surrender the passengers there and surrender themselves , " police spokesman Glafcos Xenos told reporters at [15 15 Cyprus 15] 's [16 16 Larnaca 16] airport . Security was tight at [17 17 Stansted 17] airport , which is about 30 miles (50 km) northeast of the capital . [18 18 Stansted 18] has been designated as the preferred option for handling hijackings in southern [19 19 England 19] because it is more remote than [20 20 Heathrow 20] and [21 21 Gatwick 21] , [22 22 London 22] 's two major airports , and handles less air traffic .

Hijacked [1 1 Sudan 1] plane expected at [2 2 London 2] 's [3 3 Stansted 3] . [4 4 LONDON 4] 1996-08-27 A hijacked [5 5 Sud an Airways 5] plane with 199 passengers and crew on board was expected to land at [6 6 London 6] 's [7 7 Stansted 7] airport later on Tuesday morning , a police spokeswoman said . " That is the plan at the moment . That is where the plane is being directed to , " Ruth Collin of [8 8 Essex 8] police , the force responsible for [9 9 Stansted 9] , said . [10 10 Stansted 10] , [11 11 London 11] 's third-busiest airport after [12 12 Heathrow 12] and [13 13 Gatwick 13] , is located about 30 miles (48 km) northeast of the capital . [1 4 14 British 14] officials said they would much prefer to deal with a hijacking at [15 15 Stansted 15] because of its relatively remote location and because air traffic would be less badly disrupted there than at [16 16 Heathrow 16] or [17 17 Gatwick 17] . They said police and the emergency services

were implementing a well-rehearsed contingency plan to handle the hijacking . The armed hijackers of the Airbus 310 Flight 150 , which is expected to arrive about 4 a.m. (0300 [18 18 G MT 18]) , have said they intend to surrender and seek political asylum in [19 19 Britain 19] . The plane was hijacked on its way from [20 20 Khartoum 20] to the [21 21 Jordanian 21] capital [22 22 Amman 22] on Monday evening and landed at [23 23 Larnaca 23] airport in [24 24 Cyprus 24] to refuel . The identity and number of the hijackers was not known . One of them negotiated through the pilot in [25 25 English 25] . The pilot said several hijackers appeared to be placed around the plane .

Painted parrot scam lands [1 1 Australian 1] in jail . [2 2 P ERT 2] , [3 3 Australia 3] 1996-08-27 A conman who painted common [4 4 Australian 4] parrots with dye to make them look like rare birds worth thousands of dollars was jailed for fraud on Tuesday . Denham Peiris painted six green parrots , worth about A\$ 100 ([5 5 US\$ 5] 79) a pair , with a cinnamon hair dye and traded them as Indian Ringneck Parrots , valued at A\$ 14,000 a pair . Peiris , 32 , of [6 6 P erth 6] , was sentenced in the [7 7 Western Australian 7] District Court to two years in jail for fraud after trading three pairs of impostor birds for 21 parrots worth a total of A\$ 28,000 . " Everyone was fooled , " said pet shop owner Shane Drew , who unknowingly traded the disguised birds . " I 'd already had three local breeders have a look at them and sent photos and videos of the birds to the eastern states for authentication -- they said they 're nice birds , " Drew told reporters outside court . " After I was told they were dyed , I checked them over again . It was a perfect paint job except for one feather under a wing of one bird that was only half dyed , " Drew said . Drew said Peiris , a bird enthusiast , would have succeeded with the fraud if he had not tried to trade a fourth pair of bogus birds after an associate had told police of the scam . If not for the informant , the painted parrots ' true colours would not have been known for six months , he said . " They moult in the summer , so five

or six months down the track , I would have looked like the guilty party , " Drew said .

[1 1 BEIJING 1] 1996-08-27 [2 2 China 2] on Tuesday reaffirmed its support for a global nuclear test ban treaty blocked by [3 3 India 3] last week , saying the pact would be an important step in achieving total nuclear disarmament . " Although the final draft of the treaty probably did n't totally satisfy any country , it was in general balanced , " the official People 's Daily newspaper said in a commentary . [4 4 India 4] blocked the [5 5 Comprehensive Test Ban Treaty 5] ([6 6 CTBT

[6]) at the Conference on Disarmament in [7 7 Geneva 7] , saying the pact did not contain a clause committing the five declared nuclear powers to a timetable for nuclear disarmament . [8 8 New Delhi 8] 's stance , which was seen as effectively thwarting 2-1/2 years of negotiations at the Conference on Disarmament , drew widespread but generally muted foreign criticism . [9 9 India 9] has also pledged to oppose any forwarding of the draft treaty to the United Nations General Assembly . [10 10 China 10] said many countries had compromised to complete the treaty and that the issue of a disarmament schedule could be discussed in future negotiations . " The completion of the test ban treaty would be an important and practical step in the gradual process of achieving total nuclear disarmament , " it said . [11 11 China 11] has pledged support for the pact since reaching a deal with the [12 12 United States 12] that made international inspections of nuclear sites more difficult than in earlier drafts of the accord . The newspaper said [13 13 China 13] advocated the complete ban and destruction of nuclear weapons but that there was little hope other nuclear powers would soon adopt the same stance . " Some nuclear powers stubbornly uphold policies of nuclear deterrence based on first use of nuclear weapons , " it said . [14 14 China 14] held on July 29 what it said would be its last nuclear test before a self-imposed moratorium that took effect the following day . [15 15 China 15] was the last declared nuclear power to announce a halt to testing .

[1 1 Japan 1] declares food poisoning threat receding . [2 2 TOKYO 2] 1996-08-27 The government said on Tuesday that the threat from a mysterious killer germ , while still requiring

vigilance , appears to be receding in the western [3 3 Japan 3] city of [4 4 Sakai 4] , where the epidemic hit the hardest . The food poisoning epidemic caused by the O-157 colon bacillus in [5 5 Sakai 5] appears to be " settling down " , Health Minister [6 6 Naoto Kan 6] was quoted by a government spokesman as telling the cabinet . The O-157 colon bacillus has been found responsible for a widespread food poisoning epidemic that has killed 11 people and made over 9,500 ill this year . [7 7 Sakai 7] , near the regional commercial centre of [8 8 Osaka 8] , has been hit hardest by the deadly bacteria , with nearly 6,500 , mostly schoolchildren , affected by the disease . Two children in [9 9 Sakai 9] have died from complications associated with the bacteria . [10 10 Kan 10] told a cabinet meeting on Tuesday that no new victims have been reported since August 8 , indicating that the peak has passed , at least for [11 11 Sakai 11] . [12 12 Sakai 12] officials agreed with the assessment , but said it was too early to feel relieved . " There are still patients hospitalised and problems which must be dealt with , " a city spokesman said , citing the issue of whether to allow children infected with the bacteria but not showing symptoms to attend school from September . Health authorities believe school lunches were the source of the food poisoning in [13 13 Sakai 13] , but researchers have been unable to pinpoint the exact source of the infection . The outbreak has prompted authorities to tighten sanitary standards at slaughterhouses and meatpacking plants and sparked calls for an overhaul of the nation 's school lunch programme . The ministers agreed at Tuesday 's cabinet meeting to step up inspection measures for school lunches in September and October , when schools around the country resume . [14 14 Japan 14] 's Agriculture Ministry also announced that it will compile hygiene guidelines based on [15 15 U.S. 15] government methods of checking the safety of farm produce to prevent another outbreak of the epidemic . As of Monday , 31 children were still hospitalised in [16 16 Sakai 16] city , of whom six were in serious condition .

[1 1 Japan 1] aluminium shipments surge 8.9 pct in July . [2 2 TOKYO 2] 1996-08-27 [3 3 Japanese 3] shipments of aluminium mill products in July surged 8.9 percent over the same month last year to 224,609 tonnes , while production rose 6.4 percent to 222,457 tonnes , according to preliminary data released on Tuesday by the Japan Aluminium Federation . The surge reflected strong demand from the beverage can and housing construction sectors , federation officials said . Figures released two weeks ago from [4 4 Japan 4] 's seven largest mills already showed that [5 5 Japan 5] 's can sheet output reached its highest monthly level ever in July , reflecting above-average temperatures that sparked a jump in beer consumption . A federation official added that the half-year through September 1996 also appeared likely to set a new record for can production , despite cooler temperatures in August . July inventories stood at 75,632 tonnes , down 2.6 percent from the prior month . July foil output was off 0.2 percent year-on-year at 11,525 tonnes , while foil shipments fell 0.8 percent to 11,244 tonnes . June mill output data were revised slightly downward to 210,622 tonnes from the preliminary 210,683 , while shipments were revised marginally upward to 213,989 tonnes from 213,845 . Final figures for June pegged can stock shipments at 40,144 tonnes , up 2.4 percent year-on-year . Shipments to the auto sector fell 5.5 percent to 15,286 tonnes , while the construction sector rose 2.4 percent to 79,390 tonnes . Exports dipped 3.7 percent to 18,867 tonnes . -- Tokyo Commodities Desk (81-3 3432 6179)

[1 1 China 1] thanks [2 2 Gabon 2] for support on human rights . [3 3 BEIJING 3] 1996-08-27 [4 4 China 4] has publicly thanked [5 5 Gabon 5] for its strong support at the [6 6 United Nations Human Rights Commission 6] , where [7 7 Beijing 7] has come under attack from [8 8 Western 8] nations for its human rights record . [9 9 China 9] 's President [10 10 Jiang Zemin 10] offered his gratitude in a meeting on Monday with visiting [11 11 Gabon 11] President [12 12 Omar Bongo 12] , the official [13 13 Xinhua 13] news agency said . [14 14 Jiang 14] also acknowledged the [15 15 Central African 15] nation 's support for [16 16 China 16] 's stance on [17 17 Taiwan 17] , which [18 18 Beijing 18] views as a renegade province , while [19 19 Bongo 19] was quoted as thanking [20 20 China 20] for economic and technological aid , the agency said late on Monday . In April , [21 21 China 21] quashed a draft resolution by the [22 22 U.N. Human Rights Commission 1] expressing concern over continuing reports of [23 23 Beijing 23] 's violations of fundamental freedoms . After the defeat of the resolution , drafted by the [24 24 European Union 24] and the [25 25 United States 25] , [26 26 China 26] thanked 26 countries for backing its motion for " no action " on the document . It was the sixth year in a row that [27 27 China 27] avoided censure at the [28 28 U.N. 28] 's main human rights forum . [29 29 China 29] has been accused of a wide range of human rights abuses , often in violation of its own legal code , in an effort to silence dissent . A [30 30 Xinhua 30] commentary earlier this year said a plot by the [31 31 West 31] to force its human rights standards and values on other countries was doomed to failure .

[1 1 Palestinians 1] to strike over [2 2 Jerusalem 2] demolition . [3 3 JERUSALEM 3] 1996-08-27 [4 4 Palestinian 4] leaders in [5 5 Jerusalem 5] called on Tuesday for a two-hour strike to protest what they called [6 6 Israel 6] 's war on Arab East Jerusalem after police demolished a building there . [7 7 Israeli 7] police demolished a 10 metre (yard) by 20 metre structure in [8 8 Jerusalem 8] 's [9 9 Old City 9] they said had been built with funding from the Palestinian self-rule Authority for use as a social club . Police used a huge crane to lift a bulldozer over the [10 10 Old City 10] 's walls to reach the building amidst narrow alleys , witnesses said . Bystanders at the scene said work had begun on the building in 1991 and it had yet to be completed when the [11 11 Israeli 11] police bulldozed it . The [12 12 Palestinian Authority 12] was set up under the 1993 PLO-Israel interim peace deal . " There has been a call for a general strike between one (1000 [13 13 GMT 13]) and three o'clock , " [14 14 Palestinian 14] lawmaker Ahmed Hashem Zighayer told [15 15 Reuters 15] . " This is a war that has been declared on us and we want our people to come and see the site where they declared the war . " Prime Minister [16 16 Benjamin Netanyahu 16] 's government , which took office in June , has said it will not allow the Authority , set up under a 1993 interim peace deal to control parts of the [17 17 Gaza Strip 17] and West Bank , to operate in [18 18 Jerusalem 18] . [19 19 Israel 19] 's previous government held the same position but in general turned a blind eye to [20 20 Palestinian Authority 20] activity in the city . Tuesday 's demolition came a day after PLO officials said they had bowed to [21 21 Netanyahu 21] 's demand they close offices in [22 22

Jerusalem 22] . They said two of the three offices [23 23 Israel 23] wanted closed had been shut . [24 24 Netanyahu 24] has made closure of the three offices a condition for resuming peace negotiations with the Palestine Liberation Organisation (PLO) . [25 25 Israel 25] captured Arab East Jerusalem in the 1967 [26 26 Middle East 26] war and annexed it . It says it will never cede any part of the city . [27 27 Palestinians 27] want [28 28 East Jerusalem 28] as capital of a future state . The city is up for negotiation at final peace talks which have yet to resume under [29 29 Netanyahu 29]] .

SEC adopts rules to improve investor access to best stock prices . [1 1 WASHINGTON 1] 1996-08-28 The Securities and Exchange Commission Wednesday approved rules designed to give stock market investors a better chance at getting the best price available for their orders . The so-called order handling rules , which were proposed last September , were approved in a 4-0 vote . The new rules will require specialists at stock exchanges and market makers on [2 2 Nasd aq 2] to allow customers to view price quotes from other

electronic trading systems that may not be readily available to them . The rules will also require that customer limit orders be displayed with prices better than those available in quotes publicly available at the time . Specialists and market makers are companies or individuals recognised as qualified to maintain an orderly market in a stock . In a limit order , investors specify the price at which they are willing to buy or sell , as opposed to a market order executed at prevailing prices . " These rules are intended to empower all investors , by allowing their orders to compete on a level playing field , and by providing the disclosure they need to make informed decisions , " said SEC Chairman [3 3 Arthur Levitt 3] . The SEC 's goal , he added , was to create " one system where one price could be available to everybody . " The director of the SEC 's division of market regulation , Richard Lindsey , said [4 4 Wall Street 4] firms will probably need to spend about \$ 7 million to carry out the improvements called for by the new rules . In proposing the rules last year , the SEC noted that while technology has improved , commonplace practices still existed that worked against investors ' best interests . It noted that customers whose orders were not displayed lost the chance of getting the best possible price available in the market . It also cited the potential problem of a two-tiered market in which market makers quote one price to public investors while quoting better prices in private systems , thus robbing investors without access to " hidden " quotes the benefit of the best available prices . Earlier this month , the SEC settled charges of alleged malpractices on [5 5 Nasdaq 5] when the parent of the [6 6 Nasdaq 6] market , the National Association of Securities Dealers , agreed to spend \$ 100 million over five years to upgrade its oversight of brokers ' trading practices . The SEC dropped a third proposal that would have allowed investors with market orders to trade at a better price if there were shifts in prices before their orders were executed . The agency said it would monitor effects of the two new rules before considering the " price improvement " proposal again . The agency also proposed rule changes that would require continuous " bid " and " ask " quotations from exchange specialists and market makers who trade more than 1 percent of a stock during any quarter on [7 7 Nasdaq 7] . The SEC 's limit order display rule will mean a major change for [8 8 Nasdaq 8] , where such orders have never been displayed . The president of the [9 9 Nasdaq 9] , [10 10 Alfred Berkeley 10] , was to hold a news conference Wednesday afternoon to elaborate on the new rules ' effects on the market , the second largest in the world .

The decree plugs a legal void in which magistrates could have forced the former prime minister to take one of the three stations he controls off the air because of a court ruling that no single proprietor should be allowed to keep three channels .

[2 2 LINZ 2] , [3 3 Austria 3] 1996-08-28 A passenger train collided with a locomotive at a main railway station in [4 4 Linz 4] on Wednesday and police said around 10 people were injured . [5 5 Austrian 5] television reported earlier that more than 20 had been hurt in the accident at the station in [6 6 Linz 6] , 300 km (180 miles) west of [7 7 Vienna 7] . " One locomotive was stationary and the passenger train collided into the back of it , " a police spokesman in [8 8 Linz 8] told [9 9 Reuters 9] by telephone . The express passenger train travelling from [10 10 Steyr 10] , southeast of [11 11 Linz 11] , with around 80 people on board , hit the back of a service locomotive used to shunt wagons into sidings . The police spokesman said he was not sure whether any more passengers were still trapped in the wreckage . Doctors and medical staff from a hospital across the road from the station were at the scene of the accident within minutes and were able to treat the injured quickly , he added . Greater damage was averted as the driver of the passenger train had time to apply his emergency brakes before the collision occurred , a state railways spokesman told [12 1 2 Austrian 12] news agency APA .

[1 1 Saskatchewan Wheat Pool 1] eyes hog market . [2 2 WINNIPEG 2] 1996-08-28 [3 3 Canada 3] 's largest grain handling firm said Wednesday it expects to forge a partnership with hog farmers by 1997 with a view to expanding the company 's scope into pork production . " [4 4 Saskatchewan 4] is well positioned to take advantage of growing world markets for pork , " [5 5 Saskatchewan Wheat Pool 5] chief executive Don Loewen said in a company statement . SWP said it was analyzing potential partnerships with hog farmers and expected the first deal to be in place in 1997 . The end of [6 6 Canada 6] 's rail freight subsidy last year caused a shift in feed grain production to the eastern Prairie . Analysts said livestock production would likely shift to the eastern Prairie rather than feed grains being shipped to the western Prairie . SWP said it may develop pork production systems that provide farmers with large integrated units , and it may consider contracting programs between producers and packers which would operate within the existing hog market framework . Saskatchewan Pork International Marketing Group has an export monopoly but some [7 7 Saskatchewan 7] farmers earlier this month called for an open market in hogs . --

SOCCER - [1 1 FOWLER 1] AND [2 2 McMANAMAN 2] OUT OF [3 3 EN
GLAND 3] SQUAD . [4 4 LONDON 4] 1996-08-28 [5 5 England 5]
soccer manager [6 6 Glen Hoddle 6] confirmed on Wednesday
that the [7 7 Liverpool 7] pair of [8 8 Steve McManaman 8]
and [9 9 Robbie Fowler 9] would miss [10 10 England 10] 's [1
1 World Cup 1] qualifying match against [11 11 Moldova 11] on

Sunday . The two men , both suffering from back injuries , joined the [12 12 England 12] squad at training but it was soon clear they had no chance of making the flight to [13 13 K ishinev 13] on Friday . " They had some scans and X-rays yesterday and they 're out , " said [14 14 Hoddle 14] . " The more important thing for me was to get them down here and have a chat . To go another five weeks without that chance would have been foolish , " he added . [15 15 Hoddle 15] , who has already lost the services of midfielder [16 16 Darren Anderton 16] and defender [17 17 Steve Howey 17] , delayed naming any replacements . There was also concern over injuries to [18 18 Paul Gascoigne 18] , [19 19 Les Ferdinand 19] and [20 20 David Batty 20] .

TENNIS - SERIOUS [1 1 MEDVEDEV 1] IS HAVING FUN AGAIN .
Richard Finn [2 2 NEW YORK 2] 1996-08-28 Outspoken [3 3 Andrei Medvedev 3] exchanged his reputation as the clown prince of tennis on Wednesday for a new no-nonsense attitude that has made life on the courts fun again . " I think I 'm much more focused on what I have to do , and that 's playing tennis , " [4 4 Medvedev 4] said after routing [5 5 Frenchman 5] [6 6 Jean-Philippe Fleurian 6] 6-2 6-0 6-1 in the opening round of the [7 7 U.S. Open 7] . It was [8 8 Medvedev 8] 's sixth victory in a row after winning his first tournament of the year last week at the [9 9 Hamlet Cup 9] . " I realised this year , that without putting 99.9 percent of your mind into tennis , I do n't think you can successful , " said the 22-year-old [10 10 Medvedev 10] . " The whole day I 'm thinking about tennis . I felt that all the other things I was doing the years before , they were distracting me , they were not helping me at all . " For [11 11 Medvedev 11] that meant confining his post-match comments to tennis and not going off on tirades about peripheral issues such as the poor quality of food in the players lounge , an entertaining rant that took his mind off the task at hand . " I know what I 'm here for , " said [12 12 Medvedev 12] , who lost in the second round of the Open the last two years after reaching the quarters in 1993 , the same year he tried his hand as a restaurant critic . " I 'm not here to fight the press or talk about the food or entertain the people off the court . I 'm here to play tennis and to win . I have much less fun off the court . I have much more fun on the court , " he said . Just three years ago [13 13 Medvedev 13] was one of the world 's best , with a ranking of six after reaching the [14 14 French Open 14] semifinal and winning three tournaments . But [15 15 Medvedev 15] 's ranking slowly began to drop last year as he struggled with a wrist injury . The [16 16 Ukrainian 16] finally hit a low of 44th two months ago . " It 's somewhere where I would n't like to stay very long , " [17 17 Medvedev 17] said of his current ranking of 36 . " It 's a part of the penalty that I have to accept . " As part of his new businesslike approach , [18 18 Medvedev 18] hired [19 19 Australian 19] coach [20 20 Bob Brett 20] at the start of this year and the partnership is beginning to pay off . " At the beginning of the year we started from zero , " said [21 21 Medvedev 21] . " Winning in [22 22 Long Island 22] (last

week) was like winning for the first time . " While [23 23 Medvedev 23] 's 77-minute romp past [24 24 Fleurian 24] was rather ordinary , the fact that the two were playing each other was rather remarkable . In the original draw , [25 25 Medvedev 25] and [26 26 Fleurian 26] were slotted to play each other . When controversy forced the draw to be done over -- against odds of 151-to-1 -- [27 27 Medvedev 27] and [28 28 Fleurian 28] drew each other a second time . " When I saw the new draw I didn't have to change my preparation , " [29 29 Medvedev 29] said . " I think it 's destined that it turned out for me . "

TENNIS - [1 1 GRAF 1] WORKS HARD FOR FIRST-ROUND WIN . Bill Berkrot [2 2 NEW YORK 2] 1996-08-27 It was n't supposed to be this hard for defending champion [3 3 Steffi Graf 3] to win her opening match at the [4 4 U.S. Open 4] on Tuesday night . But the script that called for the usual first-round demolition by the top-ranked top seed was rewritten by 29th-ranked [5 5 Indonesian 5] [6 6 Yayuk Basuki 6] playing with nothing to lose abandon . [7 7 Graf 7] , of course , prevailed 6-3 7-6 , but not before some tense moments that even had the [8 8 German 8] superstar thinking the match was going three sets . " I won the second set , which I did n't think I would do , being down 5-2 and the chances she had at 6-5 , " [9 9 Graf 9] recalled . Several of the other women 's seeds eased into the second round with more typical Graf-like efficiency Tuesday . As afternoon turned to evening , fourth-seeded [10 10 Spaniard 10] [11 11 Conchita Martinez 11] took apart [12 12 Romanian 12] [13 13 Ruxandra Dragomir 13] in 58 minutes with the loss of just two games , one more than second seed [14 14 Monica Seles 14] , who opened the second-day programme by crushing [15 15 American 15] Anne Miller 6-0 6-1 . Third seed [16 16 Arantxa Sanchez Vicario 16] , the 1994 champion , and eighth-seeded [17 17 Olympic 17] gold medalist [18 18 Lindsay Davenport 18] dropped three game each en route to the second round . But the day was not without its seeded casualties on the women 's side . Fifth-seed [19 19 Iva Majoli 19] of [20 20 Croatia 20] was picked off by [21 21 Austrian 21] [22 22 Judith Wiesner 22] and [23 23 Wimbledon 23]

] semifinalist [24 24 Kimiko Date 24] of [25 25 Japan 25] , the 10th seed , fell 6-2 7-5 to 53rd-ranked [26 26 American 26] [27 27 Kimberly Po 27] . Date 's defeat left no other seeded players in [28 28 Seles 28] 's quarter of the draw , which lost [29 29 Anke Huber 29] (6) and Maggie Maleeva (12) on Monday . But [30 30 Graf 30] , winner of 20 [31 31 Grand Slam 31] titles , was not about to join that list . " At some points I felt a little nervous , " she admitted . " When it came down to the important points , I felt more confident . " [32 32 Basuki 32] , a first-round loser here for the fifth consecutive year , was clearly going for winners , hitting the lines and running [33 33 Graf 33] around the court as she broke the top seed twice in the second set to grab that shocking 5-2 lead . [34 34 Graf 34] ran off the next three games to restore some semblance of order . But [35 35 Basuki 35] , her long black ponytail flying as she raced for shots , held her serve and twice had set point on [36 36 Graf 36] 's serve at 6-5 before the [37 37 German 37] unleashed a forehand pass to force the tie-break . " I lost the moment , " lamented [38 38 Basuki 38] , who has reached the fourth round at [39 39 Wimbledon 39] four times and was a semifinalist in [40 40 Montreal 40] earlier this month . Still , the feisty [41 41 Indonesian 41] got off to a 3-0 lead in the tie-breaker before a pair of costly double faults gave [42 42 Graf 42] her chance to avoid a third set . " Usually in the first one or two matches , you want to find your rhythm and want to get into it , " said [43 43 Graf 43] , who won seven of the last eight points in the breaker . " To be in that situation today , a couple of times having to play well , get down and play point-by-point , definitely is a good start . "

SOCCER - [1 1 ROBSON 1] WINS FIRST TROPHY WITH [2 2 BARCELONA 2] . [3 3 MADRID 3] 1996-08-28 Former [4 4 England 4] manager [5 5 Bobby Robson 5] enjoyed his first success in charge of [6 6 Barcelona 6] as his team weathered 90 minutes of non-stop [7 7 Atletico Madrid 7] pressure to win the [8 8 Spanish 8] Super Cup 6-5 on aggregate on Wednesday . [9 9 Barcelona 9] had won the first leg 5-2 but the second leg was a different story . Atletico came within a whisker of taking the Cup on the away-goal rule but squandered several chances after going 3-1 ahead 15 minutes from the end . Juan Lopez gave Atletico the lead midway through the first half after [10 10 Barcelona 10] fullback [11 11 Albert Ferrer 11] and substitute goalkeeper [12 12 Julen Lopetegui 12] failed to clear a [13 13 Milinko Pantic 13] cross . [14 14 Barcelona 14] 's [15 15 Hri

sto Stoichkov 15] made his only significant contribution of the evening 10 minutes after halftime when [16 16 Sergi Barjuan 16] broke down the right to set up the fiery [17 17 Bulgarian 17] with a simple equaliser . But Atletico struck back almost immediately through new signing [18 18 Juan Eduardo Esnaider 18] and then [19 19 Serbian 19] set-piece specialist Pantic made it 3-1 with a superb free-kick in the 75th minute . [20 20 Robson 20] praised Atletico after the game , which was played in the [21 21 Community of Madrid 21] athletic stadium because of pitch problems at the Vicente Calderon ground . The venue of Atletico 's first league game , scheduled for Sunday , is still in doubt with the [22 22 Real Madrid 22] 's [23 23 Santiago Bernabeu 23] a distinct possibility .

SOCCER - [1 1 PARMA 1] , [2 2 ROMA 2] AND [3 3 UDINESE 3]
OUT OF [4 4 ITALIAN CUP 4] . [5 5 ROME 5] 1996-08-28 [1 1 UEFA
Cup 1] hopefuls [6 6 Parma 6] and [7 7 Roma 7] , under new
coaches this season , crashed out of the [8 8 Italian Cup 8]
to second division opponents on Wednesday while league
champions [9 9 Milan 9] could only draw 1-1 at humble [10 10 E
mpoli 10] . Wealthy [11 11 Parma 11] , now coached by the
former [12 12 Italian 12] international [13 13 Carlo Ancelotti
13] , were without new striker [14 14 Enrico Chiesa 14] and
went down 3-1 at serie B club Pescara in their second round
clash . [2 Pescara 2] 's Ottavio Palladini shattered [15 15 Pa
rma 15] with goals in the second and fourth minutes .
Midfielder Marco Giampaolo made it 3-0 in the 38th minute and
[16 16 Parma 16] 's [17 17 Alessandro Melli 17] pulled back a
late goal six minutes from time . The second round was the

entry point for the bulk of the [18 18 serie A 18] sides with the winners going through . The later stages of the cup are played over two legs . [19 19 Parma 19] 's defeat was a repeat of last season 's fiasco when they lost their opening cup match 3-0 to [20 20 Palermo 20] . [21 21 Roma 21] , now coached by [22 22 Argentine 22] [23 23 Carlos Bianchi 23] and watched by [24 24 Italian 24] national coach [25 25 Arrigo Sacci 25] , lost 3-1 to [26 26 Cesena 26] -- another repeat of last season when the [27 27 Rome 27] club also went out at the first hurdle . [28 28 Udinese 28] , with [29 29 Germany 29] 's Euro ' 96 hero [30 30 Oliver Bierhoff 30] in their lineup , completed the hat-trick of beaten [31 31 serie A 31] sides when they went under 2-1 to newly relegated [32 32 Cremonese 32] . [33 33 Milan 33] 's new [34 34 Uruguayan 34] coach [35 35 Oscar Tabarez 35] avoided the nightmare of defeat but faces a replay at home next Sunday . 2 Cup holders [36 36 Fiorentina 36] easily beat 3 Cosenza 3-1 while [37 37 European Cup 37] holders [38 38 Juventus 38] also cruised through with a 2-0 win at small southern club [39 39 Fidelis Andria 39] . Two other [40 40 serie A 40] sides lost at the weekend -- [41 41 Piacenza 41] and last year 's losing finalists [42 42 Atalanta 42] . Two cup matches could not be played on Wednesday due to argument over first round results . [43 43 Lecce 43] 's 3-0 weekend defeat of [44 44 Genoa 44] was expected to be overturned by a sporting judge on Thursday after the home club fielded an ineligible player . That would set [45 45 Genoa 45] up for a second round match against local rivals [46 46 Sampdoria 46] . [47 47 Nocerina 47] 's 4-3 defeat of [48 48 Piacenza 48] was also subject to a complaint , later removed , that forced their second round match against [49 49 serie A 49] newcomers [50 50 Perugia 50] to be delayed .

SOCCER - [1 1 SMICER 1] 'S LAST-GASP GOAL KEEPS [2 2 LENS 2] IN THE LEAD . [3 3 PARIS 3] 1996-08-28 [4 4 Euro 96 4] star [5 5 Vladimir Smicer 5] of the [6 6 Czech Republic 6] scored at the last second for [7 7 Lens 7] , allowing them to retain the lead in the [8 8 French 8] soccer league on Wednesday . [9 9 Smicer 9] pushed the ball home in injury time to lead his team to a 3-2 victory over [10 10 Montpellier 10] , who were leading 2-1 until [11 11 Cameroon 11] 's [12 12 Marc-Vivien Foe 12] equalised on a header in the 85th minute . The win was the fourth in as many matches this season for [13 13 Lens 13] , who lead the table on 12 points . In-form [14 14 Paris St Germain 14] , who dismissed [15 15 Nantes 15] 1-0 , are second with 10 points . Along with [16 16 Smicer 16] , [17 17 Robert Pires 17] was the star of the night in [18 18 France 18] , scoring the first hat-trick of the league season in [19 19 Metz 19] 's 3-1 home victory over neighbouring [20 20 Strasbourg 20] . [21 21 Pires 21] , one of the most promising strikers in the country , was called up for the first time this week by [22 22 French 22] manager [23 23 Aime Jacquet 23] for a friendly against [24 24 Mexico 24] on Saturday at the [25 25 Parc des Princes 25] . [26 26 Pires 26] scored first with a powerful shot in the 35th minute before striking again from close range just before the break . A solitary raid allowed him to score his third in the 74th . [27 27 Smicer 27] 's goal was as hard-won as his team 's victory . Spurred by Foe 's leveller five minutes before , [28 28 Lens 28] pressed hard and Foe hit the crossbar in the dying seconds on another header . The ball bounced back to [29 29 Smicer 29] 's feet and he scored . [30 30 Montpellier 30] seized an unexpected lead thanks to [31 31 Kader Ferhaoui 31] in the fourth minute after a blunder from [32 32 Lens 32] goalkeeper Jean-Claude Nadon . The side from northern [33 33 France 33] , forced to fight an uphill battle from then on , pulled level thanks to [34 34 Tony Vairelles 34] in the eighth minute but young striker Fabien Lefevre made it two for [35 35 Montpellier 35] five minutes later . League favourites [36 36 PSG 36] scored a convincing 1-0 win over [37 37 Nantes 37] and confirmed they would again be the team to beat this season . Ironically , [38 38 PSG 38] 's victory owed a lot to two former [39 39 Nantes 39] players , striker [40 40 Patrice Loko 40] , who scored on a brilliant shot in the 33rd minute , and defender [41 41 Benoit Cauet 41] , who started the one-two which allowed [42 42 Loko 42] to score . The Parisians , who have yet to concede a goal , were without [43 43 Brazil 43] 's Leonardo and [44 44 Panama 44] 's [45 45 Julio Cesar Dely Valdes 45] , both called up by their national sides . For [46 46 Nantes 46] , who shocked [47 47 PSG 47] to win the league crown two years ago , the fall is very painful . The

Canaries , who lost most of their key players within two years , have yet to win a match this season . Reigning champions [48 48 Auxerre 48] had to settle for a goalless draw against [49 49 Marseille 49] on Tuesday .

ATHLETICS - [1 1 CHRISTIE 1] AND JOHNSON ASKED TO JOIN [2 2 0 WENS 2] ' TRIBUTE . Adrian Warner [3 3 BONN 3] 1996-08-28 Organisers hope to persuade [4 4 Britain 4] 's former [5 5 0lympic 5] 100 metres champion [6 6 Linford Christie 6] to join a " Dream Team " sprint relay in a special tribute to [7 7 Je sse Owens 7] at Friday 's [8 8 Berlin 8] grand prix . [9 9 Christie 9] , who is retiring from international competition at the end of the season , was not due to compete in the [10 10 German 10] capital but [11 11 Berlin 11] promoter Rudi Thiel said : " We are still hopeful of getting him to come . " Thiel has managed to get most of the [12 12 Olympic 12] 100 metres champions since 1948 to attend the meeting , which is being held in the stadium where [13 13 Owens 13] won four gold medals 60 years ago at the 1 Berlin 2 Olympics . [14 14 Canada 14] 's [15 15 Donovan Bailey 15] , the 3 Olympic 100 metres champion and world record holder , and Namibian [16 16 Frankie Fredericks 16] , the silver medallist at the recent [17 17 Atlanta 17] Games , have already agreed to run in the 4X100 metres team . Thiel said on Wednesday that he had also asked 4 Olympic 200 and 400 champion [18 18 Michael Johnson 18] to run as well as [19 19 Christie 19] . " Most of the [20 20 Olympic 20] champions of the past are coming including [21 21 Britain 21] 's (1980 champion) [22 22 Allan Wells 22] . [23 23 Christie 23] belongs to them . It would be great to have him here . " There is a good offer My minimum would be that he just ran the relay , " he said . The 36-year-old [24 24 Briton 24] is still considering the offer and is expected to announce his decision later on Wednesday . [25 25 Owens 25] 's widow Ruth is not well enough to attend but a message from her will be read out during the meeting and one of the sprinter 's relatives is expected to attend . The relay race , which will include squads from [26 26 Africa 26] , the [27 27 United States 27] and [28 28 Europe 28] as well as the [29 29 Owens 29] ' quartet , will be held at the end of the meeting . Organisers had hoped to include 1984 and 1988 champion [30 30 Carl Lewis 30] in the squad but he injured

himself in [31 31 Brussels 31] last Friday .

CRICKET - NEW CAPTAIN [1 1 TENDULKAR 1] UPSTAGED BY 120 FROM [2 2 JAYASURIYA 2] . [3 3 COLOMBO 3] 1996-08-28 [4 4 Sachin_Tendulkar 4] marked his debut as [5 5 Indian 5] captain with a patient 110 on Wednesday , but was upstaged by dashing [6 6 Sri_Lankan 6] opener [7 7 Sanath_Jayasuriya 7] whose 120 steered the world champions to a nine-wicket Singer Cup win . [8 8 Sri_Lanka 8] , playing in front of their home crowd for the first time since winning the [9 9 World_Cup 9] last March , comfortably passed [10 10 India 10] 's modest 226-5 from 50 overs in 44.2 overs . The devastating opening pair of [11 11 Jayasuriya 11] and [12 12 Romesh_Kaluwitharana 12] shared a fine first wicket stand of 129 to the delight of the 25,000 fans . [13 13 Jayasuriya 13] , whose first 50 included three sixes and three fours , went on to an unbeaten 120 and the man-of-the-match award . [14 14 Kaluwitharana 14] , slow in comparison , was bowled by [15 15 Tendulkar 15] for 53 , but [16 16 Aravinda_de_Silva 16] with 49 not out helped see [17 17 Sri_Lanka 17] home . Earlier , [18 18 Tendulkar 18] completed his ninth century in one-day cricket , taking 138 balls to do it before being run out . The rest of the [19 19 Indian 19] batting was generally tied down by brilliant fielding and some fairly tight bowling , although ex-captain Mohamed_Azharuddin chipped in with 58 , adding 129 with [20 20 Tendulkar 20] off 28 overs , before being stumped . S.AFRICAN TRUTH BODY TO SUMMON APARTHEID POLICE . [1 1 CAPE T OWN 1] 1996-08-28 [2 2 South Africa 2] 's Truth and Reconciliation Commission said on Wednesday it would subpoena persons accused of human rights violations to appear before it . " We can subpoena anyone we want to , even the president of the country , " spokesman John Allen told [3 3 Reuters 3] . " Subpoenas are due to be served on a number of people this week . " Media reports have speculated that the commission , which is trying to heal the wounds of apartheid by confronting the past , could subpoena apartheid-era President [4 4 P.W. Botha 4] and former police generals Basie Smit and Johan Van Der Merwe . In submissions last week to the commission [5 5 National Party 5] leader and former president F.W. De Klerk said he had received no co-operation from [6 6 Botha 6] in compiling his party 's report . Since it began work in April the commission has been hearing harrowing tales from the victims of apartheid-era abuses , by both the white minority regime and its opponents . It also wants to hear from those who committed the abuses , to whom it can offer amnesty in return for frankness . Hopes that reformed perpetrators would come forward voluntarily have faded but the commission has the legal power to force them to appear . Allen declined to give say who would be subpoenaed . " At the moment we have a preliminary list of less than 10 people , but this is just the beginning , " he said . The commission was set up last year to probe 30 years of human-rights violations during the apartheid era . It is chaired by [7 7 Nobel Peace 7] winner , retired Archbishop [8 8 Desmond Tutu 8] . Allen said the commission could announce the names of subpoenaed persons on Monday next week .

Arch [1 1 Alberta 1] well tests 1,100 bbl / day . [2 2 FORT W
ORTH 2] , [3 3 Texas 3] 1996-08-28 Arch Petroleum Inc said
Wednesday an exploratory well in [4 4 Alberta 4] 's [5 5 Mori
nville 5] area tested in excess of 1,100 barrels daily and
will begin production immediately . The company said the 90
percent owned Trax et al Morinville 10-23 logged 28 feet of
productive Leduc Reef at 5,350 feet . Reserve estimates from
this well are at 250,000 gross barrels of oil . The Trax well
is one of the prospects developed by Arch through its early
1996 purchase of Trax Petroleums Ltd , the company said . It
said another , the Cometra et al Morinville 11-13 , has
logged 128 feet of productive Leduc Reef at 5,400 feet and is
flowing water free at the rate of 590 barrels of oil per day
on a 15 / 64ths-inch choke . Arch owns a 16 percent working
interest in this well with most of the rest held by the
privately owned operator . Arch said full production has
begun and initial estimates of gross reserves attributable to
this well range up to one million barrels of oil . A third
well drilled in this area , the Trax et al Morinville 2-25 ,
encountered the Leduc Reef but tested wet . At the company 's
[6 6 Nordegg 6] prospect , the Apache et al Saunders 14-28 ,
has reached total depth in the Leduc Reef at approximately
3,800 feet and has been abandoned , Arch said . It said this
acreage earning well brought an interest in an additional
5,120 acres , building the company 's gross land position in
this area to 8,320 acres . At the Butte prospect , the

[1 1 U.S. 1] judge orders [2 2 Biogen 2] , [3 3 Berlex 3] officials deposed . Leslie Gevirtz [4 4 BOSTON 4] 1996-08-28 In order to help him decide whether he should hear the case , a [5 5 U.S. District Court 5] judge Wednesday ordered the legal counsels of Biogen Inc and [6 6 Berlex Laboratories 6] , a subsidiary of [7 7 Schering AG 7] , deposed . The tempest beyond the test tube involves allegations that the U.S. Food and Drug Administration violated the Orphan Drug law by allowing [8 8 Biogen 8] the right to sell its multiple sclerosis drug Avonex . [9 9 Berlex 9] also charges that Avonex is so similar to its MS drug , [10 10 Betaseron 10] , that it is a patent infringement . Both drugs are types of interferon . One analyst said sales of Avonex had already cut into [11 11 Betaseron 11] market share . BioVest Research , Inc 's analyst Eddie Hedaya said , " [12 12 Berlex 12] sales are losing share like mad ... my understanding of the marketplace is that they 're below expectations . " He added Chiron Corp reported its sales of inventory to [13 13 Berlex 13] was down . [14 14 Chiron 14] makes [15 15 Betaseron 15] ; [16 16 Berlex 16] markets it , he said . [17 17 Biogen 17] , in its Securities and Exchange Commission quarterly report for the period ending June 30 , said it had earned \$ 6.1 million from Avonex sales during the drugs first six weeks on the market . When it approved Avonex in May , the [18 18 FDA 18] said both [19 19 Biogen 19] 's product and [20 20 Betaseron 20] were developed under the incentives of the Ophran Drug Act which provides seven years of marketing exclusivity for products that treat rare diseases . Avonex " has been allowed to enter the market because it differs from interferon beta-1b ([21 21 Betaseron 21]) .. . " the [22 22 FDA 22] said . Now , [23 23 U.S. 23] District Judge [24 24 Mark Wolf 24] has ordered the chief counsel for [25 25 Biogen 25] , [26 26 Michael Astrue 26] , and Robert Chabora , his counterpart at [27 27 Berlex 27] be deposed about a May 21 meeting the two men attended to help him determine whether the lawsuit filed by [28 28 Biogen 28] against [29 29 Berlex 29] should

be heard in [30 30 Massachusetts 30] . [31 31 Berlex 31] filed a lawsuit against [32 32 Biogen 32] in [33 33 U.S. District Court 33] in [34 34 Newark 34] , [35 35 N.J. 35] in July , but [36 36 Biogen 36] had already filed a suit against [37 37 Berlex 37] in [38 38 Massachusetts 38] in May . [39 39 Wolf 39] ordered the depositions to determine if he or [40 40 U.S. 40] District Judge [41 41 John Bissell 41] of [42 42 Newark 42] should preside over the case .

[1 1 U.S. 1] copper service center shipments stable - CBSA .
[2 2 NEW YORK 2] 1996-08-28 Average daily shipments from [3 3
U.S. 3] copper service centers in July fell three percent
from the previous month , but were higher than in July 1995 ,
the Copper and Brass Servicenter Association reported . "
July was still above the historic average for that month , "
the CBSA said . In the first seven months of 1996 , shipments
of copper sheet , coil and strip were 2.2 percent ahead of
the same period last year . Alloy shipments , however , were
7.5 percent down . " Several service centers indicated that
while their volume of orders remains constant , the size-per-
order continues to be smaller than what was realised during
the first five months of the year , " the CBSA said . Service
centers continued to lower their inventories in July when
total copper stocks were off two percent and alloy products
down 1.9 percent . -- New York Commodities 212-859-1646

UK lowers noise limits for three [1 1 London 1] airports . [2 2 LONDON 2] 1996-08-28 The [3 3 British 3] government on Wednesday lowered the noise limits for [4 4 London 4] 's [5 5 Heathrow 5] , [6 6 Gatwick 6] and [7 7 Stansted 7] airports and announced it would make a bigger effort in detecting and fining violators . The limits , effective from January 1 , 1997 , are reduced as much as possible while still complying with international obligations , a spokesman for the

Department of Transport said . The maximum noise level during the day is trimmed by three decibels to 94 , while the night time level is reduced by two decibels to 87 . " It is a smaller reduction in terms of loudness than was sought by local people . Nevertheless I am satisfied that the overall benefits will be worthwhile , " Lord Goschen , minister for aviation , said in a statement . The ministry said it believed the new limits could be met with existing aircraft . " They can be flown in quieter ways , " a spokesman said . The reduction in noise levels is the same as proposed in a consultation paper which was published in October 1995 . The present noise levels have applied at [8 8 Heathrow 8] , one of the world 's busiest airports , since 1959 and at [9 9 Gatwick 9] since 1968 . The number of monitors will be increased and some will be repositioned to detect noisy planes . --

Guinea launches war on fictitious civil servants . [1 1 CONA KRY 1] 1996-08-28 Guinea launched a drive on Wednesday to rid the civil service payroll of fictitious workers as part of new prime minister [2 2 Sidia Toure 2] 's campaign to cut government spending . Deputy Minister for Finance Ousmane Kaba said teams of inspectors would check government offices in the capital and the provinces to root out civil servants who drew salaries but had left their jobs , were dead , or had never existed . Some 50 million Guinean francs (\$ 50,000) has been pumped into the exercise to deter the inspectors from taking bribes . Kaba told reporters the annual wage bill of 171 billion Guinean francs represented 50 percent of current state expenditure , " whereas the acceptable proportion in countries similar to ours is one third " . Toure , who took office last month , has said he plans to cut public service spending by 30 percent by the end of the year as part of measures to revive the economy . Guinea is rich in minerals and has a vast potential for hydroelectric power generation but it faces stiff competition from its West African neighbours for foreign investment . President [3 3 Lansana Conte 3] appointed Toure , a former senior civil servant in [4 4 Ivory Coast 4] , last month to clean up the administration and reform the economy following February 's bloody army revolt . (\$ =1,000 Guinean francs)

[1 1 Dutroux 1] suspected in murder of [2 2 Slovak 2]
woman . Peter Laca [3 3 BRATISLAVA 3] 1996-08-28 [4 4 Marc Du
troux 4] , the chief accused in a [5 5 Belgian 5] child
murder and sex abuse scandal , is suspected of murdering a
young [6 6 Slovak 6] woman , the [7 7 Slovak 7] office of
Interpol said on Wednesday . Rudolf Gajdos , head of [8 8 Slo
vak 8] Interpol , told a news conference [9 9 Dutroux 9] was
also believed to have planned the kidnapping of at least one [
10 10 Slovak 10] woman . " One of the police versions in the
case of the murder of young gypsy woman in [11 11 Topolcany 11]
] , western [12 12 Slovakia 12] , this July , is a suspicion
that [13 13 Mark Dutroux 13] could have been involved in the
murder , " Gajdos said without elaborating on the age of the
victim and on the other versions . [14 14 Slovak 14] police ,
Interpol , and [15 15 Belgian 15] police have been following
leads on [16 16 Dutroux 16] 's activities in [17 17 Slovakia 1
7] and the neighbouring [18 18 Czech Republic 18] where he is
known to have made frequent visits . Gajdos said the police
sketch of the suspected murderer was " 60 percent identical
with [19 19 Dutroux 19] 's portrait " , and that [20 20 Dutro
ux 20] was known to have been in [21 21 Topolcany 21] around
the time of the woman 's murder . " [22 22 Topolcany 22] and
the area around this town were reported to have been the most
visited places by [23 23 Dutroux 23] and his accomplices in [2
4 24 Slovakia 24] , " Gajdos said . [25 25 Dutroux 25] , a
convicted child rapist and unemployed father-of-three , led
police 11 days ago to the bodies of eight-year-olds Julie
Lejeune and Melissa Russo in the garden of another of the six
houses he owns around the southern [26 26 Belgian 26] city of
[27 27 Charleroi 27] . " The [28 28 Belgian 28] police also
informed us that [29 29 Dutroux 29] , together with one other
man , had (also) planned the kidnapping of at least one [30
30 Slovak 30] woman , " Gajdos said . " The plan apparently
failed due to difficulties in crossing the border , " he

added , but did not elaborate . The [31 31 Slovak 31] police are also investigating visits by about 10 [32 32 Slovak 32] women , aged 17 to 22 , to [33 33 Belgium 33] , at the invitation of [34 34 Dutroux 34] . The women said they went to [35 35 Belgium 35] voluntarily and police suspect they were used to act in pornographic films , Gajdos said earlier this week . But he added they had difficulty remembering what happened during their visits to [36 36 Belgium 36] , perhaps because of drugs , and were unsure whether they were filmed for pornography . [37 37 Dutroux 37] , 39 , who was charged last week with the abduction and illegal imprisonment of two girls aged 14 and 12 , is also suspected in the disappearance of Belgians An Marchal , 19 , and Eefje Lambrecks , 17 , who went missing a year ago .

SOFIA 2] 1996-08-28 [3 3 Bulgaria 3] has restored ownership
rights to pre-communist private owners of 75 percent of the
arable land or around four million hectares , an Agriculture
Ministry official said on Wednesday . " So far 75 percent has
been returned with the land restitution almost completed in
some regions like Southeastern Bulgaria but lagging behind in
other areas , predominantly in the mountains , " the official
told a news conference . The ministry has said that it
planned to return 96.6 percent of the arable land or 5.2
million hectares to its original owners by the end of this
year . A land reform act passed four years ago abolished
Soviet-style collective farms , allowing the return of 5.4
million hectares to original owners or their heirs . -- Sofia

Exiled Bosnians protest confusing voting rules . Duncan Shiels [1 1 NAGYATAD 1] , [2 2 Hungary 2] 1996-08-28 Bosnian refugees in [3 3 Hungary 3] , the first to vote last weekend in their country 's first post-war election , found the rules confusing and some had no idea who they voted for , refugees and officials said on Wednesday . " For the most part they really did n't understand what was going on , " the director of the [4 4 Nagyatad 4] camp Lajos Horvath told [5 5 Reuters 5] on Wednesday . " It was confusing , they had no experience of voting , many of the refugees are only semi-literate and none of them knew anything about the candidates , " he said . " They just voted along ethnic lines where they could . " The Bosnian election is set for September 14 and voting began on Wednesday for most of the 600,000 Bosnians living abroad . The Organisation for Security and Cooperation in Europe , which is running the election , allowed the ballot to be held on Sunday in four [6 6 Hungarian 6] refugee camps . Some [7 7 Moslem 7] refugees among the 385 registered voters [8 8 Hungry 8] 's largest camp [9 9 Nagyatad 9] have written to the OSCE complaining that they were unable to vote in contests for the president or assembly of the Bosnian-Croat Federation , where most [10 10 Moslems 10] live . This was because their pre-war homes are now in the Serb-controlled territory , so they were voting for the national assembly of the Republika Srbska , most of the candidates for which are [1 1 11 Serbs 11] . For the foreign powers which back last year 's [12 12 Dayton 12] peace agreement , the main point of the election rules is that by voting as though they were still in their pre-war homes , Bosnians should override the effects of

ethnic cleansing and reassert the concept of a single multi-ethnic state . But Adem Hodzic , one of the refugees who signed the letter of complaint , told [13 13 Reuters 13] : " We only realised after voting that we were being denied the rights of other Bosnian Moslems to choose our president . This vote seals the division of my country . " Under the election rules citizens vote for a three-man presidency and House of Representatives for all Bosnia-Hercegovina and for assemblies and cantonal seats in either the Moslem-Croat Federation or the Republika Srbska . On Sunday voters in [14 1 4 Hungary 14] also cast ballots for municipal councils but these will be invalidated following the cancellation of local elections by the OSCE on Tuesday . Husein Micijevic , who also signed the letter , alleged that elderly voters were directed who to vote for by [15 15 Hungarian 15] translators who stood in the polling booth to help them . " Probably 100 refugees were shown where to put their cross , " he said . Seventy eight-year-old Mandolina Zelic , a Bosnian Croat who has spent the last five years in [16 16 Nagyatad 16] , told [1 7 17 Reuters 17] she had cast her ballot because she 'd been told to by the camp authorities but had no idea who she voted for . " At first the organisers would n't let anyone help me but when they saw I did n't understand a young translator ringed the names I had to mark , " she said . " I do n't know who I voted for . " Maria Szabo of the [18 18 Hungarian 18] office organising the elections on behalf of the OSCE told [19 19 Reuters 19] on Wednesday her office was studying the letter but said they had followed OSCE instructions very carefully . " The envelopes , each with the five different voting slips , were sealed until voting and had written instructions on how to vote , " she said . " But of course those who could not read had to be shown . "

[1 1 Estonia 1] presidential race next round on Sept 20 . [2 2 TALLINN 2] 1996-08-28 [3 3 Estonia 3] will hold the next round of an inconclusive state presidential race on September 20 , parliamentary officers of the Baltic state ruled on Wednesday . This comes after three votes in the 101-strong parliament on Monday and Tuesday failed to give either incumbent [4 4 Lennart Meri 4] or rival candidate [5 5 Arnold Ruutel 5] the necessary 68 votes for a clear mandate . The outcome was a rebuff for [6 6 Meri 6] , failing three times to win backing in his bid for a second term as head of state of the former [7 7 Soviet 7] republic . Parliament 's press officer told [8 8 Reuters 8] that Speaker [9 9 Toomas Savi 9] will convene an electoral college involving 101 MPs and and 273 local government representatives on September 20 . Both [1 0 10 Meri 10] , 67 , and [11 11 Ruutel 11] , 68 will automatically be listed as candidates but the election will also be open to new nominations with the backing of any 21 members of the college . The winner has to secure a majority from the college within two rounds of voting otherwise the election will go back before the parliament .

[1 1 Lebed 1] likely to fail on [2 2 Chechnya 2] - [3 3 Polish 3] minister . [4 4 WARSAW 4] 1996-08-28 [5 5 Russian 5] security chief Aleksander Lebed faces an almost impossible task in [6 6 Chechnya 6] and is likely to be sidelined , [7 7 Polish 7] Foreign Minister [8 8 Dariusz Rosati 8] was reported as saying on Wednesday . According to best-selling daily [9 9 Gazeta Wyborcza 9] , [10 10 Rosati 10] told the [11 11 Polish 11] parliament 's foreign affairs committee on Tuesday that the fact [12 12 Lebed 12] had been charged with resolving the conflict in [13 13 Chechnya 13] showed he would be marginalised . " It is almost impossible to gain success in this , " it quoted [14 14 Rosati 14] as saying during a committee debate . " [15 15 Lebed 15] has no diplomatic experience . [16 16 Yeltsin 16] sent him there to compromise him . This tactical manoeuvre also shows that in the ruling circle there is no unity of action , " he said . [17 17 Lebed 17] , who has arranged a military truce with separatist rebels in the southern [18 18 Russia 18] region , was in [19 19 Moscow 19] this week seeking support for a deal on [20 20 Ch

echnya 20] 's political status . But [21 21 Russian 21] President [22 22 Boris Yeltsin 22] has seemed unwilling to meet his envoy and went on holiday on Monday . [23 23 Gazeta Wyborcza 23] quoted [24 24 Rosati 24] as saying [25 25 Yeltsin 25] was very ill and effectively on leave , but for now retained control in [26 26 Russia 26] although matters were passing into the hands of his close collaborators . [27 27 Rosati 27] said [28 28 Russia 28] 's July polls , in which [29 29 Yeltsin 29] won re-election , showed democracy had passed an important test and the [30 30 Russian 30] people had chosen the path of further reforms . But he said a power struggle in [31 31 Russia 31] 's ruling circles could not be ruled out , which could harm further reforms . He expressed concern over problems in the [32 32 Russian 32] economy , saying this could lead to social unrest , the daily reported . On 1 Moscow 's foreign policy , [33 33 Rosati 33] said it had changed its stance on [34 34 NATO 34] 's eastward expansion and was preparing itself for [35 35 Poland 35] 's inevitable entry into the 2 Western alliance . He also reportedly criticised [36 36 Russian 36] Foreign Minister [37 37 Yevgeny Primakov 37] , saying his style of work resembled that of the Soviet-era 1970s and 1980s .

state expenses and economic subsidies and support taking some 26 percent . January-June revenues went up to 8.26 trillion lei from 6.96 trillion lei in the first five months this year . [4 4 Romania 4] 's government is expected to revise the 1996 budget on Wednesday to bring it into line with higher inflation , new wage and pension indexations and costs of energy imports that have pushed up the state deficit . Under the revised version state spending is expected to rise by some 566 billion lei . No new deficit forecast has been issued so far . In July the government gave a 6.0-percent wage and pension indexation to cover energy , fuel and bread price increases , which quickened inflation to 7.5 percent last month . In the original state budget , approved in March , revenues were envisaged at around 16.98 trillion lei and expenditures 20.17 trillion lei for 1996 . The state budget deficit was originally forecast to be 3.19 trillion lei for the whole year . On Wednesday , the leu 's official rate was 3,161 to the dollar . -- Bucharest Newsroom 40-1 3120264

[1 1 Costa Rica 1] says [2 2 Dutch 2] pair kidnapped by [3 3
Nicaraguans 3] . [4 4 SAN JOSE 4] , [5 5 Costa Rica 5]
1996-08-28 The [6 6 Costa Rican 6] government said on
Wednesday that a [7 7 Dutch 7] couple abducted over the
weekend from a tree farm in northern [8 8 Costa Rica 8] was
kidnapped by former [9 9 Nicaraguan 9] guerrillas . " Even
though it 's an act of common delinquency , the case could
take a difficult turn because former [10 10 Nicaraguan 10]
guerrillas are involved , " Security Minister Bernardo Arce
told reporters . Earlier this year , a [11 11 German 11]
tourist and a [12 12 Swiss 12] tour guide were kidnapped from

the same general area in northern [13 13 Costa Rica 13] near the [14 14 Nicaraguan 14] border . They were held for 71 days before relatives paid a ransom to free them . Two [15 15 Nica raguan 15] former guerrillas have been arrested in the case . Because of the apparent threat to foreigners in [16 16 Costa R ica 16] near the [17 17 Nicaraguan 17] border , Arce said the government has advised many to take additional security measures on their own . Hurte Sierd Zylstra and his wife , Jetsi Hendrika Coers , both 50 years old , were seized late on Saturday or early on Sunday from a teak tree plantation they manage by at least two heavily armed men who took the two off in their own car , leaving behind a ransom note demanding \$ 1.5 million . The plantation is owned by [18 18 Du tch 18] citizen Ebe Huizinga , who has since arrived in [19 19 Costa Rica 19] to deal with the matter .

Gov't dodging extradition , [1 1 Colombian 1] official says . [2 2 BOGOTA 2] , [3 3 Colombia 3] 1996-08-28 A top judicial official and critic of President [4 4 Ernesto Samper 4] accused the government of indifference on Wednesday over efforts to lift [5 5 Colombia 5] 's five-year-old ban on extradition . " It would seem that the subject of extradition is unworthy of an opinion from the government , " Deputy Prosecutor-General Adolfo Salamanca said . Constitutional reforms were proposed on Tuesday by two senators , one of them a member of [6 6 Samper 6] 's own [7 7 Liberal Party 7] , aimed at lifting the ban on extradition introduced in 1991 . [8 8 U.S. 8] Ambassador Myles Frechette applauded the move , saying it could prompt the [9 9 Clinton 9] administration to remove [10 10 Colombia 10] from a list of outcast nations that have failed to cooperate in [11 11 U.S. 1 1] counternarcotics efforts . [12 12 Samper 12] -- who weathered a year-old crisis stemming from charges he financed his 1994 election campaign with drug money -- appeared less than enthusiastic , however . " Extradition is not on the government 's legislative agenda , " he told reporters on Tuesday . He added that he did not oppose the idea of opening a public debate over the issue . But he fell far short of endorsing the idea of putting [13 13 Colombian 13] drug lords onto U.S.-bound flights to serve stiff penalties in [14 14 American 14] prisons . Salamanca , who spoke at a meeting on kidnapping in [15 15 Colombia 15] , has said in the past that there was ample evidence to prove that [16 16 Samper 16] 's campaign received millions of dollars in contributions from the country 's top drug lords .

PLO Council calls for halt to contacts with [1 1 Israel 1] . [2 2 RAMALLAH 2] , [3 3 West Bank 3] 1996-08-28 The [4 4 Palestinian Legislative Council 4] on Wednesday called for a halt to contacts with [5 5 Israel 5] , just hours after President [6 6 Yasser Arafat 6] said the [1 Jewish 1] state had effectively declared war on the [7 7 Palestinians 7] by pursuing its hardline policies . A resolution released by the council called for " halting contacts with the [8 8 Israeli 8] side and leaving the mechanism to carry out this to [9 9 Palestinian 9] President [10 10 Yasser Arafat 10] " . The council was meeting in [11 11 Ramallah 11] to discuss [12 12 Israel 12] 's new policy of [2 Jewish 2] settlement expansion and its uncompromising line on [13 13 Jerusalem 13] since Prime Minister [14 14 Benjamin Netanyahu 14] took office in June . Council resolutions are not necessarily binding . [15 15 Arafat 15] had earlier blasted [16 16 Israel 16] saying its policies amounted to a declaration of war against the [17 17 Palestinian 17] people . He also called for the first general strike in two years in the [18 18 West Bank 18] and [19 19 Gaza 19] on Thursday . " What happened concerning continuous violations and crimes from this new [20 20 Israeli 20] leadership means they are declaring a state of war against the [21 21 Palestinian 21] people , " [22 22 Arafat 22] told the council . Council speaker Ahmed Korei said the decision was part of a comprehensive plan to confront [23 23 Israeli 23] settlement policy , land confiscation and what he termed other violations of the Israeli-PLO peace deals .

[1 1 Iraq 1] says hijackers were not diplomats . [2 2 BAGHDAD 2] 1996-08-28 [3 3 Iraq 3] on Wednesday said the hijackers of a [4 4 Sudanese 4] airliner were not [5 5 Iraqi 5] diplomats and added that " noble [6 6 Iraqis 6] " would never contemplate such an action . The official [7 7 Iraqi News Agency 7] (INA) quoted [8 8 Iraq 8] 's ambassador in [9 9 Khartoum 9] as saying that [10 10 Iraq 10] 's embassy in the [11 11 Sudanese 11] capital had nothing to do with the Monday night hijacking . [12 12 Iraq 12] 's ambassador in [13 13 Khartoum 13] denounced the hijacking and described it as a terrorist act which had nothing to do " with the morals and values of noble [14 14 Iraqis 14] , " INA said . Ambassador Abdulsamad Hameed Ali told INA there was only one diplomat among the 199 passengers and crew on the [15 15 Sudan Airways 15] Airbus . " He was not involved ... on the contrary he was harassed by the elements which carried out the hijacking , " he said . INA did not say the hijackers were [16 16 Iraqis 16] . The hijack started when the flight left [17 17 Khartoum 17] for [18 18 Amman 18] on Monday night . The hijackers told the crew they had grenades and other explosives and threatened to blow up the plane if they were not taken to [19 19 London 19] . The airliner refuelled at [20 20 Larnaca 20] , [21 21 Cyprus 21] and landed at [22 22 London 22] 's [23 23 Stansted 23] airport in the early hours of Tuesday . Seven [24 24 Iraqi 24] suspected hijackers surrendered and [25 25 British 25] police said they had apparently asked for political asylum . Several had brought their families along , including children .

[1 1 Dole 1] blasts [2 2 Clinton 2] for ignoring teen drug use . Judith Crosson [3 3 VENTURA 3] , [4 4 Calif. 4] 1996-08-28 [5 5 Republican 5] presidential candidate [6 6 Bob Dole 6] Wednesday accused the [7 7 Clinton 7] administration of ignoring drug use among teenagers and said if elected he would use the [8 8 National Guard 8] to stop drugs from entering the [9 9 United States 9] . " He 'll probably mention his war on drugs , which he 's going to start like everything else -- next year . It 's too late , Mr. President , " [10 10 Dole 10] told an outdoor crowd of several hundred at a private religious school . He also commented briefly on published reports that the administration was planning to announce a plan to lower capital gains taxes for home sales . " Welcome to the club . We 've had it out there for weeks and weeks and weeks , " [11 11 Dole 11] said . [12 12 Dole 12] said former first lady [13 13 Nancy Reagan 13] was laughed at with her " just say no " anti-drug message . " But it worked , " [14 14 Dole 14] said . Meanwhile , in [15 15 Los Angeles 15] , [16 16 Dole 16] 's running mate , [17 17 Jack Kemp 17] , campaigned aggressively for the black vote in an area that was the flashpoint of the 1992 [18 18 Los Angeles 18] riots . [19 19 K emp 19] told a crowd of about 300 [20 20 African Americans 20] in south central [21 21 Los Angeles 21] , " Keep your eyes open , keep your ears open , keep your heart open . I want to tell you with all my heart that we want to win your vote . " In [22 22 Dole 22] 's address to a group that was largely white , the presidential nominee likened the stream of illegal drugs into the [23 23 United States 23] to missiles aimed at [24 24 American 24] children and promised to appoint federal judges who would be tough on illegal drug use . " They 're aiming millions and millions of missiles right at these young people , whether it 's a needle , whether it 's a cigarette , whatever the delivery system is -- it 's poison and it 's got to stop in [25 25 America 25] . " he said . [26 26 Dole 26] said 70 percent of the cocaine that entered the [27 27 United States 27] and 40 percent of the marijuana came from [28 28 Mexico 28] . " We 've got an international problem and I 'm prepared to use our military might . We want to stop drugs at the border , " he said . [29 29 Dole 29] 's remarks prompted questions about whether he was seeking a ban on cigarettes . " I did n't say anything about cigarettes . I was talking about drugs . I said you should n't smoke either . That 's all I said , " he replied as he was shaking hands with well-wishers . When asked specifically if he was suggesting a ban on cigarettes , [30 30 Dole 30] replied : "

Oh no . Come on , you know better than that . " [31 31 Dole 31] campaign aides said the candidate was telling young people not to smoke . [32 32 Dole 32] also said he opposed California Proposition 215 which , if approved by voters , would allow the cultivation of marijuana plants for medicinal uses . [33 33 Dole 33] said the initiative would allow marijuana to be used for anything from a headache to an ingrown toenail . In an effort to paint the drug issue in non-political terms , [34 34 Dole 34] said three times during his 20-minute address that illegal drug use was neither a [35 35 Democratic 35] nor a [36 36 Republican 36] issue but one that involves all people . The anti-drug message is a theme [37 37 Dole 37] feels has strong voter appeal . On Sunday near [38 38 Chicago 38] he accused President [39 39 Bill Clinton 39] of " raising the white flag " in the war on drugs . A recent survey showed that illegal drug use among 12-17 year-olds had doubled in the past four years . [40 40 Dole 40] was flanked by several [41 41 California 41] [42 42 Republican 42] politicians including Gov . [43 43 Pete Wilson 43] , who said local and state governments cannot fight illegal drugs alone . " We need all the help we can get . We need to get the kind of help we used to get when [44 44 Ronald Reagan 44] and [45 45 George Bush 45] were in the [46 46 White House 46] , " [47 47 Wilson 47] said .

[1 1 CME 1] lumber futures close lower on profit taking . [2
2 CHICAGO 2] 1996-08-28 Profit taking continued to weigh on [3
3 CME 3] lumber futures but prices ended only slightly lower
as strong cash markets underpinned futures , traders said .
The same pattern of the past few days persisted with futures
declining early on the profit taking before firming late .
There was cash-related buying late from people who want to
take delivery of the September contract , they said . Cash
sources noted that although the cash market is generally
quiet , prices remain firm on demand for prompt delivery
wood , they added . Random Lengths quoted cash spruce at \$
419 per tbf , up \$ 5 from last Friday and \$ 7 over the last
midweek quote . Reduced concern over Hurricane [4 4 Edouard 4]

prompted some of the early profit taking . Expectations the storm would turn more to the north partly eased concerns , they said . Lumber closed \$ 2.20 to \$ 0.20 per tbf lower with September off \$ 0.70 at \$ 413.20 and November off most at \$ 369.00 per tbf . -- Jerry Bieszk 312-408-8725

WHEAT--Rains boost [1 1 U.S. 1] HRW planting prospects . Greg Frost [2 2 KANSAS CITY 2] , Mo . 1996-08-28 Above-normal summer rainfall in the [3 3 U.S. 3] [4 4 High Plains 4] has produced near-ideal conditions for planting the 1997 hard red winter wheat crop , analysts said Wednesday . From central [5 5 Texas 5] north to [6 6 Kansas 6] , rains throughout July and August have relieved most of the drought conditions that plagued the region earlier this year . " Our moisture situation is excellent , especially for fall planting of winter wheat , " said Kim Anderson , extension wheat marketing economist at [7 7 Oklahoma State University 7] . The irony of the above-average summer rainfall was not lost on [8 8 High Plains 8] wheat producers , who only three months ago were caught in a drought so severe that old-timers likened conditions to the " [9 9 Dust Bowl 9] " days of the 1930s . " It 's definitely a turnaround from this past year , but you know last year we had pretty good moisture about this time of year , and then about October 1 it quit , " said Mark Hodges , executive director of the Oklahoma Wheat Commission . " Hopefully that 's not going to happen this year . " According to figures released by the Oklahoma Climatological Survey , an average of 20.19 inches fell across the state between March 1 and August 26 , 1996 . That 's about 1/2 inch above the average for the same time period , according to Howard Johnson , associate state

climatologist at the [10 10 University of Oklahoma 10] . He noted that the majority of that 20.19 inches had fallen since July . As an example of just how dry it was , data showed that between October 1 , 1995 and March 1 , 1996 , the state received an average of only 4.6 inches of rainfall . In northern [11 11 Texas 11] , the current rainfall situation was similar to most of [12 12 Oklahoma 12] , said Rodney Mosier , executive assistant for the Texas Wheat Producers . " Up here in the [13 13 Texas Panhandle 13] , we 've had some extremely beneficial rains that came through within the last several days and are really setting us up for ideal conditions for planting wheat , " Mosier said . But he warned that the situation was not as ideal in central and southern [1 4 14 Texas 14] , where moisture levels were still short despite the rains brought by Hurricane Dolly last week . In [1 5 15 Kansas 15] , typically the number one [16 16 U.S. 16] hard red winter wheat producer , topsoil moisture levels were rated mostly adequate during the week ended Sunday , according to the state 's agricultural statistics service . In its weekly report released Monday , the service said [17 17 Kansas 17] topsoil moisture was rated eight percent surplus , 77 percent adequate and 15 percent short to very short . [18 1 8 Oklahoma 18] 's Agricultural Statistics Service showed similar conditions , rating topsoil moisture levels as seven percent surplus , 81 percent adequate and 12 percent short to very short . Data on topsoil moisture ratings were not released by the Texas Agricultural Statistics Service . --

First Union National Bank of Fla. settles suit . [1 1 JACKSONVILLE 1] , Fla. 1996-08-28 First Union National Bank of Florida said on Wednesday it agreed to settle a class action law suit involving its collateral protection insurance (CPI) program . To provide for the settlements , First Union has established a common fund of \$ 4.7 million for cash refunds and \$ 19.4 million in credit refunds for outstanding CPI balances . The bank is a division of First Union Corp . The bank said most of the charges resulted from loan portfolios from banks and thrifts that were acquired in the 1980s . First Union said it has discontinued CPI as an element of its motor vehicle or boat installment loan contracts . As part of the settlement agreement , customers who had CPI placed on loans from January 1 , 1986 to September 31 , 1996 , will receive cash or credit refunds , the bank said . Cash refunds will go to those who paid their loans to First Union while credit refunds will go to those who have existing loan balances , the bank said .

[1 1 Burundi 1] defends military regime to hostile UN . Evelyn Leopold [2 2 UNITED NATIONS 2] 1996-08-28 [3 3 Burundi 3] 's ambassador on Wednesday lashed out at economic sanctions imposed by [4 4 African 4] states and said any thought of an arms embargo would be a windfall for guerrillas fighting his army-run government . In a lengthy debate on [5 5 Burundi 5] before the [6 6 U.N. Security Council 6] , Ambassador Nsanze Terence said the new military government took over to stabilise the country and wanted negotiations under former [7 7 Tanzanian 7] President [8 8 Julius Nyrere 8] . Nearly every [9 9 African 9] member who spoke , as well as most [10 10 Security Council 10] members , however , were unsympathetic towards the government of President [11 11 Pierre Buyoya 11] , an army major put in power in a July coup by the Tutsi-run military , which is locked in a guerrilla war with the majority Hutus . " These ([12 12 African 12]) brothers should have been the first to bind the wounds of [13 13 Burundi 13] , " Terence said of the economic embargo . " Quite the contrary , [14 14 Burundi 14] has seen economic war

declared against it by fellow [15 15 African 15] people ... a gratuitous immolation of the people of [16 16 Burundi 16] . " He said his government had just asked [17 17 U.N. 17] human rights monitors to increase their numbers in [18 18 Burundi 18] in an effort " to put an end to this vicious circle of violence . " More than 150,000 people have been killed in violence between the minority [19 19 Tutsis 19] and the majority Hutus since 1993 . [20 20 Botswana 20] 's envoy , Mothusi Nkgowe , said coups should be relegated " to the dump heap of history " as there could be no justification for the overthrow of a legitimate government . [21 21 Chile 21] has proposed a resolution , still under discussion , that would impose an immediate arms embargo on [22 22 Burundi 22] and call for negotiations . The draft suggests further sanctions against those who impede a political solution . Among the council 's five permanent members , [23 23 Russia 23] and the [24 24 United States 24] appeared to support most elements of the [25 25 Chilean 25] proposal , while [26 26 Britain 26] , [27 27 France 27] and [28 28 China 28] were cautious .

Terence , a [29 29 Tutsi 29] , said any arms embargo would leave the army unable to defend itself against [30 30 Hutu 30] guerrillas and leave the population exposed to " armed terroristts . " But [31 31 Chilean 31] Ambassador [32 32 Juan Somavia 32] said : " Every weapon that reached [33 33 Burundi 33] is a weapon aimed mainly at killing an unarmed civilian . We must not send a signal different from the [34 34 African 34] leaders themselves . Inaction is becoming the worst possible course of action . " [35 35 Burundi 35] 's parliament has been suspended and political parties are banned but Terence told reporters [36 36 Buyoya 36] would reconvene a new type of national assembly in October . The [37 37 United States 37] said the coup leaders had taken no steps to restore democracy and indiscriminate killings continued . Ambassador [38 38 Karl Inderfurth 38] said the new government should have " unconditional " negotiations with all parties inside and outside of the country . He said [39 39 Washington 39] strongly supported the economic sanctions imposed already and if these did not work the council would consider " an arms embargo or targeted sanctions against faction leaders . " But he said the international community had to be prepared for the worst and avoid a replay of the horrors in neighbouring [40 40 Rwanda 40] , where widespread genocide broke out against the [41 41 Tutsis 41] two years ago . He again said the [42 42 United Nations 42] should draw up contingency plans for a rapid humanitarian intervention .

Anti-Bhutto rally draws about 8,000 in [1 1 Karachi 1] . [2 2 KARACHI 2] , [3 3 Pakistan 3] 1996-08-28 About 8,000 protesters marched through [4 4 Karachi 4] on Wednesday demanding the removal of [5 5 Pakistani 5] Prime Minister [6 6 Benazir Bhutto 6] , witnesses said . " From here we will march to [7 7 Islamabad 7] and by [8 8 God 8] we will not let [9 9 Benazir 9] and ([10 10 Bhutto 10] 's husband Asif Ali) [11 11 Zardari 11] escape justice , " [12 12 Nawaz Sharif 12] , leader of the main opposition [13 13 Pakistan Muslim League 13] told a rally organised by a 16-party alliance . [14 14 Sharif 14] accused [15 15 Bhutto 15] of corruption and nepotism , charges she has denied in the past . Witnesses said protesters carrying colourful party flags walked for several miles , chanting anti-government slogans . The event was part of an opposition campaign launched on August 14 , [16 16 Pakistan 16] 's independence day . [17 17 Sharif 17] said similar rallies would be held in the [18 18 Balochistan 18] provincial capital [19 19 Quetta 19] and the [20 20 Punjab 20] provincial capital [21 21 Lahore 21] before an opposition march on the capital [22 22 Islamabad 22] . " I promise the people of [23 23 Karachi 23] that those responsible for the extra-judicial killing of innocent youths would not be spared , " [24 24 Sharif 24] said . [25 25 Karachi 25] 's ethnic Mohajir National Movement ([26 26 MQM 26]) accuses the government of killing many of its militants in cold

blood . The government has denied the charge and blames the [2
7 27 MQM 27] for much of the violence that killed 2,000 people in the city last year . Political observers said the turn-out was disappointing for a city of about 12 million people , possibly indicating that the [28 28 MQM 28] , although a member of the opposition alliance , had not mobilised its supporters for the event . The turbulent southern port has been calmer this year , but police say more than 300 people have died in political unrest . The [29 29 MQM 29] speaks for Urdu-speaking Moslems who migrated from [30 30 India 30] at [31 31 Partition 31] in 1947 and their descendants . [32 32 Sharif 32] , a former prime minister , is the main political rival of [33 33 Bhutto 33] , who defeated him in the October 1993 election . He said only the removal of the government and an early election could save [34 34 Pakistan 34] from disaster . " We will dislodge the [35 35 Bhutto 35] government . It is a holy war for us , " he said . [36 36 Bhutto 36] has vowed to complete her five-year term .

cement sales rose to 3.1 million tonnes in April-July 1996
from 2.93 million a year ago . ACC Chairman [5 5 Nani Palkhiv
ala 5] told shareholders at the firm 's annual meeting cement
output rose to 3.14 million tonnes in the first quarter of
1996/97 (April-March) , from 3.01 million a year ago . [6 6
Palkhivala 6] said ACC had secured government approval to
take over a sick cement firm with a grinding capacity of
275,000 tonnes per year . " We will take it over early next
month , " he said . Talking about the cement industry in
general , [7 7 Palkhivala 7] said [8 8 Indian 8] production
rose by about 10 percent in 1995/96 . " The industry saw
capacity expansion of about 13 percent over 1994/95 from
77.79 million tonnes to 87.45 million tonnes , " [9 9 Palkhiv
ala 9] told shareholders . He said [10 10 Indian 10] cement
exports dropped about eight percent from the previous year
because of stiff international competition and inadequate
infrastructural facilities . ACC 's own export performance
was marginally better than in 1994/95 on account of a 36
percent rise in exports to [11 11 Nepal 11] and the opening
of a new market - [12 12 Sri Lanka 12] , he said . Despite
power shortages , ACC achieved a satisfactory growth in
production during the year with the help of its power
plants . ACC sold 9.4 million tonnes in 1995/96 , retaining
its top position in the [13 13 Indian 13] cement industry , [1

[1 1 India 1] fishermen say forced to carry Tamil refugees .
P.V. Krishnamoorthy [2 2 RAMESWARAM 2] , [3 3 India 3]
1996-08-28 [4 4 Indian 4] fishermen said on Wednesday they
had been forced at gunpoint to ferry refugees fleeing the
ethnic war in [5 5 Sri Lanka 5] to [6 6 India 6] , as a
protest strike by more than 30,000 fishermen entered its
ninth day . " There is little we can do when at mid-sea . The
[7 7 LTTE 7] ([8 8 Liberation Tigers of Tamil Eelam 8])
accosts us and , at the point of a gun , forces us to take
refugees , " said senior fishermen leader P. Arulanandam .
Some 850 refugees have landed in recent weeks at the port of [9 9 Rameswaram 9] in the southern [10 10 Indian 10] state of [11 11 Tamil Nadu 11] , home to 50 million Tamil-speaking

people , port officials say . [12 12 Rameswaram 12] is 15 km (10 miles) off the coast of [13 13 Sri Lanka 13] . State chief minister [14 14 M. Karunanidhi 14] has publicly welcomed the refugees , who are fleeing the 13-year war between Tamil separatists and government troops that [15 15 Colombo 15] says has cost 50,000 lives . But the influx has triggered fears of a repeat of the 1980s when some 200,000 refugees landed in [16 16 Tamil Nadu 16] . Intelligence officials said more than 5,000 [17 17 Tamils 17] were waiting on the western coast of [18 18 Sri Lanka 18] to cross into [19 19 India 19] . The [20 20 Indian 20] government has warned its fishermen that their boats would be impounded if they were caught ferrying refugees . The fishermen went on strike last week to protest the government 's cancellation of three trawlers ' fishing licenses after the boats were caught carrying Tamil refugees . All Fishermen 's Association secretary N.J. Bose said the strike would continue indefinitely and the fishermen would block road and rail traffic if their demands were not met . " Until the government releases our boats from naval custody and [21 21 Sri Lankan 21] naval custody , and gives us assurance (it will not revoke licences of boats ferrying refugees) , we will not call off our strike , " Bose said . [22 22 LTTE 22] spokesmen could not immediately be reached for comment , but [23 23 Sri Lankan 23] fishermen denied that [24 24 Indians 24] were being coerced into carrying refugees across the [25 25 Palk Strait 25] . " [26 26 Indian 26] fishermen come right up to [27 27 Pesalai 27] to fish , and when refugees request them to ferry them across , they readily oblige . Only some take money , " [28 28 Sri Lankan 28] boatman Chinnathambi said . Arulanandam denied the fishermen charged the refugees for passage to [29 29 India 29] and said it was unfair to penalise them for the refugees ' arrival . " We have not gone to sea since August 19 , but refugees are arriving daily nevertheless . How could we alone be held responsible for the influx ? " he said . An Indian Fisheries Department official said the government planned to urge fishermen not to cross the international boundary between [30 30 India 30] and [31 31 Sri Lanka 31] , but admitted this would be hard to enforce because of [32 32 Sri Lanka 32] 's pomfret-rich waters .

Saturday afternoon . The finance ministry estimated the cost of ND 's economic measures to over 600 billion drachmas but ND officials put the figure much lower to about 300 billion drachmas . [5 5 Simitis 5] blamed ND for the low absorption rate of EU funds and said the socialists will increase farmers ' pensions , combat tax evasion and accelerate GDP growth rates to 4.0 percent in a few years . [1 1 Dow 1] pushes [2 2 London 2] stocks to new record . Peter Griffiths [3 3 LONDON 3] 1996-08-28 A firm start on [4 4 Wall Street 4] helped push leading 1 London shares to a new record high on Wednesday and [5 5 German 5] stocks closed floor trading up but the [6 6 Paris 6] bourse slipped sharply , hit by a weakening franc and fears of industrial unrest . On the foreign exchange markets , a survey indicating weaker than expected [7 7 Japanese 7] business sentiment boosted the dollar in early trading but it failed to build on its gains against the yen and slipped lower against the mark in quiet afternoon trade . 2 London shares , boosted by [8 8 Wall Street 8] , added to early gains with the blue chip [9 9 FTSE 100 9] index hitting a new peak of 3921.8 before dropping back slightly . One focus was [10 10 Br

itish Airways 10] , which rebounded after fears faded that the cancellation of " open skies " talks between the U.S. Transportation Department and the [11 11 British 11] government may jeopardise its tie-up with [12 12 American Air lines 12] . The conclusion of an open skies agreement had been made a prerequisite of the proposed link-up by the [13 13 U.S 13] . Better-than-expected [14 14 British 14] trade figures had little impact on equities . The non-EU July trade deficit totalled 506 million sterling (\$ 788 million) while June 's world deficit was 1.12 billion pounds . Forecasts were for deficits of 900 million sterling and 1.4 billion sterling . [15 15 German 15] shares shed some gains on profit-taking but nonetheless ended the floor session higher buoyed by demand for chemical stocks and a stable dollar . The 30-share [16 16 DAX 16] index closed at 2,563.16 points , up 4.32 . However , [17 17 French 17] stocks extended opening losses to more than one percent in morning trading , falling through the 2000 point resistance level on the main CAC-40 index . Dealers blamed a weakening franc and worries about the 1997 budget and possible autumn strikes Louis Viannet , leader of [18 18 France 18] 's Communist-led [19 19 CGT 19] union , criticised government plans for spending cuts in the 1997 budget on Wednesday and warned of labour unrest as [20 20 France 20] gets back to work after the holidays . Later in the day , helped by the firmer [21 21 Wall Street 21] opening , 3 Paris climbed back to the 2000 level but still remained well into negative territory . In foreign exchange the dollar was trading at around 108.40 yen in the [22 22 European 22] afternoon , up from its [23 23 European 23] close on Tuesday of 107.55 but off the day 's highs . It had been boosted overnight by the [24 24 Bank of Japan 24] 's quarterly corporate survey , or " tankan " , of major manufacturers -- an important gauge of business sentiment . The unexpectedly weak figures convinced markets that [25 25 Japanese 25] interest rates would stay at rock-bottom levels -- weakening the yen . The [26 26 Japanese 26] discount rate is currently at a record low of 0.5 percent . The [27 27 BOJ 27] sought to put the best face on the data which defied economists ' predictions of improving sentiment and was the first decline in business sentiment in a year . A [28 28 BOJ 28] spokesman said " the doors to the recovery have not been shut ... the recovery is still continuing . " These remarks gave the yen some backbone and the dollar failed to progress further . " The dollar 's gains were less than spectacular , suggesting that while it 's likely to benefit from revised [29 29 Japanese 29] rate expectations , a breakout from the established trading range does n't appear likely , " said currency economist Klaus Baader . Dealers said shares were also affected by a slippage in bond prices due to lower than expected June industrial production , showing the economy was still faltering . CURRENCIES AT 1500 [30 30 GMT 30] The dollar was at 108.40 yen and 1.4765 marks compared with

Tuesday 's [31 31 European 31] close of 107.78 yen and 1.4779 marks STOCK MARKETS AT 1500 [32 32 GMT 32] The Financial Times-Stock Exchange index of 100 leading [33 33 British 33] shares had risen 15 points to 3,920.7 . In [34 34 Paris 34] , the CAC-40 share index dropped 15.09 to 2,002.9 . The 30-share [35 35 DAX 35] index in [1 4 Frankfurt 1] closed up 4.32 at 2,563.16 . PRECIOUS METALS Gold fixed at \$ 388.50 versus Tuesday 's 5 London close of \$ 388.55 . Silver was at 521.15 cents . (\$ 1=.6421 Sterling)

[1 1 Arafat 1] says [2 2 Israel 2] declares war on Palestinians . Wafa Amr [3 3 RAMALLAH 3] , West Bank 1996-08-28 [4 4 Palestinian 4] President [5 5 Yasser Arafat 5] said on Wednesday that [6 6 Israel 6] had declared war on the [7 7 Palestinians 7] and called for the first general strike in the West Bank and [8 8 Gaza 8] in two years . " What happened concerning continuous violations and crimes from this new [9 9 Israeli 9] leadership means they are declaring a state of war against the [10 10 Palestinian 10] people , " [11 11 Arafat 11] told the [12 12 Palestinian 12] legislature . Accusing [13 13 Israeli 13] Prime Minister [14 14 Benjamin Netanyahu 14] of stupidity , [15 15 Arafat 15] launched his strongest attack on the right-wing government since its election in May . The tirade was sparked by [16 16 Israel 16] 's announcement on Tuesday of plans to expand the [17 17 Jewish 17] settlement of Kiryat Sefer and its demolishing of a community centre in Arab East Jerusalem . " [18 18 Israel 18] has started the war on [19 19 Jerusalem 19] . They are idiots to have started the [20 20 Jerusalem 20] battle , " [21 21 Arafat 21] said in [22 22 Arabic 22] . " There will be no [23 23 Palestinian 23] state without [24 24 Jerusalem 24] . [25 25 Netanyahu 25] should know he is stupid to have started this battle . " [26 26 Arafat 26] called for a general strike " for [27 27 Jerusalem 27] " on Thursday in all of the West Bank and [28 28 Gaza Strip 28] . There has not been a joint shutdown there since May 1994 when [29 29 Israeli 29] troops began withdrawing under an interim self-rule agreement signed in 1993 . The strike will have little effect on the [30 30 Israeli 30] economy while hurting [31 31 Palestinian 31] merchants in [32 32 East Jerusalem 32] and [33 33 Bethlehem 33] who cater to the tourist trade . Some 25,000 [34 34 Palestinian 34] labourers are likely to stay away from their jobs , mainly in construction , in [35 35 Israel 35] . But [36 36 Palestinians 36] , once the backbone of the building industry , have been largely replaced by labourers from [37 37 Romania 37] and [1 1 China 1] . " On Friday , all [38 38 Moslems 38] , including [39 39 Palestinians 39] in [40 40 Israel 40] ... will go to ([41 41 Jerusalem 41] 's) [42 4

2 Al-Aqsa 42] mosque and pray . [43 43 Jews 43] and Christians who do not pray should accompany them and stand behind them , " [44 44 Arafat 44] said . Officials in [45 45 N etanyahu 45] 's office were not immediately available for comment on [46 46 Arafat 46] 's remarks . [47 47 Israeli 47] travel restrictions , imposed after bombings by [48 48 Moslem 48] militants in February and March , ban most of the two million [49 49 Arabs 49] in the West Bank and [50 50 Gaza 50] from entering [51 51 Jerusalem 51] . [52 52 Netanyahu 52] , who opposes trading occupied land for peace , made [53 53 Jerusalem 53] a central issue in his election campaign , accusing [54 54 Labour 54] Prime Minister [55 55 Shimon Peres 55] of planning to hand control of the Arab eastern part of the city to the [56 56 Palestinians 56] . [57 57 Israel 57] captured [58 58 East Jerusalem 58] in the 1967 [59 59 Middle East 59] war and claims both halves of the city as its capital . The PLO wants [60 60 East Jerusalem 60] as the capital of a future [61 61 Palestinian 61] state . In his speech to the crowded legislature , [62 62 Arafat 62] signalled he was not abandoning diplomacy although " alarm bells are ringing " . He unexpectedly broke off his address to take a telephone call from U.S. Middle East envoy [63 63 Dennis Ross 63] , who held talks in [64 64 Paris 64] on Tuesday with [65 65 Israeli 65] and [66 66 Egyptian 66] officials . When [67 67 Arafat 67] returned to the podium , he said senior PLO negotiator [68 68 Mahmoud Abbas 68] , better known as [69 69 Abu Mazen 69] , and [70 70 Netanyahu 70] aide [71 71 Dore Gold 71] could meet on Thursday . He quoted [72 72 Ross 72] as telling him : " The important thing is the [73 73 Israelis 73] are prepared to move . " [74 74 Arafat 74] said he replied : " is this like their previous promises ? " " No , they have good intentions , " [75 75 Arafat 75] quoted [76 76 Ross 76] as saying . [77 77 Palestinians 77] have been pressing [78 78 Israel 78] to carry out a long-delayed partial troop pullout from the flashpoint West Bank city of [79 79 Hebron 79] agreed by the previous [80 80 Labour 80] government . The [81 81 Israeli 81] government is studying redeployment plans submitted by Defence Minister [82 82 Yitzhak Mordechai 82] which are likely to demand a wider than agreed army presence in [83 83 Hebron 83] .

US investors mull appeal of Lloyd 's decision . Patricia Vowinkel [1 1 NEW YORK 1] 1996-08-27 [2 2 U.S. 2] investors in troubled Lloyd 's of London were considering late on Tuesday whether to appeal a [3 3 U.S. 3] court decision in favour of Lloyd 's and pledged to continue pursuing other legal actions . A [4 4 U.S. 4] appeals court on Tuesday gave Lloyd 's a reprieve , throwing out an injunction that the insurance giant said could have led to its collapse . A lower court issued the injunction on Friday and ordered Lloyd 's to give investors , known as Names , more information before requiring them to decide whether to accept a settlement offer as part of a reorganisation plan . " My prediction is that the Names will appeal , " said Kenneth Chiate , a [5 5 U.S. 5] Name and a chief negotiator for the American Names Association . " At this point , it is a sufficiently important decision that I 'm confident that they will appeal , " he said . " But to say that they definitely will

would be premature until we determine what the exact basis for the court 's ruling is . " Under the reorganisation plan , Lloyd 's plans to reinsure its massive liabilities into a new company called [6 6 Equitas 6] . The arrangement calls for investors to make additional payments to fund [7 7 E quitas 7] but also provides them with 3.2 billion stg in compensation to help reduce their prior outstanding liabilities . The Names had been scheduled to decide whether to accept or reject the offer by 1100 [8 8 GMT 8] Wednesday , but Lloyd 's chairman David Rowland said on Tuesday the offer would be extended . At least eight [9 9 U.S. 9] states have still some form of litigation pending , said John Head , spokesman for the Association of Lloyd 's State Chairmen , a group representing [10 10 U.S. 10] Names . " It goes without saying that we 're rather disappointed , " Head said of the decision by the [11 11 U.S. Court of Appeals 11] for the [12 1 2 Fourth Circuit 12] , sitting in [13 13 Baltimore 13] . But , he said , " we still have hope that somebody is going to see our point of view in this . " The [14 14 Colorado 14] attorney general told Lloyd 's last week it was considering a new legal action against the [15 15 British 15] insurance market , based on allegations of consumer fraud . " We have notified them of our concerns and asked them to give us a response , " said [16 16 Colorado 16] attorney general [17 17 Gale Norton 17] . [18 18 Norton 18] said she was concerned that the Lloyd 's agreement immunizes it from future litigation regarding [19 19 Equitas 19] and requires that all legal actions be heard outside of [20 20 Colorado 20] . In addition , she said she was concerned the plan may not offer investors enough protection from additional , future liabilities . Meanwhile , an appeal of a lawsuit filed by some 600 Names in [21 21 California 21] is still pending before the [22 22 U.S. Court of Appeals 22] for the Ninth Circuit , Chiate of the American Names Association said . That lawsuit , which seeks rescission and restitution , was dismissed in a [23 23 U.S. 23] district court . That case " is what I call the most significant alternate remedy for us , " Chiate said . The individual Names , however , now must decide whether to accept Lloyd 's settlement offer or reject the offer and pursue litigation . Chiate said he has advised Names that " they must make , individually , a risk benefit analysis . " Rejection involved forfeiting the compensation offer and risking the possibility of owing Lloyd 's two to three times more than Lloyd 's is now willing to accept , he said . But , in rejecting the offer , the Names would retain their rights to pursue litigation , he said .

[1 1 German 1] prosecutors file sex tourism charges . [2 2 BE RLIN 2] 1996-08-28 [3 3 Berlin 3] prosecutors said on Wednesday they had filed charges against two [4 4 German 4] men for sexually abusing children in [5 5 Thailand 5] and distributing pornographic films and pictures of their degrading acts . The case is one of only a handful in which authorities have managed to track down suspects under a law which lets them pursue [6 6 Germans 6] who commit sex offences abroad . The pair , identified only as 43-year-old

clerk Dieter U and businessman Thomas S , 33 , are alleged to have carried out acts of sexual indecency with children as young as 10 years old between 1994 and 1995 . Their videos included pictures of one of the accused tying up a [7 7 Thai 7] boy and performing acts of sadistic torture on him , prosecutors said in a statement . In another scene , a young girl performed oral sex with an unidentified adult man . The new law was introduced with much fanfare in 1993 . But prosecutors face huge difficulties in gathering evidence and bringing witnesses to testify in a [8 8 German 8] court , and only one person has so far been convicted under the law . Investigators are probing several other cases . The [9 9 Berlin 9] prosecutors said they had been alerted to the two men by customs officials who intercepted packages containing pornographic photographs and order forms .

Stephanie of [1 1 Monaco 1] 's husband snapped cavorting . [2 2 ROME 2] 1996-08-28 Two [3 3 Italian 3] magazines published pictures on Wednesday of [4 4 Daniel Ducruet 4] , Princess Stephanie of [5 5 Monaco 5] 's husband and former bodyguard ,

cavorting naked with another woman by a poolside in [6 6 France 6] . The magazines , Eva Tremila and its sister publication [7 7 Gente 7] , printed up to 26 pages of photos of the woman undressing [8 8 Ducruet 8] , the pair embracing on a sunbed and finally both naked . Eva Tremila said other even more explicit photos were taken but it did not print them . The magazines named the woman as Fili Houteman , a 26-year-old [9 9 French 9] singer and dancer in a [10 10 Belgian 10] cabaret club . The photographs , an [11 11 Italian 11] exclusive , raised eyebrows in the tiny principality , where Stephanie 's father [12 12 Prince Rainier 12] , had long disapproved of his daughter 's choice of husband . Stephanie had two children with [13 13 Ducruet 13] before their marriage in July last year . Stephanie , [14 14 Caroline 14] and 1 Albert are the children of [15 15 Rainier 15] and former [16 16 Hollywood 16] screen goddess [17 17 Grace Kelly 17] , who was killed in a car crash in 1982 . " We have seen the photos but for the moment the palace has no comment , " a spokeswoman for [18 18 Prince Rainier 18] told [19 19 Reuters 19] . The magazines said the photographs were taken in Cap de Villefranche , some 15 km (nine miles) from [20 20 Monte Carlo 20] . [21 21 Gente 21] said [22 22 Ducruet 22] , a keen racing driver , met Houteman during a race in [23 23 Belgium 23] and photographers had been on their trail ever since . The magazine said video cameras had also been used to film the couple and that a sound-track existed .

[1 1 Spanish 1] tomato warriors paint the town red . [2 2 BU
NOL 2] , [3 3 Spain 3] 1996-08-28 Revellers painted the town
red on Wednesday as the 1996 edition of the world 's biggest
tomato fight began in the eastern [4 4 Spanish 4] village of [
5 5 Bunol 5] . Thousands of people pelted each other with
armfuls of ripe tomatoes as streets , walls and windows were
coated in a blood-red wash . A single firework after midday
signalled the start of the fruit-throwing frenzy , during
which participants hurl some 100 tonnes of tomatoes trucked
in for the occasion . Local historians say the tradition
began in 1945 when disgruntled locals began spontaneously to
bombard the priest and mayor at the annual fiesta in [6 6 Bun
ol 6] (pronounced Boo-nee-OL) . The festival 's fame has
grown and now attracts between 15,000 and 20,000 people ,
many of them foreigners .

NZ bills gain ground after see-saw session . [1 1 WELLINGTON
1] 1996-08-28 0515 [2 2 GMT 2] The [3 3 New Zealand 3] money market gained slightly at Wednesday 's close after what dealers described as a see-saw trading session . Ninety-day bank bill rates shed five points to 9.93 percent and September bank bill futures rose four to 90.18 . However , bonds finished largely flat . " Our bonds were better bid initially but they sold off on a lack of demand , and the short end went with it too on a lower currency . " There were big buyers at the base of where the market sold to , and when the currency got bought back on talk of a samurai the market got bought back again , " a dealer said . Volumes were reasonable in the money market but thin in bonds . Dealers said the market seemed to be trading a range and would wait for more political polls to provide direction . They were confident of further eurokiwi issuance but said the timing was less of a certainty . -- [4 4 Wellington 4] newsroom (64

RTRS - Guinness Peat expects strong full yr . [1 1 SYDNEY 1]
1996-08-28 [2 2 British-based 2] investment company Guinness Peat Group Plc (GPG) said on Wednesday it expected a strong full year result . " We think we 're in a position to produce a strong result , however a lot of our profitability must

inevitably depend on a number of (company) results , " said GPG director Garry Weiss . GPG earlier said its net profit for the six months to June 30 rose to 9.77 million pounds from 6.93 million in the previous first half . The company did not declare an interim dividend as in the previous year . Weiss said the [3 3 Australian 3] share market had been somewhat negative for much of 1996 and this had some effect on the company 's first half results . " However , it certainly is a very pleasing result for the first six months , " he said . Weiss said most of the company 's half year earning stemmed from the sale of its 50 percent stake in Physicians Insurance Co of [4 4 Ohio 4] . He said the company decided to sell its [5 5 U.S. 5] investment in order to consolidate investments closer to its administrative base . GPG said its stakes in Tyndall Australia Ltd and Mid-East Minerals Ltd both contributed strongly to GPG 's first half earnings . -- Sydney Newsroom 61-2 9373-1800

RTRS - [1 1 Queensland 1] gunman evades police in bush hunt . [2 2 BRISBANE 2] 1996-08-28 [3 3 Australian 3] police on Wednesday continued to hunt a gunman in dense bushland after he killed his wife and wounded three other people , warning the man is extremely dangerous and may take a hostage to escape . The shooting occurred around 6.30 a.m. (2030 [4 4 GMT 4]) on Tuesday at Glenwood , south of Maryborough , about 150 km (93 miles) north of [5 5 Brisbane 5] on the [6 6 Queensland 6] state coast . Police have declared an " emergent situation " in the area , giving them powers to raid houses , search cars , close schools , quarantine the area and evacuate people . " It is one step short of an emergency situation , " a police spokesman said via telephone from a command post in the bush . " We have not had any sightings , but we suspect he is armed , possibly with a .22 rifle and / or a self-loading shotgun . He is considered extremely dangerous , " he said . " It 's a possibility , not a probability , he may take a hostage , but we have measures in place if that is the case . " William Fox broke into his wife 's home on Tuesday morning , shooting her dead and wounding his 16-year-old son , his son 's girlfriend and a neighbour , police said . All three wounded are in a satisfactory condition in hospital . Fox initially fled from the shooting in a car , but then abandoned the car and entered dense bushland . Fox is a skilled bushman who knows the area very well , police said . About 60 police , helicopters and fixed-wing aircraft have maintained an overnight cordon around 15 sq km (six sq miles) of bush near Glenwood . The area is littered with caves and police believed Fox has a hideout

which has enabled him to evade capture . [7 7 Australia 7] 's six states and two territories are involved in heated debate over the introduction of tough new firearm laws , including the banning rapid fire weapons , after a shooting massacre in the island state of [8 8 Tasmania 8] . On April 28 , a lone gunman went on a shooting rampage at the site of the historic [9 9 Port Arthur 9] penal settlement , killing 35 people .

[1 1 MOF 1] 's Kubo says believes [2 2 BOJ 2] rate policy
unchanged . [3 3 TOKYO 3] 1996-08-28 [4 4 Japan 4] 's Finance
Minister Wataru Kubo told a news conference on Wednesday that
he believes that the [5 5 Bank of Japan 5] 's ( [6 6 BOJ 6] )
interest rate policy which is geared towards ensuring
economic growth has not changed after the release of the
central bank 's " tankan " survey . The [7 7 BOJ 7] released
the August tankan , its quarterly short-term corporate
survey , in the morning and it showed business outlook had
worsened . However , Kubo said it did not necessarily show a
substantial worsening of the economy . " The question is what
the [8 8 BOJ 8] is going to do with its interest rate
policy . The [9 9 BOJ 9] governor has made it clear that the [
10 10 BOJ 10] 's policy is aimed at ensuring basis for
economic recovery . I believe this policy has not changed , "
he said . Asked if a supplementary budget for 1996/97 was
needed to support the economy , Kubo said the tankan results
would not lead to any immediate decision on the need for an
extra budget . " I do n't think we should immediately draw a
conclusion that the economic recovery has come to a halt or
that signs of a economic contraction have emerged , " Kubo
said . " The economy is not recovering smoothly or at a fast
pace . " Kubo said he would make a decision on the need for a
supplementary budget after an announcement in mid-September
of [11 11 Japan 11] 's gross domestic product for the April-
June quarter . " I would like to see how the economy moved in
the first half of 1996 , " he said .

[1 1 Japan 1] coalition party leader plans to resign . [2 2 T
OKYO 2] 1996-08-28 The leader of a junior partner in [3 3 Jap
an 3] 's three-party ruling coalition plans to resign to
quell a political rebellion , party officials said on
Wednesday . The officials said [4 4 New Party Sakigake 4]
President [5 5 Masayoshi Takemura 5] , finance minister until
the beginning of this year , promised his resignation in a
meeting with the politician who set off the rebellion in the
smallest coalition member . They said the date of [6 6 Takemu
ra 6] 's resignation would be determined by party officials .
The [7 7 Sakigake 7] row has caused jitters in its coalition
partners , Prime Minister [8 8 Ryutaro Hashimoto 8] 's [9 9 Li
beral Democratic Party 9] ([10 10 LDP 10]) , the biggest
grouping , and the [11 11 Social Democratic Party 11] . But
analysts said the row was not expected to immediately
destabilise the government as even if [12 12 Sakigake 12]
splits apart it has so few seats a loss of support would not
lead to a general election . The dispute pits [13 13 Takemura
13] , who founded [14 14 Sakigake 14] in 1993 as a reform-
oriented [15 15 LDP 15] splinter group , against party
official [16 16 Yukio Hatoyama 16] , who says he will leave [1
7 17 Sakigake 17] to form a reformist political group next
month . [18 18 Hatoyama 18] , the 49-year-old grandson of a
1950s prime minister , on Tuesday quit as [19 19 Sakigake 19]
secretary general and has publicly snubbed the 62-year-old [20
20 Takemura 20] , pointedly ruling his mentor out as a
possible member of the new political force . Marathon talks
between the two former allies on Tuesday night and Wednesday
morning failed to resolve the dispute over the role of [21 21
Takemura 21] , seen by [22 22 Hatoyama 22] backers as tainted
by his senior role in the LDP-dominated coalition . The
presence of [23 23 Takemura 23] , whose role as finance
minister in passing an unpopular plan to use taxpayer funds
to wind up failed housing loan firms ruined his reputation as
a reformer , has stalled [24 24 Hatoyama 24] 's efforts to
attract to his new group defectors from the opposition camp ,
analysts said . Media reports say that at most 10 of 23 [25 25
Sakigake 25] members , joined by a handful of Social
Democrats , will follow [26 26 Hatoyama 26] when he bolts --
far short of the 50 lawmakers needed to topple [27 27 Hashimo
to 27] 's eight-month-old government . [28 28 Hashimoto 28]
-- who returns from a 10-day [29 29 Latin American 29] tour

on Saturday -- must call polls by mid-1997 , and has repeatedly said he would not call an early general election . But many analysts and politicians believe he may dissolve parliament soon after it reconvenes in early October .

PRESS DIGEST - HK newspaper editorials - Aug 28 . [1 1 HONG KONG 1] 1996-08-28 With 307 days to go before the [2 2 British 2] colony reverts to [3 3 China 3] , the [4 4 Hong Kong 4] media focused mainly on domestic issues concerning alleged pressure on a judge , cross straits relations and the democratic lobby 's relationship with [5 5 Beijing 5] . The Beijing-funded [6 6 WEN WEI PO 6] said [7 7 Taiwan 7] 's government could not hope to stem the island 's economic and trade exchanges with [8 8 China 8] . The paper said that using administrative power to limit economic activities across the [9 9 Taiwan 9] strait would not work . [10 10 MING PAO DAILY NEWS 10] said it hoped [11 11 Chinese 11] officials would soon open dialogue with [12 12 Hong Kong 12] 's [13 13 Democratic Party 13] and the newly-established democracy lobby , Frontier , in order to ease anxieties in the lead-up to the handover . The [14 14 English 14] language [15 15 SOUTH CHINA MORNING POST 15] said the judiciary needed to take swift and decisive action in investigating the allegations that a judge had been subjected to pressure in a [16 16 New Zealand 16] immigration case involving allegations of fraud . The independence of the judiciary and the rule of law were of paramount importance to [17 17 Hong Kong 17] 's survival as a business centre . The [18 18 Chinese 18] language daily [19 19 HONG KONG ECONOMIC TIMES 19] said the [20 20 Legal Department 20] had been indecisive in its handling of the judge 's case . Such hesitancy on the part of the government had damaged public confidence in the rule of law , the paper said . -- [21 21 Hong Kong 21] newsroom (852) 2843 6441

ISS says agreed sale of [1 1 U.S. 1] unit . [2 2 COPENHAGEN 2] 1996-08-28 [3 3 Danish 3] cleaning group ISS on Wednesday said it had signed a letter of intent to sell its troubled [4 4 U.S 4] unit ISS Inc to [5 5 Canadian 5] firm Aaxis Limited . An ISS statement said that Aaxis , with year-end 1996 assets of [6 6 US\$ 6] 10.9 million and equity of \$ 10.5 million , would be listed on the [7 7 Montreal 7] stock exchange , but did not say when . It said that under the sale agreement , full financial details of which were not revealed , ISS would acquire a 25 percent stake in Aaxis which would become an associated company within the ISS group trading under the ISS name and logo . ISS Inc senior management would continue to run the business under the new owners , it said . [8 8 Danish 8] analysts recently estimated ISS Inc 's sale value at up to \$ 118 million . ISS said that the deal included ISS Inc operations in [9 9 Mexico 9] and the sale of ISS Inc interests in [10 10 Brazil 10] would be discussed . On August 15 , ISS published first half 1996 results showing a two billion crown loss caused by falsified accounts in ISS Inc and said that charges and provisions earlier estimated at \$ 100 million would have to be increased to \$ 146 million . It also wrote down all ISS Inc goodwill and Wednesday 's statement said that the Aaxis purchase would not necessitate further write down if the sale were completed according to the terms of the letter of intent . -- Steve Weizman , [11 11 Copenhagen 11] newsroom +45 33969650

[1 1 Iraq 1] balks at [2 2 U.N. 2] staff for oil-for-food
deal . Evelyn Leopold [3 3 UNITED NATIONS 3] 1996-08-28 [4 4 I

Iraq 4] has balked at the number of [5 5 U.N. 5] staff needed to implement the oil-for-food deal , blaming the [6 6 United States 6] for insisting on stringent monitoring . In comments to reporters and a statement on Tuesday , [7 7 Iraqi 7] diplomats said the cost of the monitors and other staff , which Baghdad has to finance , surpasses funds allocated for electricity , water , sewers , education and agriculture . At issue was a May 20 agreement allowing [8 8 Iraq 8] to sell \$ 2 billion worth of oil to purchase badly needed food , medicine and other supplies to ease the impact of sanctions in force since its troops invaded [9 9 Kuwait 9] in August 1990 . The [10 10 Iraqi 10] statement said the [11 11 United States 11] was " interfering and pressing to augment the number of international staff and this is not legal and not justified . " [12 12 Iraq 12] 's deputy ambassador , Saeed Hasan , noted that the May 20 accord said that the number of personnel would be determined by the [13 13 United Nations 13] and that the government of [14 14 Iraq 14] would be consulted . Saeed in his comments did not threaten to call off the deal and the [15 15 U.N. 15] officials said they expected it to go into force next month after Secretary-General [16 16 Boutros Boutros-Ghali 16] reports that arrangements are in place . The U.N. Department of Humanitarian Affairs (DHA) , which has to coordinate the distribution of food , medicine and other goods , increased the number of monitors earlier this month at the insistence of the [17 17 United States 17] . According to [18 18 U.N. 18] officials and diplomats , [19 19 Iraq 19] would have about \$ 1.13 billion to spend for food , medicine and other goods after monies for a reparations fund for [20 20 Gulf War 20] victims and costs for [21 21 U.N. 21] weapons inspections were deducted . The cost of the [22 22 U.N. 22] staff overseeing the distribution of food and other supplies was estimated to cost \$ 31 million . In addition another \$ 12 million was anticipated to cover other expenses , such as oil experts and administrative costs . For the distribution and supervision of humanitarian supplies the [23 23 United Nations 23] estimated it needed 1,190 people , including 267 international staff and 923 [24 24 Iraqi 24] support staff . Of this number 64 foreign and 598 local staff would be in the northern [25 25 Kurdish 25] provinces , no longer the direct control of the [26 26 Baghdad 26] government . Another 203 international staff and 325 [27 27 Iraqis 27] would run the programme in the central and southern parts of the country . There are also 14 monitors to watch oil flows , 32 customs experts and four [28 28 New York-based 28] oil experts or overseers to approve contracts . [29 29 Yasushi Akashi 29] , the DHA undersecretary-general , told the [30 30 Security Council 30] last week that the " financial requirements to support the (humanitarian) programme represent a very modest percentile of the total ... roughly 3 percent . [1 1 EU Commission 1] cool on changing beef cull plan . [2 2
BRUSSELS 2] 1996-08-29 The [3 3 European Commission 3] said
on Thursday it would study scientific reports saying [4 4 Bri
tain 4] 's mad cow epidemic would die out by 2001 but offered
little prospect the findings would change an agreed slaughter
campaign . " Obviously we are interested in this research .
We will ask the (EU) scientific and veterinary committee to
examine it , " [5 5 Commission 5] spokesman Gerard Kiely told
[6 6 Reuters 6] . But he added that new research into the
dynamics of the bovine spongiform encephalopathy ([7 7 BSE 7]
), a fatal brain-wasting disease suffered by cattle , was
unlikely to alter a slaughter plan agreed by [8 8 Britain 8]
and its 14 EU partners . " We agreed that following detailed
scientific analysis using a methodology which would take out
the maximum number of [9 9 BSE 9] cases possible . I think it
would be very difficult to sell to the [10 10 European Commis
sion 10] a programme which would involve the elimination of
fewer [11 11 BSE 11] cases , " Kiely said . " We will look at
our approach (to the plan) but we wo n't get involved with
the number of animals to be slaughtered , " he said . " We
have always avoided the question of numbers of animals to be
slaughtered , that 's not the issue . The issue is the
protection of consumers ' health and the rapid eradication of
[12 12 BSE 12] , " he added . The reaction is likely to
disappoint [13 13 British 13] farmers , who seized on
research by [14 14 Oxford 14] scientists in the scientific
journal [15 15 Nature 15] saying it would be hard to get rid

of the disease any faster than 2001 without killing vast numbers of cattle . The researchers predicted there would be 340 new infections and 14,000 new cases of [16 16 BSE 16] before 2001 . [17 17 British 17] farmers ' leader called on Wednesday for an urgent meeting with ministers to discuss the report . " I hope the government will now make it clear they believe there is a better way of dealing with this issue , " National Farmers Union president Sir David Naish told BBC radio . Naish said there was no need for [18 18 Britain 18] to carry out a planned cull of some 147,000 cattle to which it had reluctantly agreed to placate its [19 19 European 19] partners . " The new evidence to me means some of that proposal should be re-examined because we could get away with considerably less animals being culled if in fact scientists throughout [20 20 Europe 20] accepted this evidence , " Naish said . The report could well reopen a damaging row between [21 21 Britain 21] and the EU , which slapped a worldwide ban on [22 22 British 22] beef after the government said there could be a link between [23 23 BSE 23] and the human form of the disease . The issue flared in in March when government scientists admitted that people could become infected with [24 24 Creutzfeldt-Jakob Disease 24] ([25 25 CJD 25]) from eating BSE-infected beef .

CRICKET - [1 1 CROFT 1] RESTRICTS [2 2 PAKISTAN 2] TO
225-5 . [3 3 MANCHESTER 3] , [4 4 England 4] 1996-08-29 Tight
bowling from [5 5 Glamorgan 5] off-spinner [6 6 Robert Croft 6
] helped [7 7 England 7] to restrict [8 8 Pakistan 8] to 225
for five in their 50 overs in the first one-day international
at [9 9 Old Trafford 9] on Thursday . [10 10 Croft 10] , who

was one of the few [11 11 Englishmen 11] to make a good impression in his test debut at [12 12 The Oval 12] last week , showed great control as he first dried up the early flow of [13 13 Pakistan 13] runs and then collected the wickets of Aamir Sohail and [14 14 Wasim Akram 14] in a spell of 10-1-36-2 . There was also a wicket each for [15 15 Ronnie Irani 15] , Allan Mullally and [16 16 Darren Gough 16] although there was no joy for [17 17 Dean Headley 17] who , along with [18 18 Lancashire 18] batsman [19 19 Graham Lloyd 19] , was making his international debut . After [20 20 Wasim 20] had won the toss and chosen to bat first , [21 21 Pakistani 21] made an excellent start as [22 22 Sohail 22] and [23 23 Saeed Anwar 23] continued their good form with an opening partnership of 82 . [24 24 Anwar 24] , who struck a superb 176 at [25 25 The Oval 25] , was the more aggressive as he made 57 from 75 balls before skying a catch off [26 26 Irani 26] to [27 27 Mullally 27] at long-on . [28 28 Sohail 28] and [29 29 Ijaz Ahmed 29] then added 59 for the second wicket before [30 30 England 30] struck back with three wickets for 19 in the space of five overs . First , [31 31 Sohail 31] , after making 48 , was bowled by [32 32 Croft 32] as he stepped back to try and hit through the off-side . [33 33 Wasim 33] , who promoted himself to number four in the order , followed for six when [34 34 Croft 34] drifted another well-flighted delivery behind his legs . Shortly after Ijaz was also back in the pavilion for 48 after [35 35 Irani 35] had repaid [36 36 Mullally 36] with another good catch at long-on . [37 37 Gough 37] later bowled [38 38 Moin Khan 38] with an inswinging yorker but [39 39 Inzamam-ul-Haq 39] , 37 not out , and [40 40 Salim Malik 40] took [41 41 Pakistan 41] to 225 for five when the overs ran out .

TENNIS - [1 1 MARTINEZ 1] GETS AGGRESSIVE AT [2 2 U.S. OPEN 2] . Larry Fine [3 3 NEW YORK 3] 1996-08-28 [4 4 Conchita Martinez 4] decided that when in [5 5 New York 5] , do as the [6 6 New Yorkers 6] do -- and the [7 7 Spaniard 7] 's new-found aggressiveness seems to have put her in the right frame of mind for the [8 8 U.S. Open 8] . The fourth-seeded [9 9 Spaniard 9] , who is tackling the world class traffic of [10 10 New York City 10] as a warm-up by driving to the tennis centre for her matches , ran over [11 11 France 11] 's [12 12 Nathalie Tauziat 12] 6-1 6-3 on Wednesday to take her place in the third round . " I 've been trying my whole career to be aggressive , " said the 24-year-old [13 13 Martinez 13] after crushing [14 14 Tauziat 14] in just over an hour . " What I 'm trying to do is be aggressive all the time , maybe go up to the net a few times like I did tonight . That would really help . " [15 15 Martinez 15] , the 1994 [16 16 Wimbledon 16] champion , used to struggle at the Open , but has come to terms with the noise , crowds and chaos . " There is a lot of things that can happen , " [17 17 Martinez 17] said about her early difficulties adjusting to tennis on the cement at [18 18 Flushing Meadows 18] . " Like traffic . We stay in [19 19 Manhattan 19] and it 's a long way to come . The crowds , they speak louder or they move . That does n't happen in other [20 20 Grand Slams 20] . That 's where the real champion wins . You have to concentrate for these two weeks . " It took [21 21

Martinez 21] four Opens to get as far as the quarters , and another four to match that . Last year , [22 22 **Martinez** 22] , who finished 1995 ranked second in the world , reached the semifinals before bowing out to [23 23 **Monica Seles** 23] . Now she feels she is in the swing of things . " I have my own car now and that helps , " said [24 24 **Martinez** 24] . " Sometimes the transportation they (the tournament) provide gets a little messed up . This time it did n't happen . I do the driving and I love it . It gets my adrenalin going , those taxi drivers . " We change lanes all the time in [25 25 **Barcelona** 25] . I 'm used to it and I like to drive fast . "

ATHLETICS - JOHNSON , [1 1 CHRISTIE 1] , [2 2 BAILEY 2] TO
RUN [3 3 OWENS 3] RELAY . Adrian Warner [4 4 BERLIN 4]
1996-08-29 1 Olympic champions [5 5 Michael Johnson 5] and [6
6 Donovan Bailey 6] and former champion [7 7 Linford Christie
7] will run in a " Dream Team " sprint relay squad in honour
of [8 8 Jesse Owens 8] on Friday . Johnson , the 200 metres
world record holder , and [9 9 Britain 9] 's 1992 2 Olympic
100 champion [10 10 Christie 10] confirmed on Thursday that
they would join 100 record holder [11 11 Bailey 11] and [12 12
Namibia 12] 's [13 13 Frankie Fredericks 13] in one of the
greatest 4x100 squads ever assembled . They will run against
quartets from the [14 14 United States 14] , [15 15 Europe 15]
and [16 16 Africa 16] in a special race at the [17 17 Berlin 1
7] Grand Prix meeting to mark the 60th anniversary of [18 18 0
wens 18] 's four gold medals at the 1936 3 Olympics in the [19
19 German 19] capital . [20 20 Christie 20] will run the
anchor leg after [21 21 Canada 21] 's [22 22 Bailey 22] , [23
23 American 23] Johnson and 4 Olympic silver medallist [24 24
Fredericks 24] have run the first three stages of the relay .
The participation of [25 25 Bailey 25] and [26 26 Fredericks 2
6] had been known before Thursday . But [27 27 Christie 27]

did not announce his decision to run until the eve of the meeting when organisers also confirmed Johnson would take part . [28 28 Christie 28] is due to retire from international competition at the end of the season although he may compete for [29 29 Britain 29] in next season 's [30 30 European Cup 30] . Although [31 31 Christie 31] , who is not racing the individual 100 metres in [32 32 Berlin 32] , took his time to agree to run , the veteran was clearly delighted to be part of the tribute to the black [33 33 American 33] . When five former 5 Olympic 100 champions from 1948 to 1980 , who have been invited to watch the race , turned up at a news conference on Thursday , [34 34 Christie 34] was quick to put his autograph book in front of them . " I do n't normally do this but can you please sign , " he said thrusting an ornate white book in front of [35 35 Americans 35] [36 36 Harrison Dillard 36] (1948) , [37 37 Lindy Remigino 37] (1952) , [38 38 Jim Hines 38] (1968) , [39 39 Trinidad 39] 's [40 40 Hasely Crawford 40] (1976) and [41 41 Britain 41] 's [42 42 Allan Wells 42] (1980) . " [43 43 Jesse Owens 43] inspired everyone here and it is great to have a tribute to him . " [44 44 Owens 44] 's widow Ruth is not well enough to attend but a message from her will be read out by the sprinter 's grand-daughter Gina Tillman during the meeting [45 45 Berlin 45] organisers hoped to have [46 46 American 46] 1984 and 1988 champion [47 47 Carl Lewis 47] in the squad but he injured himself in last Friday 's [48 48 Brussels 48] meeting .

8] now meet local [9 9 serie A 9] arch-rivals [10 10 Sampdoria
10] in the second round . [11 11 Genoa 11] appealed after
their defeat last Saturday on the grounds that [12 12 Lecce 12

suspension to serve from last season .

Presidential , parliamentary and municipal elections are planned for May . " We can meet the required deadlines for organising the elections . All that is needed is for everyone to show goodwill , " [1 Commission 1] spokesman Yoka Lye Mudaba told reporters . Delegates to the commission from the other 10 provinces will be installed progressively from next week with the provinces of 1 North and [6 6 South Kivu 6] , [7 7 Maniema 7] , Shaba and [8 8 Bandundu 8] having priority , he said . The installation of delegates was initially scheduled for July . Officials said lack of funding had delayed the process . President [9 9 Mobutu Sese Seko 9] , who seized power in a 1965 coup , introduced a multi-party system in 1990 but [10 10 Zaire 10] 's transition has lagged well behind that of other states in the region . In the past , [11 11 Mobutu 11] has been elected without opposition .

[3 3 LAGOS 3] 1996-08-29 [4 4 Nigeria 4] would not object to a visit by [5 5 Commonwealth 5] officials but insists its suspension from the organisation be resolved before any other questions are addressed , Foreign Minister [6 6 Tom Ikimi 6] said on Thursday . [7 7 Ikimi 7] reiterated his position that the [8 8 Commonwealth 8] had no mandate to send a fact-finding mission . " The request I have received is for their officials to come and talk to my officials . We cannot object to people wanting to visit [9 9 Nigeria 9] , " [10 10 Ikimi 10] told [11 11 Reuters 11] by telephone from the capital [12 12 Abuja 12] . " The fundamental problem we have with the [13 13 Commonwealth 13] is our unfair suspension . Any discussions we have at ministerial level will be a continuation of what we began in [14 14 London 14] on that . Before that is accomplished we cannot address anything else . " [15 15 Nigeria 15] was suspended from the [16 16 Commonwealth 16] in November after the execution of [17 17 Ken Saro-Wiwa 17] and eight other minority rights activists in defiance of international pleas for clemency . The timing of that mission has yet to be determined . The latest diplomatic row between [22 22 Nigeria 22] 's military government and the club of [23 2 3 Britain 23] and its former colonies erupted over the terms of a visit by [24 24 Commonwealth 24] ministers to discuss [25 25 Nigeria 25] 's suspension . [26 26 Nigeria 26] said they would be restricted to a two-day meeting with government officials , but the [27 27 Commonwealth 27] said it wanted to hold meetings with people outside the government and called off the visit .

[1 1 NATO 1] releases [2 2 Serb 2] police , crisis easing - [3 3 NATO 3] . [4 4 SARAJEVO 4] 1996-08-29 [5 5 NATO 5] forces released a group of Bosnian Serb policemen late on Thursday and a tense confrontation appeared to be easing , an alliance spokesman said . " The situation in Mahala seems to be very much on its way toward resolution . My understanding is the ([6 6 Serb 6]) police have been released ... In [7 7 Zvornik 7] , we think the situation is winding down as well , " [8 8 NATO 8] spokesman Lieutenant Colonel Max Marriner told [9 9 Reuters 9] . [10 10 NATO 10] troops detained 65 Bosnian Serb policemen early on Thursday after they attacked [11 11 Moslem 11] refugees returning to homes in Mahala , a Serb-controlled village on Bosnia 's internal boundary line . In apparent retaliation for [12 12 NATO 12] 's detention of the [13 13 Serbs 13] , an angry [14 14 Serb 14] mob including policemen trapped six unarmed [15 15 U.N. 15] police monitors and three local aides in their office in the town of [16 16 Zvornik 16] , east of Mahala . Marriner said [17 17 NATO 17] forces confiscated 25 long-barreled [18 18 AK-47 18] automatic assault rifles from the detained [19 19 Serbs 19] before setting them free . " Local radio and television there (in [20 20 Zvornik 20]) are advising people to step back and take it easy . We think that when the word about how things are going in Mahala which is about 35 minutes away by road reaches [21 21 Zvornik 21] that should help , " Marriner said .

[1 1 Kornblum 1] , [2 2 Milosevic 2] discuss election crisis . Peter Greste [3 3 BELGRADE 3] 1996-08-29 [4 4 U.S. 4] envoy [5 5 John Kornblum 5] met [6 6 Serbian 6] President [7 7 Slobodan Milosevic 7] on Thursday in an effort to defuse a growing crisis surrounding Bosnia 's post-war elections . The [8 8 American 8] diplomat arrived in [9 9 Belgrade 9] two days after international organisers postponed municipal elections in Bosnia due to irregularities in the registration of [10 10 Serb 10] refugee voters . " We discussed the decision to postpone the municipal elections and I made clear it was primarily the manipulation of voter registration by the [11 11 Republika Srpska 11] ([12 12 Bosnian Serb 12] republic) which led to this development , " [13 13 Kornblum 1 3] said after three hours of talks . But he said the [14 14 United States 14] still believed it was important to go ahead with national elections in Bosnia as scheduled on September 14 to bolster the peace process . [15 15 Kornblum 15] gave no indication that he had won any specific commitment from [16 16 Milosevic 16] , the patron of the Bosnian Serbs , to rectify any abuses in the registration process . Bosnia 's [17 17 Mos lem 17] political parties have urged their refugees to boycott the elections until irregularities with voter registration are resolved . Human rights workers say [18 18 Serbian 18] and [19 19 Bosnian Serb 19] authorities coerced refugees to register only in Serb-held territory in Bosnia to solidify the results of wartime expulsions and military conquest . [20 20 Serbian 20] officials have denied any abuses occurred during a 10-day registration period and the Bosnian Serbs , angry at the postponement of municipal elections , have threatened to hold local polls on their territory without the international community 's blessing . [2 1 21 Kornblum 21] said only elections endorsed by the Organisation for Security and Cooperation in Europe (OSCE) would be legitimate . " As we have said publicly before , if there is any effort to do so (hold local elections) these elections will not be valid , " he said . " The elections which are valid are those conducted by the international community under the management of the OSCE . " After meeting [22 22 Milosevic 22] , [23 23 Kornblum 23] flew to the [24 24 Croatian 24] capital [25 25 Zagreb 25] . He was due to head to the Bosnian town of [26 26 Banja Luka 26] on Friday to meet [2 7 27 Bosnian Serb 27] acting president [28 28 Biljana Plavsic 28] and [29 29 Bosnian Serb 29] opposition leaders . He also planned to travel to [30 30 Sarajevo 30] to oversee the formal dissolution of the separatist [31 31 Croat 31] mini-state in western Bosnia . [32 32 U.N. 32] police , relief workers and [33 33 NATO 33] officers have reported a rise in political violence across Bosnia in the run-up to the

September 14 elections . Voters will be choosing a three-member presidency and a parliament to rule over a loose union of Bosnia , comprised of a [34 34 Serb 34] republic and a Moslem-Croat federation .

Thursday at an average 2,901.48 roubles a share , up from
2,891.00 roubles a week ago , the Federal Securities
Corporation (FFK) said . Starting price at the auction was
2,746 roubles a share and the 40 lots sold for between 2,840
and 2,998 roubles a share , the FFK said in a statement . The
stake represented 0.042 percent of [5 5 Gazprom 5] 's
capital . The FFK said that since auctions began , 139.75
million shares , equivalent to 0.59 percent of [6 6 Gazprom 6]
, have changed hands . [7 7 Gazprom 7] , [8 8 Russia 8] 's
biggest company by market capitalisation , has massive
reserves and potentially huge earnings . However , its 23.6
billion shares are highly illiquid and management permission
is required to sell them . [9 9 Gazprom 9] has recently
tightened these rules , making it harder for shareholders to
sell to whoever they want , when they want . The company has
organised regular auctions of its shares to create an orderly
market in the paper . At the first auction on March 6 ,
shares sold for an average 406.6 roubles each , and prices
have been rising steadily since then , but the rise in price
this week and last was much less than in previous auctions .

senior police officers from the fraud squad of [4 4 Buenos Ai
res 4] province have been arrested on charges of running an
extortion racket , security officials said on Thursday . They
included all the top officers from the fraud division of the
north of [5 5 Buenos Aires 5] province , including
Commissioner Juan Carlos Lago . Police were seeking a 14th
officer . [6 6 La Nacion 6] newspaper said the officers were
suspected of demanding bribes of \$ 50,000 to \$ 500,000 from
companies being investigated for tax evasion in order to "
lose " their files . The credibility of the [7 7 Buenos Aires
7] provincial police , the largest force in [8 8 Argentina 8]
, has been undermined this year by scandals that included the
indictment of three officers for links to the 1994 bombing of
a [9 9 Jewish 9] community centre and the arrest of an entire
drugs squad for drug trafficking . Alberto Piotti , security
chief of [10 10 Buenos Aires 10] province , told local
television that 3,600 dishonest officers had been purged from
the force 's ranks in the past five years . " It is an
ongoing task . And these investigations into police
corruption are only possible because there are people brave
enough to denounce them , " Piotti said , promising a major
overhaul of the provincial police next month .

" There are people who are taking advantage of the news to put pressure on rates , however , there are enough players who will buy and that will keep rates from rising too much , " said one dealer . Co-ordinated guerrilla attacks in two southern states overnight that left at least 13 people dead have caused nervousness in [4 4 Mexico 4] 's financial markets . Bank notes and acceptances , including pagares , rose 46 basis points to 25.10 percent . Dealers said that the volume of longer-term government paper declined due to market nervousness . At least 13 people were killed when scores of masked rebels struck at police and military posts in [5 5 Oaxaca 5] and [6 6 Guerrero 6] states overnight in the biggest assaults in more than two years , officials said on Thursday . Maturing credits are seen at 2.209 billion pesos , and there is an oversupply of 684 billion pesos from the primary auction . Dealers estimate that the shortfall will increase due to the inflow of funds before the end of the month . --- Patricia Lezama , [7 7 Mexico City 7] newroom (525) 728 9554

[CORRECTED 05:53 [2 2 GMT 2]] [3 3 CHILPANCINGO 3] , [4 4 Mexico 4] 1996-08-28 Pre-electoral bickering flared on Wednesday in the troubled western [5 5 Mexican 5] state of [6 6 Guerrero 6] as some opposition politicians demanded the army pull out of the area ahead of an upcoming state poll . The mayor of [7 7 Acatepec 7] , a small town some 310 miles (500 km) south of [8 8 Mexico City 8] , sent a letter to [9 9 Mexico 9] 's [10 10 National Human Rights Commission 10] complaining the army 's heavy presence in the town would interfere with the Oct. 6 election . Mayor Antonio Gonzalez Garcia , of the opposition Revolutionary Workers ' Party , said in Wednesday 's letter that army troops recently raided several local farms , stole cattle and raped women . The letter was signed by some 200 area residents and indigenous leaders . Some electoral watchdog groups also said the presence of the army , which has fanned out across the state in the past month in search of a new guerrilla group , was likely to intimidate voters and had stirred up tension in the state . A [11 11 French 11] group of electoral observers , Agir Ensemble pour les Droits de l'Homme , concluded the army

presence exerted a heavy psychological pressure on local farmers and would prevent a fair vote . Up for grabs in the election are the state legislature and 75 town halls . (Corrects to show elections are not for governor) . Despite the criticism , acting state Gov . Angel Aguirre pledged the elections will be free and fair and said he did not expect any trouble from the elusive new guerrilla group , the [12 12 Popular Revolutionary Army 12] . " The electoral process has been proceeding in accordance with the new state electoral law , " Aguirre said , adding that the poll would be " an exercise in true democracy . "

[1 1 Thai 1] poll shows military wants PM Banharn out . [2 2
BANGKOK 2] 1996-08-29 [3 3 Thailand 3] 's powerful military
thinks the government is dishonest and Prime Minister [4 4 Ba
nharn Silpa-archa 4] 's resignation might solve the nation 's
political and economic woes , an opinion poll showed on
Thursday . Nearly half the 1,617 military personnel surveyed
in the Rajapat Institute poll suggested that Banharn resign ,
while about 28 percent thought he should dissolve parliament
and 24 percent thought a cabinet reshuffle could resolve the
government 's problems . Banharn , who leads a six-party , 13-
month-old coalition government , faces a no-confidence debate
in parliament next month . The prime minister , who has
already lost one coalition partner this month , is expected
to have a tough battle in the debate because of infighting in
his own party and warnings of more pullouts by other
coalition partners . The poll , conducted earlier this month
after Banharn 's coalition completed one year in office ,
showed the military would prefer General [5 5 Chatichai Choon

Defence Minister [6 [6 Chavalit Yongchaiyudh](#) 6] , head of coalition member the [7 [7 New Aspiration Party](#) 7] , was the second choice for prime minister , the poll showed . Banharn came in last on the list of proposed leaders with less than one percent of the votes . Nearly two-thirds of the people surveyed thought the government was dishonest and insincere , and 65 percent blamed the government 's poor performance for the country 's economic slowdown . The opinion of the military in [8 [8 Thailand](#) 8] , which has seen 17 coups or attempted coups since the country switched to parliamentary democracy from absolute monarchy in 1932 , always carries weight in the political scene , despite officials ' vows to distance the military from politics .

Scandal hits [1 1 Clinton 1] campaign at vital moment . Michael Conlon [2 2 CHICAGO 2] 1996-08-29 President [3 3 Bill Clinton 3] 's triumphal appearance at the [4 4 Democratic 4] convention , a vital moment in his bid for a second term , was marred on Thursday by the resignation of a top adviser in a reported sex scandal . [5 5 Clinton 5] was at work on the nomination acceptance speech that will launch his 10-week re-election campaign when political strategist [6 6 Dick Morris 6] abruptly announced his resignation on Thursday . The tabloid Star magazine reported the married [7 7 Morris 7] had a lengthy affair with a \$ 200-an-hour prostitute who he allowed to eavesdrop on telephone conversations with [8 8 Clinton 8] , and with whom he shared [9 9 White House 9] speeches before they were made . " [10 10 Dick Morris 10] is my friend , and he is a superb political strategist , " [11 11 Clinton 11] said in a written statement . " I am and always will be grateful for the great contributions he has made to my campaigns and for the invaluable work he has done for me over the last two years . " [12 12 Morris 12] declined to address the allegations directly in his resignation statement but said he was quitting to avoid becoming a campaign issue . The surprise development captivated the thousands of reporters at the convention and clearly worried some [13 13 Democrats 13] , who had planned a triumphal celebration of [14 14 Clinton 14] 's lead over [15 15 Dole 15] in the opinion polls . Senator [16 16 Dianne Feinstein 16] , a [17 17 California 17] [18 18 Democrat 18] , called it a " big bump " in

the way of the [19 19 Clinton 19] campaign . " It comes at the worst possible time on one of the biggest days for the president , " [20 20 Feinstein 20] said . [21 21 Clinton 21] was to deliver his acceptance speech at the final session of the [22 22 Democratic Convention 22] opening at 8 p.m. EDT (midnight [23 23 GMT 23]) . The 50-year-old president has been dogged for years by allegations of financial wrongdoing , sexual misconduct and questionable judgment in selecting his advisers . [24 24 Republicans 24] hope to seize on the " character " issue to bolster [25 25 Clinton 25] 's challenger [26 26 Bob Dole 26] in the final weeks of the campaign . Speaking in [27 27 Santa Barbara 27] , [28 28 California 28] , [29 29 Dole 29] did not directly refer to the sexual scandal but said the departure of [30 30 Morris 30] , who had advised [31 31 Clinton 31] to chart a more centrist political course , would make [32 32 Clinton 32] drift back to the left . " [33 33 Morris 33] has been trying to make President [34 34 Clinton 34] a [35 35 Republican 35] , now maybe he 'll revert to the liberal [36 36 Democrat 36] that he really is , " [37 37 Dole 37] told reporters . [38 38 Clinton 38] will hit the road on Friday for a bus tour across several states in his fight to become the first [39 39 Democratic 39] incumbent re-elected to a second term since the days of [40 40 Franklin D. Roosevelt 40] . Aides said [41 41 Clinton 41] planned to spend most of Thursday in his hotel room several miles (km) from the convention hall working on his speech . It was apparently neglected on his long " whistle-stop " train trip to the convention , during which he revelled in contact with friendly crowds across the country 's heartland . He was also hoarse and was giving his voice a rest . But first lady [42 42 Hillary Rodham Clinton 42] told [43 43 ABC 43] television , " He 's really fired up . " " He wants to outline to the [44 44 American 44] people what he thinks has been accomplished in the last four years , and what he would like to see done in the next four years , " she said . " He 's very excited about this convention ... He 's excited about the campaign . But more than that , he 's very resolute about what he wants to do . " " I do n't take anything for granted . I always expect elections to get close . I expect to have a great deal of up and down days between now and then , " she said of the November 5 election date . [45 45 Clinton 45] is leading [46 46 Dole 46] by as much as 15 points according to some polls . The campaign pits [47 47 Dole 47] , a man of quick and withering wit and long-time public service , but stilted speaking style , against the glib and confident [48 48 Clinton 48] , who has perfected a style that makes direct eye contact with his audience .

Researchers report progress in muscular dystrophy . [1 1 PHI
LADELPHIA 1] 1996-08-29 [2 2 University of Pennsylvania 2]
researchers on Thursday said a new gene-therapy technique for
treating muscular dystrophy disease had shown progress in
laboratory animals . Word of the findings , to be published
in the Oct. 1 issue of the journal " Human Gene Therapy , "
came in advance of the annual Jerry Lewis Labour Day weekend
telethon to raise money for muscular dystrophy research .
Several hurdles must be overcome before the method is used in
human trials . Nevertheless , " a treatment based on the new
strategy may have the potential to benefit many
patients , " the [3 3 University of Pennsylvania 3] Medical
Centre said in a release . Muscular dystrophy is a fatal
illness in which the body 's muscle tissue degenerates and is
replaced by fat . Death strikes in early adulthood .
Individuals with the disease have a non-working version of a
gene responsible for producing a crucial muscle protein
called dystrophin . In the study at the University 's
Institute for Human Gene Therapy , researchers altered a
common-cold virus to carry a version of the working
dystrophin gene . The virus , which also was altered to
minimise its susceptibility to the immune system , was then
injected into the muscle cells of mice bred to lack
dystrophin genes . In the experiment , between 30 to 40
percent of the muscle fibers in one group of mice produced

dystrophin for two weeks before diminishing . Similar results had been obtained previously in test-tube cell cultures , but not in live animals , the university said . The university said methods are still needed to make enough of the altered virus to treat humans , to further decrease the immune-system response to the virus , and to deliver the virus to human muscle tissue .

Help-wanted ad index fell in July . [1 1 NEW YORK 1]
1996-08-29 The help-wanted advertising index fell in July ,
the [2 2 Conference Board 2] said Thursday , reflecting the
uneven nature of the nation 's labour markets . The monthly
index fell to 83.0 in July against a reading of 85.0 in
June , the private business research group said . In July ,
the volume of help-wanted advertising fell in five of the
nine [3 3 U.S. 3] regions . " The labour market has been
expanding throughout 1996 , but in a very uneven pattern , " [4 4 Conference Board 4] economist Ken Goldstein said . "
Recent want-ad figures indicate that conservative hiring
plans are keeping job growth below the rate of overall
economic activity . " With 2.5 percent gross domestic product
growth expected for 1996 , new job growth should slowly lower
the unemployment rate over the rest of the year . " With the
unemployment rate staying close to about 5.5 percent over the
last two years , there is a good chance the rate will slowly
drop to about 5.0 percent by the end of the year , "
Goldstein said . The July index matched the reading for
July , 1995 . The greatest declines in the volume of help-
wanted advertising were in the [5 5 New England 5] , Mountain
and [6 6 West South Central 6] regions . The greatest
increase was in the [7 7 East North Central 7] region .

Capt . Richard Andrews said police were seeking a man shown on a hotel videotape carrying a suitcase resembling the victim 's . " We want to talk to him , " Andrews said of the man . A second man and two women also were being sought . The thefts occurred Sunday when the victim , [5 5 New York 5] jewelry wholesaler Jerry Schein , left three suitcases in a closet at Somerset Jewellers in the hotel while he checked out . While he was gone , two women in their mid-twenties and an older man entered the jewelry store and tried to distract store owner Charles McGilley . [1 1 0.J. Simpson 1] hints at more supporting evidence .
Jackie Frank [2 2 WASHINGTON 2] 1996-08-29 [3 3 0.J. Simpson 3]
] said on Thursday he was financially broken by his defence
against murder charges but he was hopeful new evidence to
support him would be available for a civil trial next month .
The former football star was found not guilty by a criminal
trial jury last October of the murders of his former wife , [4
4 Nicole Brown Simpson 4] , and her friend , [5 5 Ronald Gold
man 5] , in June 1994 . He now faces a civil suit brought by
families of the victims who hold him responsible for the
deaths . He told reporters a court order not to talk about
his case kept him from detailing how he has fulfilled his
pledge to find the killers . But he added without
elaborating , " hopefully we will see some things come out in
this next trial . " The judge in the civil trial has imposed
a sweeping gag order that prohibits lawyers , witnesses and
parties to the case from discussing it with the media or
elsewhere in public . " I would love to speak about
everything , " said [6 6 Simpson 6] , who vowed after his
acquittal to find the killers and offered a substantial
reward . His lawyers have said his defence in the civil trial
that starts Sept . 17 will be that he did not kill the
victims . [7 7 Simpson 7] said at the hotel news conference
his plans include eventually writing another book . He added
that he has had job offers but more have come from abroad
than at home . " I 'm broke . I am not crying the blues . I
can get along just fine , " he said . " Whatever you want to
send me , I need . " He again accused the news media of
erroneous reporting on his case but did not signal any plans
for lawsuits as he did on Wednesday in an address at a jam-
packed [8 8 Washington 8] church . Contrary to news reports ,
[9 9 Simpson 9] said , he has received support from both
blacks and whites . He again dismissed charges that he had
distanced himself from the black community during his
successful football and commercial career , only to seek

their support after he faced murder charges . A crowd of 2,000 paid \$ 10 a head to hear the former star running back for the [10 10 Buffalo Bills 10] professional football club and a [11 11 Football Hall of Fame 11] member on Wednesday night . The crowd in the church was wildly supportive , showering [12 12 Simpson 12] with gifts and praise . But outside , dozens of protesters from the D.C. Coalition Against Domestic Violence called for the church to support victims of violence instead .

[1 1 Clinton 1] adviser [2 2 Morris 2] announces resignation . [3 3 CHICAGO 3] 1996-08-29 President [4 4 Bill C linton 4] 's top political strategist [5 5 Dick Morris 5] resigned on Thursday , saying he did not want to become an issue in [6 6 Clinton 6] 's re-election campaign . In a written statement , distributed by the [7 7 Clinton 7] campaign , [8 8 Morris 8] avoided comment on published allegations that he had engaged in a year-long affair with a \$ 200-an-hour prostitute . The statement from [9 9 Morris 9] said that he had submitted his resignation on Wednesday night . " While I served I sought to avoid the limelight because I did not want to become the message . Now , I resign so I will not become the issue , " he said . The announcement followed a report in the weekly supermarket tabloid Star magazine , reprinted in Thursday 's editions of the [10 10 New York Post 10] , that the married adviser had hired a 37-year-old prostitute on a weekly basis while visiting [11 11 Washington 11] to advise [12 12 Clinton 12] on his re-election campaign . " I will not subject my wife , family or friends to the sadistic , vitriol of yellow journalism . I will not dignify such journalism with a reply or an answer . I never will , " his statement said . It was distributed to reporters at the press centre of [13 13 Clinton 13] 's [14 14 Democratic 14] convention headquarters just hours before the president was to address the delegates accepting the party 's nomination for a second four-year term in the [15 15 White Ho use 15] .

[1 1 U.S. 1] surgeon investigated for discarding foot . [2 2

CHARLESTON 2] , S.C. 1996-08-29 Health officials said on Thursday they were investigating the discovery of an amputated foot on a beach near [3 3 Charleston 3] to determine whether a local surgeon had improperly disposed of infectious waste . The foot , which washed up on Sullivan 's Island beach this month , was amputated three years ago from a child whose legs were deformed . The foot had to be removed so the infant could be fitted with a prosthesis . An orthopedic surgeon was given permission by the child 's parents and the hospital to keep the foot for research and educational purposes . Health officials said the surgeon told authorities he stored the foot in his freezer at home , but the freezer recently broke down and the contents spoiled . The surgeon , who apologised for the incident , said he decided to put the foot in a crab trap to remove the flesh . The foot later washed up on the beach .

When four would-be robbers , armed and masked , showed up to rob a Checker 's restaurant in the [2 2 Fort Lauderdale 2] suburb of [3 3 Pembroke Pines 3] on Tuesday , they had no idea the shrub near the drive-through window was toting a shotgun . Detective Earl Feugill , camouflaged as a shaggy green bush , ordered them to freeze . " They were quite surprised , " he told the [4 4 Miami Herald 4] . Feugill said he made the hot , heavy suit , which he first used in the [5 5 Marines 5] , by attaching strips of burlap to a camouflage outfit . Green and black face paint completed his disguise . He was staking out the restaurant after a series of robberies at local fast-food places . [6 6 Pembroke Pines 6] police said five people were arrested as a result of the 90-minute stakeout , including the four robbers and a restaurant employee who was allegedly prepared to let them in a back door .

EU barley sale worth \$ 145 / T , for [1 1 Saudi 1] -
sources . [2 2 PARIS 2] 1996-08-29 A [3 3 European Union 3]
sale of 234,324 tonnes of [4 4 German 4] intervention barley
is worth some \$ 145 per tonne fob [5 5 Germany 5] and is
mostly destined for [6 6 Saudi Arabia 6] , [7 7 European 7]
grain sources said on Thursday . The EU 's cereals management
committee sold 234,324 tonnes of [8 8 German 8] intervention
barley at a minimum price of 105.07 [9 9 Ecus 9] per tonne . [
10 10 Saudi Arabia 10] provisionally bought 800,000 tonnes of
optional-origin barley at an August 21 tender at prices
between \$ 160 and \$ 162 including cost , insurance and
freight , traders said last week . But [11 11 European 11]
grain traders and officials said the [12 12 Saudis 12] might
reduce the purchase to 600,000 tonnes . Traders have said a
substantial part of the deal was likely to come from the [13 1
3 European Union 13] , which enjoys a supply and freight
advantage over other producers . But subtracting freight
costs , the equivalent fob price of the deal is around \$
142 , well below the \$ 149 per tonne floor price which the EU
put on its barley as news of the deal emerged last week .
Last Thursday the EU sold 34,277 tonnes of [14 14 German 14]
intervention barley at a minimum price of 109.36 [15 15 Ecus 1
5] per tonne , which was seen as worth \$ 149 per tonne fob .

They said dozens of trucks began moving through the tunnel from both directions after the road reopened . The [8 8 Salang 8] tunnel , the main supply route for [9 9 Soviet 9] troops when they were occupying [10 10 Afghanistan 10] in the 1980s , had been closed since 1994 when northern militia leader General [1 1 11 Abdul Rashid Dostum 11] rebelled against the [12 12 Kabul 12] government . Witnesses said wrecked tanks and vehicles littered both sides of the heavily-mined road . Mines had been removed from the road itself , but experts of the [13 13 Halo Trust 13] mine clearance agency said it would take a week to clear the roadsides . [14 14 Afghan 14] Deputy Prime Minister Qotbuddin Hilal officiated at the reopening ceremony , which was delayed by several hours while the two

sides argued about a mutual release of prisoners .

SoCal Edison sees 2 power lines back today . [1 1 NEW YORK 1]
1996-08-29 Southern California Edison Co said it expected two
220 kilovolt ( KV ) power lines in southern [2 2 California 2]
to resume service later today after being shut late Wednesday
because of a wildfire raging north of [3 3 Los Angeles 3] .
They are expected to be placed in service later today ,
said company spokesman Steve Conroy , adding repair crews
have been removing smoke and other fire-related residues ,
which had settled on the two lines . The shutdown of the 220
KV lines reduced by 500 megawatts ( MW ) the amount of power
which the area received from SoCal Edison 's 1,200 MW [4 4 Si
erra 4] hydroelectric facility , he said . Conroy noted two
500 KV and another 220 KV line running from the [5 5 Sierra 5]
plant to [6 6 Los Angeles 6] remained in operation , and
continued to carry some of the production from [7 7 Sierra 7]
to the region . On Monday , the two 500 KV transmission
cables were taken out of service , also for cleaning , for
about a day . Containment of the fire has been difficult
because of the hot , arid , windy weather in the region ,
Conroy said . " The fires keep moving back because of the
winds , " he said , forcing the utility to shut those
transmission lines for a second time this week . Local
authorities charged a teenager for starting the blaze . In
four days , the fire destroyed 20,000 acres of forest land .

Sierra Semiconductor jumps on exit plan . Martin Wolk [1 1 SE
ATTLE 1] 1996-08-29 Sierra Semiconductor Corp jumped 23
percent Thursday on the expectation the company would emerge
as a smaller but more profitable operation after its planned
exit from the computer modem business . The [2 2 San Jose 2] ,
[3 3 Calif. 3] , company was up 2-1/8 at 11-3/8 after its
announcement Wednesday that it planned to pull out of the
highly competitive modem-chip business and focus instead on
the fast-growing market for computer networking equipment . "Cer-
tainly the company will be a much smaller company now , but it will be a more profitable business , " said analyst Elias Moosa of Roberston Stephens & Co . But analysts noted that Sierra still has much painful work ahead of it , including cutting as many as 150 jobs from its workforce , which currently has 500 people , and building up the business of its PMC-Sierra unit , which makes routing devices and chipsets for high-speed computer networks . The company has announced plans to take a charge against earnings of \$ 50 million to \$ 80 million to write down the value of assets and inventories and cover severance payments . Scott Randall of Soundview Financial Group said the company likely would have difficulty selling its modem-chip business . "Once you announce your intention to exit a business , it becomes a complete buyer 's market , " he said . And he said that while the company is focusing on the fastest-growing part of its

business , the market for networking chips has begun to attract the attention of much-larger players such as International Business Machines Corp . " As the market develops the question is , are they able to make that transition to be a much larger company ? " Randall said . Other analysts were more bullish , even though the company is expected to shrink to slightly more than half its current size in sales . " It 's a positive strategic move , " said Miles Kan of [4 4 Hambrecht & Quist 4] . " The modem business is a low-margin , commodity business , " he said . The company 's [5 5 PMC-Sierra 5] unit generated \$ 33 million of the company 's \$ 117 million in sales in the first half of the year , compared with \$ 45 million in sales of modem chips , Kan said . But the PMC unit is far more profitable , he said . Sierra 's stock has fallen from a high of nearly \$ 25 this year as the computer chip sector has been battered by falling prices and concern about slowing demand . -- [6 6 Seattle 6] bureau 206-386-4848

[1 1 Slough Estates 1] helps lift property sector . [2 2 LON DON 2] 1996-08-29 A strong set of interim results and an upbeat outlook from Slough Estates Plc helped to boost the property sector on Thursday . Shares in Slough , which earlier announced a 14 percent rise in first-half pretax profit to 37.4 million stg , climbed nearly six percent , or 14p to 250 pence at 1009 [3 3 GMT 3] , while [4 4 British Land 4] added 12.1 / 2p to 468p , [5 5 Land Securities 5] rose 5.1 / 2p to 691p and [6 6 Hammerson 6] was 8p higher at 390 . Traders said positive comment from investment banks [7 7 Merrill Lynch 7] and SBC Warburg also fueled the gains . One dealer said positive stances from [8 8 Merrill Lynch 8] and SBC Warburg were the key factors behind the gains . A spokesman for [9 9 Merrill Lynch 9] said the bank was preparing to issue a note on the sector . " We have been very positive (on property) , " he said , adding : " On a technical basis it is our most favoured sector . " SBC Warburg issued an update on the property sector on Thursday , saying that most of the predictions it made at the start of the year were being realised . " In the property market it is a case of so far , so good , " a member of SBC Warburg 's property team said . SBC Warburg said it is maintaining its forecast for five percent growth in rental incomes during 1996 , but it has shaved its forecast for capital growth to five percent from six . The spokesman said SBC Warburg has also put an " add " recommendation on [10 10 Slough Estates 10] ' shares , but added that this " is a general move , not because of the results . " Slough 's chairman Sir [11 11 Nigel Mobbs 11] added to the bullish mood in the sector , saying in a statement that " with the prospect of a period of steady

economic growth and low inflation ahead , there is good reason to believe that the property sector should continue its improvement . " -- Jonathan Birt , London Newsroom +44 171 542 7717

[1 1 Iran 1] says five spy networks destroyed , 41 held . [2
2 TEHRAN 2] 1996-08-29 [3 3 Iranian 3] security forces have
broken up five espionage rings in northwestern [4 4 Iran 4]
and arrested 41 people on charges of spying for unnamed
countries , a daily newspaper said on Thursday . Jomhuri
Eslami quoted the [5 5 West Azerbaijan 5] province security
chief as saying those held confessed to gathering
confidential information , photographing strategic sites ,
doing propaganda against state officials and " spreading [6 6
pan-Turkism 6]" . It was not clear if they were the same
five spy rings , allegedly led by Turkish diplomats , that [7
7 Iran 7] said in April it had broken up in the same area ,
which borders Turkey . The April arrests were announced
shortly after a row in which [8 8 Tehran 8] asked [9 9 Ankara
9] to withdraw four Turkish diplomats accused of spying , and
Turkey expelled four [10 10 Iranian 10] diplomats for their
alleged links to killings of [11 11 Iranian 11] exiles . Ties
between the two neighbours , strained also over a military
accord between Turkey and [12 12 Israel 12] which drew strong
[13 13 Iranian 13] objections , have improved since [14 14 Is
lamist 14] [15 15 Necmettin Erbakan 15] took over as Turkish
prime minister in June . The daily [16 16 Iran 16] on
Thursday quoted Intelligence Minister Ali Fallahiyan as
saying agents arrested 137 people for allegedly spying for [17
17 Iraq 17] , the [18 18 United States 18] and other unnamed
countries in the [19 19 Iranian 19] year which ended on March
19 .

Mideast Gulf oil outlook - [1 1 India 1] holds the key . [2 2 DUBAI 2] 1996-08-29 [3 3 India 3] will continue to hold the key to the middle distillates product market in the Middle East Gulf in the short term , traders in the region said on Thursday . They said premiums on high quality jet kerosene have widened to around \$ 1 , and are likely to remain strong in the near term . " On the jet kerosene side we must be cautious about quality . Some are commanding a very good premium of 95 cents to one dollar . It 's been 99 cents to [4 4 Korea 4] . This will stay at this sort of price premium for a while , " one said . " But for normal jet the weakened demand is quite noticeable , the premium is around 45-50 cents . The differential is not normally as wide as this , " he added . Another put the premium for jet kerosene at between 65 and 75 cents . One trader said despite the fact that some kerosene was in storage at [5 5 Dubai 5] ports , demand looked to exceed supply in the near term . Jet kerosene was assessed at \$ 27.40 - \$ 27.70 a barrel fob Gulf on Thursday , up from \$ 27.22 last week . Dealers expected premiums to stick around current levels for the next two or three weeks , before they get a boost in the second half of September from demand for October cargoes . Gas oil , assessed at \$ 24.00 - \$ 24.20 a barrel fob Gulf , was little changed on Thursday from last week 's \$ 24.10 - \$ 24.24 . " On gas oil , in the near term demand and supply are balanced to a bit short , there are some enquiries into east [6 6 Africa 6] and short covering in [7 7 India 7] , " said one trader . " The [8 8 Indians 8] have awarded three cargoes , but the question is whether they will come out for more , " he added . [9 9 India 9] has acquired 120,000 tonnes of

diesel in three cargoes , bound for the west coast , in its October tender . Traders said the award could be [10 10 India 10] 's lowest in recent years . " After [11 11 IOC 11] 's very small purchase of 120,000 tonnes , I 'm still suspicious that they will buy more in the second half of October , " another said . But traders see the market remaining tight in the short-term , with some surplus arising closer to October . " I see an overhang of gas oil further out , " one said . " Gas oil will remain tight in the short term up to mid-September with the premium of around \$ 1 for 0.5 percent (sulphur material) . In the second half of September and October we see the premium coming off to 70-75 cents . " Traders said there was not much demand for one percent sulphur material gas oil , with the premium at 40 to 45 cents .

FEATURE - Rich new detail on [1 1 U.S. Civil War 1] unearthed . Leila Corcoran [2 2 WASHINGTON 2] 1996-08-29 A freed black man writes to his still-enslaved wife , a mother pleads with [3 3 Abraham Lincoln 3] on behalf of her son and a maimed soldier poses for an official photograph in newly reopened records that bring the [4 4 U.S. Civil War 4] back to life . Working in the basement of the National Archives , members of the Civil War Conservation Corps are organising the military records of volunteers who fought for the North so that they can be preserved on microfilm . The faded documents have been stowed away in the Archives since it opened in 1935 and have rarely seen the light of day . Each soldier 's file is a gold mine of information : enlistment papers , muster rolls , medical records , discharge certificates , letters and photographs . Since the project began almost two years ago , corps volunteers have focused on [5 5 African American 5] troops , preparing records in time for the unveiling in [6 6 Washington 6] this year of a special memorial to black soldiers who fought in the war . More than 185,000 black soldiers fought and 37,000 died . In one letter , a black soldier heading South wrote his wife , " though great is the present national difficulties yet I look forward to a brighter day when I shall have the oportunity of seeing you in the full enjoyment of freedom . " I would like to no (sic) if you are still in slavery if you are , it will not be long before we shall have crushed the system that now oppreses you for in the course of three months you shall have your liberty . Great is the outpouring of the coloured people that is now rallying with the heart of lions against the very curse that has separated you and me . " In another letter dated January 1865 , a well-to-do [7 7 Washington 7] matron wrote to [8 8 Lincoln 8] to plead for her son , who faced a dishonourable discharge from the [9 9 Army 9] . " James is a prisoner for a thoughtless act of folly , while those who have done nothing for the cause are free , " she wrote . [10 10 Lincoln 10] 's notation on the letter read : "

If his colonel will say in writing on this sheet he is willing to receive this man back to the regiment , I will pardon and send him . " The soldier was subsequently pardoned . While the letters speak to the anguish of separation , a photograph of a black amputee speaks to the terrible physical cost of the war . In a picture required for his military discharge , Pvt . Lewis Martin , with haunted eyes , posed bare-chested to reveal his missing arm and leg , blown off during a battle at [11 11 Petersburg 11] , [12 12 Virginia 12] , in July 1864 . The work on black troops has provided new insight into the rhythms of plantation talk and culture , said [13 13 John Simon 13] , professor of history at [14 14 Southern Illinois University at Carbondale 14] and editor of Gen . [15 15 Ulysses Grant 15] 's papers . " These (writings) are not only poetic but a linguistic treasure trove . This is the first generation of [16 16 African Americans 16] that really can express itself without fear and punishment , " [17 17 Simon 17] said . " I think there 's probably a whole lot of material that would expand our understanding of the sociology of the war , " said Edward Smith , director of [18 18 American Studies 18] at [19 19 American University 19] in [20 20 Washington 20] . The war between the North and [21 21 South 21] raged for nearly four years , claimed the lives of half a million [22 22 Americans 22] and forever seared the nation 's consciousness . 1 Southern records have already been preserved . They were put on microfilm about 30 years ago through a grant from the [23 23 United Daughters of the Confederacy 23] . The Civil War Conservation Corps is mostly retirees joined by students during the school year . Director Budge Weidman , who has shepherded the project from the beginning , predicts it will take up to a decade to complete . The work was inspired by a [24 24 National Park Service 24] plan to put computer databases at [25 25 Civil War 25] battlefields across the country so that [26 26 Americans 26] might research their ancestors . The records also provide insight into medical thinking of the day . One soldier was discharged because of " mental incapacity and inebetude (sic) of the brain , alleged by the Patient to be connected with a fall on the head but believed to arise from long continued and excessive masturbation . New bomb attacks on [1 1 Corsica 1] despite crackdown vow .
Sylvie Florence [2 2 AJACCIO 2] , [3 3 Corsica 3] 1996-08-29
Separatist guerrillas planted two bombs overnight at
government offices on the [4 4 French 4] [5 5 Mediterranean 5]
island of [6 6 Corsica 6] despite fresh warnings of a
crackdown by [7 7 Paris 7] , police said on Thursday . In the
latest in a wave of attacks , a two kg (four lb) bomb
seriously damaged two floors of Agriculture Ministry offices
located just 50 metres (yards) from a police station in the
centre of the island capital [8 8 Ajaccio 8] . No one was
hurt . A second device , packed with five kg (10 lbs) of
explosive , was defused before it could go off , police
said . The new attacks followed by a day a warning of a new "get-tough"
policy by [9 9 Paris 9] toward the separatists ,
who seek greater autonomy . Interior Minister [10 10 Jean-
Louis Debre 10] , under fire for staging secret talks with
one of the largest of several rival underground nationalist
groups , told the daily La Corse in a statement he had given
" firm orders " to police to round up those responsible for
the bombings and bring them to justice . Judges on the island
had accused [11 11 Paris 11] of taking a lax stance on
guerrilla violence while conducting secret but widely-
reported talks with separatists which have now failed . The
latest bombing , close on the heels of the new orders ,
brought charges that police were powerless . " No searches ,
no arrests , no police reinforcements visible on the island ,
despite the ministry 's promises , " the daily [12 12 France-
Soir 12] lamented . " On the island , as at the [13 13 Place B
eauvau 13] (the [14 14 Interior Ministry 14] 's [15 15 Paris
15] address) , people are well aware who is who and who is
doing what . It is time to end this nightly farce , " said
the pro-government daily [16 16 Le Figaro 16] in an
editorial . No one immediately claimed responsibility for
Thursday 's incidents , which brought to 23 the number of
guerrilla attacks on the resort island since mid-August ,
when separatist guerrillas ended a shaky seven-month truce . [
17 17 Corsica 17] has been racked by low-level separatist-
inspired violence , principally directed against government

targets , for two decades . The daily [18 18 Le Monde 18] reported on Wednesday some separatist movements were considering taking their attacks to the [19 19 French 19] mainland on the principle that " 300 grammes of explosives on the continent have more impact than 300 kilos in [20 20 Corsica 20] " . The newspaper said separatists may take advantage of social unrest widely expected on the mainland in coming weeks over government austerity plans to stoke a popular backlash against the government .

[1 1 Sweden 1] 's OM to open [2 2 London 2] forest products bourse . [3 3 STOCKHOLM 3] 1996-08-29 [4 4 Swedish 4] options and derivatives exchange OM Gruppen AB said on Thursday it would open an electronic bourse for forest industry products in [5 5 London 5] in the first half of 1997 . " Together with subsidiaries OMLX , the London Securities & Derivatives Exchange and OM Stockholm , OM Gruppen will open an international electronic bourse for forest products in the first half of 1997 , " OM Gruppen said in a statement . The first commodity to be traded on the PULPEX bourse will be pulp , but OM said trade would be extended to include products such as timber , recycled paper and other paper qualities . " Through the establishment of PULPEX , [6 6 Lond on 6] will have a commodities bourse for forest products which complements existing bourses for oil , metals and ' softs ' (coffee , sugar and cocoa) , " OM said . PULPEX was the result of a three-year project run in cooperation between OM and representatives of the forest industry , the company said . Huge swings in the price of pulp over the past few years have made pulp producers ' profitability unpredictable , and made investing in new production capacity a risky business . " Without the ability to hedge prices , changes in the world market price for pulp has had an immediate impact on players ' profitability , " OM said . It said global production of pulp amounted to around 200 million tonnes per year , of which around 20 percent or 40 million tonnes was sold on the spot market . At current prices , the value of this production was around \$ 25 billion . PULPEX will be both a marketplace and a clearing house , OM said , adding that the British Securities and Investments Board had been informed of OM 's plans . PULPEX 's clearing operation will be covered by the parent company guarantee issued by OM Gruppen to its wholly-owned bourses and clearing organisations . -- [7 7 Stockholm 7] newsroom , +46-8-700 1006

dozens of demonstrators and police were injured in violent
clashes around the [4 4 Gorleben 4] nuclear waste depot as
hundreds of protesters tried to block a delivery of waste by

[1 1 Italy 1] police arrest five over double Mafia killing .
[2 2 CATANIA 2] , [3 3 Sicily 3] 1996-08-29 [4 4 Italian 4]
Police said on Thursday they had arrested five people in
connection with the slaying of the daughter and 14-year-old
nephew of a Mafia boss earlier this week . Santa Puglisi ,
22 , and Salvatore Botta were gunned down in a cemetery in
this eastern [5 5 Sicilian 5] city on Tuesday in a crime
which shocked even hardened anti-Mafia investigators . The
arrests followed a tip-off from a married couple who
unexpectedly showed up at investigators ' offices on
Wednesday . " They wanted to get a weight off their
consciences , " a police spokesman said . He added the couple
had also shed light on the murder last year of the wife of
Mafia boss [6 6 Nitto Santapaola 6] . Puglisi was shot as she
knelt praying by the tomb of her young husband , who was
himself killed last year in a Mafia ambush . Botta , who had
accompanied Puglisi to the cemetery , tried to flee the lone
gunman but was caught and killed .

Galeforce winds and heavy rains batter [1 1 Belgium 1] . [2 2
BRUSSELS 2] 1996-08-29 Torrential rains and galeforce winds
battered [3 3 Belgium 3] on Thursday causing widespread
damage as some areas had more rainfall in 24 hours than they
normally get in a month , the meteorological office said .
Cellars were flooded , trees uprooted and roofs damaged , but
there were no reports of any injuries , an interior affairs
ministry spokesman said . Some trains were delayed as fallen

trees blocked lines . [4 4 Brussels 4] received 5.6 cm (2.24 inches) of water in the past 24 hours -- compared to an average 7.4 cm (2.96 inches) per month -- but in several communes in the south of the country up to 8 cm (3.2 inches) fell , the [5 5 Royal Meteorological Institute 5] (RMT) said . The RMT spokesman said that near the eastern city of [6 6 Turnhout 6] , a group of boy scouts camping in a low-lying meadow had to be evacuated as water flooded their tents . The rain also severely hindered [7 7 Belgian 7] investigators ' excavations in the southern village of [8 8 Ju met 8] , where they are looking for bodies in one of the houses of the main character in a paedophile sex-and-murder scandal . But the coastal towns got off lightly as the flooding that had been expected due to a combination of spring tides and high winds failed to materialise .

INTERVIEW-T&N untroubled by margin pressure . [1 1 LONDON 1] 1996-08-29 The chairman of [2 2 British-based 2] components and engineering group T&N Plc said on Thursday the firm remained confident about the general prospects for its operating margins despite pressure from unsettled markets . In an interview following its first-half results , which included a less optimistic forecast for the second half of this year than it had made in the past , Sir Colin Hope said T&N had taken defensive action to protect it from patchy markets . Looking at market prospects , he said : " I think our best judgment at this stage is that it will probably bumble along in the rather mixed way it 's been in the first half . " " It 's very difficult to predict the market (trend) this year . It could be better , or it could be worse , " Hope added , echoing the demand uncertainty across automotive industries . " You can see anxieties in [3 3 Germany 3] and [4 4 France 4] , in particular , beginning to grow and develop . [5 5 America 5] , however , is looking a little better , " he said . Compared with the end of last year , when T&N predicted a sluggish first half and a rebound later in 1996 , Hope said : " I think the difference (now) is the first half has not actually been as bad as some felt it was going to be , but equally we 're certainly not predicting a recovery in the second half . " Against this background , Hope said the group was glad it had rationalised and destocked even though this had pressed margins , which had slipped to 9.5 percent from 11.3 percent a year ago . " I think the figure of 9.5 percent on the first half , when you consider the fact that we 've been destocking , the fairly

mixed customer demand , and the fact that we sold the (southern [6 6 African 6]) mines actually is not bad . " It does show how easily we should be able to bounce back over 10 percent again , " he added , saying : " We continue to feel very relaxed about our general view that we would average 10 percent profit margins over the cycle . " " We 've always taken the view that we are the sort of company that 's quite capable of working in difficult circumstances -- we 're rather used to it . And we feel very confident that we 're doing all the right things , " Hope said . " When the (profit) figures will bounce back up again is just a function of markets recovering just a fraction , " he added . Commenting on the continued struggle to get control of [7 7 German 7] piston maker Kolbenschmidt , which has been hampered by regulatory obstacles , Hope said T&N 's confidence " continues to improve " that it may eventually be able to proceed . -- Andrew Huddart , London Newsroom , +44 171 542 8716

[1 1 Hong Kong 1] 's [2 2 Tsang 2] sees growth , smooth transition . Mark Trevelyan [3 3 WELLINGTON 3] 1996-08-29 [4 4 Hong Kong 4] Financial Secretary [5 5 Donald Tsang 5] said on Thursday he expected the territory 's economy to keep growing at around five percent but with some fluctuations from year to year . [6 6 Tsang 6] , who made the remarks during a visit to [7 7 New Zealand 7] , also spoke strongly in favour of keeping the [8 8 Hong Kong 8] dollar pegged to its [9 9 U.S. 9] counterpart , and said negotiations with [10 10 China 10] on next year 's budget were going smoothly . [11 11 Hong Kong 11] 's economy grew by only 3.1 percent in the first quarter , down from 5.9 percent a year earlier , and some private sector economists have revised downwards their predictions for the 1996 year . Second quarter growth estimates will be released when the [12 12 Hong Kong 12] government issues its half-yearly economic report on Friday . " Our trend growth rate of five percent in real terms is pretty solid , " [13 13 Tsang 13] told a news conference after meeting [14 14 New Zealand 14] Finance Minister [15 15 Bill Birch 15] . " There will be fluctuations in individual years , but it wo n't be a big margin , " he said . He said inflation was under control and the [16 16 Hong Kong 16] dollar was " rock solid " . Its link to the [17 17 U.S. 17] dollar had proved an engine of growth for the past 12 years . " There 's absolutely no economic or financial or political reason for us to change . A lot of investment in [18 18 Hong Kong 18] , some of which (is) by [19 19 China 19] , is predicated on the link continuing . " [20 20 Britain 20] will hand over [21 21 Hong Kong 21] to [22 22 Chinese 22] sovereignty at midnight on June 30 , 1997 . [23 23 Tsang 23] said three sets of meetings with [24 24 Chinese 24] authorities on [25 25 Hong Kong 25] 's 1997-98 budget , which will span the transition period , had gone smoothly . " None of our basic precepts have been challenged . " [26 26 Hong Kong 26] will retain its own currency after the handover , run its own financial and monetary policy and have control over

its own foreign exchange reserves . It will have no duty to contribute any taxes to [27 27 Beijing 27] , [28 28 Tsang 28] said . He described the condition of the property market as " very good indeed " . " You know , we went through a little climb and a little trough over the last few years . Because of speculation in the market we introduced certain measures , but they are not draconian measures , and we brought it down to earth . " [29 29 Tsang 29] said the market would continue to appreciate because property and land were scarce . The government would put land on the market to stop rentals " going through the roof " , but this would mean reclamation , with possible environmental problems . " There will be on the whole a slightly upward climb , consistent with our economic growth rate , " he said in reference to the property market . [30 30 Tsang 30] , the third senior figure in the government after the governor and chief secretary , said his stated aim was to serve as financial secretary for two years under [31 31 British 31] rule and three years under [32 32 China 32] .

HK civil servants contest ban on [1 1 China 1] panel . [2 2 H
ONG KONG 2] 1996-08-29 Senior [3 3 Hong Kong 3] civil
servants were given the go-ahead on Thursday to challenge a
government ban on them standing for the Beijing-backed panel
to choose the territory 's first post-handover leader and
lawmakers . The 1 Supreme Court ruled that a judicial hearing
contesting the ban would be heard on September 11 , three
days before the nomination period for the Selection Committee
closes . The government maintains the ban , announced earlier
this month , is necessary to avoid a possible conflict of
interest because civil servants are involved in determining
government policy . Civil servants argue the ban stymies
their political rights . The 400-strong Selection Committee
will select [4 4 Hong Kong 4] 's future chief executive to
replace the [5 5 British 5] governor and a provisional
legislature to take over from the elected chamber which [6 6 B
eijing 6] plans to dissolve . [7 7 Hong Kong 7] , a [8 8 Brit
ish 8] colony for more than 150 years , will be handed back
to [9 9 China 9] at midnight on June 30 next year . [10 10 Ch
ina 10] intends to dismantle the territory 's first fully-
elected legislature because it opposes [11 11 Britain 11] 's
recent electoral reforms and install an interim appointed
chamber , a decision that has generated considerable
controversy . The judicial review sought by directorate-grade
bureaucrats will apply to only about 1,000 of the
approximately 33,000 civil servants affected . Police unions
are not contesting the ban , which affects all 27,000
officers , and nor are the very top tier of [12 12 Hong Kong 1
2] 's mandarin class , the policy secretaries . More than
16,000 application forms for places on the Selection
Committee have been handed out since the nomination period
opened . It closes on September 14 .

GAPORE 1] 1996-08-29 Singapore Refining Company (SRC) is
expected to shutdown its 60,000 barrel-per-day (bpd) crude
distillation unit (CDU) in September , an industry source
said on Thursday . " They think something is stuck , " the
source said . " But nothing has been decided as they are
still waiting for an X-ray machine to determine the problem .
" The source said the problem was discovered during the past
month during which time CDU No.3 's production has varied
from maximum capacity of 60,000 bpd to as low as 40,000 bpd ,
depending on the crude being run . " We are having a lot of
problems , " said a source . An earlier problem with CDU No .
3 arose on July 24 when an industry source said the CDU would
be closed down briefly in August for repairs to a heat
exchanger . But by mid-August , a company spokesman said
repairs had been carried out without any shutdown . The

Lenzing expects negative results in H2 . [1 1 VIENNA 1]
1996-08-29 [2 2 Austrian 2] viscose fibre maker [3 3 Lenzing A
G 3] said on Thursday it expected to post negative group
results in the second half of the year after posting losses
in the first six months . " A preview of the second half of
1996 does not reveal any signs of a significant improvement
in market conditions , " Lenzing said in a statement released
ahead of its earnings conference . For the first six months
of the year , Lenzing said it posted a group pre-tax loss of
84.5 million schillings from a profit of 160 million in the
year-ago period . The group attributed the first-half losses
to weak demand and falling prices of viscose fibres , as well
as sluggish economies in the West . -- Julia Ferguson , [4 4 V

[1 1 Algeria 1] faults [2 2 Britain 2] over [3 3 Islamists 3] gathering . [4 4 PARIS 4] 1996-08-28 [5 5 Algeria 5] , fighting a vicious war against [6 6 Moslem 6] fundamentalist guerrillas , attacked [7 7 Britain 7] on Wednesday for allowing [8 8 Islamist 8] groups to meet in [9 9 London 9] . The [10 10 Islamist 10] gathering , due to be held in [11 11 London 11] on September 8 , has triggered concern and anger in several other [12 12 Arab 12] countries like [13 13 Egypt 13] which is also fighting armed [14 14 Moslem 14] fundamentalists . [1 1 British 1] [2 Jewish 2] groups have also voiced protest because they said Palestinian Islamist [15 15 Hamas 15] as well as the banned [16 16 Algerian 16] [17 17 Islamic Salvation Front 17] ([18 18 FIS 18]) are among those radical [19 19 Islamists 19] attending the conference . A foreign ministry spokesman said in a statement read on [20 20 Algerian 20] television that [21 21 Algeria 21] " has received with concern the information over a meeting of terrorist groups working against the interests of the [22 22 Arab 22] and [23 23 Islamic 23] world . " " [24 24 Algeria 24] expresses its sharp rejection of a meeting putting together masterminds and ideologists and financers of terrorism , " the spokesman said , adding the [25 25 Algerian 25] government has asked the [26 26 British 26] embassy in [27 27 Algiers 27] for clarifications . The [28 28 Algerian 28] ambassador in [29 29 London 29] has also asked for clarification from the Foreign Office over the meeting of [30 30 Islamist 30] groups . [31 31 Algeria 31] said " they are clearly working to undermine the stability " of [32 32 Arab 32] countries . [33 33 British 33] Foreign Secretary [34 34 Malcolm Rifkind 34] said on Tuesday from [35 35 Pakistan 35] his government would only take action against the planned [36 36 Islamists 36] gathering in [37 37 London 37] if [38 38 British 38] law was broken . " People who wish to hold conferences of

course do n't need to seek permission from the government in [39 39 Britain 39] , " he said . An estimated 50,000 people , including more than 110 foreigners , have been killed in [40 40 Algeria 40] 's violence pitting [41 41 Moslem 41] rebels against government forces since early 1992 when authorities in [42 42 Algeria 42] cancelled a general election in which [43 43 FIS 43] had taken a commanding lead .

[1 1 Wall Street 1] ponders [2 2 Rubin 2] 's role if [3 3 Clinton 3] wins . Donna Sells [4 4 NEW YORK 4] The outcome of the November elections emerged as a hot topic on [5 5 Wall Street 5] this week as financial pundits debated whether [6 6 Robert Rubin 6] might forgo a second term as [7 7 Treasury 7] secretary if President [8 8 Clinton 8] is re-elected . Concern centred on the currency markets since [9 9 Rubin 9] 's tour de force has been his unflagging support of the dollar . Speculation that [10 10 Rubin 10] might not stay in his post grew after he sidestepped questions about any future

[11 11 Cabinet 11] post during television interviews at the [1 2 12 Democratic 12] convention in [13 13 Chicago 13] this week . Should [14 14 Rubin 14] leave , [15 15 Wall Street 15] would worry that he might take his strong-dollar policy with him . [16 16 Rubin 16] 's predecessor at the [17 17 Treasury 1 7] , [18 18 Lloyd Bentsen 18] , was viewed with suspicion by some in the financial markets who thought he had tried to push down the dollar to gain an edge in trade negotiations with [19 19 Japan 19] . " Obviously , under the [20 20 Clinton 20] administration , we 've seen two distinctively different dollar policies , " said Chris Widness , an international economist at Chase Securities Inc. " Under [21 21 Rubin 21] , the [22 22 U.S. 22] has certainly looked for a strong dollar . " That strategy , backed up by timely instances of joint central bank intervention , helped the dollar battle back from post-Second World War lows of 1.3438 [23 23 German 2 3] marks on March 8 , 1995 , and 79.75 [24 24 Japanese 24] yen on April 19 , 1995 . Currently , the dollar stands at about 1.48 marks and 109 yen . [25 25 Rubin 25] was widely hailed as the architect of the dollar 's comeback , using skills and expertise gained in 26 years on [26 26 Wall Street 26] , part of which were spent as co-chairman of Goldman , Sachs and Co . Inc . " [27 27 Rubin 27] has done a fine job in that position , " said Michael Faust , a portfolio manager at Bailard , Biehl and Kaiser , which manages just under \$ 1 billion in global stocks and bonds . " Anyone who would come in there to replace him would have awfully big shoes to fill . " Fear that a new [28 28 Treasury 28] secretary might favour a return to Bentsen-era policy could spell trouble for financial markets . Some overseas investors might shy away from buying [29 29 U.S. 29] stocks and bonds or even sell them when the dollar is weakening . As for [30 30 U.S. Treasury 30] securities , Widness explained that [31 31 Alan Greenspan 31] 's reappointment as chairman of the [32 32 Federal Reserve 32] and the outlook for the federal budget were more important than whether [33 33 Rubin 33] continues at the [34 3 4 Treasury 34] . " Although , if we did get someone that was seen as looking for a dollar depreciation , it would probably hurt capital flows to the [35 35 United States 35] , " said Widness , adding that could hurt [36 36 U.S. 36] stocks and , to a lesser degree , bonds . Still , markets may have little to fear from any [37 37 Rubin 37] successor because the firm dollar policy has yielded positive results . If that is true , then any new [38 38 Treasury 38] chief would need to be as effective as [39 39 Rubin 39] in convincing markets that the [40 40 White House 40] does indeed want a strong currency . " If he left , the first question people would ask the next guy is , ' What 's your view on the dollar ? ' " said Michael Perelstein , portfolio manager of MainStay International Funds . " And all I can say as a piece of advice is that they 'd better say exactly the same thing (as [41 41 Rubin 41]) , if not stronger , " Perelstein said . "

Otherwise , you get selling out of [42 42 Tokyo 42] and [43 43 Frankfurt 43] again . "

" The 32-year-old defender played seven seasons with [18 18 Nantes 18] and was with [19 19 Paris St Germain 19] for five seasons . He said former [20 20 PSG 20] team mate [21 21 David Ginola 21] , who now plays for [22 22 English 22] premier league [23 23 Newcastle 23] , was influential in his move to [24 24 Scotland 24] . " I 'm a very good friend of [25 25 David 25] and spoke to him recently about coming to [26 26 Aberdeen 26] and he was very positive about it , " Kombouare said . " He said I would really enjoy life there and that I would settle in in terms of football as well . That , and the fact he is only a few hours drive away , influenced my decision to come to [27 27 Aberdeen 27] . "
